PROXY STATEMENT
FOR
2002 ANNUAL MEETING OF SHAREHOLDERS

INFORMATION CONCERNING SOLICITATION AND VOTING

The enclosed proxy is solicited on behalf of SRI/Surgical Express, Inc. (the "Company") from the Company's Shareholders for use at the Annual Meeting of Shareholders to be held on Wednesday, May 15, 2002, at 10:00 a.m., local time, and at any adjournment of the meeting, for the purposes set forth in this Proxy Statement and in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at the Company's corporate and principal executive offices located at 12425 Race Track Road, Tampa, Florida. The Company's telephone number at that location is (813) 891-9550.

These proxy solicitation materials were mailed on or about April 9, 2002, together with the Company's 2002 Annual Report to Shareholders, to all shareholders entitled to vote at the meeting.

Voting and Solicitation

Only shareholders of record at the close of business on March 20, 2002 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. The Company has one class of outstanding voting securities, its Common Stock. As of the Record Date, 6,420,177 shares of the Company's Common Stock were outstanding. For information regarding security ownership by management and by the beneficial owners of 5% or more of the Company's Common Stock, see "Other Information - Share Ownership by Principal Shareholders and Management."

Each shareholder is entitled to one vote for each share of Common Stock on all matters presented at the Annual Meeting. The holders of Common Stock will vote together as one group in the election of directors and other matters presented at the annual meeting. Shareholders do not have the right to cumulate their votes in the election of directors.

The cost of soliciting proxies will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Certain of the Company's directors,

Edgar Filing: SRI SURGICAL EXPRESS INC - Form DEF 14A

officers, and regular employees, without additional compensation, may also solicit proxies personally or by telephone, telegram, letter or facsimile.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person.

2

Quorum; Abstentions; Broker Non-Votes

The required quorum for the transaction of business at the Annual Meeting is a majority of the shares of Common Stock outstanding on the Record Date. Shares that are voted "FOR," "AGAINST," or "WITHHELD" on a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as votes eligible to be cast by the shareholders present in person or represented by proxy at the Annual Meeting and entitled to vote on the subject matter with respect to such matter. Abstentions are counted in determining whether a quorum is present, but are not counted in determining the number of shares voted for or against any nominee for director or any proposal. Broker non-votes are not counted for purposes of determining whether a quorum is present or the number of shares for or against any nominee for election as a director or any proposal.

Deadline for Receipt of Shareholder Proposals

Shareholders desiring to have proposals considered for inclusion in the proxy statement and form of proxy for the 2003 Annual Meeting of Shareholders must furnish the proposals to the Company before December 2, 2002.

Fiscal Year End

The Company's fiscal year ends on the Sunday nearest December 31.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Nominees for Election at the Annual Meeting

The Company's Board of Directors is divided into three classes of two directors each, with the members of each class serving three-year terms expiring at the third annual meeting of shareholders after their election. Two directors are to be elected at the Annual Meeting, each to serve a term of three years. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the Company's two nominees named below, both of whom are presently directors of the Company. In the event that any nominee of the Company is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the current Board of Directors to fill the vacancy. It is not expected that any nominee will be unable or will decline to serve as a director. The term of office of each person elected as a director will continue until a successor has been elected and qualified.

The Board of Directors Unanimously Recommends a Vote "For" the Nominees Listed Below:

Edgar Filing: SRI SURGICAL EXPRESS INC - Form DEF 14A

division of this toy and juvenile products company, from 1990 through 1993. Before joining Fisher-Price, Inc., Mr. Boosales served in several senior executive capacities with General Mills, Inc., including President, International, for Kenner Parker Toys, Inc./Tonka Corp. from 1985 to 1989, during and after its spin-off as a public company, and President of Foot-Joy, Inc. from 1982 to 1985.

Wayne R. Peterson has been the Company's Executive Vice President and a director since the Company's inception and since May 2001, its Chief Operating Officer. Mr. Peterson in 1991 co-founded the Company's predecessor, Amsco Sterile Recoveries, Inc., and served as its Vice President until the Company acquired it in 1994. Before joining Amsco Sterile Recoveries, Mr. Peterson was President of Agora Development, Inc., a real estate development company that from 1987 to 1991 developed projects totaling 2,000,000 square feet in four states (California, Nevada, Arizona, and Illinois) for a total combined value of \$278 million. Mr. Kemberling is the founder, and since 1969 has been sole shareholder and President of Kemco Systems, Inc., a developer and manufacturer of commercial and industrial wastewater heat recovery systems, including systems used in the Company's operations.

4

N. John Simmons, Jr. has been a director of the Company since February 2001. Since December 1998, Mr. Simmons has been President of Quantum Capital Partners, a privately held venture capital firm. From 1995 to 1998, he was Vice President and Controller for Eckerd Corporation. From 1993 to 1995, he served as Chief Financial Officer of Checkers Drive-In Restaurants. Between 1976 and 1993, Mr. Simmons was a partner with KPMG Peat Marwick, servicing a number of privately and publicly held companies in the Tampa Bay area.

Required Vote

The two nominees receiving the highest number of affirmative votes of the shares of Common Stock present or represented and entitled to be voted for them shall be elected as directors. Votes withheld from any director are counted for purposes of determining the presence or absence of a quorum for the transaction of business, but have no further legal effect under Florida law.

Board Meetings and Committees

The Board of Directors of the Company held a total of four meetings and took action by written consent four times during the 2001 fiscal year. Each director who served as such during the fiscal year ended December 31, 2001, attended all of the meetings of the Board and the committees of the Board on which he served during that year. The Board of Directors has a Compensation Committee and an Audit Committee.

The Compensation Committee, which currently consists of Messrs. Kemberling, Simmons and Emanuel, reviews specific compensation plans, salaries, bonuses, and other benefits payable to the Company's executive officers and makes recommendations to the Board of Directors with respect to those matters. During 2001, the Compensation Committee held one meeting.

The Audit Committee, which currently consists of Messrs. Emanuel, Kemberling, and Simmons, reviews and evaluates the results and scope of the

Edgar Filing: SRI SURGICAL EXPRESS INC - Form DEF 14A

audit and other services provided by the Company's independent auditors. Mr. Emanuel and Mr. Simmons are "independent directors" of the Company, as the term "independent director" is defined in National Association of Securities Dealers' Rule 4200(a)(15). Mr. Kemberling in January 2002 made a short-term \$3,000,000 loan to Richard Isel, the Company's Chief Executive Officer, to fund Mr. Isel's investment in an unrelated company. The Company was not involved in this transaction. The loan is secured by a pledge of 200,000 shares of the Company's stock owned by Mr. Isel. While this loan remains outstanding, Mr. Kemberling might not be an "independent director" under the NASD rule. As permitted by the NASD rule, the Board of Directors determined that Mr. Kemberling's continued service on the Audit Committee is required to serve the best interests of the Company and its shareholders, based on Mr. Kemberling's service as a director since the Company's inception, his thorough knowledge of the Company's operations and financial affairs, his expectation that the loan will be short-term, his ownership of shares of common stock of the Company that are worth much more than the loan amount, and the Board's expectation that this loan will not affect Mr. Kemberling's exercise of independent judgment.

The Board of Directors of the Company has adopted a revised and updated written charter for the Audit Committee, a copy of which is attached as Appendix A to this Proxy Statement, and reviews its charter annually and updates it as appropriate. During 2001, the Audit Committee held four meetings.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

5

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees).

In addition, the Audit Committee received from the independent auditors the written disclosures and the letter relating to the independent auditors' independence, as required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees), and the Audit Committee discussed with the independent auditors the auditors' independence from the Company and its management.

The Audit Committee discussed with the Company's independent auditors the overall scope and plan for their audit. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001, for filing with the Securities and Exchange Commission. The Audit Committee and the Board also have recommended, subject to shareholder approval, the selection of the Company's

Edgar Filing: SRI SURGICAL EXPRESS INC - Form DEF 14A

independent auditors.

By the Audit Committee:
James M. Emanuel
Lee R. Kemberling
N. John Simmons, Jr.

Compensation of Directors

Directors who are not employees of the Company receive \$1,000 per Board or Committee meeting attended. In addition, for each year of any term to which he is elected, each outside director receives options to purchase 4,000 shares of Common Stock under the 1996 Non-Employee Director Stock Option Plan. All options become exercisable ratably over the director's term and have an exercise price equal to the fair market value of the Company's Common Stock on the date of grant.

In December 2001, the Company granted 10,000 non-qualified stock options to each of its three outside directors. The options vest ratably over three years and have an exercise price of \$15.37 per share.

Share Ownership by Principal Shareholders and Management

The following table sets forth certain information regarding the beneficial ownership of Common Stock as of February 14, 2002, with respect to: (i) each of the Company's directors and the executive officers named in the Summary Compensation Table below, (ii) all directors and officers of the Company at 2001 fiscal year end as a group, and (iii) each person known by the Company to own beneficially more than 5% of the Common Stock. Each of the shareholders listed below has sole voting and investment power over the shares beneficially owned. The number and percentage of shares beneficially owned is determined under rules of the Securities and Exchange Commission ("SEC"), and the information is not necessarily indicative of beneficial ownership for any other purpose. Under these rules, beneficial

6

ownership includes any shares for which the individual has sole or shared voting power or investment power and also any shares as to which the individual has the right to acquire within 60 days of February 14, 2002, through the exercise of any stock option or other right. A total of 6,420,177 shares of the Company's Common Stock were issued and outstanding as of February 14, 2002.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Exchange Act ("Section 16(a)") requires the Company's officers and directors and persons who own ten percent or more of a registered class of the Company's equity securities to file reports of ownership on Form 3 and changes in ownership on Form 4 or Form 5 with the SEC and the National Association of Securities Dealers, Inc. Such officers, directors and ten percent or more shareholders are also required by SEC rules to furnish the Company with copies of all such forms that they file.

Based solely on its review of the copies of such forms received by the Company, or written representations from certain reporting persons that no Forms 5 were required for such persons, the Company believes that, during the period from January 1, 2001 until December 31, 2001, all Section 16(a) filing requirements applicable to its officers, directors, and ten-percent or more shareholders were satisfied.

Compensation Committee Interlocks and Insider Participation

The Company's Compensation Committee is composed of Messrs. Kemberling, Simmons, and Emanuel. No member of the Compensation Committee is or was formerly an officer or an employee of the Company. No interlocking relationship exists between the Company's Board of Directors or Compensation Committee and the board of directors or compensation committee of any other company, nor has any such interlocking relationship existed in the past.

8

Lee R. Kemberling, a director of the Company, is also the director, President, and sole shareholder of Kemco, Inc., a developer and manufacturer of commercial and industrial waste water and heat recovery systems that originally furnished the Company's predecessor with the water and heat reclamation equipment installed at each of its facilities. The Company paid \$187,000 to Kemco in 2001 to design and supply new components for water reclamation systems. The Company believes that the terms of its transactions with Kemco approximate those that would be available from an independent third party.

Gary L. Heiman, a former director of the Company, is the President, Chief Executive Officer, and a principal shareholder of Standard Textile Co., Inc., a

Edgar Filing: SRI SURGICAL EXPRESS INC - Form DEF 14A

developer, manufacturer, and distributor of healthcare and medical textiles and apparel. In 2001, the Company paid approximately \$5.5 million to Standard Textile for purchase of reusable textile products. The Company believes that the terms of this agreement with Standard Textile approximate those that would be available from an independent third party.

Edgar Filing: SRI SURGICAL EXPRESS INC - Form DEF 14A

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee of the Board of Directors (the "Committee") has furnished the following report on the Company's executive compensation program. The Committee, which consists of the three outside directors listed at the end of this report, reviews and establishes specific compensation plans, salaries, option grants, and other benefits payable to the Company's executive officers. Following review and approval by the Committee, all issues pertaining to executive compensation are submitted to the entire Board of Directors for its review and approval.

The Committee's primary objective with respect to executive compensation is to establish programs that attract and retain executive officers and align their compensation with the Company's overall business strategies, values, and performance. For executive officers and key managers other than Messrs. Isel, Peterson, and Boosales, the Company's founders and largest shareholders, the Company grants stock options as a component of total consideration to closely align their interests with the shareholders' long-term interests. Further, in evaluating annual compensation of executive officers (other than Messrs. Isel,

11

Peterson, and Boosales) and key managers, the Committee places a relatively heavy emphasis on stock options as a percentage of total compensation, consistent with its philosophy that stock incentives more closely align the interests of company managers with the long-term interests of shareholders.

The two components of the Company's total compensation program for executive officers have been:

1. **Salary:** Base salary paid to executives other than Messrs. Isel, Peterson, and Boosales is intended to be competitive with that paid to comparable executives and is also intended to reflect consideration of an officer's experience, business judgment, and role in developing and implementing overall business strategy for the Company. Base salaries are based on qualitative and subjective factors, and no specific formula is applied to determine the weight of each factor.

Messrs. Isel, Peterson, and Boosales have historically been paid salary at a rate lower than that paid to comparable executives, have not historically participated in the Company's incentive compensation program, and did not in 2001 receive any bonus in addition to base salary. The Committee believes that the comparatively low salary and absence of incentive bonus has been more than offset by the substantial incentives associated with the executive officers' stock ownership.

2. **Long-Term Stock Incentives:** The Company's 1995 Stock Option Plan and 1998 Stock Option Plan provide for the grant to employees of incentive or nonqualified stock options. Grants to executives are designed to align a significant portion of the executive compensation package with the long-term interests of the Company's shareholders by providing an incentive that focuses attention on managing the Company from the perspective of an owner with an equity stake in the business.

Grants of stock options generally are limited to officers (other than Messrs. Isel, Peterson, and Boosales) and other key employees and managers of the Company who are in a position to contribute substantially to the growth and success of the Company. Incentive stock options and nonqualified stock options

Edgar Filing: SRI SURGICAL EXPRESS INC - Form DEF 14A

are granted for terms up to ten years and are designed to reward exceptional performance with a long-term benefit, facilitate stock ownership, and deter recruitment of key Company personnel by competitors and others. Vesting requirements encourage loyalty to the Company.

The Company has never granted stock options to Messrs. Isel, Peterson, and Boosales because, as the Company's founders and largest shareholders, their interests are already closely aligned with those of the Company's other shareholders. The remaining executive officer, Mr. Edwards, was not granted options to purchase shares of Common Stock in 2001, but beneficially owned or had rights to acquire 107,284 shares on the Record Date. The Named Officers appearing in the Summary Compensation Table held a total of 2,717,813 shares, representing 41.6% of the Company's outstanding Common Stock on February 14, 2002, assuming exercise of all of Mr. Edwards' vested and unvested stock options.

In conclusion, the Company's executive officers' stock ownership closely aligns their interests with the Company's shareholders' long-term interests, consistent with the compensation philosophies set forth above. This close alignment has existed since the Company's inception and has contributed significantly to the Company's growth and profitability.

March 21, 2002

The Audit Committee (the "Committee") of the Board of Directors (the "Board") of SRI/Surgical Express, Inc. (the "Company") has the oversight responsibility, authority, and specific duties described in this Audit Committee Charter (the "Charter").

Composition

The Committee will be comprised of three or more directors as determined by the Board. Each of the members of the Committee will meet the independence and experience requirements of the National Association of Securities Dealers ("NASD"), except to the extent permitted by NASD and authorized by the Board. All Committee members must be financially literate, and one member shall have accounting or related financial management expertise, both as provided in the NASD rules. The members of the Committee will be elected annually at the organizational meeting of the full Board held in May. The Board will elect one of the members of the Committee to be the Committee Chair.

Responsibility

The Committee is a part of the Board. Its primary function is to assist the Board in fulfilling its oversight responsibilities to the shareholders, potential shareholders, the investment community, and others with respect to (i) the annual financial information to be provided to shareholders and the Securities and Exchange Commission (the "SEC"); (ii) the system of internal controls that management has established; and (iii) the external audit process. In addition, the Committee provides an avenue for communication between the Board of Directors and the outside auditors and financial management. The Committee should have a clear understanding with the outside auditors that they must maintain an open and transparent relationship with the Committee, and that they are ultimately accountable to the Board and the Committee. The Committee will regularly report to the Board concerning its activities.

Although the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits, to prepare financial statements, or to determine that the Company's financial statements are complete and accurate and in accordance with generally accepted accounting principles. This is the responsibility of management and the outside auditors. Nor is it the duty of the Committee to conduct investigations, to resolve disagreements, if any, between management and the outside auditors, or to assure compliance with laws and regulations and the Company's business conduct guidelines.

Authority

Subject to the prior approval of the Board, the Committee is granted the authority to conduct or authorize investigations into any matters within its scope of responsibilities, including any matters involving financial accounting, financial reporting, or internal controls of the Company. In that regard, the Committee will have the authority to (1) retain or approve retention of such outside counsel, experts, and other advisors as it determines appropriate to assist in the full performance of its functions, including the conduct of any investigation, (2) create subcommittees who shall report to the Committee, and (3) access all books, records, facilities, and personnel of the Company. All employees will be directed to cooperate with respect thereto as requested by members of the Committee.

15

Meetings

The Committee is to meet at least two (2) times annually and as many additional times as the Committee deems necessary. The Committee Chair will determine or approve the agenda for each meeting. The Committee is to meet in separate executive sessions with the chief financial officer and the outside auditors at least once each year and at other appropriate times. The Committee shall report to the full Board with respect to its meetings. The majority of the members of the Committee shall constitute a quorum.

Attendance

Committee members will use diligent efforts to attend all meetings. As necessary or desirable, the Committee Chair may request that members of management and representatives of the outside auditors attend Committee meetings.

Specific Duties

-
- In carrying out its oversight responsibilities, the Committee will:
1. Review and reassess the appropriateness of this charter annually and recommend any proposed changes to the Board for approval.
 2. Review and discuss with the Company's management and outside auditors the Company's accounting and financial reporting controls and internal audit procedures and discuss annually with the outside auditors their assessment as to the adequacy of those controls. The Committee will also review the Company's Compliance Policy and, at the request of its compliance officer, meet with the compliance officer to discuss any reported compliance issues.
 3. Review and discuss annually with management the fee arrangement with the outside auditors.
 4. Review and discuss the written statement from the outside auditor delineating all relationships between the outside auditor and the Company or any other relationships that may adversely affect the independence of the outside auditor, and based on the review, assess the outside auditor's independence. If applicable, the Committee will consider whether the outside auditor's performance of information technology consulting and any other non-audit services is compatible with the outside auditor's

independence.

5. At the completion of the annual audit, review and discuss with management and the outside auditors the following:

 - . Significant changes to the audit plan, if any, cooperation received by the outside auditors during their audit, including access to all reequested records, data and information, and any serious disputes or difficulties with management encountered during the audit or any limitations placed on the scope or nature of the audit procedures.
 - . Significant accounting and reporting principles, practices, and procedures applied by the Company in preparing its financial statements and the outside auditors' judgment about the quality of the

Company's accounting principles. If applicable, discuss changes during the year in accounting principles and their application.

- . The annual financial statements and related footnotes and financial information to be included in the Company's Form 10-K.
 - . Results of the audit of the financial statements and the related report of the outside auditors on the financial statements.
- If the Committee deems it appropriate after review and discussion, the Committee will recommend to the Board that the financial statements be included in the Company's Form 10-K.
6. After preparation by management and review by the outside auditors, approve the report required under SEC rules to be included in the Company's annual proxy statement.
 7. Require that the outside auditors review the Company's interim financial statements prior to the quarterly filing of the Company's Form 10-Q in accordance with the procedures set forth in SAS 71 and require that the outside auditors discuss with the Committee or Committee chair and management any significant matters identified in the quarterly review and any other matters required to be communicated to the Committee by the outside auditors under generally accepted auditing standards. The Committee may, but is not required to, review these interim statements.
 8. Discuss with the outside auditors the quality of the Company's financial and accounting personnel. Elicit comments of management regarding the responsiveness of the outside auditors to the Company's needs.
 9. Meet with management and the outside auditors to discuss any relevant significant recommendations of the outside auditors, particularly those characterized as "material" or "reportable".
 10. Recommend to the Board the selection, retention, or termination of the Company's outside auditors.
 11. As the Committee deems appropriate, obtain, weigh and consider expert
