FORWARD-LOOKING STATEMENTS

This stock exchange release contains forward-looking statements that reflect Nokia's current expectations and views of future events and developments. Some of these forward-looking statements can be identified by terms and phrases such as "would", "expected to" and similar expressions. These forward-looking statements include statements relating to: the settlement of the trade and Nokia's expected ownership of Alcatel Lucent. These forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond our control, which could cause actual results to differ materially from such statements. These forward-looking statements are based on our beliefs, assumptions and expectations of future performance, taking into account the information currently available to us. Risks and uncertainties include: regulatory restrictions, fluctuations in Alcatel Lucent's share capital and the impact on Nokia of any of the foregoing risks or forward-looking statements, as well as other risk factors listed from time to time in Nokia's filings with the U.S. Securities and Exchange Commission (the "SEC").

The forward-looking statements should be read in conjunction with the other cautionary statements that are included elsewhere, including the Risk Factors section of Nokia's most recent annual report on Form 20-F, reports furnished on Form 6-K, and any other documents that Nokia has filed with the SEC. Any forward-looking statements made in this stock exchange release are qualified in their entirety by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by us will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, us or our business or operations. Except as required by law, we undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
