PROXY STATEMENT

These Proxy materials are delivered in connection with the solicitation by the Board of Directors of VCA Antech, Inc., a Delaware corporation ("VCA," the "Company", "we", or "us"), of Proxies to be voted at our 2003 Annual Meeting of Stockholders and at any adjournments or postponements.

You are invited to attend our Annual Meeting of Stockholders on May 28, 2003, beginning at 10:00 a.m. Pacific Time. The meeting will be held at the Company's principal offices at 12401 West Olympic Boulevard, Los Angeles, California 90064-1022.

This Proxy Statement, form of proxy and voting instructions are being mailed starting April 25, 2003. Our 2002 Annual Report, which is not a part of the proxy soliciting material, is enclosed.

STOCKHOLDERS ENTITLED TO VOTE. Holders of our common stock at the close of business on April 14, 2003 are entitled to receive this notice and to vote their shares at the Annual Meeting. As of April 14, 2003, there were 40,585,360 shares of common stock outstanding.

HOW TO VOTE. It is important that your shares be represented and voted at the Meeting. You can vote your shares by completing and returning the proxy card sent to you.

REVOCAION OF PROXIES

You can revoke your proxy at any time before it is exercised by:

- o written notice to the Secretary of the Company;
- o timely delivery of a valid, later-dated proxy or a later-dated vote on the Internet; or
- o voting by ballot at the Annual Meeting.

INTERNET VOTING BY SHARES HELD IN STREET NAME. A number of brokerage firms and banks offer Internet voting options. The Internet voting procedures are designed to authenticate shareholders' identities, to allow shareholders to give their voting instructions and to confirm that shareholders' instructions have been recorded properly. Specific instructions to be followed by owners of shares of common stock held in street name are set forth on your Proxy card. Shareholders voting via the Internet should understand that there may be costs associated with electronic access, such as usage charges from telephone companies and Internet access providers that must be borne by the shareholder.

LIST OF SHAREHOLDERS

Edgar Filing: VCA ANTECH INC - Form DEF 14A

The names of shareholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting for any purpose relevant to the Annual Meeting, between the hours of 9:00 a.m. and 5:00 p.m., at our principal executive offices by contacting the Secretary of the Company.

REQUIRED VOTE

The presence of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting, present in person or represented by proxy, is necessary to constitute a quorum. Abstentions and broker "non-votes" are counted as present and entitled to vote for purposes of determining a quorum. A broker "non-vote" occurs when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

Page 1

Under The Nasdaq National Market rules, if you are a beneficial owner and your broker holds your shares in its name, the broker is permitted to vote your shares on the election of directors and the approval of KPMG LLP as our independent auditors even if the broker does not receive voting instructions from you. Your broker may not vote your shares on any other matters absent instructions from you.

A plurality of the votes cast is required for the election of directors. This means that the director nominee with the most votes for a particular slot is elected for that slot. Abstentions are counted for purposes of the election of directors as a "no" vote. Broker non-votes are not counted.

Under our bylaws, a majority of the votes voting or present must vote "for" the approval of the amendment to the 2001 Stock Incentive Plan and for the ratification of KPMG LLP as our independent auditors. Abstentions are counted for these purposes as a "no" vote. Broker non-votes are not counted.

VOTING ON OTHER MATTERS

If other matters are properly presented at the Annual Meeting for consideration, the persons named in the proxy will have the discretion to vote on those matters for you. At the date this Proxy Statement went to press, we did not know of any other matters to be raised at the Annual Meeting.

ELECTRONIC DELIVERY OF PROXY MATERIALS AND ANNUAL REPORT

The notice of Annual Meeting and Proxy Statement and the 2002 Annual Report are available on our web site at WWW.VCAANTECH.COM.

COST OF PROXY SOLICITATION

We will pay the cost of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees in person or by telephone, electronic transmission and facsimile transmission.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Edgar Filing: VCA ANTECH INC - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers, directors, and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater-than-ten percent stockholders are required by SEC regulations to furnish us with all Section 16(a) forms they file. Based solely upon our review of copies of the forms received by us and written representations from certain reporting persons that they have complied or not complied with the relevant filings requirements, we believe that, during the year ended December 31, 2002, all of our executive officers, directors and greater-than-ten percent stockholders complied with all Section 16(a) filing requirements except as follows: each of Robert L. Antin, Arthur J. Antin, Neil Tauber, Tomas W. Fuller and Dawn R. Olsen reported on a Form 5 filed in February 2003, a late transaction representing an option grant which occurred in December 2002.

Unless otherwise instructed, the Proxy holders will vote the Proxies received by them for the nominees named below. If any nominee is unwilling to serve as a Class I director at the time of the Annual Meeting, the Proxies will be voted for any other nominee(s) as shall be designated by the then current Board of Directors to fill any vacancy. We have no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

The Board of Directors proposes the election of the following nominees as Class I directors:

Frank Reddick

The principal occupation and certain other information about the nominees, our other directors and certain executive officers are set forth on the following pages.

Edgar Filing: VCA ANTECH INC - Form DEF 14A

FURTHER INFORMATION CONCERNING THE BOARD OF DIRECTORS

MEETINGS AND COMMITTEES. The Board of Directors held three meetings and acted seven times by unanimous written consent during fiscal 2002. The Board of Directors has an Audit Committee and a Compensation Committee. The entire Board of Directors performs the functions of a Nominating Committee.

The Audit Committee currently consists of John Heil, John M. Baumer and Frank Reddick. Each of Messrs. Heil, and Reddick is an independent director, as that term is defined in Rule 4200(a)(14) of the National Association of Securities

Edgar Filing: VCA ANTECH INC - Form DEF 14A

Dealers' Marketplace Rules. Mr. Baumer is a director who is not employed by the Company, and he is a partner of Leonard Green & Partners, L.P. Leonard Green & Partners, L.P. has been involved in a variety of our financing activities since September 2000, entered into a Management Services Agreement with us which was terminated in November 2001 and manages Green Equity Investors III, L.P., one of our principal stockholders. Mr. Baumer's independence as a member of the Audit Committee is precluded by Rule 4200(a)(14)(D) of the National Association of Securities Dealers' Marketplace Rules. However, pursuant to the current Rule 4350(d)(2)(B) of the National Association of Securities Dealers' Marketplace Rules, the Board determined that Mr. Baumer's relationship with us will not interfere with his ability to exercise his independent judgment and, taking into account his extensive business experience and financial acumen, the Board determined that it was in our best interests and our stockholders that Mr. Baumer serve as a member of the Audit Committee.

Under the terms of its charter, the Audit Committee meets periodically, including meetings held separately with management and the independent auditors. The Audit Committee represents and assists the Board with the oversight of the integrity of the Company's financial statements and internal controls, and the Company's compliance with legal and regulatory requirements. In addition, the Committee is responsible for:

- o appointing and retaining, and terminating when appropriate, the independent auditors;
- o setting the independent auditors' compensation, and pre-approving all audit services to be provided by the independent auditors; and
- o establishing policies and procedures for the engagement of the independent auditors to provide permitted non-audit services and pre-approving the performance of such permitted non-audit services;

The role and responsibilities of the Audit Committee are more fully set forth in a written charter adopted by the Board of Directors and filed with our Proxy Statement in connection with our 2002 Annual Meeting. The Audit Committee held ten meetings during fiscal 2002.

The Compensation Committee currently consists of John M. Baumer and Frank Reddick, each a director who is not employed by us. The Compensation Committee is responsible for considering and approving determinations regarding executive compensation. In connection with its deliberations, the committee will seek, and will be significantly influenced by, the views of the Chief Executive Officer with respect to appropriate compensation levels of the other officers. The Compensation Committee acted one time by unanimous written consent during fiscal 2002.

Except for Melina Higgins, who resigned as one of our directors on January 9, 2003, all directors attended 75% or more of all the meetings of the Board of Directors during fiscal 2002. All members of our Audit Committee attended 75% or more of all of their meetings during fiscal 2002.

DIRECTORS' COMPENSATION. We pay our directors who are not employed by us and who are not affiliated with Green Equity Partners III, L.P., a significant stockholder, \$1,000 for each Board meeting attended in person or committee meeting attended in person which is not held on the same day as a Board meeting, including reimbursement for out-of-pocket expenses incurred in attending. Upon appointment to the Board, each eligible director receives an initial grant of ten-year options to purchase 15,000 shares of common stock at the fair market value of the common stock on the date of grant, which options vest in two equal annual installments on the first and second anniversary dates of the grant. In addition, each eligible director receives an annual automatic grant of ten-year

Edgar Filing: VCA ANTECH INC - Form DEF 14A

options to purchase 5,000 shares of common stock at the fair market value of the common stock on the date of grant, which options vest in full one year after the date of grant. Additional grants of ten-year options to purchase 20,000 shares of common stock at the fair market value of the common stock on the date of grant were granted to the chairman of our Audit Committee, which options vest in twenty-four equal monthly installments beginning September 1, 2002.

Page 6

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION. During fiscal 2002, the Compensation Committee of our Board of Directors consisted of Frank Reddick and John M. Baumer. Neither of these individuals was one of our officers or employees at any time during fiscal 2002. During fiscal 2002, none of our executive officers served as a member of the board of directors or compensation committee of any entity that has or has had one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

Page 7

ITEM 2: PROPOSAL TO AMEND THE 2001 STOCK INCENTIVE PLAN

THE 2001 STOCK INCENTIVE PLAN AND THE PROPOSED AMENDMENT TO THE 2001 STOCK INCENTIVE PLAN

Our 2001 Stock Incentive Plan, which we refer to as the Stock Plan, was adopted by our Board of Directors and approved by our stockholders on August 6, 2001. Prior to the adoption of the amendment discussed below, a total of 2,000,000 shares of common stock had been reserved for issuance under the Stock Plan. At March 31, 2003, 640,000 shares remained available for grants of stock options or purchase rights under the Stock Plan. In March 2003, our Board of Directors approved an amendment to the Stock Plan, which we refer to as the Stock Plan Amendment, to increase the shares reserved for issuance by 1,500,000 shares. A copy of the Stock Plan as proposed to be amended is attached hereto as Appendix A. The Stock Plan Amendment is being submitted to stockholders for approval.

The Board of Directors approved the Stock Plan Amendment to ensure that a sufficient number of shares are available for issuance under the Stock Plan. The Board of Directors believes that the ability to grant stock-based awards is important to our future success. The grant of stock options and other stock-based awards can motivate high levels of performance and provide an effective means of recognizing employee contributions to our success. In addition, stock-based compensation can be valuable in recruiting and retaining key personnel who are in great demand as well as rewarding and providing incentives to our current employees. The increase in the number of shares available for grants of stock options or purchase rights under the Stock Plan will enable us to continue to realize the benefits of granting stock-based compensation.

SUMMARY OF THE STOCK PLAN

Edgar Filing: VCA ANTECH INC - Form DEF 14A

GENERAL. The purpose of the Stock Plan is to advance our interests and those of our stockholders by strengthening our ability to obtain and retain the services of the types of employees, consultants, officers and directors who will contribute to our long-term success and to provide incentives which are linked directly to increases in stock value which will inure to the benefit of all of our stockholders.

ADMINISTRATION. The Stock Plan must be administered by the Administrator, which may be either our Board of Directors or one or more committees of our Board of Directors, consisting of two or more directors. Members of the Committee serve at the pleasure of our Board of Directors. The Stock Plan currently is administered by the Compensation Committee.

Subject to the provisions of the Stock Plan, the Administrator has full and final authority:

- o to construe and interpret the Stock Plan and apply its provisions;
 - o to promulgate, amend and rescind rules and regulations relating to the administration of the Stock Plan;
 - o to authorize any person to execute, on behalf of us, any instrument required to carry out the purposes of the Stock Plan;
 - o to determine when stock options and purchase rights of common stock are to be granted under the Stock Plan;
 - o from time to time to select, subject to the limitations set forth in the Stock Plan, those eligible persons to whom stock options or purchase rights of common stock shall be granted;
 - o to determine the number of shares of common stock to be made subject to each stock option or purchase right of common stock;
 - o to determine whether each stock option is to be an incentive stock option, as that term is defined in Section 422(b) of the Internal Revenue Service Code, which we refer to as the Code, and which we refer to as an Incentive Stock Option, or a non-qualified stock option, which is any stock option not described in Section 422(b) of the Code and which we refer to as a Non-Qualified Stock Option;
- Page 8
- o to prescribe the terms and conditions of each stock option and purchase right of common stock, including, without limitation, the purchase price and medium of payment, vesting provisions and repurchase provisions, and to specify the provisions of the stock option agreement or stock purchase agreement relating to the grant or sale;
 - o to amend any outstanding stock option or purchase right of common stock for the purpose of modifying the time or manner of vesting, the purchase price or exercise price, as the case may be, subject to applicable legal restrictions and to the consent of the other party to the agreement;

Edgar Filing: VCA ANTECH INC - Form DEF 14A

- o to determine the duration and purpose of leaves of absences which may be granted to an eligible person without constituting termination of their employment for purposes of the Stock Plan;
- o to make decisions with respect to outstanding stock options that may become necessary upon a change in corporate control or an event that triggers anti-dilution adjustments; and
- o to make any and all other determinations which it determines to be necessary or advisable for administration of the Stock Plan.

PLAN ACTIVITY. We cannot now determine the number of stock options or purchase rights to be received in the future by our current executive officers, either individually or as a group, or all employees (including current officers who are not executive officers), either individually or as a group. In 2002, stock options to purchase 420,000 shares of our common stock were granted to our executive officers as a group, stock options to purchase 50,000 shares of common stock were granted to directors who are not employed by us and who are not partners of Leonard Green & Partners, L.P., which manages one of our principal stockholders, and stock options to purchase approximately 880,000 shares of common stock were granted to all of our employees as a group, including current officers who are not executive officers.

ELIGIBILITY AND TYPES OF AWARDS. Any person who is an officer, director, employee or consultant of us or our subsidiaries, which we refer to as an eligible person, is eligible to be considered for the grant of awards under the Stock Plan. Directors who are not employed by us and are not affiliated with Leonard Green & Partners, L.P., who manages one of our principal stockholders, are entitled to receive automatic grants of awards under the Stock Plan as discussed below. No eligible person may receive in any fiscal year awards representing more than 500,000 shares of common stock, subject to adjustment as provided in the Stock Plan. Our Stock Plan provides for the grant of stock options to purchase shares of our common stock and purchase rights to purchase shares of our common stock.

MANDATORY GRANTS TO CERTAIN DIRECTORS. Each of our directors who are not employed by us, who are not partners of Leonard Green & Partners, L.P., which manages one of our principal stockholders, and who are serving as a member of our Board of Directors as of February 19 in any fiscal year is entitled to receive a ten-year Non-Qualified Stock Option to purchase 5,000 shares of common stock, with a per share exercise price equal to the fair market value (as determined pursuant to the Stock Plan) of a share of common stock on the date of grant, which stock options vest in full one year after the date of grant. Upon appointment to the Board of Directors, each eligible director receives an initial grant of ten-year stock options to purchase 15,000 shares of common stock at the fair market value of the common stock on the date of grant, which stock options vest in two equal annual installments on the first and second anniversary dates of the grant.

TERMS AND CONDITIONS OF STOCK OPTIONS. Each stock option is evidenced by a stock option agreement with the recipient of the stock option, and is subject to the following additional terms and conditions:

EXERCISE PRICE. The Administrator determines the exercise price of stock options at the time the stock options are granted. The exercise price of an Incentive Stock Option may not be less than 100% of the fair market value of the common stock on the date the stock option is granted; provided, however, the exercise price of an Incentive Stock Option granted to a stockholder who holds 10% or more of our outstanding voting securities may not be less than 110% of the fair market value of the common stock on the date the stock option is granted. The fair market value of the common stock is generally determined with reference to the closing sale price for the

Edgar Filing: VCA ANTECH INC - Form DEF 14A

common stock (or the closing bid if no sales were reported) on the last market trading day prior to the date the stock option is granted.

Page 9

EXERCISE OF STOCK OPTION; FORM OF CONSIDERATION. The Administrator determines when stock options become exercisable. The means of payment for shares issued upon exercise of a stock option is specified in each stock option agreement. The Stock Plan permits payment to be made by cash, check, cashless exercise, a stock-for-stock exercise, attestation exercise and, other than for directors and executive officers, by promissory note, or any combination thereof. To the extent a promissory note is used as payment, the Administrator, in its discretion, may require that the common stock acquired pursuant to any stock option be pledged as security for the loan.

TERM OF STOCK OPTION. The term of any stock option may be no more than ten years from the date of grant; provided that in the case of an Incentive Stock Option granted to a stockholder who holds 10% or more of our outstanding voting securities, the term of the stock option may be no more than five years from the date of grant. No stock option may be exercised after the expiration of its term. If a stock option expires, terminates or is canceled, the shares of common stock not purchased thereunder shall again be available for issuance under the Stock Plan.

TERMINATION OF EMPLOYMENT. If an employment or consulting relationship terminates for any reason (other than for cause, death or disability), then all outstanding stock options held by the employee or consultant under the Stock Plan expire on the earlier of: (i) the date set forth in his or her notice of grant (typically three months after termination) or (ii) the expiration date of the stock option. To the extent the stock option is exercisable at the time of termination, the holder of the stock option may exercise all or part of his or her stock option at any time before the stock option's expiration. Any stock options that are not exercisable as of the date of termination expire at the close of business on the date of termination. If an employee or consultant relationship is terminated for cause, any exercisable stock options expire as of the commencement of business on the date of termination. If an employment or consulting relationship terminates as a result of death or disability of the holder of stock options, then all stock options held by the holder under the Stock Plan expire one year after the date of termination.

NONTRANSFERABILITY OF STOCK OPTIONS. Stock options granted under our Stock Plan are not transferable other than by will or the laws of descent and distribution, or, at the sole discretion of the Administrator, a Non-Qualified Option may be transferred by gift to an immediate family member or by transfer to a trust, provided that any stock option transferred to a trust is to be passed to beneficiaries upon the death of the original recipient of the stock option.

OTHER PROVISIONS. The stock option agreement may contain other terms, provisions and conditions not inconsistent with the Stock Plan as may be determined by the Administrator.

TERMS AND CONDITIONS OF STOCK PURCHASE RIGHTS. A stock purchase right gives the purchaser the right to buy shares of our common stock. A stock purchase right is evidenced by a stock purchase agreement with the recipient of the purchase right, and is subject to the following additional terms and conditions:

Edgar Filing: VCA ANTECH INC - Form DEF 14A

PURCHASE PRICE. The Administrator determines in its sole discretion the purchase price of purchase rights at the time the purchase rights are granted.

FORM OF CONSIDERATION. The means of payment for shares issued upon exercise of a purchase right is specified in each stock purchase agreement. The Stock Plan permits payment to be made by cash, check, cashless exercise, a stock-for-stock exercise, attestation exercise and, other than for directors and executive officers, by promissory note, or any combination thereof. To the extent a promissory note is used as payment, the Administrator, in its discretion, may require that the common stock acquired pursuant to any purchase right be pledged as security for the loan. In addition, the Stock Plan provides for awards of our common stock in consideration of services rendered to us or one of our subsidiaries prior to the grant of the award.

TERM OF PURCHASE RIGHT. Unless otherwise determined by the Administrator, all purchase rights of common stock granted under the Stock Plan expire within fifteen days after the grant of the purchase right was communicated to the eligible person by the Administrator.

TERMINATION OF EMPLOYMENT. Unless the Administrator determines otherwise, the stock purchase agreement shall give us a repurchase option exercisable upon the voluntary or involuntary termination of the purchaser's employment or consulting relationship with us for any reason (including death and disability).

Page 10

The purchase price for any shares repurchased by us shall be the original price paid by the purchaser. The repurchase option lapses at a rate determined by the Administrator.

NONTRANSFERABILITY OF PURCHASE RIGHTS. A purchase right is nontransferable other than by will or the laws of descent and distribution, and may be exercised only by the holder of the purchase right during the holder's lifetime.

OTHER PROVISIONS. The stock purchase agreement may contain other terms, provisions and conditions not inconsistent with the Stock Plan as may be determined by the Administrator.

ADJUSTMENTS UPON CHANGES IN CAPITALIZATION. In the event that our stock changes by reason of any stock split, reverse stock split, stock dividend, combination, reclassification or other similar change in our capital structure effected without the receipt of consideration, appropriate adjustments shall be made in the number and class of shares of stock subject to the Stock Plan, the number and class of shares of stock subject to any stock option or purchase right outstanding under the Stock Plan and the exercise price of any outstanding stock option or purchase right.

In the event of our dissolution or liquidation, or any corporate separation or division, including, but not limited to, a split-up, a split-off or a spin-off, or a sale of substantially all of our assets; a merger or consolidation in which we are not the surviving entity; or a reverse merger in which we are the

Edgar Filing: VCA ANTECH INC - Form DEF 14A

surviving entity, but the shares of our common stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, whether in the form of securities, cash or otherwise, then, we, to the extent permitted by applicable law, but otherwise in our sole discretion may provide for:

- o the continuation of outstanding stock options or purchase rights (if we are the surviving entity);
- o the assumption of the Stock Plan and outstanding stock options or purchase rights by the surviving entity or its parent;
- o the substitution by the surviving entity or its parent of outstanding stock options or purchase rights with substantially the same terms as the outstanding stock options or purchase rights; or
- o the cancellation of outstanding stock options or purchase rights without payment of any consideration, provided that if the outstanding stock options or purchase rights would be canceled in accordance with the foregoing, the holder of any stock option or purchase right shall have the right, exercisable during the later of the ten-day period ending on the fifth day prior to a merger or consolidation or ten days after the Administrator provides the holder of outstanding stock options or purchase rights a notice of cancellation, to exercise the stock options or purchase rights in whole or in part.

AMENDMENT AND TERMINATION OF THE STOCK PLAN. The Administrator may amend, alter, suspend or terminate the Stock Plan, or any part thereof, at any time and for any reason. However, we shall obtain stockholder approval of any amendment to the Stock Plan to the extent necessary and desirable. No action by our Board of Directors or stockholders may alter or impair any stock option or stock purchase right previously granted under the Stock Plan without the written consent of the recipient of the stock option or purchase right. The Stock Plan shall terminate on August 6, 2011, ten years from the date of its original approval by the stockholders and the Board of Directors, unless the Stock Plan is sooner terminated by action of the Board of Directors.

EFFECT OF SECTION 16(B) OF THE SECURITIES EXCHANGE ACT OF 1934. The acquisition and disposition of common stock by officers, directors and our greater than 10% stockholders, each of which we refer to as an Insider, pursuant to stock options or purchase rights granted to them under the Stock Plan may be subject to Section 16(b) of the Securities Exchange Act of 1934, as amended. Pursuant to Section 16(b), a purchase of common stock by an Insider within six months before or after a sale of common stock by the Insider could result in recovery by us of all or a portion of any amount by which the sale proceeds exceed the purchase price. Insiders are required to file reports of changes in beneficial ownership under Section 16(a) of the Securities Exchange Act of 1934 upon acquisitions and dispositions of shares. Rule 16b-3 provides an exemption from Section 16(b) liability for certain transactions pursuant to certain employee benefit plans. The Stock Plan is designed to comply with Rule 16b-3.

FEDERAL INCOME TAX CONSEQUENCES

UNITED STATES FEDERAL INCOME TAX CONSEQUENCES. Since the adoption of the Stock Plan on August 6, 2001, the only type of award granted by us under

Edgar Filing: VCA ANTECH INC - Form DEF 14A

the Stock Plan has been stock options. The following is a general discussion of the principal tax considerations for both Incentive Stock Options and Non-Qualified Stock Options, and is based upon the tax laws and regulations of the United States existing as of the date hereof, all of which are subject to modification at any time. The Stock Plan does not constitute a qualified retirement plan under Section 401(a) of the Code (which generally covers trusts forming part of a stock bonus, pension or profit-sharing plan funded by the employer and/or employee contributions which are designed to provide retirement benefits to participants under certain circumstances) and is not subject to the Employee Retirement Income Security Act of 1974 (the pension reform law which regulates most types of privately funded pension, profit sharing and other employee benefit plans).

CONSEQUENCES TO EMPLOYEES: INCENTIVE STOCK OPTIONS. No income is recognized for federal income tax purposes by an optionee at the time an Incentive Stock Option is granted, and, except as discussed below, no income is recognized by an optionee upon his or her exercise of an Incentive Stock Option. If the optionee makes no disposition of the common stock received upon exercise within two years from the date the stock option was granted and one year from the date the stock option is exercised, the optionee will recognize mid-term or long-term capital gain or loss when he or she disposes of his or her common stock. Any gain or loss generally will be measured by the difference between the exercise price of the stock option and the amount received for the common stock at the time of disposition. If the optionee disposes of the common stock acquired upon exercise of an Incentive Stock Option within two years after being granted the stock option or within one year after acquiring the common stock, any amount realized from that disqualifying disposition will be taxable as ordinary income in the year of disposition to the extent that (i) the lesser of (a) the fair market value of the shares on the date the Incentive Stock Option was exercised or (b) the fair market value at the time of that disposition exceeds (ii) the Incentive Stock Option exercise price. Any amount realized upon disposition in excess of the fair market value of the shares on the date of exercise will be treated as long-term or short-term capital gain, depending upon the length of time the shares have been held. The use of stock acquired through exercise of an Incentive Stock Option in a stock-for-stock exercise of an Incentive Stock Option will constitute a disqualifying disposition if the applicable holding period requirement has not been satisfied. For alternative minimum tax purposes, the excess of the fair market value of the stock as of the date of exercise over the exercise price of the Incentive Stock Option (the "Spread" at exercise) is included in computing that year's alternative minimum taxable income. However, if the shares are disposed of in the same year, the maximum alternative minimum taxable income with respect to those shares is the gain on disposition. There is no alternative minimum taxable income from a disqualifying disposition in subsequent years.

CONSEQUENCES TO EMPLOYEES: NON-QUALIFIED STOCK OPTIONS. No income is recognized by a holder of Non-Qualified Stock Options at the time Non-Qualified Stock Options are granted under the Stock Plan. In general, at the time shares of common stock are issued to a holder pursuant to exercise of Non-Qualified Stock Options, the holder will recognize ordinary income equal to the excess of the fair market value of the shares on the date of exercise over the exercise price. A holder will recognize gain or loss on the subsequent sale of common stock acquired upon exercise of Non-Qualified Stock Options in an amount equal to the difference between the selling price and the tax basis of the common stock, which will include the price paid plus the amount included in the holder's income by reason of the exercise of the Non-Qualified Stock Options. Provided the shares of common stock are held as a capital asset, any gain or loss resulting from a subsequent sale will be short-term or long-term capital gain or loss depending upon the length of time the shares have been held. Generally, the

Edgar Filing: VCA ANTECH INC - Form DEF 14A

shares received on exercise of an option under the Stock Plan are not subject to restrictions on transfer or risks of forfeiture and, therefore, the optionee will recognize income on the date of exercise of a Non-Qualified Stock Option. However, if the optionee is subject to Section 16(b) of the Exchange Act, the Section 16(b) restriction will be considered a substantial risk of forfeiture for tax purposes. If the stock received on the exercise of a Non-Qualified Stock Option is subject to a substantial risk of forfeiture, the timing of recognition will be deferred until, and the fair market value measurement of the taxable Spread will be determined as of, the date the substantial risk of forfeiture lapses. Under current law, employees who are either directors or officers of the Company will be subject to restrictions under Section 16(b) of the Exchange Act during their term of service and for up to six months after termination of such service. Rule 16b-3 provides an exemption from the restrictions of Section 16(b) for the grant of derivative securities, such as stock options, under qualifying plans. Because the options granted under the Stock Plan will satisfy the requirements for exemption under Rule 16b-3, the grant of options will not be considered a purchase and the exercise of the options to acquire the underlying shares of

Page 12

the Company common stock will not be considered a purchase or a sale. Thus, ordinary income will be recognized and the Spread will be measured on the date of exercise.

CONSEQUENCES TO US: INCENTIVE STOCK OPTIONS. We will not be allowed a deduction for federal income tax purposes at the time of the grant or exercise of an Incentive Stock Option. There are also no federal income tax consequences to us as a result of the disposition of common stock acquired upon exercise of an Incentive Stock Option if the disposition is not a disqualifying disposition. At the time of a disqualifying disposition by an optionee, we will be entitled to a deduction for the amount received by the optionee to the extent that the amount is taxable to the optionee as ordinary income.

CONSEQUENCES TO US: NON-QUALIFIED STOCK OPTIONS. Generally, we will be entitled to a deduction for federal income tax purposes in the year and in the same amount as the optionee is considered to have realized ordinary income in connection with the exercise of Non-Qualified Stock Options.

CONSEQUENCES TO US: OTHER DEDUCTION ISSUES. Code Section 162(m) generally denies a tax deduction to any publicly held corporation for compensation that exceeds one million dollars paid to certain senior executives in a taxable year, subject to an exception for "performance based compensation" as defined in the Code and subject to certain transition provisions. As a result of its public offering, the Company currently is subject to a transition rule that delays the date for complying with the performance based compensation requirements of Section 162(m) until the first shareholder meeting at which directors are to be elected that occurs after 2004. However, the Company reserves the authority to award non-deductible compensation as it deems appropriate. In addition, notwithstanding the Company's efforts, ambiguities and uncertainties regarding the application and interpretation of Section 162(m) make it impossible to provide assurance that performance-based compensation will, in fact, satisfy the requirements for deductibility under Section 162(m). Thus, Section 162(m)

Edgar Filing: VCA ANTECH INC - Form DEF 14A

could limit the deductibility of compensation related to the exercise of options granted under the Employee Plan.

The taxable income resulting from the exercise of a non-qualified stock option will constitute wages subject to withholding and the Company will be required to make whatever arrangements are necessary to ensure that funds equaling the amount of tax required to be withheld are available for payment, including the deduction of required withholding amounts from the optionee's other compensation and requiring payment of withholding amounts as part of the exercise price.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON HOLDERS OF STOCK OPTIONS AND PURCHASE RIGHTS AND US WITH RESPECT TO THE GRANT AND EXERCISE OF STOCK OPTIONS AND PURCHASE RIGHTS UNDER THE STOCK PLAN. IT DOES NOT PURPORT TO BE COMPLETE, AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF THE EMPLOYEE'S OR CONSULTANT'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE EMPLOYEE OR CONSULTANT MAY RESIDE.

The approval of the Stock Plan Amendment will require the affirmative vote of a majority of the shares of common stock present or represented and entitled to vote at the Annual Meeting. All Proxies will be voted to approve the Stock Plan Amendment unless a contrary vote is indicated on the enclosed Proxy card, except that brokers may not vote for this proposal absent instructions from the beneficial owner of the shares voted by the broker.

ITEM 3: RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee of the Board of Directors recommended, and the Board of Directors has engaged, the firm of KPMG LLP to continue as our independent public accountants for the current fiscal year ending December 31, 2003. KPMG LLP served as the principal independent public accounting firm utilized by us during the fiscal year ended December 31, 2002. We anticipate that a representative of KPMG LLP will attend the Annual Meeting for the purpose of responding to appropriate questions. At the Annual Meeting, a representative of KPMG LLP will be afforded an opportunity to make a statement if he or she so desires.

The ratification of KPMG LLP as the Company's independent public accountants for the fiscal year ending December 31, 2003, will require the affirmative vote of a majority of the shares of common stock present or represented and entitled to vote at the Annual Meeting. All Proxies will be voted to approve the appointment unless a contrary vote is indicated on the enclosed Proxy card.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS.

CHANGE OF INDEPENDENT PUBLIC ACCOUNTANTS

As of January 1, 2002, Arthur Andersen LLP, was engaged by our Board of

Edgar Filing: VCA ANTECH INC - Form DEF 14A

Directors to serve as our independent public accountants to audit our consolidated financial statements for the fiscal year ended December 31, 2002. On June 14, 2002, upon the recommendation of our Audit Committee, the Board dismissed Arthur Andersen LLP as our independent public accountants.

Arthur Andersen LLP's reports on our consolidated financial statements for the two most recent fiscal years ended December 31, 2001 for which Arthur Andersen LLP served as our independent public accountant did not contain any adverse opinion or disclaimer of opinion, nor were those reports qualified or modified as to uncertainty, audit scope or accounting principles. During the two most recent fiscal year ended December 31, 2001 for which Arthur Andersen LLP served as our independent public accounts and the subsequent interim period through June 14, 2002, there were: (i) no disagreements between us and Arthur Andersen LLP on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen LLP's satisfaction, would have caused it to make reference to the subject matter of the disagreement in connection with its reports on our consolidated financial statements for those years; and (ii) no "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K.

In June 2002, Arthur Andersen LLP furnished us with a letter addressed to the Securities and Exchange Commission stating that it agrees with the statements above. A copy of the letter was included as an exhibit to the Form 8-K filed by the Company in June 2002.

On June 14, 2002, upon the recommendation of our Audit Committee, the Board engaged KPMG LLP to serve as our independent public accountants to audit our consolidated financial statements for the fiscal year ended December 31, 2002, and to re-audit our consolidated financial statements for the fiscal years ended December 31, 2001, 2000 and 1999. The decision to engage KPMG LLP was recommended and approved by our Audit Committee and approved by our Board of Directors. Our Audit Committee carefully considered KPMG LLP's qualifications as independent accountants before recommending it for appointment. This consideration included a review of the qualifications of the engagement team, the quality control procedures the firm has established, and any issues raised by the most recent quality control review of the firm, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee also analyzed matters required to be considered under the Audit Committee's charter and under the Commission's Rules on Auditor Independence in effect at the time of engagement, including the nature and extent of non-audit services, to ensure that the independence of the independent public accountants would not be impaired.

During the two most recent fiscal years ended December 31, 2001 and the subsequent interim period through June 14, 2002, we did not consult with KPMG LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our consolidated

financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

EMPLOYMENT AND SEVERANCE AGREEMENTS

We have employment agreements with Robert L. Antin, Arthur J. Antin, Neil Tauber and Tomas W. Fuller.

ROBERT L. ANTIN. Mr. Antin's employment agreement, dated as of November 27, 2001, provides for Mr. Antin to serve as our Chairman of the Board, Chief Executive Officer and President for a term five years from any given date, such that there shall always be a minimum of at least five years remaining under his employment agreement. The employment agreement provides for Mr. Antin to receive an annual base salary of \$520,000, subject to annual increase based on comparable compensation packages provided to executives in similarly situated companies, and to participate in a bonus plan based on annual performance standards to be established by the compensation committee. Mr. Antin also is entitled to specified perquisites.

If Mr. Antin's employment is terminated due to his death, the employment agreement provides that we will pay Mr. Antin's estate his base salary during the scheduled term of the employment agreement, accelerate the vesting of his options and continue to provide family medical benefits. If Mr. Antin's employment is terminated due to his disability, the employment agreement provides that we will pay Mr. Antin his remaining base salary during the remaining scheduled term of the employment agreement (reduced by any amounts paid under long-term disability insurance policy maintained by us for the benefit of Mr. Antin), accelerate the vesting of his options and continue to provide specified benefits and perquisites. In the case of termination due to death or disability, any unexercised options will remain exercisable for the full term.

If Mr. Antin terminates the employment agreement for cause, if we terminate the employment agreement without cause or in the event of a change of control, in which event the employment of Mr. Antin terminates automatically, we will pay Mr. Antin his remaining base salary during the remaining scheduled term of the employment agreement plus an amount based on the greater of Mr. Antin's last annual bonus or the average of all bonuses paid to Mr. Antin under the employment agreement. In addition, we will accelerate the vesting of his options and continue to provide specified benefits and perquisites. In these circumstances, Mr. Antin may exercise his options immediately upon termination and thereafter during the term of the option.

If Mr. Antin terminates the employment agreement without cause or we terminate the employment agreement for cause, Mr. Antin is entitled to receive all accrued and unpaid salary and other compensation and all accrued and unused vacation and sick pay.

If any of the payments due Mr. Antin upon termination qualify as "excess parachute payments" under the Code, Mr. Antin also is entitled to an additional payment to cover the tax consequences associated with excess parachute payments.

ARTHUR J. ANTIN. Mr. Antin's employment agreement, dated as of November 27, 2001, provides for Mr. Antin to serve as our Chief Operating Officer, Senior Vice President and Secretary for a term equal to three years from any given date, such that there shall always be a minimum of at least three years remaining under his employment agreement. The employment agreement provides for Mr. Antin to receive an annual base salary of \$416,000, subject to annual increase based on comparable compensation packages provided to executives in similarly situated companies, and to participate in a bonus plan based on annual performance standards to be established by the compensation committee. Mr. Antin also is entitled to specified perquisites.

Edgar Filing: VCA ANTECH INC - Form DEF 14A

If Mr. Antin's employment is terminated due to his disability, the employment agreement provides that we will pay Mr. Antin his remaining base salary during the remaining scheduled term of the employment agreement (reduced by any amounts paid under long-term disability insurance policy maintained by us for the benefit of Mr. Antin), accelerate the vesting of his options and continue to provide specified benefits and perquisites. In the case of termination due to death or disability, any unexercised options will remain exercisable for the full term.

If any of the payments due Mr. Antin upon termination qualify as "excess parachute payments" under the Code, Mr. Antin also is entitled to an additional payment to cover the tax consequences associated with excess parachute payments.

NEIL TAUBER. Mr. Tauber's employment agreement, dated as of September 20, 2000, as amended on March 25, 2003, provides for Mr. Tauber to serve as our Senior Vice President for a term of four years. The employment agreement provides for Mr. Tauber to receive an annual base salary and additional compensation of not less than \$248,000, subject to annual increase based on the Consumer Price Index for Los Angeles County, and to be eligible for a cash bonus to be determined within the sole discretion of our Compensation Committee.

If Mr. Tauber's employment is terminated due to his death or disability, the employment agreement provides that we will pay Mr. Tauber or his estate, as applicable, the amount he would have earned as base salary during the 12 months following the termination date (reduced by any amounts paid under any life insurance policy or long-term disability insurance policy, as applicable, maintained by us for the benefit of Mr. Tauber), accelerate the vesting of his options and continue to provide specified benefits for the 12 months following the termination date. In these circumstances, Mr. Tauber may exercise his options during the remainder of their term.

If Mr. Tauber terminates the employment agreement for cause, if we terminate the employment agreement without cause or in the event of a change of control, in

Edgar Filing: VCA ANTECH INC - Form DEF 14A

which event the employment of Mr. Tauber terminates automatically, we will pay Mr. Tauber the amount he would have earned as base salary during the 12 months following the termination date, an amount based on his past bonuses, accelerate the vesting of his options and continue to provide specified benefits for the 12 months following the termination date. In these circumstances, Mr. Tauber may exercise his options during the full term of the option.

Mr. Tauber may terminate his employment with us at any time in which event he is entitled to receive all accrued and unpaid salary and other compensation and all accrued and unused vacation and sick pay.

If any of the payments due Mr. Tauber upon termination qualify as "excess parachute payments" under the Code, Mr. Tauber also is entitled to an additional payment to cover the tax consequences associated with excess parachute payments.

In March 2003, we executed an agreement with Mr. Tauber which provides that, following the expiration of the term of Mr. Tauber's Employment Agreement, if Mr. Tauber's employment with us terminates for any reason other than for cause, then we will pay Mr. Tauber the amount he would have earned as base salary during the 12 months following the termination date (reduced by any amounts paid under any long-term disability insurance policy maintained by us for the benefit of Mr. Tauber) and continue to provide medical benefits for the 12 months following the termination date.

TOMAS W. FULLER. Mr. Fuller's employment agreement dated as of November 27, 2001, provides for Mr. Fuller to serve as our Chief Financial Officer, Vice President and Assistant Secretary for a term equal to two years from any given date, such that there shall always be a minimum of at least two years remaining under his employment agreement. The employment agreement provides for Mr. Fuller to receive an annual base salary of not less than \$244,000, subject to annual increase based on comparable compensation packages provided to executives in similarly situated companies, and to participate in a bonus plan based on annual performance standards to be established by the compensation committee.

If Mr. Fuller's employment is terminated due to his death, the employment agreement provides that we will pay Mr. Fuller's estate his base salary during the scheduled term of the employment agreement, accelerate the vesting of his options and continue to provide family medical benefits. If Mr. Fuller's employment is terminated due to his disability, the employment agreement provides that we will pay Mr. Fuller his remaining base salary during the

Page 19

remaining scheduled term of the employment agreement (reduced by any amounts paid under long-term disability insurance policy maintained by us for the benefit of Mr. Fuller), accelerate the vesting of his options and the continuation of specified benefits and perquisites. In the case of termination due to death or disability, any unexercised options will remain exercisable for the full term.

If Mr. Fuller terminates the employment agreement for cause, if we terminate the employment agreement without cause or in the event of a change of control, in which event the employment of Mr. Fuller terminates automatically, we will pay Mr. Fuller his remaining base salary during the remaining scheduled term of the employment agreement plus an amount based on the greater of Mr. Fuller's last annual bonus or the average of all bonuses paid to Mr. Fuller under the employment agreement. In addition, we will accelerate the vesting of his options

Edgar Filing: VCA ANTECH INC - Form DEF 14A

and continue to provide specified benefits and perquisites. In these circumstances, Mr. Fuller may exercise his options immediately upon termination and thereafter for the full term of the option.

If Mr. Fuller terminates the employment agreement without cause or we terminate the employment agreement for cause, Mr. Fuller is entitled to receive all accrued and unpaid salary and other compensation and all accrued and unused vacation and sick pay.

If any of the payments due Mr. Fuller upon termination qualify as "excess parachute payments" under the Code, Mr. Fuller also is entitled to an additional payment to cover the tax consequences associated with excess parachute payments.

In the event of a change of control and at our request, each of Messrs. Robert L. Antin, Arthur J. Antin, Neil Tauber and Tomas W. Fuller is obligated to continue to serve under the same terms and conditions of his employment agreement for a period of up to 180 days following the termination date at his then-current base salary.

REPORT OF COMPENSATION COMMITTEE

THE INFORMATION IN THIS COMPENSATION REPORT SHALL NOT BE DEEMED TO BE "SOLICITING MATERIAL," OR TO BE "FILED" WITH THE SECURITIES AND EXCHANGE COMMISSION OR TO BE SUBJECT TO REGULATION 14A OR 14C AS PROMULGATED BY THE SECURITIES AND EXCHANGE COMMISSION, OR TO THE LIABILITIES OF SECTION 18 OF THE SECURITIES AND EXCHANGE ACT OF 1934.

COMPENSATION PHILOSOPHY

TOTAL COMPENSATION. The compensation program for executive officers is designed to attract, motivate, reward and retain highly skilled executives who have the talent and experience necessary to advance the Company's short- and long-term interests. We believe that this approach effectively serves VCA's stockholders' best interests by tying a significant portion of incentive compensation to the achievement of goals that are aligned with your goals. The principal elements of total compensation paid to executives of the Company consist of base salary, annual incentive bonuses and periodic grants of stock options. The members of the Compensation Committee were appointed on October 8, 2002. Prior to the appointment of the members of the Audit Committee, the Company's entire Board of Directors performed the functions of the Compensation Committee.

BASE SALARY. The base salaries for each of our executive officers in 2001 were established through negotiation with each executive officer and are set forth in their respective employment agreements. Pursuant to the terms of each employment agreement, the base salary of each executive officer is reviewed annually. An increase to each executive officer's base salary for 2002 was approved by the Company's entire Board of Directors. The Compensation Committee now reviews the base salaries for the executive officers annually. The Board of Directors in 2002 considered, and we will consider, the following factors in determining the base salaries reflected in each employment agreement and any increases to those salaries in the annual review of each base salary: compensation levels of similarly positioned executives in comparable companies; the performance of the business area or function for which the executive is responsible; and qualitative factors reflecting the individual performance of the particular executive officer.

ANNUAL INCENTIVES. We have designed an annual incentive bonus program that we believe creates a direct link between pay and performance for our senior executives. The annual performance goal for the Company's Chief Executive Officer is determined in our sole discretion with specific reference to the company's overall performance, and depending on whether and to what extent the Company's Chief Executive Officer meets or exceeds the annual performance goal,

Edgar Filing: VCA ANTECH INC - Form DEF 14A

he may receive between 0% and 100% of his annual base salary as a cash bonus. We rely on specific annual performance goals set by the Company's Chief Executive Officer to grant annual awards for our

Page 20

other executives. We believe that the awards should be determined with specific reference to the Company's overall performance and goals, as well as the performance and goals of the division or function over which each individual executive has primary responsibility. Cash bonuses paid to the Chief Executive Officer, Chief Operating Officer and Chief Financial Officer for performance in 2002 were based on adjusted EBITDA targets. 40% of the cash bonus paid to the Senior Vice President of Development was based on adjusted EBITDA targets and 60% was based on annual development goals. The extent to which annual performance goals are met determines a range of percentages for which the cash bonus may be calculated based on that executive's annual base salary. Potential annual target awards in 2002 ranged from 0% to 100% of an executive's base salary. Actual annual target awards in 2002 ranged from 70% to 100% of an executive's base salary. The maximum annual target award payable to any particular executive for 2002 was paid to Mr. Robert L. Antin, who received 100% of his base salary, or \$520,000.

STOCK OPTIONS AND AWARDS. We believe that awarding stock options to our executive officers will motivate them to focus on the Company's long-term performance. Stock option grants are generally made to an executive upon commencement of service or entering into an employment agreement and periodically during their tenure with the Company. We consider and approve grants of stock options to the Company's directors and executive officers. All grants of stock options shall have an exercise price not less than the fair market value of our common stock on the date of grant. The fair market value of our common stock is determined by the per share closing price of our common stock on the day immediately preceding the date of grant. In December 2002, we approved stock option grants to the Company's executive officers representing the following number of shares, each at an exercise price of \$14.00 per share: 145,000 shares to our Chief Executive Officer; 115,000 shares to our Chief Operating Officer; 85,000 shares to our Chief Financial Officer; and 50,000 to our Senior Vice President of Development. One-third of each of these stock option grants vests on January 1, 2004, and the remaining shares underlying each stock option grant vest in 24 equal monthly installments beginning on February 1, 2004.

DETERMINATION OF CHIEF EXECUTIVE OFFICER'S COMPENSATION. During fiscal 2002, the Chief Executive Officer's annual base salary was \$520,000. For performance in fiscal 2002, the Chief Executive Officer received a cash bonus of \$520,000. This compensation package was established based on the factors described above.

OMNIBUS BUDGET RECONCILIATION ACT IMPLICATIONS FOR EXECUTIVE COMPENSATION. Effective January 1, 1994, under Section 162(m) of the Internal Revenue Code of 1986, as amended, a public company generally will not be entitled to a deduction for non-performance-based compensation paid to certain executive officers to the extent that compensation exceeds \$1.0 million. Special rules apply for "performance-based" compensation, including the approval of the performance goals by the stockholders of the Company.

All compensation paid to the Company's employees in fiscal 2002 will be fully deductible. With respect to compensation to be paid to executives in 2003 and

Edgar Filing: VCA ANTECH INC - Form DEF 14A

future years, in certain instances that compensation may exceed \$1.0 million. However, in order to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the board has not adopted a policy that all compensation must be deductible.

REPORT OF AUDIT COMMITTEE

THE INFORMATION IN THIS AUDIT COMMITTEE REPORT SHALL NOT BE DEEMED TO BE "SOLICITING MATERIAL," OR TO BE "FILED" WITH THE SECURITIES AND EXCHANGE COMMISSION OR TO BE SUBJECT TO REGULATION 14A OR 14C AS PROMULGATED BY THE SECURITIES AND EXCHANGE COMMISSION, OR TO THE LIABILITIES OF SECTION 18 OF THE SECURITIES AND EXCHANGE ACT OF 1934.

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In this context, the Committee has met and held discussions with management and the independent auditors regarding the fair and complete presentation of the Company's results. The Committee has discussed significant accounting policies applied by the Company in its financial statements, as well as alternative treatments. Management represented to the Committee that the Company's consolidated financial statements were prepared in

Page 21

accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees).

In addition, the Committee has discussed with the independent auditors the auditors' independence from the Company and its management, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees). The Committee also has considered whether the independent auditors' provision of non-audit services to the Company is compatible with the auditors' independence. The Committee has concluded that the independent auditors are independent from the Company and its management.

The Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002, for filing with the Securities and Exchange

Edgar Filing: VCA ANTECH INC - Form DEF 14A

Commission. The Committee has selected and the Board of Directors has ratified the selection of the Company's independent auditors for the fiscal year ending December 31, 2003.

On May 28, 2002, the Committee recommended to the Board, and on June 14, 2002, the Board approved, the dismissal of Arthur Andersen LLP as the Company's independent auditors and the engagement of KPMG LLP as the Company's independent auditors for the fiscal year ended December 31, 2002.

PERFORMANCE GRAPH

The following graphs set forth the percentage change in cumulative total stockholder return of our common stock for the following periods: (1) December 31, 1997 to September 20, 2000 (the date we consummated our recapitalization, and during which time we were known as Veterinary Centers of America, Inc.) and (2) November 21, 2001 (the effective date of our initial public offering) to December 31, 2002. These periods are compared with the cumulative returns of the NASDAQ Stock Market (U.S. Companies) Index and the Russell 2000 Index. The comparison assumes \$100 was invested on each of December 31, 1997 and November 21, 2001 in our common stock in each of the foregoing indices. The stock price performance on the following graph is not necessarily indicative of future stock price performance.

CERTAIN TRANSACTIONS WITH DIRECTORS AND EXECUTIVE OFFICERS

Except as disclosed in this Proxy Statement, neither the nominees for election as directors, our directors or executive officers, nor any stockholder owning more than five percent of our issued shares, nor any of their respective associates or affiliates, had any material interest, direct or indirect, in any material transaction to which we were a party during fiscal 2002, or which is presently proposed.

Management believes, based on its reasonable judgment, but without further investigation, that the terms of each of the following transactions or arrangements between us and our affiliates, officers, directors or stockholders which were parties to the transactions were, on an overall basis, at least as favorable to us as could then have been obtained from unrelated parties.

See "Employment and Severance Agreements" for a summary of employment agreements with certain of our executive officers.

AMENDMENT TO THE COMPANY'S SENIOR CREDIT FACILITY

On August 29, 2002, we amended our senior credit facility to repay \$143.1 million, the entire outstanding principal amount, of our outstanding senior term A and senior term B notes by issuing under our senior credit facility an equal principal amount of senior term C notes, which bear a lower interest rate than the weighted average interest rate for the senior term A and B notes. An affiliate of Goldman, Sachs & Co. is the syndication agent and a lender under our senior credit facility. Affiliates of Goldman, Sachs & Co. held approximately \$16.4 million aggregate principal amount of our senior term C notes. In addition, Melina Higgins is a managing director of Goldman, Sachs & Co. and served as one of our directors until January 9, 2003.

REPAYMENT OF SENIOR NOTES AND SENIOR SUBORDINATED NOTES

On October 24, 2002, we issued an additional \$25.0 million of senior term C notes under our senior credit facility and used the proceeds, as well as \$25.2 million of cash on hand, to:

Edgar Filing: VCA ANTECH INC - Form DEF 14A

- o repay \$15.0 million, the entire outstanding principal amount, of our 13.5% senior subordinated notes due 2010, at a redemption price of 110%, plus accrued and unpaid interest; and
- o repay \$30.0 million principal amount of our 15.5% senior notes due 2010, at a redemption price of 110%, plus accrued and unpaid interest.

Affiliates of Goldman, Sachs & Co. held approximately \$34.3 million aggregate principal amount of the our 15.5% senior notes at December 31, 2002. An affiliate of Goldman, Sachs & Co. is the syndication agent and a lender under our senior credit facility. Melina Higgins is a managing director of Goldman, Sachs & Co. and served as one of our directors until January 9, 2003.

STOCKHOLDERS AGREEMENT

On September 20, 2000, we entered into a stockholders agreement with each of our stockholders. Under the stockholders agreement, each party to the stockholders agreement has registration rights and call rights with respect to shares of common stock and stock options held by all of our employees in the event of termination of employment for any reason. The call rights permitted us to repurchase callable shares at \$1.00 per share. In connection with our initial public offering in 2001, the stockholders agreement was amended such that all call rights expired on or before April 1, 2003.

In connection with the registration rights under the Stockholders' Agreement, we have agreed to pay any expenses associated with any demand registrations or piggyback registrations. In February 2003, we completed our secondary public offering. Pursuant to the registration rights granted in our stockholders agreement, an affiliate of Leonard Green & Partners, LP, one of our principal stockholders, sold 2,611,202 shares of our common stock and Robert L. Antin, our Chairman, Chief Executive Officer and President, sold 200,000 shares of common stock at the public offering price of \$15.25 per share. Each of John M. Baumer, John G. Danhaki and Peter J. Nolan is one of our directors and a partner of Leonard Green & Partners. The remaining shares held by Robert L. Antin and the affiliate of Leonard Green & Partners are subject to lock-up agreements under which the affiliate of Leonard Green & Partners agrees not to offer, sell, contract to sell, pledge or otherwise dispose of, directly or indirectly any share of common stock or any securities convertible into or exchangeable or exercisable for any shares of common stock without the prior written consent of Goldman, Sachs & Co. until May 5, 2003.

TRANSACTIONS WITH ZOASIS

Zoasis Corporation is an internet start-up business. Robert Antin, our President, Chief Executive Officer and Chairman of the Board, is the majority stockholder of Zoasis and serves on its Board of Directors. We incurred marketing expense for vaccine reminder services provided by Zoasis Corporation of \$850,000, \$709,000 and \$81,000 for the years ended December 31, 2002, 2001 and 2000, respectively. The pricing of these services is comparable to what we have paid third parties for the same services.

In 2001, we began development of software that can gather data in order to be able to automatically fax diagnostic laboratory results to the laboratory clients. We initially used an independent outside contractor to begin programming this software but ultimately used our own in-house programmer working in conjunction with Zoasis. Zoasis was not paid for this programming effort but will be able to use and amend the software to market it to other veterinary hospitals. In relation to this project, Zoasis is also working with us to facilitate the collection and delivery of laboratory results to our clients via an internet website.

RELATED PARTY VENDORS

Edgar Filing: VCA ANTECH INC - Form DEF 14A

Patricia Antin, wife of our Chief Operating Officer Arthur Antin, is an independent sales representative for Citi Print, a local printing company. We use this company's services to print forms and marketing materials for our hospitals nationwide. Transactions are based on arms-length market prices and we have no, nor have we ever had, any contractual obligation binding us to its services. We paid Citi Print \$339,000, \$345,000 and \$321,000 for the years ended December 31, 2002, 2001 and 2000, respectively. Effective December 31, 2002, Patricia Antin no longer serves as an independent sales representative for any printing arrangement with us.

The law firm of Akin Gump Strauss Hauer & Feld, LLP currently provides, and provided during fiscal year 2002, legal services to us. Frank Reddick, who joined us as a director in February 2002, is a partner in the Los Angeles office of Akin Gump Strauss Hauer & Feld, LLP.

PRINCIPAL STOCKHOLDERS

- o each of our directors;
- o each of our Named Executive Officers;
- o all of our directors and Named Executive Officers as a group; and
- o all other stockholders known by us to beneficially own more than 5% of our outstanding common stock.

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission. These shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person.

Except as indicated in the notes to this table, and except pursuant to applicable community property laws, each stockholder named in the table has sole voting and investment power with respect to the shares shown as beneficially owned by them. Percentage ownership is based on 40,585,360 shares of common stock outstanding on March 31, 2003. CONTROLS AND PROCEDURES

Within 90 days prior to the filing date of our annual report on Form 10-K, we carried out an evaluation, under the supervision and with the participation of our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures. Based on this evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures are effective in timely alerting them to material information required to be included in our periodic reports with the Securities and Exchange Commission.

In accordance with the requirements of the Securities and Exchange Commission, our Chief Executive Officer and Chief Financial Officer note that, since the date of the most recent evaluation of our disclosure controls and procedures to the date of our Annual Report on Form 10-K, there have been no significant changes in our internal controls or in other factors that could significantly affect internal controls, including any corrective actions with regard to significant deficiencies and material weaknesses.

Our management, including our Chief Executive Officer and Chief Financial Officer, does not expect that our disclosure controls or our internal controls will prevent all error and all fraud. A control system, no matter how well conceived and operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met. Further, the design of a control system must reflect the fact that there are resource constraints, and the benefits of controls must be considered relative to their costs. Because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, within the Company have been detected. These inherent limitations include the realities that judgments in decision-making can be faulty and that breakdowns can occur because of simple errors or mistakes. Additionally, controls can be circumvented by the individual acts of some persons, by collusion of two or more people, or by management override of the controls. The design of any system of controls also is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in

Edgar Filing: VCA ANTECH INC - Form DEF 14A

achieving its stated goals under all potential future conditions; over time, controls may become inadequate because of changes in conditions, or the degree of compliance with the policies or procedures may deteriorate. Because of the inherent limitations in a cost-effective control system, misstatements due to error or fraud may occur and not be detected.

STOCKHOLDER PROPOSALS

Any stockholder who intends to present a proposal at the 2004 Annual Meeting of Stockholders for inclusion in the our Proxy Statement and Proxy form relating to our 2004 Annual Meeting must submit his, her or its proposal to us at our principal executive offices by January 21, 2004. In addition, in the event a shareholder proposal is not received by the Company by March 10, 2004, the Proxy to be solicited by the Board of Directors for the 2004 Annual Meeting will confer discretionary authority on the holders of the Proxy to vote the shares if the proposal is presented at the 2004 Annual Meeting without any discussion of the proposal in the Proxy Statement for that meeting.

SEC rules and regulations provide that if the date of the Company's 2004 Annual Meeting is advanced or delayed more than 30 days from the date of the 2003 Annual Meeting, shareholder proposals intended to be included in the proxy materials for the 2004 Annual Meeting must be received by the Company within a reasonable time before the Company begins to print and mail the proxy materials for the 2004 Annual Meeting. Upon determination by the Company that the date of the 2004 Annual Meeting will be advanced or delayed by more than 30 days from the date of the 2003 Annual Meeting, the Company will disclose that change in the earliest possible Quarterly Report on Form 10-Q.

3.4 DECISIONS FINAL. All decisions made by the Administrator pursuant to the provisions of the Plan shall be final and binding on the Company and the Participants.

The Board may, in its sole and absolute discretion, from time to time, delegate any or all of its duties and authority with respect to the Plan to a Committee whose members are to be appointed by and to serve at the pleasure of the Board. From time to time, the Board may increase or decrease the size of a Committee, add additional members to, remove members (with or without cause) from, appoint new members in substitution therefor, and fill vacancies, however caused, in a Committee. Any Committee shall act pursuant to a vote of the majority of its members or, in the case of a committee comprised of only two members, the unanimous consent of its members, whether present or not, or by the unanimous written consent of the majority of its members and minutes shall be kept of all of its meetings and copies thereof shall be provided to the Board. The number of shares that are subject to Rights under the Plan shall not exceed the number of shares that then remain available for issuance under the Plan. The Company, during the term of the Plan, shall at all times reserve and keep available a sufficient number of shares to satisfy the requirements of the Plan.

4.3 ADDITIONAL SHARES. In the event that any outstanding Option or other right for any reason expires or is canceled or otherwise terminated, the shares allocable to the unexercised portion of such Option or other right shall again be available for the purposes of the Plan. In the event that shares issued under the Plan are reacquired by the Company pursuant to the terms of any forfeiture provision or right of repurchase, such shares shall again be available for the purposes of the Plan.

SECTION 5: ELIGIBILITY

Eligible Persons who are selected by the Administrator shall be eligible to be granted Rights hereunder subject to limitations set forth in this Plan; PROVIDED, HOWEVER, that only Employees shall be eligible to be granted ISOs hereunder.

SECTION 6: TERMS AND CONDITIONS OF OPTIONS.

6.1 STOCK OPTION AGREEMENT. Each grant of an Option under the Plan shall be evidenced by a Stock Option Agreement between the Optionee and the Company. Such Option shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions which are not inconsistent with the Plan and which the Administrator deems appropriate for inclusion in a Stock Option Agreement. The provisions of the various Stock Option Agreements entered into under the Plan need not be identical.

6.2 NUMBER OF SHARES. Each Stock Option Agreement shall specify the number of shares of Stock that are subject to the Option and shall provide for the adjustment of such number in accordance with Section 9, hereof. The Stock Option Agreement shall also specify whether the Option is an ISO or a Non-Qualified Stock Option.

6.3 EXERCISE PRICE.

6.3.1 IN GENERAL. Each Stock Option Agreement shall state the price at which shares subject to the Stock Option may be purchased (the "EXERCISE PRICE"). Notwithstanding the foregoing, the Exercise Price of ISOs shall not be less than 100% of the Fair Market Value of the Stock as of the Date of Grant and the Exercise Price of ISOs granted to Ten Percent Stockholders shall not be less than 110% of the Fair Market Value of the Stock as of the Date of Grant.

6.3.2 PAYMENT. The Exercise Price shall be payable in a form described in Section 8 hereof.

6.4 WITHHOLDING TAXES. As a condition to the exercise of an Option, the Optionee shall make such arrangements as the Board may require for the satisfaction of any federal, state, local or foreign withholding tax obligations that may arise in connection with such exercise or with the disposition of shares acquired by exercising an Option.

Edgar Filing: VCA ANTECH INC - Form DEF 14A

6.5 EXERCISABILITY. Each Stock Option Agreement shall specify the date when all or any installment of the Option becomes exercisable. The exercise provisions of any Stock Option Agreement shall be determined by the Administrator, in its sole discretion.

6.6 TERM. The Stock Option Agreement shall specify the term of the Option. No Option shall be exercised after the expiration of ten years after the date the Option is granted. In the case of an ISO granted to a Ten Percent Shareholder, the ISO shall not be exercised after the expiration of five years after the date the ISO is granted. Unless otherwise provided in the Stock Option Agreement, no Option may be exercised (i) three months after the date the Optionee's Service with the Company, its Parent or its Subsidiaries terminates if such termination is for any reason other than death, Disability or Cause, (ii) one year after the date the Optionee's Service with the Company and its subsidiaries terminates if such termination is a result of death or Disability, and (iii) if the Optionee's Service with the Company and its Subsidiaries terminates for Cause, all outstanding Options granted to such Optionee shall expire as of the commencement of business on the date of such termination. The Administrator may, in its sole discretion, waive the accelerated expiration provided for in (i) or (ii). Outstanding Options that are not exercisable at the time of termination of employment for any reason shall expire at the close of business on the date of such termination.

6.7 LEAVES OF ABSENCE. For purposes of Section 6.6 above, to the extent required by applicable law, Service shall be deemed to continue while the Optionee is on a bona fide leave of absence. To the extent applicable law does not require such a leave to be deemed to continue while the Optionee is on a bona fide leave of absence, such leave shall be deemed to continue if, and only if, expressly provided in writing by the Administrator or a duly authorized officer of the Company, Parent or Subsidiary for whom Optionee provides his or her services.

6.8 MODIFICATION, EXTENSION AND ASSUMPTION OF OPTIONS. Within the limitations of the Plan, the Administrator may modify, extend or assume outstanding Options (whether granted by the Company or another issuer) or may accept the cancellation of outstanding Options (whether granted by the Company or another issuer) in return for the grant of new Options for the same or a different number of shares and at the same or a different Exercise Price. Without limiting the foregoing, the Administrator may amend a previously granted Option to fully accelerate the exercise schedule of such Option and provide that upon the exercise of such Option, the Optionee shall receive shares of Stock that are subject to forfeiture at the same rate as the exercise provisions set forth in Optionee's Stock Option Agreement. The foregoing notwithstanding, no modification of an Option shall, without the consent of the Optionee, impair the Optionee's rights or increase the Optionee's obligations under such Option. However, a termination of the Option in which the Optionee receives a cash payment equal to the difference between the Fair Market Value and the Exercise Price for all shares subject to exercise under any outstanding Option shall not be deemed to impair any rights of the Optionee or increase the Optionee's obligations under such Option.

SECTION 7: TERMS AND CONDITIONS OF AWARDS OR SALES

7.1 STOCK PURCHASE AGREEMENT. Each award or sale of shares under the Plan (other than upon exercise of an Option) shall be evidenced by a Stock Purchase Agreement between the Purchaser and the Company. Such award or sale shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions which are not inconsistent with the Plan and which the Board deems appropriate for inclusion in a Stock Purchase Agreement.

Edgar Filing: VCA ANTECH INC - Form DEF 14A

The provisions of the various Stock Purchase Agreements entered into under the Plan need not be identical.

7.2 DURATION OF OFFERS. Unless otherwise provided in the Stock Purchase Agreement, any right to acquire shares under the Plan (other than an Option) shall automatically expire if not exercised by the Purchaser within 15 days after the grant of such right was communicated to the Purchaser by the Company.

7.3 PURCHASE PRICE.

7.3.1 IN GENERAL. Each Stock Purchase Agreement shall state the price at which the Stock subject to such Stock Purchase Agreement may be purchased (the "PURCHASE PRICE"), which shall be determined in the sole discretion of the Administrator.

Page 6

7.3.2 PAYMENT OF PURCHASE PRICE. The Purchase Price shall be payable in a form described in Section 8.

7.4 WITHHOLDING TAXES. As a condition to the purchase of shares, the Purchaser shall make such arrangements as the Board may require for the satisfaction of any federal, state, local or foreign withholding tax obligations that may arise in connection with such purchase.

SECTION 8: PAYMENT; RESTRICTIONS

8.1 GENERAL RULE. The entire Purchase Price or Exercise Price of shares issued under the Plan shall be payable in full by, as applicable, cash or check for an amount equal to the aggregate Purchase Price or Exercise Price for the number of shares being purchased, or in the discretion of the Administrator, upon such terms as the Administrator shall approve, (i) in the case of an Option, by a copy of instructions to a broker directing such broker to sell the Stock for which such Option is exercised, and to remit to the Company the aggregate Exercise Price of such Options (a "CASHLESS EXERCISE"), (ii) in the case of an Option or a sale of Stock, by paying all or a portion of the Exercise Price or Purchase Price for the number of shares being purchased by tendering Stock owned by the Optionee, duly endorsed for transfer to the Company, with a Fair Market Value on the date of delivery equal to the aggregate Purchase Price of the Stock with respect to which such Option or portion thereof is thereby exercised or Stock acquired (a "STOCK-FOR-STOCK EXERCISE") or (iii) by a stock-for-stock exercise by means of attestation whereby the Optionee identifies for delivery specific shares of Stock already owned by Optionee and receives a number of shares of Stock equal to the difference between the Option shares thereby exercised and the identified attestation shares of Stock (an "ATTESTATION EXERCISE").

8.2 WITHHOLDING PAYMENT. The Purchase Price or Exercise Price shall include payment of the amount of all federal, state, local or other income, excise or employment taxes subject to withholding (if any) by the Company or any parent or subsidiary corporation as a result of the exercise of a Stock Option. The Optionee may pay all or a portion of the tax withholding by cash or check payable to the Company, or, at the discretion of the Administrator, upon such terms as the Administrator shall approve, by (i) cashless exercise or attestation exercise; (ii) stock-for-stock exercise; (iii) in the case of an Option, by paying all or a portion of the tax withholding for the number of

Edgar Filing: VCA ANTECH INC - Form DEF 14A

shares being purchased by withholding shares from any transfer or payment to the Optionee ("STOCK WITHHOLDING"); or (iv) a combination of one or more of the foregoing payment methods. Any shares issued pursuant to the exercise of an Option and transferred by the Optionee to the Company for the purpose of satisfying any withholding obligation shall not again be available for purposes of the Plan. The Fair Market Value of the number of shares subject to Stock withholding shall not exceed an amount equal to the applicable minimum required tax withholding rates.

8.3 SERVICES RENDERED. At the discretion of the Administrator, shares may be awarded under the Plan in consideration of services rendered to the Company, a Parent or a Subsidiary prior to the award.

8.4 PROMISSORY NOTE. To the extent that a Stock Option Agreement or Stock Purchase Agreement so provides, in the discretion of the Administrator, upon such terms as the Administrator shall approve, all or a portion of the Exercise Price or Purchase Price (as the case may be) of shares issued under the Plan may be paid with a full-recourse promissory note. However, in the event there is a stated par value of the shares and applicable law requires, the par value of the shares, if newly issued, shall be paid in cash or cash equivalents. The shares shall be pledged as security for payment of the principal amount of the promissory note and interest thereon. The interest rate payable under the terms of the promissory note shall not be less than the minimum rate (if any) required to avoid the imputation of additional interest under the Code. Subject to the foregoing, the Administrator (at its sole discretion) shall specify the term, interest rate, amortization requirements (if any) and other provisions of such note. Unless the Administrator determines otherwise, shares of Stock having a Fair Market Value at least equal to the principal amount of the loan shall be pledged by the holder to the Company as security for payment of the unpaid balance of the loan and such pledge shall be evidenced by a pledge agreement, the terms of which shall be determined by the Administrator, in its discretion; PROVIDED, HOWEVER, that each loan shall comply with all applicable laws, regulations and rules of the Board of Governors of the Federal Reserve System and any other governmental agency having jurisdiction. Notwithstanding the foregoing, in accordance with Section 13(k) of the Exchange Act, the Company's directors and executive officers (or equivalent thereof) may not pay any Exercise Price or Purchase Price with a promissory note pursuant to the terms of this SECTION 8.4.

Page 7

8.5 EXERCISE/PLEDGE. To the extent that a Stock Option Agreement or Stock Purchase Agreement so allows, in the discretion of the Administrator, upon such terms as the Administrator shall approve, payment may be made all or in part by the delivery (on a form prescribed by the Administrator) of an irrevocable direction to pledge shares to a securities broker or lender approved by the Company, as security for a loan, and to deliver all or part of the loan proceeds to the Company in payment of all or part of the Exercise Price and any withholding taxes.

8.6 WRITTEN NOTICE. The purchaser shall deliver a written notice to the Administrator requesting that the Company direct the transfer agent to issue to the purchaser (or to his designee) a certificate for the number of shares of Common Stock being exercised or purchased or, in the case of a cashless exercise or share withholding exercise, for any shares that were not sold in the cashless exercise or withheld.

8.7 REPURCHASE RIGHTS. Following a termination of the Participant's service, the Company may repurchase Participant's Stock acquired under Stock Purchase Agreement to the extent provided in such Stock Purchase Agreement.

8.8 NO TRANSFERABILITY. Except as provided herein, a Participant may not assign, sell or transfer Rights, in whole or in part, other than by will or by operation of the laws of descent and distribution.

8.8.1 PERMITTED TRANSFER OF NON-QUALIFIED OPTION. The Administrator, in its sole discretion may permit the transfer of a Non-Qualified Option (but not an ISO or Stock Purchase Right) as follows: (i) by gift to a member of the Participant's immediate family or (ii) by transfer by instrument to a trust providing that the Option is to be passed to beneficiaries upon death of the trustor (either or both (i) or (ii) referred to as a "PERMITTED TRANSFEREE"). For purposes of this Section 8.8.1, "IMMEDIATE FAMILY" shall mean the Optionee's spouse (including a former spouse subject to terms of a domestic relations order); child, stepchild, grandchild, child-in-law; parent, stepparent, grandparent, parent-in-law; sibling and sibling-in-law, and shall include adoptive relationships.

8.8.2 CONDITIONS OF PERMITTED TRANSFER. A transfer permitted under this Section 8.8 hereof may be made only upon written notice to and approval thereof by Administrator. A Permitted Transferee may not further assign, sell or transfer the transferred Option, in whole or in part, other than by will or by operation of the laws of descent and distribution. A Permitted Transferee shall agree in writing to be bound by the provisions of this Plan.

SECTION 9: ADJUSTMENTS; MARKET STAND-OFF

9.1 EFFECT OF CERTAIN CHANGES.

9.1.1 STOCK DIVIDENDS, SPLITS, ETC. If there is any change in the number of outstanding shares of Stock by reason of a stock split, reverse stock split, stock dividend, recapitalization, combination or reclassification, then (i) the number of shares of Stock available for Rights, (ii) the number of shares of Stock covered by outstanding Rights and (iii) the Exercise Price or Purchase Price of any Stock Option or Purchase Right, in effect prior to such change, shall be proportionately adjusted by the Administrator to reflect any increase or decrease in the number of issued shares of Stock; PROVIDED, HOWEVER, that any fractional shares resulting from the adjustment shall be eliminated.

9.1.2 LIQUIDATION, DISSOLUTION, MERGER OR CONSOLIDATION. In the event of a dissolution or liquidation of the Company, or any corporate separation or division, including, but not limited to, a split-up, a split-off or a spin-off, or a sale of substantially all of the assets of the Company; a merger or consolidation in which the Company is not the Surviving Entity; or a reverse merger in which the Company is the Surviving Entity, but the shares of Company stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, whether in the form of securities, cash or otherwise, then, the Company, to the extent permitted by applicable law, but otherwise in its sole discretion may provide for: (i) the continuation of outstanding Rights by the Company (if the Company is the Surviving Entity); (ii) the assumption of the Plan and such outstanding Rights by the Surviving Entity or its parent; (iii) the substitution by the Surviving Entity or its parent of Rights with substantially the same terms for such outstanding Rights; or (iv) the cancellation of such outstanding Rights without payment of any consideration, provided that if such Rights would be canceled in accordance with the foregoing, the Participant shall have the right, exercisable during the later of the ten-day period ending on the fifth day prior to

such merger or consolidation or ten days after the Administrator provides the Rights holder a notice of cancellation, to exercise such Rights in whole or in part without regard to any installment exercise provisions in the Rights agreement.

9.1.3 PAR VALUE CHANGES. In the event of a change in the Stock of the Company as presently constituted which is limited to a change of all of its authorized shares with par value, into the same number of shares without par value, or a change in the par value, the shares resulting from any such change shall be "Stock" within the meaning of the Plan.

9.2 DECISION OF ADMINISTRATOR FINAL. To the extent that the foregoing adjustments relate to stock or securities of the Company, such adjustments shall be made by the Administrator, whose determination in that respect shall be final, binding and conclusive; PROVIDED, HOWEVER, that each ISO granted pursuant to the Plan shall not be adjusted in a manner that causes such Stock Option to fail to continue to qualify as an ISO without the prior consent of the Optionee thereof.

9.3 NO OTHER RIGHTS. Except as hereinbefore expressly provided in this Section 9, no Participant shall have any rights by reason of any subdivision or consolidation of shares of Company stock or the payment of any dividend or any other increase or decrease in the number of shares of Company stock of any class or by reason of any of the events described in Section 9.1, above, or any other issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class; and, except as provided in this Section 9, none of the foregoing events shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Stock subject to Rights. The grant of a Right pursuant to the Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structures or to merge or to consolidate or to dissolve, liquidate or sell, or transfer all or part of its business or assets.

9.4 MARKET STAND-OFF. Each Stock Option Agreement and Stock Purchase Agreement shall provide that, in connection with any underwritten public offering by the Company of its equity securities pursuant to an effective registration statement filed under the Securities Act of 1933, as amended, including the Company's initial public offering, the Participant shall agree not to sell, make any short sale of, loan, hypothecate, pledge, grant any option for the repurchase of, or otherwise dispose or transfer for value or otherwise agree to engage in any of the foregoing transactions with respect to any Stock without the prior written consent of the Company or its underwriters, for such period of time from and after the effective date of such registration statement as may be requested by the Company or such underwriters (the "MARKET STAND-OFF").

SECTION 10: AMENDMENT AND TERMINATION

Any Participant who shall make a "DISPOSITION" (as defined in Section 424 of the Code) of all or any portion of an ISO within two years from the date of grant of such ISO or within one year after the issuance of the shares of Stock acquired upon exercise of such ISO shall be required to immediately advise the Company in writing as to the occurrence of the sale and the price realized upon the sale of such shares of Stock.

11.4 REGULATORY MATTERS. Each Stock Option Agreement and Stock Purchase Agreement shall provide that no shares shall be purchased or sold thereunder unless and until (i) any then applicable requirements of state or federal laws and regulatory agencies shall have been fully complied with to the satisfaction of the Company and its counsel and (ii) if required to do so by the Company, the Optionee or Offeree shall have executed and delivered to the Company a letter of investment intent in such form and containing such provisions as the Board or Committee may require.
