Independent Auditors Report

The Board of Directors
Summit Hotel Properties, Inc:

We have audited the accompanying combined balance sheet of the Hyatt 11 Portfolio (the Portfolio) as of December 31, 2011, and the related combined statements of operations, owners' equity in hotels, and cash flows for the year then ended. These combined financial statements are the responsibility of the Portfolio's management. Our responsibility is to express an opinion on these combined financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of the Hyatt 11 Portfolio as of December 31, 2011, and the results of its operations and its cash flows for the year then ended, in conformity with U.S. generally accepted accounting principles.

Notes to Combined Financial Statements

September 30, 2012 and 2011 (unaudited) and December 31, 2011

(1) Description of Business and Basis of Accounting

The combined financial statements presented herein are for eleven select service hotels (the Portfolio) owned by certain subsidiaries of Hyatt Hotels Corporation (the Owners) and commonly managed by Select Hotel Groups, LLC. The Portfolio contains an aggregate of 1,469 guestrooms and the Portfolio includes the following hotels: Hyatt Place, Arlington, TX; Hyatt Place, Lone Tree, CO; Hyatt Place, Englewood, CO; Hyatt House, Englewood, CO; Hyatt Place, Owings Mills, MD; Hyatt Place, Lombard, IL; Hyatt Place, Phoenix, AZ; Hyatt Place, Scottsdale, AZ; Hyatt Place Hoffman Estates, IL; Hyatt Place Orlando, FL; and Hyatt Place Orlando Universal, FL.

These combined financial statements present the carve-out combined balance sheets, statements of operations, and statements of cash flows of the Portfolio, not a legal entity.

The accompanying combined financial statements are presented in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Intercompany accounts and transactions have been eliminated in combination. The preparation of the combined financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the combined financial statements and the accompanying notes. Actual results could differ from those estimates and assumptions. Such estimates and assumptions could change in the future as more information becomes known, which could impact the amounts reported and disclosed herein.

The accompanying unaudited combined financial statements of the Portfolio as of September 30, 2012 and for the nine-month periods ended September 30, 2012 and 2011, have been prepared pursuant to the Securities and Exchange Commission (SEC) rules and regulations. All amounts included in the notes to the combined financial statements referring to September 30, 2012, and for the nine-month periods ended September 30, 2012 and 2011, are unaudited. The accompanying combined financial statements reflect, in the opinion of management, all adjustments considered necessary for a fair presentation of the interim financial statements. All such adjustments are of a normal and recurring nature.

(2) Summary of Significant Accounting Policies

(a) Cash

Cash includes cash held in depository bank accounts.

(b) Inventories

Inventories, consisting primarily of food and beverage items, are stated at the lower of cost or market. Cost is determined using the first-in, first-out method.

(c) Investment in Hotel Properties

Investment in hotel properties is stated at cost. Depreciation is recorded on a straight-line basis over the estimated useful life of the assets. All repair and maintenance costs are expensed as incurred. The estimated useful lives are:

Building and improvements	15	50 years
Furnishings and equipment	2	21 years

Notes to Combined Financial Statements

September 30, 2012 and 2011 (unaudited) and December 31, 2011

(d) Impairment of Investment in Hotel Properties

If events or circumstances indicate that the carrying value of a hotel property to be held and used may be impaired, a recoverability analysis is performed based on estimated undiscounted future cash flows to be generated from the property. If the analysis indicated that the carrying value is not recoverable from future cash flows, the excess of the net book value over the estimated fair value is charged to earnings.

(e) Advance Deposits

Advance deposits consist mainly of amounts collected for rooms, banquets, food and beverage, and other property operations in advance of providing services.

(f) Income Taxes

No provision or liability for income taxes or income tax positions have been made in the combined financial statements since the combined financial statements do not contemplate the type of legal or tax entity that holds the Portfolio.

(g) Advertising Costs

Advertising costs are expensed as incurred and are included in sales and marketing expenses in the accompanying statements of operations.

(h) Revenue Recognition

Edgar Filing: Summit Hotel OP, LP - Form 8-K

Revenues are recognized when rooms are occupied and the services are provided. Revenues consist of mainly room sales and food and beverage sales. Additionally, the Portfolio collects sales, use, occupancy, and similar taxes, which are presented on a net basis in the accompanying combined statements of operations.

(i) *Accounts Receivable*

Accounts receivable, which primarily represent amounts due from hotel guests, are recorded at management's estimate of the amounts that will be ultimately collected. The Portfolio provides for an allowance for doubtful accounts, which is based on specific identification and management's historical experience.

(j) *Due to Affiliates, net*

Due to affiliates, net represents amounts payable to an affiliate of the Portfolio for services rendered related to advertising, promotion, sales, reservations, management fees, centralized services, loyalty program, insurance, various benefits plans, purchasing, and other charges.

Notes to Combined Financial Statements

September 30, 2012 and 2011 (unaudited) and December 31, 2011

(3) Management Agreements

Upon acquisition of the hotels in the Portfolio, the Owners entered into management agreements with Select Hotel Group, LLC (an affiliate of Hyatt Hotel Corporation). The management agreements expire on the 20th anniversary of the opening date of the hotel and have one renewal option for 10 years. Management fees are calculated in accordance with the terms of the management agreements and consist of a basic fee and an incentive fee for hotel operations. The basic fee for hotel operations is equal to 7% of gross receipts, as defined. The incentive fee for hotel operations is equal to 10% of an amount, if any, by which eligible additional basic fee profit, as defined, exceeds the additional basic fee.

For the year ended December 31, 2011, the basic and incentive management fees were \$2,830,445. Basic and incentive management fees were \$2,228,912 for the nine months ended September 30, 2012 (unaudited) and \$2,199,149 for the nine months ended September 30, 2011 (unaudited).

(4) Related Party Transactions

In connection with its operations and the Owners' customary practices, the Portfolio incurred charges from affiliates for services, including advertising, promotion, sales, reservations, management fees, centralized services, loyalty program, insurance, various benefits plans, purchasing, and other charges. Total charges for the services were \$7,588,165 for the year ended December 31, 2011 and \$6,038,135 and \$5,826,363 for the nine months ended September 30, 2012 (unaudited) and 2011 (unaudited), respectively. As of December 31, 2011 and September 30, 2012 (unaudited), \$431,599 and \$601,786, respectively, is included as due to affiliate, net in the accompanying combined balance sheets.

(5) Commitments and Contingencies

The nature of the Portfolio's operations exposes it to the risk of claims and litigation in the normal course of its business. Although the outcome of such matters cannot be determined, management believes the ultimate resolution of these matters will not have a material effect on the combined financial position, results of operations, or cash flows of the Portfolio.

(6) Subsequent Events

Management has evaluated subsequent events through December 20, 2012, the date the combined financial statements were available to be issued.

On October 5, 2012, Summit Hotel OP, LP (Summit) acquired eight of the hotels in the Portfolio for approximately \$87.4 million. The acquired hotels are Hyatt Place Arlington TX, Hyatt Place Lone Tree CO, Hyatt Place Engelwood CO, Hyatt House Englewood CO, Hyatt Place Owings Mills MD, Hyatt Place Lombard IL, Hyatt Place Phoenix AZ and Hyatt Place Scottsdale AZ. On October 24, 2012, Summit executed an agreement to purchase the remaining three hotels in the Portfolio from certain affiliates of the Owners.

UNAUDITED PRO FORMA FINANCIAL INFORMATION OF SUMMIT HOTEL PROPERTIES, INC. AND SUMMIT HOTEL OP, LP

Summit Hotel Properties, Inc. (the Company) is a self-advised hotel investment company that was organized on June 30, 2010 as a Maryland corporation. The Company holds both general and limited partnership interests in Summit Hotel OP, LP (the Operating Partnership), a Delaware limited partnership also organized on June 30, 2010. On February 14, 2011, the Company closed on its initial public offering (IPO) and a concurrent private placement of its common stock, and the Operating Partnership and Summit Hotel Properties, LLC (the Predecessor) completed the merger of the Predecessor with and into the Operating Partnership.

On October 3, 2012, the Company closed on its first follow-on common stock offering and issued 13,800,000 shares of common stock for net proceeds of \$107.0 million. The Company contributed the net proceeds to the Operating Partnership in exchange for common units. The Operating Partnership used the proceeds to fund the cash portion of acquisitions of 10 hotels that were under contract to purchase (including the portfolio of eight hotels discussed in the following paragraph) and pay down the principal balance of its senior secured revolving credit facility.

On October 5, 2012, the Company purchased from affiliates of Hyatt Hotels Corporation (Hyatt), a portfolio of eight hotels containing an aggregate of 1,043 guestrooms for \$87.4 million. On October 24, 2012, the Company entered into an agreement to purchase from affiliates of Hyatt an additional three hotels containing an aggregate of 426 guestrooms for a purchase price of \$36.1 million. This agreement was subject to certain conditions, including the completion of due diligence. Due diligence was completed on December 20, 2012, and the Company believes that it is probable that the purchase of the additional three hotels will occur. Collectively these eleven hotels are referred to as the Hyatt 11 Portfolio.

The unaudited pro forma consolidated balance sheets as of September 30, 2012 are presented as if the first follow-on common stock offering and the acquisition of the Hyatt 11 Portfolio occurred on September 30, 2012. The unaudited pro forma consolidated statements of operations for the nine months ended September 30, 2012 and for the year ended December 31, 2011 are presented as if these transactions had been completed at the beginning of 2011.

The unaudited pro forma financial information is not necessarily indicative of what the Company's results of operations would have been assuming the first follow-on common stock offering and the acquisition of the Hyatt 11 Portfolio had been completed at the beginning of 2011, nor is it indicative of the results of operations for future periods. The unaudited pro forma financial information reflects the preliminary application of purchase accounting to the acquisition of the Hyatt 11 Portfolio. The preliminary purchase accounting may be adjusted if any of the assumptions underlying the purchase accounting change. In management's opinion, all adjustments necessary to reflect the effects of the acquisition of the Hyatt 11 Portfolio have been made. This unaudited pro forma financial information should be read in conjunction with the historical financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2011 and its Quarterly Report on Form 10-Q for the three and nine months ended September 30, 2012.
