Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On February 9, 2015, xG Technology, Inc., (the "Company"), received a written notification (the "Notice") from the Nasdaq Stock Market LLC ("Nasdaq") indicating that the Company was not in compliance with Nasdaq Listing Rule 5550(a)(2) relating to the minimum bid requirements as the Company's closing bid price was below \$1.00 per share for the previous thirty (30) consecutive business days.

Pursuant to Nasdaq Listing Rule 5810(c)(3)(A), the Company has been granted a 180 calendar day compliance period, or until August 10, 2015, to regain compliance with the minimum bid price requirements. During the compliance period, the Company's shares of common stock will continue to be listed and traded on the Nasdaq Capital Market. To regain compliance, the closing bid of the Company's shares of common stock must meet or exceed \$1.00 per share for at least ten (10) consecutive business days during the 180 calendar day grace period.

If the Company is not in compliance by August 10, 2015, the Company may be afforded a second 180 calendar day grace period. To qualify, the Company would be required to meet the continued listing requirement for market value of publicly held shares and all other initial listing standards for the Nasdaq Capital Market, with the exception of the minimum bid price requirements. In addition, the Company would be required to notify Nasdaq of its intent to cure the minimum bid price deficiency by effecting a reverse stock split, if necessary.

If the Company does not regain compliance within the allotted compliance period(s), including any extensions that may be granted by Nasdaq, Nasdaq will provide notice that the Company's shares of common stock will be subject to delisting.

The Company intends to monitor its closing bid price for its common stock between now and August 10, 2015, and will consider available options to resolve the Company's noncompliance with the minimum bid price requirement, as may be necessary. There can be no assurance that the Company will be able to regain compliance with the minimum bid price requirement or will otherwise be in compliance with other Nasdaq listing criteria.
