On March 4, 2005, Chordiant Software, Inc. ("Chordiant") notified The Nasdaq Stock Market, Inc. that Chordiant failed to file with the Securities and Exchange Commission (the "SEC") an amendment to its current report on Form 8-K (the "Amendment"), which Chordiant filed on December 27, 2004. The Amendment is necessary to include the financial information required by Form 8-K with respect to the acquisition of all the issued shares of KiQ Limited, a privately held United Kingdom software company ("KiQ") by Chordiant. As a result of such failure, the Company is out of compliance with Marketplace Rule 4310(c)(14). As previously reported, Chordiant failed to file its quarterly report on Form 10-Q for the period ended December 31, 2004 (the "Quarterly Report") with the SEC by the due date of February 14, 2005. The Company intended to file a transition report on Form 10-K for the transition period, January 1, 2004 to September 30, 2004 (the "Transition Report") at the same time it filed the Quarterly Report. The Company, however, still has not completed the year-end audit or the review of its first quarter financial results. The Company is continuing to work diligently to complete the year-end audit and the review of its first quarter results and will file its Quarterly Report, Transition Report and Amendment as soon as practicable.
