**Item 1.01      Entry Into a Material Definitive Agreement**

**Bridge Loan Agreement.** On May 12, 2005, Sabre Inc., the principal operating subsidiary of Sabre Holdings Corporation ( Sabre Holdings or the Company ) entered into an \$800 million, unsecured, multi-draw bridge loan agreement (the Bridge Facility ) by and among itself, as the borrower, Morgan Stanley Senior Funding, Inc., as the Administrative Agent and Syndication Agent, and Morgan Stanley Senior Funding, Inc. and Bear, Stearns & Co., Inc., as Joint Lead Arrangers and Joint Book Managers. The Bridge Facility, which matures on August 12, 2006, was obtained in order to provide temporary financing in connection with the acquisition (the Acquisition ) of lastminute.com plc ( lastminute.com ) and to satisfy legal requirements for certainty of funding for the Acquisition. On July 22, 2005, the Company entered into an amendment to the Bridge Facility whereby all the rights and obligations of Sabre Inc. under the Bridge Facility were assumed by Sabre Holdings and Sabre Inc. was discharged from its obligations thereunder.

Effective on or about August 1, 2005, the Company anticipates borrowing \$800 million under the Bridge Facility in order to partially finance the purchase of the shares of lastminute.com in connection with the Acquisition.

The interest rate on borrowings under the Bridge Facility is variable, based at the Company's discretion on either the London Interbank Offered Rate ( LIBOR ) plus a borrowing spread or the prime rate, and is sensitive to the Company's credit rating. The LIBOR based interest rate at the Company's current credit rating is equal to approximately 4%.

The Bridge Facility requires the Company to pay, quarterly and upon termination of the Bridge Facility, a commitment fee based on the preceding quarter's unused portion of the Bridge Facility multiplied by a commitment fee percentage specified in the Bridge Facility. The Company is also required to pay other fees based on the Bridge Facility amount. These fees are not expected to be material.

The Company may prepay all or any part of the Bridge Facility without prepayment penalty, other than any breakage costs associated with the early repayment of loans bearing interest based upon LIBOR. The Company would be required to repay borrowings under the Bridge Facility with net cash proceeds the Company receives from (i) the issuance of capital stock and indebtedness for money borrowed with a maturity in excess of one year (excluding, among other things, borrowings under our existing revolver) and (ii) asset sales with a value of more than \$200 million.

The Bridge Facility contains other covenants, representations, terms and conditions that are typical for a bridge credit facility of this type which, among other things, restricts the Company's ability to incur additional debt and limit Sabre Holdings' ability to pay in excess of \$150 million during the term of the Bridge Facility as dividends or to repurchase its stock.

As of June 30, 2005, the Company was in compliance with all covenants under the Bridge Facility including the following financial covenants:

Covenant	Requirement
Consolidated Leverage Ratio (Debt to EBITDA)	5.0 to 1
Consolidated Net Worth	\$ 1.242 billion

In order to fund amounts due in connection with completing the Acquisition, the Company will use approximately \$359 million in cash (\$234 million, net of cash acquired) and incur approximately \$800 million in additional indebtedness under the Bridge Facility. Although this materially increases the Company's Consolidated Leverage Ratio, the Company believes it continues to be in compliance with the financial and other covenants under the Bridge Facility.

**Revolving Credit Facility.** On July 22, 2005, in order to facilitate the consummation of the Acquisition and to provide additional liquidity and flexibility in the capital structure of the Company, the Company entered into certain amendments to an existing revolving credit agreement (the "Revolver") with Bank of America, N.A., as agent. Under the amendments, Sabre Holdings assumed all of the rights and obligations of Sabre Inc. under the Revolver and Sabre Inc. was discharged from its obligations thereunder. The amendments also include, among other things: (i) amendments to certain financial and negative covenants (including amendments to provide the Company more flexibility under the Consolidated Leverage Ratio covenant, as shown in the table below, and amendments that place additional restrictions on the ability of the Company's subsidiaries to incur indebtedness), (ii) amendments that prohibit the Company from using proceeds from the Revolver to repay the Bridge Facility to the extent such proceeds represent more than 50% of the then aggregate committed amount of the lenders under the Revolver, (iii) amendments that increase the aggregate amount committed by those lenders to \$360 million, and (iv) amendments that allow the Company to request a future increase of the aggregate amount committed by the lenders under the Revolver to as much as \$500 million.

As of June 30, 2005, the Company was in compliance with all covenants under the Revolver including the following financial covenants:

	Requirement
<b>Prior to amendment dated July 22, 2005</b>	
Consolidated Leverage Ratio (Debt to EBITDA)	3 to 1 maximum
Consolidated Net Worth	\$ 1.242 billion
<b>As amended on July 22, 2005</b>	
Consolidated Leverage Ratio (Debt to EBITDA):	
July 22, 2005 through March 30, 2006	3.75 to 1
June 30, 2006 through September 30, 2006	3.50 to 1
December 31, 2006 through March 31, 2007	3.25 to 1
June 30, 2007 and thereafter	3.00 to 1

In order to fund amounts due in connection with completing the Acquisition, the Company will use approximately \$359 million in cash (\$234 million, net of cash acquired) and incur approximately

\$800 million in additional indebtedness under the Bridge Facility. Although this materially increases the Company's Consolidated Leverage Ratio, the Company believes it continues to be in compliance with the financial and other covenants under the Revolver.

The Company engaged Morgan Stanley & Co. Incorporated, an affiliate of Morgan Stanley Senior Funding, Inc., as its financial advisor for the Acquisition.

**Replacement Equity Awards.**

## Edgar Filing: SABRE HOLDINGS CORP - Form 8-K

In connection with the Acquisition of lastminute.com, the Company's Board of Directors has approved the grant of replacement stock awards (the Replacement Grants) to certain employees of lastminute.com, subject to specific approval by the Compensation Committee of the Board. Prior to the Acquisition, the lastminute.com employees held stock awards representing the right to receive lastminute.com shares in the future, subject to time and performance vesting, which awards lapsed as a result of the Acquisition. The Replacement Grants, which will be in the form of restricted stock units, are intended to replace the lapsed awards with economically equivalent rights to receive shares of the Company's common stock in the future, subject to time and performance vesting. A total of 214,768 restricted stock units will be granted as Replacement Awards to 18 lastminute.com employees. On July 25, 2005, the Compensation Committee of the Board of Directors approved the Replacement Grants.

Because the Replacement Grants are granted in connection with the Acquisition and in replacement of the lapsed lastminute.com awards, they will qualify for an exemption from the New York Stock Exchange's shareholder approval requirements for equity compensation plans.
