ITEM 5. OTHER EVENTS

*First Quarter 2003 Financial Results*

On April 23, 2003, Hilton Hotels Corporation ( Hilton ) reported financial results for the first quarter ended March 31, 2003. As announced previously by Hilton on March 27, 2003, business declines related principally to the conflict in Iraq contributed to generally soft results in the first quarter compared to the year-ago period. Room rate pressure owing to weakness in business and group travel, along with increased insurance costs also adversely impacted the quarter's results.

Hilton reported first quarter net income of \$9 million, versus \$34 million in the 2002 quarter. Diluted net income per share was \$.02 in the first quarter 2003, compared with \$.09 in the 2002 quarter. As disclosed in Hilton's March 27, 2003 press release, first quarter 2003 net income per share included two non-recurring items: 1) a charge (required by current SEC guidance) of approximately \$.03 per share related to the impairment of certain public company equity securities held by Hilton, and 2) a \$.01 benefit from utilization of tax loss carryforwards. Hilton reported 2003 first quarter total revenue of \$917 million compared with \$921 million in the corresponding 2002 period. Total operating income was \$86 million, compared with \$137 million in the 2002 first quarter.

*Redemption of 5% Convertible Notes*

On April 22, 2003, Hilton announced that it will redeem in full its 5% Convertible Subordinated Notes due 2006 on May 22, 2003.
