EXPLANATORY NOTE

This Registration Statement as originally filed related to the offering of 6,558,436 shares of Sprint Common Stock ("Sprint Common Stock") issuable under the 1990 Stock Option Plan, which was adopted as a subsidiary plan under and pursuant to the 1997 Long-Term Stock Incentive Program (the "1997 Program"), which had been approved by Sprint's shareholders. On November 23, 1998, following approval by Sprint shareholders, each share of Sprint Common Stock was

reclassified into one share of FON Common Stock and one-half of a share of PCS Common Stock. The 6,558,436 shares of Sprint Common Stock were reclassified into 6,558,436 shares of FON Common Stock and 3,279,218 shares of PCS Common Stock. At the same time, outstanding options were converted into options to purchase FON Common Stock and PCS Common Stock. The two-for-one split of the FON Common Stock in the 1999 second quarter increased the number of shares of FON Common Stock covered by the Registration Statement to 13,116,872 shares of FON Common Stock. The two-for-one split of the PCS Common Stock in the 2000 first quarter increased the number of shares of PCS Common Stock covered by the Registration Statement to 6,558,436 shares of PCS Common Stock.

On February 10, 2004, in compliance with the settlement of the derivative litigation brought by Amalgamated Bank, as Trustee for The Longview Collective Investment Fund, Sprint's Board of Directors combined the 1990 Stock Option Plan with and into the 1997 Program to form a single plan (the "Plan Combination"). Options granted under the 1990 Stock Option Plan before the Plan Combination are now deemed granted under the 1997 Program. Accordingly, the purpose of this Post-Effective Amendment No. 2 is to reflect the fact that the shares of FON Common Stock and PCS Common Stock covered by this Registration Statement and not previously issued in connection with the exercise of stock options granted under the 1990 Stock Option Plan before the Plan Combination will hereafter be issued in connection with the exercise of options granted under the 1997 Program, but not for any other awards permitted under the 1997 Program (such as restricted stock, performance share, or other stock unit awards).
