| 5. | To vote on a non-binding advisory basis regarding the frequency of future voting on the non-binding advisory vote on the compensation of our named executive officers. | 3 YEARS |

Except for the proposals described above, our Board of Directors is not aware of any other matters to be presented to you for a vote at the meeting. However, if a matter requiring a vote of our stockholders is properly presented for a vote during the meeting, the recommended vote of our Board of Directors will be communicated to stockholders present at the meeting at that time.

Voting and Quorum

We have one class of voting stock outstanding, designated common stock, \$0.005 par value per share. Each share of our common stock is entitled to one vote for each director to be elected and for each other matter to be voted on at the Annual Meeting. Only holders of record of our common stock at the close of business on the record date, April 12, 2013, are entitled to notice of and to vote at the Annual Meeting. There were approximately 71,542,491 shares of our common stock outstanding as of the record date.

The proxy holders will vote all shares of our common stock represented by a properly completed and executed proxy received in time for the Annual Meeting in accordance with the stockholder's instructions. If you submit your executed proxy but do not fill out the voting instructions on the proxy card, the shares represented by your proxy will be voted in favor of Proposals 1, 2, 3, 4 and, with respect to Proposal 5, in favor of holding future non-binding advisory votes on the compensation of or named executive officers every three years. With respect to any other item of business that may properly come before the Annual Meeting, the proxy holders intend to vote the shares represented by a proxy submitted by a stockholder in accordance with the recommendation of our Board of Directors. We have not received notice of any other matters that may properly be presented at the Annual Meeting.

If you hold your shares of our common stock in a stock brokerage account, or by a bank or other nominee (also known as shares registered in "street name"), you are considered the beneficial owner of such shares held in street name, and these proxy solicitation materials are being furnished to you by your broker, bank or other nominee, who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee as to how to vote your shares. If you do not submit voting instructions to your broker, bank or other nominee, your broker, bank or other nominee may generally vote your shares in its discretion on proposals designated as "routine" under the rules of the New York Stock Exchange ("NYSE"). However, a broker, bank or other nominee cannot vote shares held in street name on proposals designated as "non-routine" by NYSE rules unless you direct your broker, bank or other nominee as to how to vote your shares. Proposal 2 (the proposal to ratify the appointment of Mayer Hoffman McCann P.C. as our registered independent public accounting firm for the fiscal year ending December 31, 2013) is considered a routine proposal under NYSE rules. All of the other proposals described in this Proxy Statement are considered non-routine proposals under NYSE rules. Accordingly, if you hold your shares in street name and you do not submit voting instructions to your broker, bank or other nominee, your broker, bank or other nominee may exercise its discretion to vote your shares on Proposal 2 but will not be permitted to vote your shares on Proposals 1, 3, 4 or 5. Shares held by brokers, banks or other nominees who vote such shares on any routine proposal will be counted as present for purposes of determining whether a quorum exists, and such shares will constitute "broker non-votes" for all non-routine proposals.

The presence, in person or by proxy, of the holders of a majority of the shares of our common stock entitled to vote at the Annual Meeting will constitute a quorum. Abstentions will be counted as present for purposes of determining whether a quorum exists. Similarly, persons returning executed proxy cards will be counted as present for purposes of determining whether a quorum exists even if they abstain from voting on any or all proposals. As mentioned above, shares held by brokers, banks or other nominees who vote such shares on any routine proposal will be counted as present for purposes of determining whether a quorum exists.

How to Vote

If you are a shareholder of record of shares of our common stock, there are four ways to vote:

Use the internet to transmit your voting instructions and for electronic delivery of information up until 11:59 p.m. Eastern Time the day before the meeting date. · *By Mail.* You may vote by proxy by filling out the proxy card and sending it back in the envelope provided.

Beneficial Owners of Shares Held in Street Name

If you are a beneficial owner of shares of our common stock held in street name, you may vote:

· *In person.* If you wish to vote in person at the Annual Meeting, you must obtain a legal proxy from the organization that holds your shares. Please contact that organization for instructions regarding obtaining a legal proxy.

· *Other Options.* You may submit your voting instructions in the manner prescribed by your broker, bank or other nominee by following the instructions provided by your broker, bank or other nominee. The options may include via the internet, by telephone and by mail.

Required Vote

Proposal 1. Election of a director requires the affirmative vote of the holders of a plurality of votes represented by the shares present in person or represented by proxy at a meeting at which a quorum is present. The five nominees receiving the highest number of affirmative votes at the Annual Meeting will be elected as directors. Withhold votes, abstentions and broker non-votes will not have any effect on the outcome of this proposal.

Proposal 2. The appointment of Mayer Hoffman McCann P.C. as our registered independent public accounting firm for the fiscal year ending December 31, 2013 will be ratified by our stockholders if a majority of the votes cast at the Annual Meeting are “FOR” the proposal. Abstentions and broker non-votes (if any) will not have any effect on the outcome of this proposal.

Proposal 3. The amendment to our Restated Certificate of Incorporation to increase the number of total authorized shares from 94,000,000 to 178,000,000 and to increase the number of authorized shares of common stock from 84,000,000 to 168,000,000 will be approved by our stockholders if a majority of the outstanding shares of our common stock are voted “FOR” the proposal. Abstentions and broker non-votes will have the effect of a vote “AGAINST” this proposal.

Proposal 4. The non-binding advisory resolution to approve the compensation of our named executive officers will be approved by our stockholders if a majority of the votes cast at the Annual Meeting are “FOR” the proposal. Abstentions and broker non-votes will not have any effect on the outcome of this proposal.

Proposal 5. The alternative (every year, every other year or every three years) that receives the largest number of votes (other than "abstain") will be designated the stockholders' non-binding preference as to frequency of future voting on the non-binding advisory vote on the compensation of our named executive officers. Abstentions and broker non-votes will not have any effect on the outcome of this proposal.

The inspector of election appointed for the Annual Meeting will tabulate all votes including a separate tabulation of the affirmative and negative votes, abstentions and broker non-votes.

Revocability of Proxies

You may revoke a proxy at any time before it has been voted by taking any one of the following actions:

- Delivering written notice of revocation to our Secretary.
- By executing and delivering to our Secretary a proxy dated as of a later date than the proxy to be revoked.

-3-

· By voting by telephone or the internet before 11:59 p.m. Eastern Time on June 6, 2013 (only your latest telephone or internet proxy submitted before 11:59 p.m. Eastern Time on June 6, 2013 will be counted).

· By attending the Annual Meeting and voting in person. Please note that attendance at the Annual Meeting, in and of itself, without voting in person at the Annual Meeting will not revoke your proxy.

Any written notice of revocation or later dated proxy should be delivered by the close of business on June 6, 2013 to:

NTN Buzztime, Inc.
Attention: Secretary
2231 Rutherford Road, Suite 200
Carlsbad, California 92008

Alternatively, you may hand deliver a written revocation notice or a later dated proxy to our Secretary at the Annual Meeting before voting begins.

Solicitation

We will bear the cost of soliciting proxies. This Proxy Statement and the accompanying proxy solicitation materials, in addition to being mailed directly to stockholders, will be distributed through brokers, custodians and other nominees to beneficial owners of shares of our common stock. We may reimburse such parties for their reasonable expenses in forwarding solicitation materials to beneficial owners. We do not expect these costs to be significant. Our directors, officers or regular employees may follow up the mailing to stockholders by telephone, electronic mail or personal solicitations, but no special or additional compensation will be paid to those directors, officers or employees for doing so.

PROPOSAL 1**ELECTION OF DIRECTORS****Nominees for Election**

Our bylaws provide that the number of directors constituting the whole board of directors shall be determined by our Board of Directors from time to time. The number of directors as determined by our Board of Directors is currently five, and our Board of Directors currently consists of five members. Our Restated Certificate of Incorporation provides for the annual election of all of our directors. Vacancies on our Board of Directors (including vacancies created by an increase in the authorized number of directors) may be filled solely by our Board of Directors. A director appointed by our Board of Directors to fill a vacancy resulting from the death, resignation, disqualification or removal of a director would hold office for the remainder of the full term of the director whose death, resignation, disqualification or removal created such vacancy, and a director appointed by our Board of Directors to fill a vacancy resulting from an increase in the authorized number of directors would hold office until the next annual meeting of stockholders and, in each case, until such director's successor shall have become elected and qualified.

Our Board of Directors has selected the following nominees for election as directors at the Annual Meeting. Each such nominee is currently serving on our Board of Directors and each has indicated a willingness to continue to serve as directors if elected. If any of them should decline or be unable to serve as a director, however, the proxy holders will vote for the election of another person as our Board of Directors recommends. If elected, nominees would hold office until our 2014 annual meeting of stockholders and until their respective successors are duly elected and qualified. Proxies may not be voted for a greater number of persons than the number of nominees named herein.

Board Meetings and Committees

Our business affairs are managed by and under the direction of our Board of Directors. During 2012, our Board of Directors held nine meetings. During 2012, each director attended at least 75% of the aggregate of (i) the total number of board meetings held during such member's service and (ii) the total number of meetings of committees of our Board of Directors on which he or she served, during the period of such member's service. The schedule for regular meetings of our Board of Directors for each year is submitted and approved by the Board in advance.

-6-

Each committee of our Board of Directors meets as frequently and for such length of time as it deems necessary to carry out its assigned duties and responsibilities. In addition, the chairman of a committee may call a special meeting of that committee at any time if deemed advisable. We currently have two standing committees: (i) Audit and (ii) Nominating and Corporate Governance/Compensation. Our Board of Directors reviews the committees' duties from time to time and may from time to time form new committees, revise a committee's structure, or disband committees, depending on the circumstances.

Attendance of Directors at Annual Meeting of Stockholders

We have adopted a policy regarding attendance by members of our Board of Directors at our annual meeting of stockholders. Board members are strongly encouraged to attend the annual meeting. All of the nominees for election as directors who were then members of our Board of Directors attended our 2012 annual meeting of stockholders.

Committee Charters and Code of Ethics

Our Board of Directors has adopted charters for the Audit and the Nominating and Corporate Governance/Compensation Committees, which, among other things, outline the respective duties of the committees. Our Board of Directors has also adopted a code of ethics that applies to all of our employees, officers and directors. These materials are posted on the Corporate Governance section of our website at www.buzztime.com. The information on our website is not incorporated by reference in this Proxy Statement.

Board Leadership Structure and Role in Risk Oversight

Historically, the leadership structure of our Board of Directors has been such that the Chairman of our Board of Directors and our principal executive officer were different individuals. Mr. Berg has served as Chairman of our Board of Directors since November 2008. Mr. Berg was appointed as our Interim Chief Executive Officer as of July 2, 2012 and continues to serve in such capacity. Although Mr. Mitgang, an independent director, replaced Mr. Berg as Chairman of the Nominating and Corporate Governance/Compensation Committee, Mr. Berg has served as both the Chairman of our Board of Directors and as our principal executive officer since July 2, 2012. We do not currently have a lead independent director. We have been and are continuing to search for a qualified permanent chief executive officer, and although the Nominating and Corporate Governance/Compensation Committee believes having different individuals serve as chairman of the board and as principal executive officer provides segregation of duties and independence, for the time being and until we find a qualified permanent chief executive officer, the Nominating and Corporate Governance/Compensation Committee and our Board of Directors believes that, in light of Mr. Berg's

interim role as our principal executive officer, it is appropriate that he serve as both the Chairman of our Board of Directors and our principal executive officer. In addition, serving as Interim Chief Executive Officer allows Mr. Berg to increase the depth of his knowledge of the issues, opportunities, and challenges facing our business, and better positions Mr. Berg to develop agendas that ensure that the time and attention of our Board of Directors are focused on the most critical matters of our business. His combined role also enables decisive leadership, ensures clear accountability, and enhances our ability to communicate our message and strategy clearly and consistently to our stockholders, employees, and customers. Our Board of Directors believes its administration of its risk oversight function to date has not been affected by having Mr. Berg serve as both the Chairman of our Board of Directors and as our principal executive officer.

Our Board of Directors provides oversight to the management of our risk profile, including internal controls over financial reporting, credit risk, interest rate risk, liquidity risk, operational risk, reputational risk and compliance risk. Our Board of Directors monitors and manages these risks through committees in conjunction with management, our independent registered public accounting firm, and other independent advisors. Our executive officers are assigned responsibility for the various categories of risk, with our chief executive officer being ultimately responsible to our Board of Directors for all risk categories. Our executive officers periodically report to and receive input from our Board of Directors and the Audit Committee regarding material risks we face and how we plan to respond to and mitigate these risks.

-7-

Board Independence

Our Board of Directors has determined that Mary Beth Lewis, Steve Mitgang, Paul Yanover and Tony Uphoff are each “independent directors” under current NYSE MKT rules.

Audit Committee

We have a separately designated standing Audit Committee that operates under a written charter adopted by our Board of Directors. The role of the Audit Committee is to oversee our accounting and financial reporting processes and to oversee the audit of our financial statements. The responsibilities of the Audit Committee include the periodic review of our accounting and financial reporting and internal control policies and procedures, appointing and providing the compensation of the independent registered public accounting firm of certified public accountants to be retained as our independent auditors, reviewing the “Management’s Discussion and Analysis of Financial Condition and Results of Operations” disclosure contained in our quarterly and annual reports filed with the Securities and Exchange Commission, or SEC, and reviewing our quarterly and audited annual financial statements. The Audit Committee is currently comprised of two non-employee directors: Ms. Lewis (chair) and Mr. Uphoff, each of whom our Board of Directors has determined is an independent director under the current rules of the NYSE MKT and the Securities Exchange Act of 1934. Our Board of Directors has also determined that Ms. Lewis is an “audit committee financial expert,” as that term is currently defined in Item 407(d)(5) of Regulation S-K. The Audit Committee held five meetings during 2012.

Nominating and Corporate Governance/Compensation Committee

The Nominating and Corporate Governance/Compensation Committee is currently comprised of three non-employee directors: Mr. Mitgang (chair), Mr. Yanover and Mr. Uphoff, each of whom our Board of Directors has determined is an independent director under current NYSE MKT rules. The function of this committee is to administer our benefit and equity incentive plans; determine the amount and form of compensation paid to our chief executive officer; review and administer all compensation arrangements for our other executive officers; and establish and review general policies relating to the compensation and benefits of our officers and employees. In addition, this committee identifies individuals qualified to serve on our Board of Directors; selects, or recommends that our Board of Directors select, nominees for election to our Board of Directors; and develops and implements policies and procedures that are intended to ensure that our Board of Directors will be appropriately constituted and organized to meet its fiduciary obligations to the Company and our stockholders. The Nominating and Corporate Governance/Compensation Committee held seven meetings during 2012.

Director Nominations

Our Nominating and Corporate Governance/Compensation Committee considers new candidates for our Board of Directors suggested by current members of our Board of Directors, management and stockholders. The Nominating and Corporate Governance/Compensation Committee has established qualifications for directors, including the ability to apply fair and independent judgment in a business situation and the ability to represent the interests of all our stockholders and constituencies. A director also must be free of any conflicts of interest that would interfere with his or her loyalty to the Company or our stockholders. In evaluating board candidates, the Nominating and Corporate Governance/Compensation Committee considers the foregoing qualifications as well as several other factors, including the following:

- independence from management;
- depth and breadth of relevant business experience, judgment and savvy;
- age and gender diversity;
- existing commitments to other businesses and willingness to devote adequate time to board duties;
- potential conflicts of interests with other pursuits;
- personal background, including past involvement in SEC inquiries, legal proceedings, criminal record, or involvement in acts of fraud or dishonesty;
- executive compensation and/or corporate governance background, to aid the Nominating and Corporate Governance/Compensation Committee in determining whether a candidate would be suitable for membership on that committee; and
- interplay of candidate's experience and skills with those of other board members.

Other than as described above, the Nominating and Corporate Governance/Compensation Committee has not adopted any specific policy on the issue of considering diversity in identifying nominees for director.

Directors' Common Stock Ownership Guidelines

To encourage directors to have a direct and material cash investment in shares of our common stock, our Board of Directors has established stock ownership guidelines for members of our Board of Directors. The ownership guidelines strongly suggest that each director hold shares of our common stock, purchased for cash, equal to the following:

- one times the annual cash retainer for service on our Board of Directors by the second anniversary of the commencement of the director's board service;
- two times the annual cash retainer for service on our Board of Directors by the third anniversary of the commencement of the director's board service; and
- four times the annual cash retainer for service on our Board of Directors by the fifth anniversary of the commencement of the director's board service.

At any time between the second and fifth anniversary of any director's service on our Board of Directors, if (i) such director is not then in compliance with the ownership guidelines set forth above and (ii) our Board of Directors, in its

sole discretion, makes a determination that such director is not adhering to the spirit of these guidelines, our Board of Directors may request such director's immediate resignation from our Board of Directors. In such event, such director must immediately deliver his or her written, unqualified resignation with immediate effect to our Board of Directors.

Director Compensation

We compensate our non-employee directors for their service in such capacity with annual retainer cash payments and equity compensation as described below. Directors who are also our employees do not receive any additional compensation for their services as directors. From time to time, a non-employee director provides us with consulting services, and we may compensate such director for such services. Our director compensation program is subject to review and renewal annually by our Board of Directors on or around the date of our annual meeting of stockholders.

-9-

Annual Retainer and Meeting Fees

Our non-employee directors are entitled to receive an annual cash retainer in the amount of \$25,000 for their services as directors. The Chairman of our Board of Directors, assuming she or he is a non-employee director, is entitled to receive an additional annual cash retainer of \$20,000 for services in such capacity. Due to Mr. Berg's appointment as our Interim Chief Executive Officer, his annual cash retainer payments (both for his service as a director and as Chairman of our Board of Directors) were discontinued since such appointment. We do not pay our non-employee directors participation fees for meeting attendance.

We pay our non-employee directors an additional annual retainer for their service on board committees as set forth in the table below. As compensation for their additional responsibilities, we pay the chairperson of each board committee a retainer larger than the retainer we pay the other members of the committee. Mr. Berg's retainer for his membership and chairman position on the Nominating and Corporate Governance/Compensation Committee were discontinued upon his appointment as our Interim Chief Executive Officer.

Additional Annual Retainer For Board Committee Service	Chairperson	Member
Audit Committee	\$ 10,000	\$ 5,000
Nominating and Corporate Governance/Compensation Committee	\$ 10,000	\$ 5,000

Equity Compensation

As described below, we grant stock option awards to our non-employee directors upon the commencement of their service as a director and upon their re-election to our Board of Directors. The stock option awards are granted under our 2010 Performance Incentive Plan.

In connection with the commencement of a new non-employee director's term of service, we grant to such new director a stock option to purchase 30,000 shares of our common stock. The exercise price of each of these new director stock option awards is equal to the closing market price of our common stock on the date of grant. During 2013 we changed the vesting terms of these stock options. Until March 20, 2013, 15,000 shares of our common stock subject to the stock option grant was fully vested and exercisable on the date of grant, and the remaining 15,000 shares vested and became exercisable, subject to the director's continued service, in equal monthly installments beginning in the month immediately following the date of grant and continuing through the date of the next annual meeting of stockholders. Effective March 20, 2013, 15,000 shares of our common stock subject to the stock option grant is fully

vested and exercisable on the date of grant, and the remaining 15,000 shares vest and become exercisable, subject to the director's continued service, in 12 equal monthly installments beginning in the month immediately following the date of grant.

Each non-employee director who is re-elected for an additional term of service is granted an additional stock option to purchase 20,000 shares of our common stock on the date of our annual stockholder meeting. The exercise price of each of these annual stock option awards is equal to the closing market price of our common stock on the date of the annual meeting of stockholders on which it is granted and the shares subject to these awards vest and become exercisable, subject to the director's continued service, in 12 equal monthly installments thereafter.

Stock option awards granted to non-employee directors as compensation for service on our Board of Directors expire on the earlier of 10 years from the date of grant or 90 days from the date the director ceases to serve on our Board of Directors. In the event of a change in control, as defined in the 2010 Performance Incentive Plan, the Nominating and Corporate Governance/Compensation Committee may in its discretion determine that these stock option awards shall vest and become fully exercisable as of immediately before such change in control.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF MAYER HOFFMAN MCCANN P.C.

AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our independent registered public accounting firm for the fiscal year ended December 31, 2012 was Mayer Hoffman McCann P.C. The Audit Committee of our Board of Directors has reappointed Mayer Hoffman McCann P.C. to continue as our independent registered public accounting firm for the year ending December 31, 2013. Our bylaws do not require that our stockholders ratify the selection of Mayer Hoffman McCann P.C. as our independent registered public accounting firm. However, we are submitting the selection of Mayer Hoffman McCann P.C. to our stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain Mayer Hoffman McCann P.C. Even if the selection is ratified, the Audit Committee in its discretion may change the appointment at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

Representatives of Mayer Hoffman McCann P.C. will be present at the Annual Meeting. They will be given an opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions from stockholders present at the Annual Meeting.

Required Vote

The appointment of Mayer Hoffman McCann P.C. as our registered independent public accounting firm for the fiscal year ending December 31, 2013 will be ratified by our stockholders if a majority of the votes cast at the Annual Meeting are "FOR" the proposal. Abstentions and broker non-votes (if any) will not have any effect on the outcome of this proposal.

Board Recommendation

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF MAYER HOFFMAN MCCANN P.C. TO SERVE AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

PROPOSAL 3

PROPOSAL TO AMEND OUR RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF TOTAL AUTHORIZED SHARES FROM 94,000,000 TO 178,000,000 AND TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 84,000,000 TO 168,000,000

Summary

Article IV of our Restated Certificate of Incorporation currently authorizes us to issue up to 94,000,000 shares of stock, of which 84,000,000 shares are designated as common stock and 10,000,000 are designated as preferred stock.

Substantially all of our currently authorized common stock has been either issued or is reserved for issuance. As explained in detail below, as of April 12, 2013, of our currently authorized 84,000,000 shares of common stock, we have only 1,106,587 authorized shares of common stock that are not issued and outstanding or reserved for issuance. Our Board of Directors does not believe that such 1,106,587 shares is sufficient to provide flexibility in considering and planning for potential future corporate needs and growth opportunities. Although we do not have any commitments, arrangements, understandings or agreements at this time, and no assurances can be given in this regard, in the future our Board of Directors may determine it is in the best interest of our Company and our stockholders to do one or more of the following: (i) raise additional capital through the sale of shares of our common stock and/or securities convertible or exercisable for shares of our common stock in order to pursue growth opportunities; (ii) issue shares of our common stock to potential strategic partners in order to pursue potential strategic partnerships; or (iii) use shares of our common stock as consideration to pursue appropriate acquisition or investment opportunities.

Accordingly, on March 22, 2013, our Board of Directors unanimously approved an amendment to Article IV of our Restated Certificate of Incorporation to increase the number of total authorized shares from 94,000,000 to 178,000,000 and to increase the number of authorized shares of common stock from 84,000,000 to 168,000,000. Under Delaware law, this amendment requires approval of both our Board of Directors and our stockholders. We are seeking such stockholder approval by means of this Proxy Statement, and our Board of Directors recommends that our stockholders approve this amendment.

The additional shares common stock will have rights identical to our currently outstanding shares of common stock. The number of authorized shares of our preferred stock will not be affected by this amendment; it will be maintained at 10,000,000 shares, of which 5,000,000 shares are currently designated as Series A Convertible Preferred Stock (which we refer to in this Proxy Statement as our “cumulative convertible preferred stock”) and of which 156,112 shares are currently issued and outstanding.

If this proposal is approved, this will be the first increase in the authorized shares of our common stock since 2003.

During the last three years, we have not issued any shares of common stock other than: (i) pursuant to our equity compensation plans and arrangements, (ii) in connection with our rights offering completed in February 2012, (iii) the annual dividend of 10 cents per share payable on, and to the holders of, the outstanding shares of our cumulative convertible preferred stock in the form of shares of our common stock, and (iv) upon the conversion of outstanding shares of our cumulative convertible preferred stock to common stock. Our past actions are not necessarily predictive of our future actions, but we currently do not have any commitments, arrangements, understandings or agreements to issue any currently authorized and unissued shares of our common stock, or any of the additional shares of common stock that would be authorized by the proposed amendment, except for shares of our common stock that have been and are subject to outstanding options, restricted stock units, warrants and shares of our cumulative convertible preferred stock and shares that have been reserved for future awards that may be granted under our equity compensation plans.

Purpose and Effect of the Amendment

As of April 12, 2013, of our currently authorized 84,000,000 shares of common stock, 71,542,491 shares were issued and outstanding, 2,267,373 shares were reserved and subject to outstanding options, 373,344 shares were reserved and subject to outstanding restricted stock units, 3,732,360 shares were reserved for future awards that may be granted under our stock option plans, 4,500,000 shares were reserved for issuance upon the exercise of outstanding warrants and 477,845 shares were reserved for issuance upon conversion of outstanding shares of our cumulative convertible preferred stock. Accordingly, as of April 12, 2013, we have only 1,106,587 authorized shares of common stock that are not already issued and outstanding or reserved for issuance.

If the proposed amendment is approved by our stockholders, the aggregate number of authorized shares of our common stock will increase from 84,000,000 to 168,000,000, and including the 1,106,587 authorized shares of common stock that are not already issued and outstanding or reserved for issuance as of April 12, 2013, 85,106,587 shares would be available for future issuance by our Board of Directors without any stockholder approval, except as may be required for a particular transaction by applicable law or the rules of any stock market or exchange on which our common stock may then be listed.

The increase in the number of authorized shares of our common stock will allow our Board of Directors to issue shares, should it determine to do so, of our common stock (or securities convertible into or exercisable for shares of our common stock) to support our future potential corporate needs and growth opportunities. Our Board of Directors is required to make any determination to issue shares of our common stock (or securities convertible into or exercisable for shares of our common stock) based on its judgment regarding the best interests of our Company and our stockholders. For example, our Board of Directors could determine to issue additional shares of common stock (or securities convertible into or exercisable for shares of our common stock) in the future in connection with one or more of the following transactions without any stockholder approval (subject to applicable laws or the rules of any stock market or exchange on which our common stock may then be listed that may require stockholder approval):

- Financing transactions, such as public or private offerings of our common stock or securities convertible or exercisable for shares of our common stock

 - Strategic partnerships, collaborations and other similar transactions

 - Strategic investments

 - Acquisitions

 - Any other proper corporate purposes

We currently do not have any commitments, arrangements, understandings or agreements to issue any currently authorized and unissued shares of our common stock, or any of the additional shares of common stock that would be authorized by the proposed amendment, except for shares of our common stock that have been and are subject to outstanding options, restricted stock units, warrants and shares of our cumulative convertible preferred stock and shares that have been reserved for future awards that may be granted under our stock option plans.

Our common stock consists of a single class, with equal voting, distribution, liquidation and other rights. The additional authorized shares of common stock, if and when issued, would be part of the existing class of common stock and would have the same rights and privileges as the shares of common stock currently outstanding. Our stockholders do not have preemptive rights with respect to the issuance of any shares of our capital stock. There will be no change in the voting, distribution, liquidation or other rights of our common stock as a result of the proposed amendment.

Potential Adverse Effects of the Proposed Amendment

Our Board of Directors is required to make any determination to issue shares of our common stock (or securities convertible into or exercisable for shares of our common stock) based on its judgment regarding the best interests of our Company and our stockholders. Our Board of Directors may determine to issue or reserve shares of common stock (or securities convertible into or exercisable for shares of our common stock) at times, in amounts, and upon terms that our Board of Directors may determine, without stockholder approval or further action by our stockholders, subject to applicable laws or the rules of any stock market or exchange on which our common stock may then be listed that may require stockholder approval.

Our stockholders will not realize any dilution in their voting rights or the value of their shares solely as a result of the increase in the number of authorized shares of common stock. However, because the holders of our common stock are not entitled to preemptive rights, future issuances of shares of our common stock or securities convertible into or exercisable for shares of our common stock: (i) will dilute an individual's stock ownership in our Company and his or her voting interest and power to the extent additional shares of common stock (or securities convertible into or exercisable for shares of our common stock that have the right to vote with the holders of our common stock) are issued; and (ii) if such securities are issued at prices below what an individual stockholder paid for his or her shares of our common stock, will dilute the value of his or her shares of common stock due to the dilutive effect on our earnings per share and book value per share.

Published SEC guidance states that a company proposing to adopt certain amendments to its charter or bylaws should consider disclosing charter and bylaw provisions that could have an anti-takeover effect. This paragraph and the following two paragraphs are in response to this guidance. If the proposed amendment is approved, the availability of additional shares of common stock for issuance could, under certain circumstances, discourage or make more difficult any efforts to obtain control of our Company, including by means of a merger, tender offer or proxy contest to remove or replace members of our Board of Directors. The proposed amendment is not in response to any effort on the part of any party of which we are aware to accumulate shares of our common stock or to acquire control of our Company by means of a merger, tender offer, proxy contest or otherwise, or to change our management.

The following current provisions of our charter and bylaws may have an anti-takeover effect: (i) directors may be removed from office, with or without cause, only by the affirmative vote of the holders of at least 80% of our common stock; (ii) vacancies on our Board of Directors shall be filled solely by the affirmative vote of the majority of the remaining directors then in office, even though less than a quorum of our Board of Directors; (iii) stockholder action must be effected at a duly called annual or special meeting of stockholders and may not be effected by written consent of stockholders; (iv) except as required by law, special meetings of stockholders may be called only by our Board of Directors acting pursuant to a resolution adopted by a majority of the entire board of directors; (iii) the authority of our Board of Directors to issue shares of preferred stock, and to fix the relative rights and preferences of the preferred stock, without stockholder approval; (iv) certain notice procedures to be complied with by stockholders in order to make stockholder proposals or nominate directors; (v) the stockholder vote required to amend or repeal the provisions in our bylaws is at least 66.6% of the voting power of our common stock, and the stockholder vote required to alter, amend or repeal the provisions in clauses “(iii)” and “(iv)” (which are set forth in our charter) or to adopt any provision inconsistent with such clauses is at least 80% of the voting power of our common stock.

Under Delaware law, the certificate of incorporation of any corporation may provide that each holder of stock or of any class or classes or of a series or series of stock shall be entitled to cumulative voting. Our certificate of incorporation does not provide cumulative voting rights to any shares of our capital stock.

Risks of Non-Approval

If the proposed amendment is not approved by our stockholders, the number of authorized shares will remain the same and we will have limited flexibility to use shares of our common stock to support our future potential corporate needs and growth opportunities in light of having only 1,106,587 authorized shares of common stock not already issued and outstanding or reserved for issuance as of April 12, 2013. For example, our Board of Directors may be precluded from pursuing the wide range of potential corporate and growth opportunities described above under “—Purpose and Effect of the Amendment” that might be in the best interests of our Company and our stockholders, including (i) raising additional capital in order to pursue potential growth opportunities; (ii) issuing shares of our common stock to potential strategic partners in order to pursue potential strategic partnerships; or (iii) using shares of our common stock as consideration to pursue appropriate acquisition or investment opportunities.

Text of the Proposed Amendment

If the proposed amendment is approved by our stockholders, we will amend our Restated Certificate of Incorporation by amending the first sentence of Article IV in its entirety to read as follows: (additions shown as underlined and deletions shown as ~~struck through~~)

The total number of shares of stock which the corporation shall have authority to issue is 178,000,000 ~~94,000,000~~ shares, of which 168,000,000 ~~84,000,000~~ shares shall be Common Stock, par value \$.005 per share, and 10,000,000 shall be Preferred Stock, par value \$.005 per share.

The amendment will become effective when a certificate of amendment to our Restated Certificate of Incorporation is filed with the Secretary of State of the State of Delaware, which we intend to file promptly following the Annual Meeting if our stockholders approve the amendment.

Required Vote

The amendment to our Restated Certificate of Incorporation to increase the number of total authorized shares from 94,000,000 to 178,000,000 and to increase the number of authorized shares of common stock from 84,000,000 to 168,000,000 will be approved by our stockholders if a majority of the outstanding shares of our common stock are voted "FOR" the proposal. Abstentions and broker non-votes will have the effect of a vote "AGAINST" this proposal.

Board Recommendation

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE AMENDMENT TO OUR RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF TOTAL AUTHORIZED SHARES FROM 94,000,000 TO 178,000,000 AND TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 84,000,000 TO 168,000,000.

PROPOSAL 4

NON-BINDING ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934 and the related rules of the SEC, we are providing our stockholders the opportunity to cast a non-binding advisory vote on the compensation of our named executive officers as disclosed pursuant to the SEC's compensation disclosure rules in this Proxy Statement (which disclosure includes the related compensation tables included in the "Executive Compensation" section of this Proxy Statement). This non-binding advisory vote is commonly referred to as the "say-on-pay" vote. The vote does not address any specific item of our compensation program, but rather addresses our overall approach to the compensation of our named executive officers described in this Proxy Statement.

As described in more detail below under "Executive Compensation," our executive compensation programs are designed to attract, retain and motivate talented executives and to reward performance. Our Board of Directors oversees our executive compensation, including the compensation of our named executive officers. We review our compensation plans and programs on an ongoing basis and periodically make adjustments taking into account competitive conditions and other factors. Please read the section entitled "Executive Compensation" below for additional details about our executive compensation programs, including information about the fiscal year 2012 compensation of our named executive officers.

Your vote on this proposal is advisory, and therefore not binding on the Company or our Board of Directors. The vote will not be construed to create or imply any change to the fiduciary duties of our Board of Directors, or to create or imply any additional fiduciary duties for our Board of Directors. The approval or disapproval of this proposal by our stockholders will not require our Board of Directors to take any action regarding our executive compensation practices and will not alter any contractual obligations between the Company and any of our executive officers or other employees. However, our Board of Directors and its Nominating and Corporate Governance/Compensation Committee values input from our stockholders and will consider the outcome of the vote when making future executive compensation decisions.

We are asking our stockholders to support the compensation of our named executive officers as disclosed pursuant to the SEC's compensation disclosure rules in this Proxy Statement (which disclosure includes the related compensation tables included in the "Executive Compensation" section of this Proxy Statement). Accordingly, we ask you to vote "For" the following resolution at the Annual Meeting:

“RESOLVED, that, as an advisory matter, the stockholders of NTN Buzztime, Inc. approve the compensation paid to the company’s named executive officers as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion.”

Required Vote

The non-binding advisory resolution to approve the compensation of our named executive officers will be approved by our stockholders if a majority of the votes cast at the Annual Meeting are “FOR” the proposal. Abstentions and broker non-votes will not have any effect on the outcome of this proposal.

Board Recommendation

OUR BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” APPROVAL, ON AN ADVISORY, NON-BINDING BASIS, OF THE COMPENSATION PAID TO OUR NAMED EXECUTIVE OFFICERS DURING THE YEAR ENDED DECEMBER 31, 2012, AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL 5

NON-BINDING ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934 and the related rules of the SEC, we are also providing our stockholders an opportunity to vote, on a non-binding, advisory basis, for their preference as to how frequently we should seek future advisory votes on the compensation of our named executive officers, which we refer to as an advisory vote on executive compensation. By voting on this, stockholders may indicate whether they would prefer that we conduct future advisory votes on executive compensation every year, every two years or every three years.

After careful consideration of the various arguments supporting each frequency level, our Board of Directors believes that submitting the advisory vote on executive compensation to stockholders every three years is appropriate for our Company and our stockholders at this time. Our compensation policies and procedures are developed with long-term objectives in mind, which is consistent with a multi-year stockholder approval cycle.

Stockholders are being asked for their views on the frequency of the advisory vote on executive compensation, and are not voting to approve or disapprove the recommendation of our Board of Directors.

Stockholders may cast a vote on the preferred voting frequency by choosing the option of one year, two years, three years (or abstain from voting) when voting in response to the resolution set forth below.

"RESOLVED, that the stockholders of the Company determine, on an advisory basis, that the frequency with which the stockholders of the Company wish to have an advisory vote on the compensation of the Company's named executive officers as disclosed pursuant to the SEC's compensation disclosure rules is:

- Choice 1 - every three years;
- Choice 2 - every two years;
- Choice 3 - every year; or
- Choice 4 - abstain from voting."

Required Vote

The alternative (every year, every other year or every three years) that receives the largest number of votes (other than "abstain") will be designated the stockholders' non-binding preference as to frequency of future voting on the non-binding advisory vote on the compensation of our named executive officers. Abstentions and broker non-votes will not have any effect on the outcome of this proposal.

Board Recommendation

OUR BOARD OF DIRECTORS RECOMMENDS A FREQUENCY OF "THREE YEARS" FOR FUTURE VOTING ON THE NON-BINDING ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

EXECUTIVE COMPENSATION

Compensation Processes and Procedures

The Nominating and Corporate Governance/Compensation Committee of our Board of Directors, or the N&CG/C Committee, has the responsibility for determining the amount and form of compensation paid to our chief executive officer, reviewing and approving all compensation arrangements for our other executive officers, administering our company's benefit and equity incentive plans and providing guidance over our organizational structure. Our chief executive officer presents compensation recommendations to the N&CG/C Committee with respect to the executive officers who report to him. The N&CG/C Committee may accept or adjust such recommendations. The N&CG/C Committee is solely responsible for determining our chief executive officer's compensation while our full Board of Directors participates in evaluating the performance of our chief executive officer.

When hiring executive officers, we evaluate compensation rates by externally comparing viable candidates and referencing current public salary survey data to determine the appropriate level of salary, performance-based bonus, and/or equity incentives to present a competitive compensation package in order to attract and retain top talent. Typically, we evaluate between three and five different sources of compensation data to provide relevant market benchmark data for a given executive role. Additionally, the N&CG/C Committee has the authority to engage the services of outside advisors and experts to assist and advise the N&CG/C Committee on matters relating to executive compensation.

Other than the appointment of Mr. Berg as our Interim Chief Executive Officer discussed below, we did not hire any executive officers during 2012. The N&CG/C Committee did not engage the services of outside advisors or experts to assist and advise the N&CG/C Committee on matters relating to executive compensation during 2012.

When we discussed with Mr. Berg the possibility of him serving as our Interim Chief Executive Officer, Mr. Berg offered to accept monthly compensation of \$8,250, which annualized equals \$99,000. The annual salary for 2011 of our former chief executive officer and president was \$375,000. The N&CG/C Committee determined that the \$8,250 monthly compensation was below market in light of the salary we paid to our former chief executive officers and presidents, and agreed to compensate Mr. Berg at a rate of \$8,250 per month. In addition, unlike in the past where we have awarded new executive officer hires equity awards, Mr. Berg was not granted any equity compensation in connection with his appointment as our Interim Chief Executive Officer. Moreover, when Mr. Berg served as a non-employee director, he waived all stock option grants to which he would otherwise be eligible to receive in such capacity.

During 2012, our named executive officers took voluntary salary reductions in line with our Company's cost reduction efforts and plans to change company culture. Effective July 1, 2012, Ms. Berger's annual salary was reduced from \$300,000 (which is the same amount it was for 2011) to \$250,000, and Mr. Khuchua-Edelman's annual salary was reduced from \$220,000 (which is the same amount it was for 2011) to \$215,000. The salary reductions continue in effect as of the date of this Proxy Statement. For the same reasons, Mr. Berg accepted compensation of \$8,250 per month to serve as our Interim Chief Executive Officer and Mr. Berg was not granted any equity compensation. The annual salary for 2011 of our former chief executive officer and president was \$375,000.

Our Named Executive Officers

All individuals who served as our principal executive officer as well as our two most highly compensated executive officers (other than our principal executive officer) who were serving as executive officers at the end of December 31, 2012 are referred to as our “named executive officers.” Our named executive officers for 2012 were:

The members of the Interim Committee of the President were Mr. Berg, Ms. Berger and Mr. Khuchua-Edelman. When Mr. Berg was appointed as our Interim Chief Executive Officer, our Board of Directors dissolved the Interim Committee of the President.

Narrative Disclosure to Summary Compensation Table

Agreement with Interim Chief Executive Officer

Mr. Berg was appointed as our Interim Chief Executive Officer effective as of July 2, 2012. In connection with this appointment, we entered into a consulting agreement pursuant to which we agreed to compensate Mr. Berg \$8,250 per month for his services as our Interim Chief Executive Officer. We amended the term of the consulting agreement in January 2013 and in March 2013. Currently, the term of the consulting agreement is scheduled to end on June 30, 2013.

For so long as he is serving as our Interim Chief Executive Officer, Mr. Berg agreed to forego any compensation he would otherwise receive in consideration for his services on our Board of Directors from the date he was appointed as our Interim Chief Executive Officer. For 2012, such compensation would have been \$30,000.

Agreement with Former President and Chief Executive Officer

Mr. Bush resigned from his position as our President and Chief Executive Officer effective June 4, 2012. In connection with his resignation, we entered into a separation agreement with Mr. Bush pursuant to which, in exchange for a release of claims against our Company, we agreed to pay, and have paid, Mr. Bush severance equal to six months' base salary, or \$187,500, less all applicable withholding taxes. Also as part of his separation agreement, we agreed to pay, and have paid, the premiums required to continue Mr. Bush's group health care coverage for a six-month period, under the applicable provisions of COBRA, provided that Mr. Bush elected to continue and remain eligible for these benefits under COBRA, and did not obtain health coverage through another employer during this period. Both the severance and COBRA payments are reflected in the Summary Compensation Table above.

As part of Mr. Bush's amended and restated employment agreement, Mr. Bush was eligible to receive an annual incentive bonus in an amount to be determined by our Board of Directors based on the achievement of performance

objectives established by our Board of Directors for that particular period. Mr. Bush's target potential incentive compensation for fiscal 2011 was 50% of Mr. Bush's base salary. A portion of his target incentive compensation for 2011 was guaranteed in the amount of \$50,000 and is shown in the Summary Compensation Table above under the column entitled "Non-Equity Incentive Plan Compensation."

Voluntary Salary Reduction

As previously discussed, our named executive officers took voluntary salary reductions in line with our Company's cost reduction efforts and plans to change company culture. Effective July 1, 2012, Ms. Berger's annual salary was reduced from \$300,000 (which is the same amount it was for 2011) to \$250,000, and Mr. Khuchua-Edelman's annual salary was reduced from \$220,000 (which is the same amount it was for 2011) to \$215,000. The salary reductions continue in effect as of the date of this Proxy Statement. For the same reasons, Mr. Berg accepted compensation of \$8,250 per month to serve as our Interim Chief Executive Officer and Mr. Berg was not granted any equity compensation. The annual salary for 2011 of our former chief executive officer and president was \$375,000.

Restricted Stock Grants

On August 6, 2012, each of our named executive officers was awarded a restricted stock grant, which is reflected in the “Summary Compensation Table” above in the column entitled “Stock Awards.” The restricted stock grants served both as a retention device and as motivation to improve our financial and operating results.

Ms. Berger was awarded 150,000 shares of restricted stock and Mr. Khuchua-Edelman was awarded 250,000 shares of restricted stock. Subject to continued service to our Company, 25% of the number of shares of restricted stock subject to the awards vests on the six-month anniversary of the grant date. The remaining shares vest, subject to continued service to our Company, in equal monthly installments during the 18-month period thereafter, such that all shares will have vested on the two year anniversary of the grant date. Upon termination of service at any time and for any reason or no reason, all of unvested shares will be forfeited to our Company.

Outstanding Equity Awards at Fiscal Year-End

The following table sets forth information concerning equity awards held by the named executive officers that were outstanding as of December 31, 2012:

	02/07/11 (3)	80,208	94,792	0.40	02/06/21	–	–	

To date, Mr. Berg has waived all stock option grants to which he would otherwise be eligible to receive in his
(1) capacity as a non-employee director. He was not granted any equity compensation in his capacity as Interim Chief Executive Officer.

Subject to continued service to our Company, 25% of the number of shares of restricted stock subject to the awards
(2) vests on the six-month anniversary of the grant date. The remaining shares vest, subject to continued service to our Company, in equal monthly installments during the 18-month period thereafter, such that all shares will have vested on the two year anniversary of the grant date.

The option vests and becomes exercisable at the rate of 25% of the shares underlying the option on the first
(3) anniversary of the option grant date, and the remaining shares underlying the option vest in 36 equal monthly installments thereafter.

(4) The option was granted for Ms. Berger's service as a non-employee director and vested and became exercisable in full as of the one year anniversary of the date of grant.

Tax and Accounting Implications

Compensation paid to our Chief Executive Officer and our two other highest compensated officers (each a "Covered Employee") is subject to a \$1,000,000 annual deduction limit pursuant to Section 162(m) of the Internal Revenue Code, as amended. This deduction limit does not apply to compensation that qualifies for the performance-based compensation exception under Section 162(m). In 2012, no Covered Employee's total compensation exceeded \$1,000,000, and it is similarly expected that in 2013 no Covered Employee's compensation will exceed \$1,000,000. However, our Board of Directors and the N&CG/C Committee are aware that the future grant of certain equity compensation awards, other than stock options or stock appreciation rights granted without any discount, under our 2010 Performance Incentive Plan to Covered Employees may not qualify as performance-based compensation and therefore this could potentially cause the \$1,000,000 deduction limit to be exceeded in future years. However, our Board of Directors wishes to retain the flexibility to make such awards if necessary and in light of the amount of compensation historically paid to our Covered Employees, does not anticipate that the compensation deduction limit will affect our executive compensation policies.

We account for stock-based payments including equity awards under our equity incentive plans in accordance with the requirements of FASB ASC No. 718, *Compensation – Stock Compensation*.

HOUSEHOLDING PROXY MATERIALS

The SEC has adopted rules that permit brokers, banks and other nominees to satisfy the delivery requirements of certain documents with respect to two or more stockholders sharing the same address by delivering a single copy of such document addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies. Under the householding procedure, we send only one Notice of Annual Meeting of Stockholders, Proxy Statement and Annual Report to stockholders of record who share the same address and last name, unless one of those stockholders notifies us that the stockholder would like a separate copy of such documents. A separate proxy card is included in the materials for each stockholder of record. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Notice of Annual Meeting of Stockholders, Proxy Statement and Annual Report from the other stockholder(s) sharing your address, please (i) notify your broker, bank or other nominee, (ii) direct your written request to NTN Buzztime, Inc., 2231 Rutherford Road, Suite 200, Carlsbad, California 92008, Attention: Secretary or (iii) contact us by phone at (760) 438-7400. We undertake to deliver promptly, upon any such oral or written request, a separate copy of the Notice of Annual Meeting of Stockholders, Proxy Statement and Annual Report to a stockholder at a shared address to which a single copy of these documents was delivered. Similarly, if stockholders sharing the same address are receiving multiple copies of Notice of Annual Meeting of Stockholders, Proxy Statement and Annual Report, and such stockholders would like a single copy to be delivered to them in the future, such stockholders may make such a request by contacting us by the means described above. If you wish to update your participation in householding and your shares are held of record by a broker, bank or other nominee, you may contact your broker, bank, or other nominee or our mailing agent, Broadridge Investor Communications Solutions, at 800-542-1061.
