PROXY STATEMENT

The Board of Directors of China Advanced Construction Materials Group, Inc., a Delaware corporation (the "Company," "China ACM" or "we") is furnishing this Proxy Statement and the accompanying proxy to you to solicit your proxy for the 2011 Annual Meeting of Stockholders (the "Meeting"). The Meeting will be held on June 25, 2011, at 11:00 a.m., local time, at the principal office of the Company located at 9 North West Fourth Ring Road, Yingu Mansion Suite 1708, Haidian District, Beijing, People's Republic of China, 100190.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

What is this proxy statement?

You have received this proxy statement and our annual report because our Board of Directors is soliciting your proxy to vote your shares at the annual meeting. This proxy statement includes information that we are required to provide to you under the rules of the Securities and Exchange Commission (SEC) and that is designed to assist you in voting your shares.

What is the purpose of the annual meeting?

At the annual meeting, our stockholders will act upon the matters described in this proxy statement. These actions include the election of directors and the ratification of the appointment of the independent registered public accounting firm (which we sometimes refer to as the "independent auditors"). An additional purpose of the annual meeting is to transact any other business that may properly come before the annual meeting and any and all adjournments or postponements of the annual meeting.

Who can attend the annual meeting?

All stockholders of record at the close of business on May 19, 2011, the record date, or their duly appointed proxies, may attend the annual meeting.

What proposals will be voted on at the annual meeting?

Stockholders will vote on two proposals at the annual meeting:

the election of directors;

the ratification of Friedman LLP as the Company's independent auditors for the fiscal year ending June 30, 2011;

1

What are the Board's recommendations?

Our Board recommends that you vote:

FOR election of the nominated directors;

FOR ratification of Friedman LLP as the Company's independent auditors for the fiscal year ending June 30, 2011;

Will there be any other business on the agenda?

The Board knows of no other matters that are likely to be brought before the annual meeting. If any other matters properly come before the annual meeting, however, the persons named in the enclosed proxy, or their duly appointed substitute acting at the annual meeting, will be authorized to vote or otherwise act on those matters in accordance with their judgment.

Who is entitled to vote?

Only stockholders of record at the close of business on May 19, 2011, which we refer to as the record date, are entitled to notice of, and to vote at, the annual meeting. As of the record date, there were 17,764,387 shares of our common stock outstanding. Holders of common stock as of the record date are entitled to one vote for each share held for each of the proposals.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Action Stock Transfer Corp., you are considered, with respect to those shares, the "stockholder of record." This proxy and our Annual Report has been sent directly to you by us.

Beneficial Owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of shares held in street name. This proxy and the Annual Report have been forwarded to you by your broker, bank or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares by using the voting instructions included in with your proxy materials.

How do I vote my shares?

Stockholders can vote in person at the annual meeting or by proxy. There are three ways to vote by proxy:

By Telephone — Stockholders located in the United States can vote by telephone by calling the number listed on your enclosed proxy card and following the instructions;

By Internet — You can vote over the Internet going to the link provided on your enclosed proxy card and following the instructions; or

By Mail — You can vote by mail by signing, dating and mailing the enclosed proxy card.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. (EST) on June 24, 2011.

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. Telephone and Internet voting also will be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the annual meeting, you should contact your broker or agent to obtain a legal proxy or broker's proxy card and bring it to the annual meeting in order to vote.

If you vote by proxy, the individuals named on the proxy card (your "proxies") will vote your shares in the manner you indicate. You may specify how your shares should be voted for each of the proposals. If you grant a proxy without indicating your instructions, your shares will be voted as follows:

FOR the election of the seven nominees for director;

FOR the ratification of Friedman LLP as the Company's independent auditors for the fiscal year ending June 30, 2011;

You may revoke or change your proxy at any time before it is exercised by (1) delivering to us a signed proxy card with a date later than your previously delivered proxy, (2) voting in person at the Annual Meeting, (3) granting a subsequent proxy through the Internet or telephone, or (4) sending a written revocation to the Corporate Secretary. Your most current proxy card or telephone or Internet proxy is the one that is counted.

Each share of common stock is entitled to one vote. The record date for determining stockholders entitled to notice of and to vote at the annual meeting is May 19, 2011. As of that date, there were 17,764,387 shares of our common stock outstanding.

What constitutes a quorum?

A quorum is the presence, in person or by proxy, of the holders of a majority of the shares of the common stock entitled to vote. Under Delaware law, an abstaining vote and a broker “non-vote” are counted as present and are, therefore, included for purposes of determining whether a quorum of shares is present at the annual meeting.

What is a broker “non-vote” and what is its effect on voting?

If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares does not have the authority to vote on the matter with respect to those shares. This is generally referred to as a “broker non-vote.”

Proposal 2 (ratification of auditors) involves a matter that we believe will be considered routine. All other proposals involve matters that we believe will be considered non-routine. We encourage you to provide voting instructions to the organization that holds your shares by carefully following the instructions provided on your proxy card.

What is required to approve each item?

For Proposal No. 1 (election of directors), each director must be elected by a majority of votes cast with respect to such director (i.e., the number of shares voted “for” a director nominee must exceed the number of votes “withheld” from that nominee). Abstentions and broker non-votes are not counted for purposes of the election of directors.

For Proposal No. 2 (ratification of independent auditors), the affirmative vote of the holders of a majority of the stockholders’ shares present in person or represented by proxy at the meeting and entitled to vote, is required.

For any other matters on which stockholders are entitled to vote, the affirmative vote of the holders of a majority of the stockholders’ shares present in person or represented by proxy at the meeting and entitled to vote, is required.

For the purpose of determining whether the stockholders have approved matters other than the election of directors, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. If stockholders hold their shares through a broker, bank or other nominee and do not instruct them how to vote, the broker may have authority to vote the shares for routine matters.

Stockholders may not cumulate votes in the election of directors, which means that each stockholder may vote no more than the number of shares he or she owns for a single director candidate.

Our bylaws require that, in uncontested elections, each director be elected by the majority of votes cast with respect to such director. This means that the number of shares voted “for” a director nominee must exceed the number of votes “withheld” from that nominee in order for that nominee to be elected. Only votes “for” or “withheld” are counted as votes cast with respect to a director. Abstentions and broker non-votes will have no effect.

How will shares of common stock represented by properly executed proxies be voted?

All shares of common stock represented by proper proxies will, unless such proxies have previously been revoked, be voted in accordance with the instructions indicated in such proxies. If you do not provide voting instructions, your shares will be voted in accordance with the Board’s recommendations as set forth herein. In addition, if any other matters properly come before the annual meeting, the persons named in the enclosed proxy, or their duly appointed substitute acting at the annual meeting, will be authorized to vote or otherwise act on those matters in accordance with their judgment.

Can I change my vote or revoke my proxy?

Any stockholder executing a proxy has the power to revoke such proxy at any time prior to its exercise. You may revoke your proxy prior to exercise by:

- filing with us a written notice of revocation of your proxy,
- submitting a properly signed proxy card bearing a later date,
- voting over the Internet or by telephone, or
- voting in person at the annual meeting.

What does it mean if I receive more than one Proxy?

If your shares are registered under different names or are in more than one account, you may receive more than one set of proxy materials. To ensure that all your shares are voted, please vote by telephone, through the Internet using each personal identification number you are provided, or complete, sign and date the multiple proxy cards relating to your multiple accounts. We encourage you whenever possible to have all accounts registered in the same name and address. You can accomplish this by contacting our transfer agent, Action Stock Transfer Corp. at (801) 274-1088.

Who paid for this proxy solicitation?

The cost of preparing, printing, assembling and mailing this proxy statement and other material furnished to stockholders in connection with the solicitation of proxies is borne by us.

How do I learn the results of the voting at the annual meeting?

Preliminary results will be announced at the annual meeting. Final results will be published in a Current Report on Form 8-K filed with SEC within four business days of the annual meeting.

How are proxies solicited?

In addition to the mail solicitation of proxies, our officers, directors, employees and agents may solicit proxies by written communication, telephone or personal call. These persons will receive no special compensation for any solicitation activities. We will reimburse banks, brokers and other persons holding common stock for their expenses in forwarding proxy solicitation materials to beneficial owners of our common stock.

What is “householding?”

“Householding” means that we deliver a single set of proxy materials when requested to households with multiple stockholders, provided certain conditions are met. Householding reduces our printing and mailing costs.

If you or another stockholder of record sharing your address would like to receive an additional copy of the proxy materials, we will promptly deliver it to you upon your request in one of the following manners:

- by sending a written request by mail to:

If you would like to opt out of householding in future mailings, or if you are currently receiving multiple mailings at one address and would like to request householded mailings, you may do so by contacting our Corporate Secretary as indicated above.

Can I receive future stockholder communications electronically through the Internet?

Yes. You may elect to receive future notices of meetings, proxy materials and annual reports electronically through the Internet. To consent to electronic delivery, vote your shares using the Internet. At the end of the Internet voting procedure, the on-screen Internet voting instructions will tell you how to request future stockholder communications be sent to you electronically.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires directors, executive officers and stockholders who own more than ten percent of the outstanding Common Stock of the Company to file with the SEC and NASDAQ reports of ownership and changes in ownership of voting securities of the Company and to furnish copies of such reports to us.

Based solely on a review of the copies of such forms received by the Company, we believe that with respect to the year ended June 30, 2010, the Company's directors, officers and more than ten-percent stockholders timely filed all such required forms except as follows: Messrs. Han, He, Goodwin and Wang, Ms. Liu and our former directors Larry Goldman and Denis Slavich, were late in filing their Form 3s. Each of Messrs. Goodwin, Wang and Goldman were late in filing Form 4s for two reportable transactions, and Mr. Slavich was late in filing Form 4s for three reportable transactions.

CORPORATE GOVERNANCE

Our current corporate governance practices and policies are designed to promote stockholder value and we are committed to the highest standards of corporate ethics and diligent compliance with financial accounting and reporting rules. Our Board provides independent leadership in the exercise of its responsibilities. Our management oversees a system of internal controls and compliance with corporate policies and applicable laws and regulations, and our employees operate in a climate of responsibility, candor and integrity.

Corporate Governance Guidelines

We and our Board are committed to high standards of corporate governance as an important component in building and maintaining stockholder value. To this end, we regularly review our corporate governance policies and practices to ensure that they are consistent with the high standards of other companies. We also closely monitor guidance issued or proposed by the SEC and the provisions of the Sarbanes-Oxley Act, as well as the emerging best practices of other companies. The current corporate governance guidelines are available on the Company's website www.China-ACM.com. Printed copies of our corporate governance guidelines may be obtained, without charge, by contacting the Corporate Secretary, China Advanced Construction Materials Group, Inc., Yingu Plaza, 9 Beisihuanxi Road, Suite 1708, Haidian District, Beijing 100080 PRC.

The Board and Committees of the Board

The Company is governed by the Board that currently consists of seven members as identified above. On August 7, 2009, the Board established three committees: the Audit Committee, the Compensation Committee and the Nominating and Governance Committee. Each of these committees is comprised entirely of independent directors. From time to time, the Board may establish other committees. The Board has adopted a written charter for each of the committees which may be obtained, without charge, by contacting the Corporate Secretary, China Advanced Construction Materials Group, Inc., Yingu Plaza, 9 Beisihuanxi Road, Suite 1708, Haidian District, Beijing 100080 PRC or through our website at www.China-ACM.com.

Prior to establishing the committees of the Board of Directors, our entire Board of Directors handled the functions that would otherwise be handled by each of the committees.

Governance Structure

Currently, our Chief Executive Officer is also our Chairman. The Board of Directors believes that, at this time, having a combined Chief Executive Officer and Chairman is the appropriate leadership structure for the Company. In making this determination, the Board of Directors considered, among other matters, the size of the company as well as Mr. Han's experience and tenure of having been Chairman and Chief Executive Officer since 2008, and felt that his experience, knowledge, and personality allowed him to serve ably as both Chairman and Chief Executive Officer. Among the benefits of a combined Chief Executive Officer/Chairman considered by the Board of Directors is that such structure promotes clearer leadership and direction for our Company and allows for a single, focused chain of command to execute our strategic initiatives and business plans. We have not appointed a lead independent director our Board of Directors.

The Board's Role in Risk Oversight

The Board oversees that the assets of the Company are properly safeguarded, that the appropriate financial and other controls are maintained, and that the Company's business is conducted wisely and in compliance with applicable laws and regulations and proper governance. Included in these responsibilities is the Board of Directors' oversight of the various risks facing the Company. In this regard, the Board seeks to understand and oversee critical business risks. The Board does not view risk in isolation. Risks are considered in virtually every business decision and as part of the Company's business strategy. The Board recognizes that it is neither possible nor prudent to eliminate all risk. Indeed, purposeful and appropriate risk-taking is essential for the Company to be competitive on a global basis and to achieve its objectives.

While the Board oversees risk management, Company management is charged with managing risk. The Company has internal processes and a strong internal control environment to identify and manage risks and to communicate with the Board. The Board and the Audit Committee monitor and evaluate the effectiveness of the internal controls and the risk management program at least annually. The Board implements its risk oversight function both as a whole and through Committees. Much of the work is delegated to various Committees, which meet regularly and report back to the full Board. All Committees play significant roles in carrying out the risk oversight function. In particular:

The Audit Committee oversees risks related to the Company's financial statements, the financial reporting process, accounting and legal matters. The Audit Committee oversees the internal audit function and the Company's ethics programs, including the Codes of Business Conduct. The Audit Committee members meet separately with representatives of the independent auditing firm and the Company's internal audit group; and

The Compensation Committee evaluates the risks and rewards associated with the Company's compensation philosophy and programs. The Compensation Committee reviews and approves compensation programs with features that mitigate risk without diminishing the incentive nature of the compensation. Management discusses with the Compensation Committee the procedures that have been put in place to identify and mitigate potential risks in compensation.

Independent Directors

Our Board has determined that the majority of the Board is comprised of "independent directors" within the meaning of applicable Nasdaq listing standards relating to Board composition and Section 301 of the Sarbanes-Oxley Act of 2002. Our independent directors are Ms. Liu, Ms. Wang, Mr. Wang and Mr. Jin.

Audit Committee

Our audit committee consists of Ms. Liu, Ms. Wang and Mr. Jin, each of whom is “independent” as that term is defined under the Nasdaq listing standards. The audit committee oversees our accounting and financial reporting processes and the audits of the financial statements of our company. Ms. Wang serves as our audit committee financial expert as that term is defined by the applicable SEC rules. The audit committee is responsible for, among other things:

- selecting our independent auditors and pre-approving all auditing and non-auditing services permitted to be performed by our independent auditors;

- reviewing with our independent auditors any audit problems or difficulties and management’s response;

TRANSACTIONS WITH RELATED PERSONS,
PROMOTERS AND CERTAIN CONTROL PERSONS

Transactions with Related Persons

Since the beginning of our fiscal year ended June 30, 2010, there have not been any transaction, nor is there any currently proposed transaction, in which we were or are to be a participant and the amount involved exceeded or exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest (other than compensation described under “Executive Compensation”).

Policies and Procedures for Review, Approval or Ratification of Transactions with Related Persons

We are in the process of finalizing a written related-person transactions policy that sets forth our policies and procedures regarding the identification, review, consideration and approval or ratification of “related-persons transactions.” For purposes of our policy only, a “related-person transaction” will be a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which we and any “related person” are participants. Transactions involving compensation for services provided to us as an employee, director, consultant or similar capacity by a related person will not be covered by this policy. A related person will be any executive officer, director or a holder of more than five percent of our common stock, including any of their immediate family members and any entity owned or controlled by such persons.

Under the policy, we expect that where a transaction has been identified as a related-person transaction, management must present information regarding the proposed related-person transaction to our audit committee (or, where approval by our audit committee would be inappropriate, to another independent body of our board of directors) for consideration and approval or ratification. The presentation will be expected to include a description of, among other things, the material facts, and the direct and indirect interests of the related persons, the benefits of the transaction to us and whether any alternative transactions are available. To identify related-person transactions in advance, we will rely on information supplied by our executive officers, directors and certain significant stockholders. In considering related-person transactions, our audit committee will take into account the relevant available facts and circumstances including, but not limited to:

the risks, costs and benefits to us;

the impact on a director’s independence in the event the related person is a director, immediate family member of a director or an entity with which a director is affiliated;

the terms of the transaction;

the availability of other sources for comparable services or products; and

the terms available to or from, as the case may be, unrelated third parties or to or from our employees generally.

In the event a director has an interest in the proposed transaction, the director must excuse himself or herself from the deliberations and approval. Our policy will require that, in determining whether to approve, ratify or reject a related-person transaction, our audit committee must consider, in light of known circumstances, whether the transaction is in, or is not inconsistent with, the best interests of our company and our stockholders, as our audit committee determines in the good faith exercise of its discretion. We did not previously have a formal policy concerning transactions with related persons.

ELECTION OF DIRECTORS

The Board of Directors is responsible for establishing broad corporate policies and monitoring the overall performance of the Company. Director Qualifications - General

Directors are responsible for overseeing the Company's business consistent with their fiduciary duty to shareowners. This significant responsibility requires highly-skilled individuals with various qualities, attributes and professional

experience. The Board believes that there are general requirements for service on the Company's Board of Directors that are applicable to all directors and that there are other skills and experience that should be represented on the Board as a whole but not necessarily by each director. The Board and the Governance and Nominating Committee of the Board consider the qualifications of directors and director candidates individually and in the broader context of the Board's overall composition and the Company's current and future needs.

Qualifications for All Directors

In its assessment of each potential candidate, including those recommended by shareowners, the Governance and Nominating Committee considers the nominee's judgment, integrity, experience, independence, understanding of the Company's business or other related industries and such other factors the Governance and Nominating Committee determines are pertinent in light of the current needs of the Board. The Governance and Nominating Committee also takes into account the ability of a director to devote the time and effort necessary to fulfill his or her responsibilities to the Company.

The Board and the Governance and Nominating Committee require that each director be a recognized person of high integrity with a proven record of success in his or her field. Each director must demonstrate innovative thinking, familiarity with and respect for corporate governance requirements and practices, an appreciation of multiple cultures and a commitment to sustainability and to dealing responsibly with social issues. In addition to the qualifications required of all directors, the Board assesses intangible qualities including the individual's ability to ask difficult questions and, simultaneously, to work collegially.

The Board does not have a specific diversity policy, but considers diversity of race, ethnicity, gender, age, cultural background and professional experiences in evaluating candidates for Board membership. Diversity is important because a variety of points of view contribute to a more effective decision-making process.

Qualifications, Attributes, Skills and Experience to be Represented on the Board as a Whole

The Board has identified particular qualifications, attributes, skills and experience that are important to be represented on the Board as a whole, in light of the Company's current needs and business priorities. The Company's services are performed in areas of future growth located outside of the United States. Accordingly, the Board believes that international experience or specific knowledge of key geographic growth areas and diversity of professional experiences should be represented on the Board. In addition, the Company's business is multifaceted and involves complex financial transactions. Therefore, the Board believes that the Board should include some directors with a high level of financial literacy and some directors who possess relevant business experience as a Chief Executive Officer or President. Our business involves complex technologies in a highly specialized industry. Therefore, the Board believes that extensive knowledge of the Company's business and industry should be represented on the Board. The Company's business also requires compliance with a variety of regulatory requirements and relationships with various governmental entities. Therefore, the Board believes that governmental, political or diplomatic expertise should be represented on the Board.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee has selected Friedman LLP (“Friedman”) to serve as the independent registered public accounting firm of the Company for the fiscal year ending June 30, 2011. As discussed below, Friedman was appointed as the Company’s independent registered public accounting firm on December 27, 2010.

We are asking our stockholders to ratify the selection of Friedman as our independent registered public accounting firm. Although ratification is not required by our bylaws or otherwise, the Board is submitting the selection of Friedman to our stockholders for ratification as a matter of good corporate practice. In the event our stockholders fail to ratify the appointment, the Audit Committee may reconsider this appointment.

Representatives of Friedman will be available via teleconference during the Meeting, at which time they may make any statement they consider appropriate and will respond to appropriate questions raised at the Meeting.

Dismissal of Previous Independent Registered Public Accounting Firm

On December 27, 2010, our Board of Directors approved the dismissal of Frazer Frost, LLP (“Frazer Frost”) as the Company’s independent auditor, effective immediately.

Frazer Frost’s report on the Company’s financial statements as of and for the year ended June 30, 2010 did not contain an adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope, or accounting principles. The report of Moore Stephens Wurth Frazer and Torbet, LLP (“MSWFT”), the predecessor entity to Frazer Frost, on the Company’s consolidated financial statements for the year ended June 30, 2009 also did not contain an adverse opinion or disclaimer of opinion, and its report was not qualified or modified as to uncertainty, audit scope, or accounting principles. Prior to January 1, 2010, MSWFT was engaged to audit the Company’s consolidated financial statements. On January 6, 2010, the Company was notified that, effective January 1, 2010, certain partners of MSWFT and Frost, PLLC (“Frost”) formed Frazer Frost, a new partnership. Pursuant to the terms of a combination agreement by and among MSWFT, Frazer Frost and Frost, each of MSWFT and Frost contributed all of their assets and certain of their liabilities to Frazer Frost, resulting in Frazer Frost assuming MSWFT’s engagement letter with the Company and becoming the Company’s independent accounting firm on January 1, 2010.

During the year ended June 30, 2010, and through Frazer Frost’s dismissal on December 27, 2010, there were (1) no disagreements with Frazer Frost or MSWFT on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Frazer Frost or MSWFT, would have caused Frazer Frost to make reference to the subject matter of the disagreements in connection with its report, and (2) no reportable events within the meaning set forth in Item 304 (a)(1)(iv) of Regulation S-K and the related instructions, or a reportable event within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

Engagement of New Independent Registered Public Accounting Firm

Concurrent with the decision to dismiss Frazer Frost as the Company’s independent auditor, our Audit Committee appointed Friedman as the Company’s independent auditor.

During the years ended June 30, 2010 and 2009, and through the date hereof, neither the Company nor anyone acting on its behalf consulted Friedman with respect to (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company’s financial

statements, and neither a written report was provided to the Company or oral advice was provided that Friedman concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a disagreement or reportable events set forth in Item 304(a)(1)(iv) and (v), respectively, of Regulation S-K.

Included in such Other Fees were fees for services rendered by our independent auditor in connection with our private and public offerings conducted during such periods.

Before auditors are engaged to provide us audit or non-audit services, such engagement is (without exception, required to be) approved by the Audit Committee of our Board of Directors.

Pre-Approval Policies and Procedures

Under the Sarbanes-Oxley Act of 2002, all audit and non-audit services performed by our auditors must be approved in advance by our Board to assure that such services do not impair the auditors' independence from us. In accordance with its policies and procedures, our Board pre-approved the audit service performed by Friedman for our consolidated financial statements as of and for the year ended June 30, 2011.

The Board of Directors recommends a vote FOR ratification of the selection of Friedman LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2011.

APPENDIX A

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board is comprised of three non-employee Directors, each of whom has been determined by the Board to be “independent” under the meaning of Rule 10A-3(b)(1) under the Exchange Act. The Board has determined, based upon an interview of Larry Goldman and a review of Mr. Goldman’s responses to a questionnaire designed to elicit information regarding his experience in accounting and financial matters, that Mr. Goldman shall be designated as an “Audit Committee financial expert” within the meaning of Item 401(e) of SEC Regulation S-K, as Mr. Goldman has past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in his financial sophistication. The Audit Committee assists the Board’s oversight of the integrity of the Company’s financial reports, compliance with legal and regulatory requirements, the qualifications and independence of the Company’s independent registered public accounting firm, the audit process, and internal controls. The Audit Committee operates pursuant to a written charter adopted by the Board. The Audit Committee is responsible for overseeing the corporate accounting and financing reporting practices, recommending the selection of the Company’s registered public accounting firm, reviewing the extent of non-audit services to be performed by the auditors, and reviewing the disclosures made in the Company’s periodic financial reports. The Audit Committee also reviews and recommends to the Board that the audited financial statements be included in the Company’s Annual Report on Form 10-K.

Following the end of the fiscal year ended June 30, 2010, the Audit Committee (1) reviewed and discussed the audited financial statements for the fiscal year ended June 30, 2010 with Company management; (2) discussed with the independent auditors the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards), as may be modified or supplemented; and (3) received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as may be modified or supplemented, and has discussed with the independent accountant its independence.

Based on the review and discussions referred to above, the Audit Committee had recommended to the Board of Directors that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended June 30, 2010 for filing with the SEC.
