PROPOSAL NUMBER ONE. APPROVAL OF THE AMENDMENT OF THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE ITS AUTHORIZED SHARES OF COMMON STOCK TO A TOTAL OF UP TO 200 MILLION SHARES OF COMMON STOCK.

INTRODUCTION

Pursuant to Section 902 of the Nevada General Corporation Law, the majority of the Company's shareholders (92%) and the Company's Board of Directors approved the increase of the Company's authorized shares of common stock, par value of \$0.001 per share to a total of up to 200 million shares of common stock (the "Increase of Authorized Capital").

To effect the Increase of the Authorized Capital, the Board of Directors would file the approved proposed amendment to its Articles of Incorporation (collectively, the "Amendment") with the Nevada Secretary of State along with any other necessary filings in accordance with Nevada General Corporation Law. The Amendment will become effective 21 calendar days after the date of mailing of this Information Statement. The form of amendment to the Articles of Incorporation to effect the proposed Increase in the Authorized Capital would be in substantially the form attached to this Information Statement as Appendix A.

The Company's Board of Directors and the Company's majority shareholders holding 1,800,000 shares of common stock (92%) have approved the Increase in the Authorized Capital.

REASONS FOR THE INCREASE IN THE AUTHORIZED CAPITAL

The Board of Directors believes that it is advisable and in the Company's best interests to have available additional authorized but unissued shares of Common Stock in an amount adequate to provide for the Company's future needs. The additional shares also will be available for issuance for any proper corporate purpose including, among other things, future acquisitions of property or securities of other corporations, merger transactions, stock dividends, stock splits, stock options, convertible debt and equity financing.

POTENTIAL EFFECTS OF THE INCREASE IN THE AUTHORIZED CAPITAL

The Increase in the Authorized Capital of the Company would increase the authorized number of shares of common stock of the Company from 10 million to 200 million. There will be no change in the existing authorized number of preferred stock which currently consists of 5 million shares of preferred stock.

AUTHORIZED SHARES OF COMMON STOCK

The increase in the Authorized Capital would increase the number of authorized shares of the Company as stated above. These additional shares of Common Stock would be available for issuance from time to time for corporate purposes such as raising additional capital, acquisitions of companies or assets and sales of stock or securities convertible into common stock. The Company believes that the availability of the additional shares will provide it with the flexibility to meet business needs as they arise, to take advantage of favorable opportunities and to respond to a changing corporate environment.

PROCEDURE FOR EFFECTING THE INCREASE IN THE AUTHORIZED CAPITAL

The Increase in the Authorized Capital of the Company will occur on the Effective Date without any action on the part of stockholders of the Company.

II. PROPOSAL NUMBER TWO. ADOPTION OF 2004 EQUITY COMPENSATION PLAN

In February, 2004, the Company's Board of Directors unanimously approved the Company's 2004 Equity Compensation Plan, (the "2004 Plan"). The Consenting Shareholders approved the 2004 Plan in February, 2004. The purpose of the 2004 Plan is to enable the Company to attract and retain top-quality employees, officers, directors and consultants and to provide such employees, officers, directors and consultants with an incentive to enhance stockholder returns. The full text of the 2004 Plan appears as Exhibit C to this Information Statement and the description of the 2004 Plan herein is qualified by reference to Exhibit C.

DESCRIPTION OF THE 2004 PLAN

The 2002 Plan provides for the grant to directors, officers, employees and consultants of the Company (including its subsidiaries) of stock based awards and options to purchase up to an aggregate of 400,000 shares of Common Stock.

2

All of the Company's executive officers, directors and employees of the Company and its subsidiary will be eligible to participate in the 2004 Plan. The Company has not granted any options yet nor other stock awards under the 2004 Plan.

Administration and Participation. The Company's 2004 Plan is administered by the Company's Board of Directors, which may delegate its duties in whole or in part to any subcommittee solely consisting of at least two individuals who are non-employee directors within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended, and outside directors within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended. 2004 Plan allows the Compensation Committee to make awards of stock options and stock based awards to any individual who is selected by the Compensation Committee to participate in 2004 Plan.

The Compensation Committee has the authority to interpret our stock incentive plan, to establish, amend and rescind any rules and regulations relating to our 2004 Plan and to make any other determinations that the Compensation Committee deems necessary or desirable for the administration of our 2004 Plan. The Compensation Committee may also correct any defect or supply any omission or reconcile any inconsistency in our stock incentive plan in the manner and to the extent the Compensation Committee deems necessary or desirable. Any decision of the Compensation Committee in the interpretation and administration of our 2004 Plan lies within its sole and absolute discretion and is final, conclusive and binding on all parties concerned, including participants in our 2004 Plan and their beneficiaries or successors.

Limitations. An aggregate of 400,000 shares of the Company's common stock has been authorized for issuance under the Company's 2004 Plan. No options to purchase common stock nor other stock awards has been issued by the Company.

Stock options. Stock options granted under our 2004 Plan may be non-qualified or incentive stock options for federal income tax purposes. The Compensation Committee will set option exercise prices and terms and will determine the time at which stock options will be exercisable. However, the term of a stock option may not exceed 10 years.

The Compensation Committee may also grant options that are intended to be incentive stock options, which comply with Section 422 of the Internal Revenue Code of 1986, as amended. Fair market value is defined as the closing price of

Edgar Filing: AMARU INC - Form DEF 14C

the shares as reported on the grant date as quoted on the NASD's Bulletin Board.

Stock-based awards. The Compensation Committee has the authority to grant stock-based awards, which may consist of awards of common stock, restricted stock and awards that are valued in whole or in part by reference to, or are otherwise based on the fair market value of, shares of common stock.

Stock-based awards may be granted on a stand-alone basis or in addition to any other awards granted under our 2004 Plan. The Compensation Committee will determine the form of stock-based awards and the conditions on which they may be dependent. The conditions may include the right to receive one or more shares of common stock or the equivalent value in cash upon the completion of a specified period of service or the occurrence of an event or the attainment of performance objectives. The Compensation Committee will also determine the participants to whom stock-based awards may be made, the timing of those awards, the number of shares to be awarded, whether those other stock-based awards will be settled in cash, stock or a combination of cash and stock and all other terms of those awards.

General. Stock options and restricted stock awards are not transferable or assignable, except for estate planning purposes. The Company may deduct sufficient sums to pay withholding required for federal, state and local taxes or other taxes as a result of the exercise of a stock award.

In the event of any stock dividend or split, reorganization, recapitalization, merger, consolidation, spin-off, combination or exchange of stock or other corporate exchange or any distribution to shareholders other than regular cash dividends, the Compensation Committee may, in its sole discretion, make a substitution or adjustment, as the Compensation Committee deems to be equitable, to the number or kind of stock issued or reserved for issuance under our 2004 Plan under outstanding awards and the term, including option price, of those awards.

3

Except as otherwise provided in a stock award agreement, in the event of our change in control or a change of control of the Company, the Compensation Committee may, in its sole discretion, accelerate a stock award, cause us to make a cash payment in exchange for a stock award or require the issuance of a substitute stock award.

Certain income tax consequences. The Company has been advised by counsel that the material federal income tax consequences to the Company and the participants in the 2004 Plan of the grant and exercise of options under existing and applicable provisions of the Internal Revenue Code of 1986, as amended, and regulations will generally be as follows:

Incentive stock options. A participant will not realize any taxable income at the time an incentive stock option is granted or exercised, and the Company will not receive an income tax deduction at the time of grant or exercise. If a participant does not sell stock acquired upon the exercise of an incentive stock option within (1) two years after the date of the grant or (2) one year after the date of exercise, then a subsequent sale of such stock generally will be taxed as capital gain or loss. If a participant disposes of shares acquired upon the exercise of an incentive stock option within the period set forth in clause (1) or (2) above, then that participant will generally realize ordinary income in an amount equal to the lesser of (a) the gain realized by that participant upon such disposition and (b) the excess of the fair market value of the stock on the date of exercise over the exercise price. In that event, the Company

Edgar Filing: AMARU INC - Form DEF 14C

would generally be entitled to an income tax deduction equal to the amount recognized as ordinary income by the applicable participant. Any gain in excess of the amount recognized by the participant as ordinary income would be taxed as short-term or long-term capital gain, depending on the holding period.

Non-qualified stock options. A participant will not realize taxable income upon the grant of a non-qualified stock option, and the Company will not receive an income tax deduction at such time. Upon exercise of a non-qualified stock option, the applicable participant will realize ordinary income in an amount equal to the excess of the fair market value of the stock on the date of exercise over the exercise price. Upon a subsequent sale of such stock, the participant will recognize short-term or long-term capital gain depending on his or her holding period for the shares. The Company is generally allowed an income tax deduction at the same time and in the same amount recognized as ordinary income by the participant.

Stock-based awards. Amounts received by the participant upon the grant of other stock-based awards are ordinarily taxed as ordinary income when received. However, if such other stock-based awards consist of property subject to restrictions, the amounts generally will not be taxed until the restrictions lapse or until the participant makes an election under Section 83(b) of the Internal Revenue Code. The Company is generally allowed an income tax deduction at the same time and in the same amount recognized as ordinary income by the participant.

Compliance with Section 162(m). Our 2004 Plan should allow certain stock options and other stock-based awards to be treated as qualified performance-based compensation under Section 162(m) of the Internal Revenue Code. However, the Compensation Committee may, from time to time, award compensation that is not deductible under Section 162(m).

The Committee shall have the full power and authority to establish the terms and conditions of any Award consistent with the provisions of the Plan and to waive any such terms and conditions at any time (including, without limitation, accelerating or waiving any vesting conditions). The Committee shall require payment of any amount it may determine to be necessary to withhold for federal, state, local or other taxes as a result of the exercise of an Award. Unless the Committee specifies otherwise, the Participant may elect to pay a portion or all of such withholding taxes by (a) delivery in Shares or (b) having Shares withheld by the Company from any Shares that would have otherwise been received by the Participant.

5. LIMITATIONS

No Award may be granted under the Plan after the tenth anniversary of the Effective Date, but Awards theretofore granted may extend beyond that date.

6. TERMS AND CONDITIONS OF OPTIONS

Options granted under the Plan shall be, as determined by the Committee, nonqualified or incentive stock options for federal income tax purposes, as evidenced by the related Award agreements, and shall be subject to the foregoing and the following terms and conditions and to such other terms and conditions, not inconsistent therewith, as the Committee shall determine:

- (a) Option Price. The Option Price per Share shall be determined by the Committee.
- (b) Exercisability. Options granted under the Plan shall be exercisable at such time and upon such terms and conditions as may be determined by the Committee, but in no event shall an Option be exercisable more than ten years after the date it is granted.

- (c) Exercise of Options. Except as otherwise provided in the Plan or in an Award agreement, an Option may be exercised for all, or from time to time any part, of the Shares for which it is then exercisable. For purposes of Section 6 of the Plan, the exercise date of an Option shall be the later of the date a notice of exercise is received by the Company and, if applicable, the date payment is received by the Company pursuant to clauses (i), (ii) or (iii) in the following sentence. The purchase price for the Shares as to which an Option is exercised shall be paid to the Company in full at the time of exercise at the election of the Participant (i) in cash or its equivalent (e.g., by check); (ii) in Shares having a Fair Market Value equal to the aggregate Option Price for the Shares being purchased and satisfying such other requirements as may be imposed by the Committee; provided, that such Shares have been held by the Participant for no less than six months (or such other period as established from time to time by the Committee or generally accepted accounting principles); (iii) partly in cash and partly in such Shares; or (iv) through the delivery of irrevocable instruments to a broker to deliver promptly to the Company an amount equal to the aggregate Option price for the shares being purchased. No Participant shall have any rights to dividends or other rights of a stockholder with respect to Shares subject to an Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Committee pursuant to the Plan.
- (d) ISOs. The Committee may grant to employees Options under the Plan that are intended to be ISOs. Such ISOs shall comply with the requirements of Section 422 of the Code (or any successor section thereto), including, without limitation the requirement that the Option Price per Share subject to an ISO shall not be less than 100% of the Fair Market Value of the Shares on the date an ISO is granted.. No ISO may be granted to any Participant who at the time of such grant, owns more than ten percent of the total combined voting power of all classes of stock of the Company or of any Subsidiary, unless (i) the Option Price for such ISO is at least 110% of the Fair Market Value of a Share on the date the ISO is granted and (ii) the date on which such ISO terminates is a date not later than the day preceding the fifth anniversary of the date on which the ISO is granted. Any Participant who disposes of Shares acquired upon the exercise of an ISO either (i) within two years after the date of grant of such ISO or (ii) within one year after the transfer of such Shares to the Participant, shall notify the Company of such disposition and of the amount realized upon such disposition.
- (e) Attestation. Wherever in this Plan or any agreement evidencing an Award a Participant is permitted to pay the exercise price of an Option or taxes relating to the exercise of an Option by delivering Shares, the Participant may, subject to procedures satisfactory to the Committee, satisfy such delivery requirement

by presenting proof of beneficial ownership of such Shares, in which case the Company shall treat the Option as exercised without further payment and shall withhold such number of Shares from the Shares acquired by the exercise of the Option.

7. STOCK-BASED AWARDS

- (a) Generally. The Committee, in its sole discretion, may grant Awards of Shares, Awards of restricted Shares and Awards that are valued in whole or in part by reference to, or are otherwise based on the Fair Market Value of, Shares ("Stock-Based Awards"). Such Stock-Based Awards shall be in such form, and dependent on such conditions, as the Committee shall determine, including, without limitation, the right to receive one or more Shares (or the equivalent cash value of such Shares) upon the completion of a specified period of service, the occurrence of an event and/or the attainment of performance objectives. Stock-Based Awards may be granted alone or in addition to any other Awards granted under the Plan. Subject to the provisions of the Plan, the Committee shall determine to whom and when other Stock-Based Awards will be made, the number of Shares to be awarded under (or otherwise related to) such Stock-Based Awards; whether such Stock-Based Awards shall be settled in cash, Shares or a combination of cash and Shares; and all other terms and conditions of such Awards (including, without limitation, the vesting provisions thereof and provisions ensuring that all Shares so awarded and issued shall be fully paid and non-assessable).

- (b) Performance-Based Awards. Notwithstanding anything to the contrary herein, certain Stock-Based Awards granted under this Section 8 may be granted in a manner which is deductible by the Company under Section 162(m) of the Code (or any successor section thereto) ("Performance-Based Awards"). A Participant's Performance-Based Award shall be determined based on the attainment of written performance goals approved by the Committee for a performance period established by the Committee (i) while the outcome for that performance period is substantially uncertain and (ii) no more than 90 days after the commencement of the performance period to which the performance goal relates or, if less, the number of days which is equal to 25 percent of the relevant performance period. The performance goals, which must be objective, shall be based upon one or more of the following criteria: (i) consolidated earnings before or after taxes (including earnings before interest, taxes, depreciation and amortization); (ii) net income; (iii) operating income; (iv) earnings per Share; (v) book value per Share; (vi) return on shareholders' equity; (vii) expense management; (viii) return on investment; (ix) improvements in capital structure; (x) profitability of an identifiable business unit or product; (xi) maintenance or improvement of profit margins; (xii) stock price; (xiii) market share; (xiv) revenues or sales; (xv) costs; (xvi) cash flow; (xvii) working capital and (xviii) return on assets. The foregoing criteria may relate to the Company, one or more of its Subsidiaries or one or more of its divisions or units, or any combination of the foregoing, and may be applied on an absolute basis and/or be relative to one or more peer group companies or indices, or

any combination thereof, all as the Committee shall determine. In addition, to the degree consistent with Section 162(m) of the Code (or any successor section thereto), the performance goals may be calculated without regard to extraordinary items. The Committee shall determine whether, with respect to a performance period, the applicable performance goals have been met with respect to a given Participant and, if they have, to so certify and ascertain the amount of the applicable Performance Based Award. No Performance-Based Awards will be paid for such performance period until such certification is made by the Committee. The amount of the Performance-Based Award actually paid to a given Participant may be less than the amount determined by the applicable performance goal formula, at the discretion of the Committee. The amount of the Performance-Based Award determined by the Committee for a performance period shall be paid to the Participant at such time as determined by the Committee in its sole discretion after the end of such performance period; provided, however, that a Participant may, if and to the extent permitted by the Committee and consistent with the provisions of Section 162(m) of the Code, elect to defer payment of a Performance-Based Award.

8. ADJUSTMENTS UPON CERTAIN EVENTS

Notwithstanding any other provisions in the Plan to the contrary, the following provisions shall apply to all Awards granted under the Plan:

- (a) Generally. In the event of any change in the outstanding Shares after the Effective Date by reason of any Share dividend or split, reorganization, recapitalization, merger, consolidation, spin-off, combination or exchange of Shares or other corporate exchange, or any distribution to shareholders of Shares other than regular cash dividends or any transactions similar to the foregoing, the Committee in its sole discretion and without liability to any person may make such substitution or adjustment, if any, as it deems to be equitable, as to (i) the number or kind of Shares or other securities issued or reserved for issuance pursuant to the Plan or pursuant to outstanding Awards, (ii) the Option Price and/or (iii) any other affected terms of such Awards.
- (b) Change in Control. Except as otherwise provided in an Award agreement or an employment, severance or change in control agreement, in the event of a Change in Control or a Parent Triggering Event, the Committee in its sole discretion and without liability to any person may take such actions, if any, as it deems necessary or desirable with respect to any Award (including, without limitation, (i) the acceleration of an Award, (ii) the payment of a cash amount in exchange for the cancellation of an Award and/or (iii) the requiring of the issuance of substitute Awards that will substantially preserve the value, rights and benefits of any affected Awards previously granted hereunder) as of the date of the consummation of the Change in Control.

9. NO RIGHT TO EMPLOYMENT OR AWARDS

Edgar Filing: AMARU INC - Form DEF 14C

The granting of an Award under the Plan shall impose no obligation on the Company or any Subsidiary to continue the employment or service or consulting relationship of a Participant and shall not lessen or affect the Company's or Subsidiary's right to terminate the employment or service or consulting relationship of such Participant. No Participant or other Person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Participants, or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant (whether or not such Participants are similarly situated).

10. SUCCESSORS AND ASSIGNS

The Plan shall be binding on all successors and assigns of the Company and a Participant, including without limitation, the estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.

11. NONTRANSFERABILITY AWARDS

Unless otherwise determined by the Committee or as hereinafter provided, an Award shall not be transferable or assignable by the Participant otherwise than by will or by the laws of descent and distribution. An Award exercisable after the death of a Participant may be exercised by the legatees, personal representatives or distributees of the Participant. However, unless the Award agreement provides otherwise, a Participant may transfer his or her rights under a nonqualified Option agreement, by assignment, satisfactory in form and substance to the Committee, to a trust or similar entity established solely for the benefit of the Participant's lineal descendants; provided, that such assignee must first agree to be bound by the same terms and conditions as the Participant with respect to such Option; and provided, further, that the rights of such assignee shall not themselves be transferable.

12. AMENDMENTS OR TERMINATION

The Board may amend, alter or discontinue the Plan, but no amendment, alteration or discontinuation shall be made which, (a) without the approval of the shareholders of the Company, would (except as is provided in Section 9 of the Plan), increase the total number of Shares reserved for the purposes of the Plan or change the maximum number of Shares for which Awards may be granted to any Participant or (b) without the consent of a Participant, would impair any of the rights or obligations under any Award theretofore granted to such Participant under the Plan; provided, however, that the Committee may amend the Plan in such manner as it deems necessary to permit the granting of Awards meeting the requirements of the Code or other applicable laws. Notwithstanding anything to the contrary herein, the Board may not amend, alter or discontinue the provisions relating to Section 8(b) of the Plan after the occurrence of a Change in Control.

13. INTERNATIONAL PARTICIPANTS

With respect to Participants who reside or work outside the United States of America and who are not (and who are not expected to be) "covered employees" within the meaning of Section 162(m) of the Code, the Committee may, in its sole discretion, amend the terms of the Plan or Awards with respect to such Participants in order to conform such terms with the requirements of local law.

14. CHOICE OF LAW

The Plan shall be governed by and construed in accordance with the laws of the State of California, without regard to conflicts of laws.

15. EFFECTIVENESS OF THE PLAN

The Plan shall be effective as of the Effective Date.
