**Item 8.01        OTHER EVENTS**

Genesis Technology Group, Inc. (OTCBB: GTEC) and Gold Horse International, Inc, have agreed to terminate the Agreement and Plan of Share Exchange pursuant to which we would have acquired Gold Horse International, Inc., in a reverse acquisition

From September 6, 2006 through October 5, 2006, Genesis undertook the due diligence process, including preliminary auditing performed by Kabani & Company, Inc. plus onsite discussions in Hohhot, Inner Mongolia, the location of the Operating Company's business activities. As a result of this information, the Genesis Board of Directors has determined that the proposed acquisition is not in the best interests of the Genesis shareholders.

Gold Horse International, Inc. shall remain as a Genesis Equity Partners ( GEP ) contract partner client and may complete the established partnering program which may result in Genesis owning an equity position in Gold Horse and Genesis may benefit from a consulting contract going forward.
