ITEM 9A – CONTROLS AND PROCEDURES

(a) Disclosure controls and procedures

The Company maintains “disclosure controls and procedures,” as such term is defined in Rule 13a-15(e) and Rule 15d-15(e) under the Securities Exchange Act of 1934 (“Exchange Act”), that are designed to ensure that information required to be disclosed in reports that the Company files or submits under the Exchange Act is recorded, processed, summarized, and reported within the time periods specified in Securities and Exchange Commission rules and forms, and that such information is accumulated and communicated to management, including the Company’s chief executive officer and chief financial officer, as appropriate, to allow timely decisions regarding required disclosure. The Company’s disclosure controls and procedures have been designed to meet and management believes that they meet reasonable assurance standards. Based on their evaluation as of the end of the period covered by this Annual Report on Form 10-K, the chief executive officer and chief financial officer have concluded that the Company’s disclosure controls and procedures were effective to ensure that material information relating to the Company, including its consolidated subsidiary, is made known to them by others within those entities.

(b) Internal controls over financial reporting

As required by Rule 13a-15(d), management, including the Chief Executive Officer and Chief Financial Officer, conducted an evaluation of our internal control over financial reporting to determine whether any changes occurred during the period covered by this Annual Report on Form 10-K that have materially affected, or are reasonably likely to materially affect, the Company’s internal control over financial reporting. Based on that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that there has been no such change during the last quarter of the fiscal year covered by this Annual Report on Form 10-K that has materially affected, or is reasonably likely to materially affect, the Company’s internal control over financial reporting. See “Management’s Report” included in Item 8 for management’s report on the adequacy of internal control over financial reporting.
