PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS, MAY 4, 2016

This Proxy Statement is furnished to shareholders of NORTECH SYSTEMS INCORPORATED, a Minnesota corporation (the "Company"), in connection with the solicitation on behalf of the Company's Board of Directors of proxies for use at the annual meeting of shareholders to be held at the Company's office at 7550 Meridian Circle N., Suite 150, Maple Grove, Minnesota 55369, on May 4, 2016, at 3:00 p.m., and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

The address of the principal executive office of the Company is 7550 Meridian Circle N., Suite 150, Maple Grove, Minnesota 55369. We will begin mailing this proxy statement and proxy card to shareholders on or about March 30, 2016.

SOLICITATION AND REVOCATION OF PROXIES

The Company will pay the costs and expenses of solicitation of proxies. In addition to the use of the mails, directors, officers and regular employees of the Company may solicit proxies personally or by telephone or letter with extra compensation. The Company will reimburse brokers and other custodians, nominees or fiduciaries for their expenses in forwarding proxy materials to principals and obtaining their proxies.

Proxies in the form enclosed are solicited on behalf of the Board of Directors. Any shareholder giving a proxy in this form may revoke it at any time before it is exercised by (i) giving written notice of revocation to the Secretary of the Company, (ii) delivering a duly executed proxy bearing a later date, or (iii) voting in person at the annual meeting. Such proxies, if received in time for voting and not revoked, will be voted at the annual meeting in accordance with the specifications indicated on the proxy.

VOTING RIGHTS AND REQUIREMENTS

Only shareholders of record as of the close of business on March 9, 2016 will be entitled to sign proxies or to vote. On that date, there were 2,746,325 shares issued, outstanding and entitled to vote. Each share of Common Stock is entitled to one vote. A majority of the outstanding shares present in person or by proxy at the meeting is required to transact business, and constitutes a quorum for voting on items at the meeting. If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will be counted as being present at the meeting in determining the quorum, but neither will be counted as a vote in favor of a matter. A "broker non-vote" is a proxy submitted by a bank, broker or

Edgar Filing: NORTECH SYSTEMS INC - Form DEF 14A

other custodian that does not indicate a vote for some of the proposals because the broker does not have or does not exercise discretionary voting authority on certain types of proposals and has not received instructions from its client as to how to vote on those proposals.

Vote Required

Election of Directors. The affirmative vote of a plurality of the shares of Common Stock present in person or by proxy and entitled to vote at this annual meeting is required for the election to the Board of each of the nominees for director. Shareholders do not have the right to cumulate their votes in the election of directors. Plurality means that the individuals who receive the greatest number of votes cast For are elected as directors. The approval of the number of directors requires the affirmative vote of a majority of the votes cast at the meeting by shareholders who are entitled to vote.

Say-on-Pay. The advisory vote on executive compensation in PROPOSAL 2 is not binding on us; however, we will consider the shareholders to have approved our executive compensation if the number of shares voted For the proposal exceed the number of shares voted Against the proposal. A shareholder who abstains with respect to this proposal will have no effect on its outcome.

Appointment of Independent Auditor. The ratification of the appointment of RSM US LLP as the Company's independent registered public accounting firm for fiscal 2016 requires the affirmative vote of a majority of the votes cast at the meeting by shareholders who are entitled to vote. An abstention by a shareholder with respect to this proposal will have the same effect as a vote Against the proposal.

Routine Versus Non-Routine Matters. Brokers can vote on their customers' behalf on routine proposals such as PROPOSAL 3, the ratification of appointment of RSM US LLP as the Company's independent registered public accounting firm. Brokers cannot vote on their customers' behalf on non-routine proposals such as PROPOSAL 1, the election of directors, and PROPOSAL 2, the advisory vote on executive compensation. Because brokers require their customers' direction to vote on such non-routine matters, it is critical that shareholders provide their brokers with voting instructions.

Effect of Broker Non-Votes. If you hold your shares in street name and do not provide voting instructions to your bank, broker or other custodian, your shares will not be voted on PROPOSAL 1 or PROPOSAL 2, which are proposals on which your broker does not have or does not exercise discretionary authority to vote (a broker non-vote), such as may be the case with other non-routine matters for which you do not provide voting instructions. A broker non-vote on any of the proposals presented at the annual meeting will have no effect on the outcome of the proposal.

DIRECTORS MEETINGS

There were seven meetings of the Board of Directors during the last fiscal year. All directors acting that year attended all the meetings of the Board and committees of the Board on which such director served, either in person or telephonically.

The Board of Directors has established a Nominating and Corporate Governance Committee, a Compensation Committee, and an Audit Committee. The members of each committee are Ms. Iverson and Messrs. Kennedy, Larson and Perkins. The Board of Directors has determined that Ms. Iverson and Messrs. Kennedy, Larson and Perkins are independent directors under the rules established by the Securities and Exchange Commission and the Marketplace Rules of The NASDAQ Stock Market ("NASDAQ "). Further, the Board has determined that Mr. Perkins is an audit committee financial expert as defined by applicable regulations of the Securities and Exchange Commission. In the last fiscal year the Audit Committee met five times, the Compensation Committee met four times, and the Nominating and Corporate Governance Committee met three times. The charters of all committees are posted on the Company's website at www.nortechsys.com. We encourage Board members to attend the

annual meeting of shareholders. All the Company directors serving on the Board of Directors at the time of the Company's 2015 annual meeting were in attendance.

BOARD LEADERSHIP STRUCTURE

The Board has determined that the positions of Chairman of the Board and Chief Executive Officer should be held by different persons. The Board believes that this leadership structure has enhanced the Board's oversight of, and independence from, the Company's management and the Board's ability to carry out its roles and responsibilities on behalf of the shareholders.

RISK OVERSIGHT

Management and the Company's outside counsel discuss risks, both during Board meetings and in direct discussions with Board members. These discussions identify Company risks which are prioritized and assigned to the appropriate Board committee or the full Board for oversight. Internal control and financial risks are overseen by the Audit Committee; compensation risks are overseen by the Compensation Committee; CEO succession planning is overseen by the Governance and Nominating Committee; and compliance risks are typically overseen by the full Board. Management regularly reports on each such risk to the relevant committee or the Board, and material risks identified by a relevant committee are then presented to the full Board. The Company's risk management program as a whole is reviewed annually at a meeting of the Board. Additional review or reporting on Company risks is conducted as needed or as requested by the Board or committee.

COMPENSATION COMMITTEE

The Compensation Committee is composed of the independent outside directors whose names appear below. The Committee has a charter which is available on the Company's website (www.nortechsys.com). The Committee determines the compensation of executive officers of the Company. Compensation for executive officers includes four elements: base salaries, bonuses,

share-based compensation and equity appreciation rights. Salaries are based on factors such as the individual's level of responsibility and the amount of salary paid to executives with similar responsibilities in comparable companies. Bonuses are awarded based on a combination of the executive's success in meeting certain pre-established individual goals and the Company's performance in meeting certain financial goals. All share-based compensation and equity appreciation rights plans are designed to increase the incentive for an executive's interest in the Company's success as measured by the market value of its stock or other financial-related measures and to align the interests of the executives with those of the Company's shareholders.

The Chief Executive Officer's base compensation for 2015 was established under an employment agreement executed in 2014. It was determined that the total compensation of the Chief Executive Officer was comparable to compensation of chief executive officers of comparable companies. The base compensation of the other executive officers was set at the level necessary to attract and retain executives performing the functions being performed by such executives.

REPORT OF AUDIT COMMITTEE

The Board of Directors of the Company has adopted a charter for the Audit Committee. The charter charges the Audit Committee with the responsibility for, among other things, reviewing the Company's audited consolidated financial statements and the financial reporting process. The Company's management is responsible for the Company's internal controls and the financial reporting process, including the system of internal controls. The Company's independent registered public accounting firm is responsible for expressing an opinion on the conformity of the Company's audited consolidated financial statements with generally accepted U.S. accounting principles.

In carrying out their responsibility, the Audit Committee has reviewed and discussed with management the Company's audited consolidated financial statements as of and for the year ended December 31, 2015. The Audit Committee has also discussed the audited consolidated financial statements with RSM US LLP, including the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 16, Communications with Audit Committees, and received the written disclosures and the letter from RSM US LLP required by Rule 3526 of the Public Company Accounting Oversight Board, Communications With Audit Committees Concerning Independence, and has discussed with RSM US LLP their independence. The Audit Committee has also considered whether RSM US LLP provided non-audit services which could impact their independence. No such services were provided by RSM US LLP.

PROPOSAL 2
APPROVAL OF ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS

We are providing shareholders with the opportunity to vote at the annual meeting on the following advisory resolution regarding the compensation of our NEOs as described in this Proxy Statement (commonly referred to as "Say-on-Pay"):

RESOLVED, that the shareholders of Nortech Systems Incorporated approve, on an advisory basis, the compensation paid to the Company's NEOs as disclosed in the compensation tables and narrative discussion contained in the "Executive Compensation" section in this Proxy Statement.

Our executive compensation programs are based on our belief that attracting, retaining and motivating talented executives is critical to the maintenance of our competitive advantage in the electronic contract manufacturing industry and to the achievement of the business goals set by the Board. Accordingly, our executive compensation programs are designed to reward executives for achievement of our pre-determined financial and business goals, while also aligning our executives' interests with those of our shareholders. We believe that we best achieve these goals by providing our executives with a mix of compensation elements that incorporate cash and equity, as well as short-term and long-term components, and that are tied to our business goals.

This advisory vote will not affect any compensation already paid or awarded to our NEOs and will not be binding on the Board or the Compensation Committee. However, the Compensation Committee will review and carefully consider the outcome of the vote. If there are a significant number of negative votes, the Compensation Committee will seek to understand the concerns that influenced the vote and consider them in making future executive compensation decisions.

Upon recommendation of the Compensation Committee of the Board, the Board unanimously recommends a vote FOR the approval of the compensation of our NEOs.

PROPOSAL 3

OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board and management of the Company are committed to the quality, integrity and transparency of the Company's financial reports. In accordance with the duties set forth in its written charter, the Audit Committee of the Company's Board has appointed RSM US LLP and affiliates ("RSM US") as the Company's independent registered public accounting firm for the 2016 fiscal year. The following table presents fees for professional audit services, tax services and other services rendered by RSM US and affiliates during fiscal years 2015 and 2014:

The Audit Committee of the Board of Directors has reviewed the services provided by RSM US during fiscal year 2015 and the fees billed for such services. After consideration, the Audit Committee has determined that the receipt of these fees by RSM US is compatible with the provision of independent audit services. The Audit Committee discussed these services and fees with RSM US and Company management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the Securities and Exchange Commission to implement the Sarbanes-Oxley Act of 2002, as well as the American Institute of Certified Public Accountants.

More particularly, our policy is to have any related-party transactions (i.e., transactions involving a director, an officer or an affiliate of the Company) be approved solely by a majority of the disinterested and independent directors serving on our Board. Presently, we have four independent directors on the Board of Directors, and intend to maintain a Board of Directors on which independent directors comprise a majority of the Board of Directors.

QUORUM AND VOTE REQUIRED

The presence in person or by proxy of the holders of a majority of the voting power of the shares of Common Stock issued, outstanding and entitled to vote at a meeting for the transaction of business is required to constitute a quorum. The election of each director will be decided by plurality votes. As a result, any shares not voted for a director (whether by withholding authority, broker non-vote or otherwise) have no impact on the election of directors except to the extent the failure to vote for an individual results in another individual receiving a larger number of votes. If your shares are held by a broker or nominee, you should contact such holder to determine if you may vote your shares electronically and, if so, the method and deadline for voting electronically. The deadline for voting electronically is 11:59 p.m. (ET) on May 3, 2016, for all holders registered or beneficial. If your shares are held directly and you decide to vote electronically, please follow the directions on your proxy card.

SHAREHOLDER PROPOSALS

Proposals by shareholders (other than director nominations) that are submitted for inclusion in our proxy statement for our 2017 annual shareholders meeting must follow the procedures set forth in Rule 14a-8 under the Securities Exchange Act of 1934. Proposals received by that date will be included in the 2017 proxy statement if the proposals are proper for consideration at an annual meeting and are required for inclusion in the proxy statement by, and conform to, the rules of the Securities and Exchange Commission.

As set forth in Rule 14a-4(c)(1) under the Securities Exchange Act of 1934, if a shareholder does not submit a proposal for inclusion in our proxy statement but does wish to propose an item of business to be considered at an annual shareholders meeting (other than director nominations), that shareholder must deliver notice of the proposal at our principal executive offices at least 45 calendar days prior to the first anniversary of the date on which we first mailed proxy materials for the preceding year's annual meeting. For the 2017 annual meeting, director nominations must be received on or before November 30, 2016. Shareholder proposals that are received by the Company after that date may not be presented in any manner at the 2017 annual meeting.

If the date of our 2017 annual meeting is advanced more than 30 calendar days prior to or delayed by more than 30 calendar days after the anniversary of the 2016 annual meeting, timely notice of shareholder proposals and shareholder nominations for directors may be delivered to or mailed and received at our principal executive offices not later than the close of business on the 10th calendar day following the earlier of the date that we mail notice to our shareholders that the 2017 annual meeting will be held or the date on which we issue a press release, filed a periodic report with the Securities and Exchange Commission or otherwise publicly disseminated notice that the 2017 annual meeting will be held.
