Item 4. Purpose of Transaction.

Item 4 is hereby amended to add the following:

On March 9, 2017, Lone Star Value Co-Invest (together with the other Reporting Persons, the "Shareholder Group") delivered a letter to the Issuer (the "Nomination Letter") nominating the Nominees, as set forth therein, for selection to the Board at the Issuer's 2017 annual meeting of shareholders (including any other meeting of shareholders held in lieu thereof, and any adjournments, postponements, reschedulings or continuations thereof, the "Annual Meeting"). The Reporting Persons believe the nominees Robert G. Pearse and Dhruwa N. Rai (the "Nominees") are highly qualified director nominees who will be fully committed to ensuring that the best interests of stockholders are properly prioritized.

AMERI has proposed to merge AMERI and the Issuer companies for consideration of \$0.75 per Share consisting of a combination of cash, stock of the new company ("NewCo"), and AMERI 9% Series A Preferred Stock, which was recently created and issued. The Issuer's stockholders will have the ability to elect to receive, subject to proration, for each Share held: (i) \$0.75 in cash; or (ii) \$0.75 worth of NewCo common stock based on an exchange ratio of 0.115; or (iii) \$0.75 worth of AMERI 9% Series A Preferred Stock; or (iv) a combination thereof.

As more fully explained in the press release (the "Press Release") issued by the Shareholder Group on March 13, 2017, which is attached hereto as Exhibit 99.1 and is incorporated herein by reference, the Shareholder Group is concerned that the Board has not demonstrated a proper commitment to stockholder interests and value to open-mindedly and dutifully explore all options to maximize value.

The Shareholder Group believes the prudent action of the Issuer would be to discuss without delay a potential business combination between the Issuer and AMERI that AMERI believes would yield significant synergies and create substantial value for the Issuer's stockholders. The Shareholder Group believes that a merger with Ameri100 would benefit the Issuer's customers, employees and stockholders by converting its business model to a hybrid US/India-based company with the ability to offer clients a broader and better service offering.

The Shareholder Group calls for a full and fair strategic review process to engage in good faith negotiations with Ameri100. The Shareholder Group believes that the Issuer's shareholders need a refreshed Board focused on maximizing shareholder value capable of considering all possibilities. The Nominees are two highly-qualified candidates committed to this maximization and the exploration of all strategic alternatives, which may include the sale of the Issuer to the highest qualified bidder, with no preference to AMERI.
