Item 1.01 Entry into a Material Definitive Agreement.

On March 9, 2007, Strategic Hotel Funding, L.L.C. (the Borrower or SH Funding), the operating company of Strategic Hotels & Resorts, Inc. (the Company or Guarantor) entered into a Credit Agreement (the Credit Agreement) with Deutsche Bank Trust Company Americas as administrative agent (the "Administrative Agent") and the various financial institutions as are or may become parties thereto (together with the Administrative Agent, the "Lenders"), Deutsche Bank Securities Inc. and Citigroup Global Markets Inc., as co-lead arrangers and joint book running managers, Citicorp North America, Inc. and Wachovia Bank National Association, as co-syndication agents, Bank of America, N.A. and JPMorgan Chase Bank, N.A., as co-documentation agent, and LaSalle Bank, National Association, as senior managing agent.

The Credit Agreement provides the Borrower with a revolving credit facility (the Credit Facility) in the amount of \$415,000,000 (as such amount may be increased or decreased pursuant to the Credit Agreement, the Revolving Loan Commitment Amount) maturing on March 9, 2011 (subject to earlier termination upon the occurrence of certain events of default), to provide for the Borrower's ongoing working capital requirements and for general business purposes. The Credit Facility includes swingline loan and letter of credit subfacilities. All or a portion of the Revolving Loan Commitment Amount may be available from time to time under the Credit Facility, with such available amount being determined at the time of a borrowing request based upon certain calculations taking into account the appraised values of the Borrowing Base Properties (as defined in the Credit Agreement), the initial list of which consists of the Washington D.C. Four Seasons Hotel, the Ritz Carlton Laguna Niguel, the Marriott Lincolnshire Resort and the Four Seasons hotels located in Punta Mita and Mexico City.

Edgar Filing: STRATEGIC HOTELS & RESORTS, INC - Form 8-K

The Borrower has the right to request additional revolving loan amounts, upon entrance into an Additional Revolving Loan Commitment Agreement with one or more Lenders to increase the Revolving Loan Commitment Amount by \$85,000,000 up to \$500,000,000.

All or a portion of the Credit Facility bears interest per annum at the Borrower's election at either:

a rate equal to the sum of the Alternate Base Rate (defined as the higher of the prime rate set by the Administrative Agent or the federal funds rate) plus a margin of either 0% or .25% per annum, depending on the Borrower's leverage ratio for the most recent fiscal quarter; or

a rate equal to the sum of the LIBO Rate (defined as the rate per annum comparable to that offered by the British Bankers Association LIBOR Rate for deposits in dollars as published by Reuters under conditions specified in the Credit Agreement), plus a margin ranging from .8% to 1.5% per annum, depending on the Borrower's leverage ratio for the most recent fiscal quarter.

1

Each swingline loan shall bear interest at the federal funds rate plus a margin ranging from .8% to 1.5% per annum, depending on the Borrower's leverage ratio for the most recent fiscal quarter.

The Borrower may prepay the Credit Facility or swingline loans plus accrued interest, in whole or in part and without premium or penalty, subject to certain restrictions. The Credit Facility or swingline loans are also subject to mandatory prepayment under certain circumstances. If the Borrower draws funds in excess of the Revolving Loan Commitment Amount on any date, the Borrower must repay such excess amount on that date and must also provide cash collateral in an amount equal to the excess to collateralize any outstanding letters of credit.

The Lenders' commitments with respect to the Credit Facility and swingline loans expire and the Borrower's repayment obligations mature on March 9, 2011, subject to a one-year extension at the request of the Borrower in accordance with certain provisions.

The Credit Agreement is secured by unconditional guarantees executed by the Guarantor and most material subsidiaries of the Borrower, other than Restricted Subsidiaries (as defined in the Credit Agreement) as well as the pledge of equity collateral consisting of substantially all of the Borrower's subsidiaries, other than Restricted Subsidiaries. The Credit Agreement also imposes additional terms and conditions with respect to the Borrowing Base Properties. Failure to comply with such terms and conditions may result in a substantial reduction of the borrowing base and, therefore, available amount of credit under the Credit Agreement.

The Credit Agreement contains representations and warranties and affirmative, negative and financial covenants that are customary for facilities of this type. The negative and financial covenants include, without limitation, certain limitations on the ability to: incur liens and certain indebtedness; consummate mergers, consolidations or asset sales; make certain loans, guarantees and investments; declare or pay dividends; engage in certain business lines and maintain specific levels of net worth and other financial markers. The Credit Agreement also includes certain events of default customary for credit facilities of this type including, without limitation, failure to make payments when due, insolvency, judgments against certain entities which exceed \$5,000,000 in the aggregate, breaches of representations and warranties, the Guarantor ceases to maintain its status as a Real Estate Investment Trust and certain reportable events under the Employee Retirement Income Security Act of 1974, as amended.

The foregoing description of the Credit Facility is qualified in its entirety by reference to the Credit Agreement, which will be attached as exhibit to the Quarterly Report on Form 10-Q for the quarter ended March 31, 2007 which the Company intends to file in May 2007.
