PRESS RELEASE

MTS STARTS DEVELOPING A WIMAX NETWORK IN UZBEKISTAN

MOSCOW, RUSSIAN FEDERATION APRIL 25, 2007 MOBILE TELESYSTEMS OJSC (MTS - NYSE: MBT), THE LARGEST MOBILE PHONE OPERATOR IN RUSSIA AND THE CIS, ANNOUNCES THAT THE COMPANY RECEIVED A WIMAX LICENSE IN UZBEKISTAN.

The Communications and Information Agency of Uzbekistan allocated 2 500-2 700 MHz frequencies to MTS Uzbekistan thus allowing the Company to provide WiMAX services on the entire territory of the country.

With stable growth of the Uzbek economy, the necessity to develop a WiMAX network is driven by the increasing need by both the mass and the corporate segments of the Company for access to high-speed mobile Internet that is currently limited by the insufficient development of fixed-line networks, commented Oleg Raspopov, acting Head of Business unit MTS Foreign Subsidiaries.

MTS is planning to provide access to the Internet using WiMAX in Tashkent offering speeds from 64 Kbits/s to 512 Kbits/s starting from the beginning of 2008.

Mobile TeleSystems OJSC (MTS) is the largest mobile phone operator in Russia and the CIS. Together with its subsidiaries, the Company services over 74.16 million subscribers. The regions of Russia, as well as Belarus, Turkmenistan, Ukraine, and Uzbekistan, in which MTS and its associates and subsidiaries are licensed to provide GSM services, have a total population of more than 230 million. Since June 2000, MTS Level 3 ADRs have been listed on the New York Stock Exchange (ticker symbol MBT). Additional information about MTS can be found on MTS website at www1.mtsgsm.com.

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of MTS, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. You can identify forward looking statements by terms such as expect, believe, anticipate, estimate, intend, will, could, may or might, and such terms or other similar expressions. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not intend to update these statements to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. We refer you to the documents MTS files from time to time with the U.S. Securities and Exchange Commission, specifically the Company's most recent Form 20-F. These documents contain and identify important factors, including those contained in the section captioned Risk Factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements, including, among others, potential fluctuations in quarterly results, our competitive environment, dependence on new service development and tariff structures, rapid technological and market change, acquisition strategy, risks associated with telecommunications infrastructure, risks associated with operating in Russia, volatility of stock price, financial risk management and future

growth subject to risks.
