Zion and its drilling contractor have entered into an agreement for the use of a rig to renew work on the Ma'anit #1 in mid-April 2007. In the event of a commercial discovery, following recovery of certain exploratory costs, Zion intends to donate 6% of its gross revenues from the license to two charitable trusts to be established by Zion, one in Israel and one in the U.S. The common stock of Zion is traded on the American Stock Exchange under the ticker symbol "ZN".
