ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS

On May 23, 2001, pursuant to the Agreement and Plan of Merger, dated as of February 5, 2001, by and among Appiant Technologies, Inc., a Delaware corporation formerly known as NHancement Technologies, Inc. (the "Registrant" or the "Company"), Great America Acquisition Corp., a Delaware corporation (the "Merger Sub"), Quaartz Inc., a Delaware corporation ("Quaartz") and Tom Ku, as Stockholders' Agent, the Registrant completed the merger of Merger Sub, a wholly-owned subsidiary of the Registrant, with and into Quaartz, with Quaartz being the surviving corporation of the merger and becoming a wholly-owned subsidiary of the Registrant. The transaction was closed on May 23, 2001 and is being accounted for as a purchase transaction.

Edgar Filing: APPIANT TECHNOLOGIES INC - Form 8-K/A

As consideration for the transaction, the Registrant issued an aggregate of 1,500,000 shares of the Registrant's common stock, \$0.01 par value, in exchange for the outstanding shares of capital stock of Quaartz, subject to the withholding of 50% of such shares in escrow in accordance with the terms of the Agreement.

The Registrant currently intends that Quaartz's business will continue to be operated in its current manner. Certain of the assets of Quaartz were used in the application and service provider business to offer its customers tools and services to enhance customer interaction through the Internet, and the Registrant currently intends to use such assets in substantially the same manner.

The total value of consideration paid for the purchase transaction was determined based on arm's length negotiations between the Registrant and Quaartz, which took into account Quaartz's financial position, operating history, products, intellectual property and other factors relating to Quaartz's business and certain income tax aspects of the transaction. Prior to the effective time of the merger, the Registrant was granted a security interest in substantially all of Quaartz's assets in exchange for agreeing to loan up to \$1,000,000 to Quaartz.

The Company will account for the purchase price as (i) \$ 8,310,000 in Company Common Stock, calculated by multiplying the number of shares of Company Common Stock issued at the effective time of the Merger (1,500,000 shares) by \$5.54, which represents the average price of the Company's stock for the period two days preceding through two days following the Registrant's first announcement of the Merger, which occurred on February 8, 2001, (ii) \$429,000 representing the fair value of the Registrant's common stock options granted to Quaartz employees in exchange for cancelled Quaartz common stock options, and (iii) \$242,000 in approximate acquisition expenses. The Company will account for the total purchase price of Quaartz Inc. as \$ 8,981,000.

(a) FINANCIAL STATEMENTS OF BUSINESS ACQUIRED. Consolidated financial statements of Quaartz Inc. are attached as Exhibits 99.3 and 99.4 hereto.
