As a result of our recent announcement related to our strategic partnership and equity stake in ebackup Inc. E-Debit is now in the process of rolling out a branded prepaid card product through the purchase of an equity stake within Smart Pay Solutions Inc. by our joint venture Capital Six Limited advises E-Debit Chief Executive Doug Mac Donald. With this roll out we now can proceed with the first stage of our national marketing and distribution network.

This is just one more step in our development plan and we are on track with our total integration within the prepaid, loyalty and debit card business space.
