PART III - NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The registrant's Quarterly Report on Form 10-QSB for the three months ended June 30, 2007 could not be filed by the prescribed due date of August 14, 2007 because the registrant had not yet finalized its financial statements for the three month period and the review of those financial statements is ongoing. The delay is due in part to the transition in key personnel responsible for the preparation of the financial statements and accompanying disclosures. Accordingly, the registrant is unable to file such report within the prescribed time period without unreasonable effort or expense. The registrant anticipates that the subject quarterly report will be filed on or before August 20, 2007.

PART IV - OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification:

Sandra Green 214-221-4610

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

For the three and six months ended June 30, 2006, the registrant had a net loss of approximately \$9,355 thousand and \$10,022 thousand, respectively. Results for the 2007 periods remain subject to further adjustment and actual results may differ significantly from the foregoing estimates.

This increase in net loss for the 2007 periods is primarily attributable to impairment charges related to the abandonment of the Ma'anit #1 well and the relinquishment of the Ma'anit-Joseph License in June 2007. To a lesser

Edgar Filing: ZION OIL & GAS INC - Form NT 10-Q

extent, the increase in net loss was also the result of increases in general and administrative expenses.

This Notification of Late Filing on Form 12b-25 contains forward-looking statements, including forward-looking statements relating to the Registrant's financial results for the six months ended June 30, 2007. These statements are based on management's current expectations and involve a number of risks and uncertainties, including risks described in our filings with the Securities and Exchange Commission.
