DEREGISTRATION OF SECURITIES

American Ammunition, Inc., a Nevada corporation (hereafter referred to as "we" "us" or "our" or "Registrant"), filed the following registration statements on Form SB-2 (No. 333-122056) (the "Registration Statement") using a Selling Shareholder registration process to register the following shares of our common stock held by our Selling Shareholders (the "Selling Shareholders"): (a) Amendment No. 1 to the Registration Statement registering 45,527,672 shares, which was filed on April 6, 2005; (b) Amendment No. 2 to the Registration Statement registering 74,442,008 shares, which was filed on May 5, 2005; and (c) Amendment No. 3 to the Registration Statement registering 93,718,422 shares, which was filed on June 2, 2005. On or about June 5, 2005, the Securities and Exchange Commission declared the Registration Statement effective. The foregoing amendments described in (a) - (c) reflected our filing of prospectus supplements under the original Registration Statement, which was filed on January 14, 2005.

We no longer desire to keep the Registration Statement effective. Accordingly, this Post-Effective Amendment to the Registration Statement is being filed to deregister all of the shares that remain unsold under the Registration Statement, as of the date hereof.

As detailed under Item 5 in our Form 10-QSB for the period ending June 30, 2007, which we filed with the Securities and Exchange Commission on September 30, 2007, we commenced an inquiry in or about June 2007 to determine, among other things, whether the terms of the Registration Statement had been complied with. Based on our analysis of certain share issuances from records that we obtained from our transfer agent, we determined that each of the share issuances had violated the terms of the Registration Statement beginning with Amendment No. 1 (as described in (a) above) -- specifically that such issuances, individually and cumulatively, had violated our agreement as described in the Registration Statement prohibiting the Selling Stockholders from owning more than 4.9% or more of our outstanding common stock. Additionally, the escrow agent was prohibited from distributing and disbursing 4.9% or more of our outstanding common stock.

Based on analysis of our records and the records of our transfer agent, we have determined that of the 93,718,422 shares registered on the Form SB-2: (a) 6,328,051 shares were sold to La Jolla Cove Investors, which were identified as the Selling Shareholder in the Registration Statement; (b) 16,803,335 shares were sold to Ta Terraza Asset Management in escrow, which on September 6, 2006 had assumed La Jolla Cove Investor's rights under the Registration Statement by La Jolla Cove executing an assignment assigning its right, title and interest to La Terraza, and La Terraza's paying total cash consideration to us of \$3,150,000 for these rights, which cancelled our indebtedness in connection with the La Jolla assignment to La Terraza, and as such, we are no longer indebted pursuant

to the terms of the Registration Statement; and (c) 70,587,036 shares remain unsold, which we will cancel and retire to our treasury upon this registration being declared effective.

Accordingly, this Post-Effective Amendment to the Registration Statement is being filed to deregister 70,587,036 shares, as of the date hereof.
