Entry into a Material Definitive Agreement.

Amendment to Credit Facility

As of June 30, 2010, Talon International, Inc. entered into an Amendment No. 5 to the Revolving Credit and Term Loan Agreement with CVC California, LLC (“CVC”), which is the successor to Bluefin Capital, LLC by assignment as lender under the credit facility. The amendment extends the maturity date of the revolving credit facility and term loans from June 30, 2010 to July 30, 2010.

Our existing cash and cash equivalents and our anticipated cash flows from operating activities will not be sufficient to satisfy the CVC credit facility when it becomes due on July 30, 2010. Accordingly, if we are unable to obtain an extension or modification of the CVC credit facility, or raise additional equity or debt to satisfy this requirement we will default on our credit agreement. There can be no assurance that additional debt or equity financing will be available on acceptable terms or at all. If we are unable to secure additional financing or restructure our existing debt, CVC will have the right to exercise its remedies including enforcement of its lien on substantially all of our assets.
