Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

this Proxy Statement.

PROXY PROCEDURE

Only holders of record of our ordinary shares, par value of NIS 0.01 per share, as of the close of business on August 28, 2009, are entitled to notice of, and to vote in person or by proxy at, the Meeting. As of August 28, 2009, the record date for determination of shareholders entitled to vote at the Meeting, there were 8,917,950 outstanding ordinary shares.

- o VOTING IN PERSON. If your shares are registered directly in your name with our transfer agent (i.e. you are a "registered shareholder"), you may attend and vote in person at the Meeting. If you are a beneficial owner of shares registered in the name of your broker, bank, trustee or nominee (in "street name"), you are also invited to attend the meeting; however, to vote in person at the Meeting as a beneficial owner, you must first obtain a "legal proxy" from your broker, bank, trustee or nominee authorizing you to do so.

- o VOTING BY MAIL. You may submit your proxy by mail by completing, signing and mailing the enclosed proxy card in the enclosed, postage-paid envelope, or, for shares held in street name, by following the voting instructions provided by your broker, bank trustee or nominee. If directions are not given or directions are not in accordance with the options listed on a proxy card, such shares will be voted FOR the nominees for director and each proposal for which the Board of Directors recommends a vote FOR.

CHANGE OR REVOCATION OF PROXY

If you are a registered shareholder, you may change your vote at any time prior to the exercise of authority granted in the proxy by delivering a written notice of revocation to our Corporate Secretary, by granting a new proxy bearing a later date using, or by attending the Meeting and voting in person. Attendance at the Meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

If your shares are held in street name, you may change your vote by submitting new voting instructions to your broker, bank, trustee or nominee or, if you have obtained a legal proxy from your broker, bank, trustee or nominee giving you the right to vote your shares, by attending the Meeting and voting in person.

QUORUM

A quorum of shareholders is necessary to transact business at the Meeting. The presence of two shareholders, holding at least one third (1/3) of our issued share capital voting rights, represented in person or by proxy at the Meeting, will constitute a quorum. A meeting adjourned for lack of a quorum generally is adjourned to the same day in the following week at the same time and place or any time and place as the directors designate in a notice to the shareholders. At the reconvened meeting, the required quorum consists of any two members present in person or by proxy. An affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting thereon, is required to approve each of the proposals, except as otherwise stated in the proposal.

Abstentions and broker non-votes will be counted towards the quorum. Broker

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

non-votes occur when brokers that hold their customers' shares in street name sign and submit proxies for such shares and vote such shares on some matters but not on others. This would occur when brokers have not received any instructions from their customers, in which case the brokers, as the holders of record, are permitted to vote on "routine" matters, which include the election of directors and the ratification of the appointment of an independent registered public accounting firm, but not on non-routine matters.

Unsigned or unreturned proxies, including those not returned by banks, brokers, or other record holders, will not be counted for quorum or voting purposes.

MAJORITY VOTE STANDARD

Each ordinary share entitles the holder to one vote. An affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting thereon, is required to approve each of the proposals.

In tabulating the voting result for any particular proposal, shares that constitute broker non-votes and abstentions are not considered votes cast on that proposal. Unsigned or unreturned proxies, including those not returned by banks, brokers, or other record holders, will not be counted for voting purposes.

We have received indications from five of our principal shareholders, Mr. Chaim Mer, Mrs. Dora Mer, Mr. Roger Challen, Mr. Lior Salansky and Mr. Isaac Ben-Bassat, who together hold approximately 68.5% of our issued and outstanding ordinary shares, that they presently intend to vote for all of the nominees for director and in favor of the other Items to be acted upon at the Meeting.

2

COST OF SOLICITING VOTES FOR THE ANNUAL MEETING

We will bear the cost of soliciting proxies from our shareholders. Proxies will be solicited by mail and may also be solicited in person, by telephone or electronic communication, by our directors, officers and employees. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their expenses in accordance with the regulations of the Securities and Exchange Commission, or the SEC, concerning the sending of proxies and proxy material to the beneficial owners of our stock.

BOARD OF DIRECTORS AND COMMITTEES

BOARD OF DIRECTORS

Our Articles of Association provide for a Board of Directors consisting of up to ten members or such other number as may be determined from time to time at a general meeting of shareholders. Our Board of Directors is currently composed of eight directors.

Pursuant to our articles of association, all of our directors (except the outside directors) are elected at our annual general meeting of shareholders by a vote of the holders of a majority of the voting power represented and voting at such meeting and hold office until the next annual general meeting of shareholders and until their successors have been elected. The Board of Directors, may, at any time from time to time, appoint any other person as a director, whether to fill a casual vacancy or to add to their number. All the members of our Board of Directors (except the outside directors) may be reelected upon completion of their term of office. All of our current directors (except our outside directors) were elected by our shareholders at our annual general meeting of shareholders held in August 2008.

The Israeli Companies Law requires the board of directors of a public company to determine a minimum number of directors with "accounting and

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

financial expertise." Our board of directors determined, accordingly, that at least one director must have "accounting and financial expertise."

We do not follow the requirements of the NASDAQ Marketplace Rules with regard to the nomination process of directors, and instead, we follow Israeli law and practice, in accordance with which our directors are recommended by our board of directors for election by our shareholders.

5

OUTSIDE DIRECTORS AND INDEPENDENT DIRECTORS

OUTSIDE DIRECTORS. Under the Israeli Companies Law, companies incorporated under the laws of the State of Israel whose shares have been offered to the public are required to appoint at least two outside directors. The Israeli Companies Law provides that a person may not be appointed as an outside director if the person, or the person's relative, partner, employer or an entity under that person's control, has or had during the two years preceding the date of appointment any affiliation with the company, or any entity controlling, controlled by or under common control with the company. The term "relative" means a spouse, sibling, parent, grandparent, child or child of spouse or spouse of any of the above. The term affiliation includes:

- o an employment relationship;
- o a business or professional relationship maintained on a regular basis;
- o control; and
- o service as an officer holder, excluding service as an outside director of a company that is offering its shares to the public for the first time.

In addition, no person may serve as an outside director if the person's position or other activities create, or may create, a conflict of interest with the person's responsibilities as director or may otherwise interfere with the person's ability to serve as director. If, at the time an outside director is appointed all members of the board of directors are of the same gender, then that outside director must be of the other gender. A director of one company may not be appointed as an outside director of another company if a director of the other company is acting as an outside director of the first company at such time.

At least one of the outside directors elected must have "accounting and financial expertise" and any other outside director must have "accounting and financial expertise" or "professional qualification," as such terms are defined by regulations promulgated under the Israeli Companies Law.

Outside directors are elected by shareholders. The shareholders voting in favor of their election must include at least one-third of the shares of the non-controlling shareholders of the company who voted on the matter. This minority approval requirement need not be met if the total shareholdings of those non-controlling shareholders who vote against their election represent 1% or less of all of the voting rights in the company.

In general, outside directors serve for a three-year term, which may be renewed for only one additional three-year term. Outside directors can be removed from office only by the same special percentage of shareholders as can elect them, or by a court, and then only if the outside directors cease to meet

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

the statutory qualifications with respect to their appointment or if they violate their duty of loyalty to the company.

Any committee of the board of directors must include at least one outside director and the audit committee must include all of the outside directors. An outside director is entitled to compensation as provided in regulations adopted under the Israeli Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service.

INDEPENDENT DIRECTORS. In general, NASDAQ Marketplace Rules require that the board of directors of a NASDAQ-listed company have a majority of independent directors, within the meaning of the NASDAQ Marketplace Rules, and our audit committee must have at least three members and be comprised only of independent directors, each of whom satisfies the respective "independence" requirements of the SEC and NASDAQ. However, foreign private issuers, such as our company, may follow certain home country corporate governance practices instead of certain requirements of the NASDAQ Marketplace Rules. A foreign private issuer that elects to follow a home country practice instead of such requirements must submit to NASDAQ in advance a written statement from an independent counsel in such issuer's home country certifying that the issuer's practices are not prohibited by the home country's laws. On March, 31, 2009, we provided NASDAQ with a notice of non-compliance with respect to the requirement to maintain a majority of independent directors, within the meaning of the NASDAQ Marketplace Rules. Instead, under Israeli law and practice, we are required to appoint at least two outside directors, within the meaning of the Israeli Companies Law, to our Board of Directors. In addition, in accordance with the rules of the SEC and NASDAQ, we have the mandated three independent directors, as defined by the rules of the SEC and NASDAQ, on our audit committee.

6

Pursuant to a recent amendment to the Israeli Companies Law, an Israeli company whose shares are publicly traded may elect to adopt a provision in its articles of association pursuant to which a majority of its board of directors will constitute individuals complying with certain independence criteria prescribed by the Israeli Companies Law. We have not included such a provision in our articles of association.

Our Board of Directors has determined that Mr. Eytan Barak and Ms. Varda Trivaks both qualify as independent directors under the rules of the SEC and NASDAQ and as outside directors under the requirements of the Israeli Companies Law. Our Board of Directors has further determined that each of Messrs. Steven Glusband and Yaacov Goldman qualifies as an independent director under the requirements of the SEC and NASDAQ.

AUDIT COMMITTEE

Under the Israeli Companies Law, the board of directors of any public company must establish an audit committee. The audit committee must consist of at least three directors and must include all of the outside directors. The audit committee may not include: the chairman of the board of directors; any director employed by the company or providing services to the company on an ongoing basis; or a controlling shareholder or any of the controlling shareholder's relatives.

Under the Israeli Companies Law, the approval of the audit committee is required for specified actions and transactions with office holders and controlling shareholders. Additionally, under the Israeli Companies Law, the role of the audit committee is to identify faults in the business practices of

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

the company, among other things, by consulting with the company's independent registered public accounting firm and internal auditor, and to make recommendations to the board for remedying such faults.

In addition, the NASDAQ Marketplace Rules require us to establish an audit committee comprised of at least three members, all of whom must be independent directors, each of whom is financially literate and satisfies the respective "independence" requirements of the SEC and NASDAQ and one of whom has accounting or related financial management expertise at senior levels within a company.

Our audit committee consists of three members of our Board of Directors who satisfy the respective "independence" requirements of the SEC, NASDAQ and Israeli law for audit committee members. Our audit committee is currently composed of Mr. Eytan Barak, Ms. Varda Trivaks and Mr. Yaacov Goldman. Our Board of Directors has determined that Mr. Goldman qualifies as an audit committee financial expert, as defined by rules of the SEC. The audit committee meets at least once each quarter. The composition and function of the audit committee meets the requirements of Israeli law, the SEC and NASDAQ Marketplace Rules.

INTERNAL AUDITOR

Under the Israeli Companies Law, the board of directors of a public company must appoint an internal auditor nominated by the audit committee. A person who does not satisfy the Israeli Companies Law's independence requirements may not be appointed as an internal auditor. The role of the internal auditor is to examine, among other things, the compliance of the company's conduct with applicable law and orderly business practice. Fahn Kanne & Co., the Israeli member firm of Grant Thornton. International Ltd., serves as our internal auditor.

EXECUTIVE COMPENSATION

The following table sets forth all compensation we paid with respect to all of our directors and executive officers as a group for the year ended December 31, 2008.

| | Salaries, fees, commissions and bonuses | Pension, retirement and similar benefits |
|--|---|--|
| | ----- | ----- |
| All directors and executive officers as a group (10 persons) | \$ 762,585 | \$ 68,236 |

All our executive officers work full time for us. Mr. Chaim Mer, the Chairman of our Board of Directors, devotes approximately 20% of his time to the management of our company in consideration of which we pay him a monthly salary of \$7,000 per month (as approved by our Audit Committee and Board of Directors on November 8, 1999). Mr. Chaim Mer voluntarily and temporarily reduced his monthly salary by 15% starting December 1, 2008. During the year ended December 31, 2008, we paid to our directors (including our outside directors under Israeli law) an annual fee of approximately \$8,400 and a per meeting attendance fee of \$300, other than to Mr. Chaim Mer, the Chairman of our Board of Directors, whose compensation is described above, and Mr. Yaacov Goldman, an independent director and our audit committee financial expert. During the year ended December 31, 2008, we paid Mr. Goldman an annual fee of approximately \$16,800 and a per meeting attendance fee of \$400.

As of December 31, 2008, our directors and executive officers as a group, consisting of ten persons, held options to purchase an aggregate 265,000 ordinary shares, having exercise prices ranging from \$1.08 to \$3.87, all of which were granted under our 2003 Israeli Share Option Plan. The options vest over a two to four-year period. Of such options, options to purchase 20,000 ordinary shares will expire in September 2010, options to purchase 30,000 ordinary shares will expire in September 2012 and options to purchase 215,000 ordinary shares will expire in February 2013.

STOCK OPTION PLANS

2003 ISRAELI SHARE OPTION PLAN

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

Under our 2003 Israeli Share Option Plan, or the 2003 Plan, options to purchase up to 893,915 ordinary shares may be granted to directors, employees, consultants, advisors, service providers, controlling shareholders and other persons not employed by us or by our affiliates. Any options which are canceled or forfeited within the option period will become available for future grants. The 2003 Plan will terminate in 2013, unless earlier terminated by the Board of Directors.

Options to Israeli employees, directors and officers, other than controlling shareholders (as such term is defined in the Israeli Income Tax Ordinance), under the 2003 Plan may only be granted under Section 102 of the Israeli Income Tax Ordinance [New Version] - 1961, or Section 102, as amended as of January 1, 2003. Section 102 as amended affords certain tax advantages with respect to option grants to employees and directors. Under amended Section 102, options granted pursuant to Section 102 may be designated as "Approved 102 Options" or "Unapproved 102 Options." An Approved 102 Option may either be classified as a capital gains option or an ordinary income option. We elected to initially grant our options pursuant to Section 102 as capital gain options. Such election is effective as of the first date of grant of such capital gains options under the 2003 Plan and shall remain in effect at least until the lapse of one year following the end of the tax year during which we first granted capital gains options. All Approved 102 Options (or the ordinary shares issued upon exercise thereof) must be held in trust by a trustee for the requisite holding period under Section 102 in order to benefit from the certain tax advantages. We may also grant Unapproved 102 Options, which do not have any tax benefit and are not held by a trustee. Options granted under Section 102 are taxed on the date of sale of the exercised ordinary shares and/or the date of the release of the options or such exercised ordinary shares from the trust.

The 2003 Plan is administered by the Board of Directors or a committee of the Board of Directors, if appointed, which has the authority, subject to applicable law, to determine, the persons to whom options will be granted, the terms and conditions of the respective options, including the time and the extent to which the options may be exercised, may designate the type of options, make an election as to the type of Approved 102 Option. The exercise price of options granted under the 2003 Plan will be based on the fair market value of our ordinary shares and is determined by the Board of Directors or the committee at the time of the grant.

Options granted under the 2003 Plan are not assignable or transferable by an optionee, other than by will or by laws of descent and distribution, and during the lifetime of an optionee may be exercised only by the optionee or by the optionee's legal representative. Such options may be exercised as long as the optionee is employed by, or providing services to us or any of our affiliates, to the extent the options have vested.

During 2008, options to purchase an aggregate of 289,000 ordinary shares were granted under the 2003 Plan at an average exercise price of \$1.08 per share, and no options were exercised. At December 31, 2008, options to purchase 529,500 ordinary shares were outstanding under the 2003 Plan, exercisable at an average exercise price of \$1.85 per share.

2006 STOCK OPTION PLAN

In June 2006, we adopted our 2006 Stock Option Plan, or the 2006 Plan, under which up to 400,000 ordinary shares may be issued (subject to standard adjustments) to employees, officers and non-employee directors of ours and our affiliates. Ordinary shares as to which an option granted under the 2006 Plan has not been exercised at the time of its expiration, cancellation or forfeiture may again be subject to new awards under the 2006 Plan. The total number of ordinary shares with respect to which options may be granted to any eligible

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

employee during any period of 12 consecutive months may not exceed 100,000 ordinary shares (subject to adjustment as provided in the 2006 Plan).

10

The 2006 Plan will be administered by our Board of Directors or to the extent permitted by Israeli law, a Compensation Committee of our Board of Directors, if established by our Board of Directors at its discretion. All references below to the "Committee" refers to the Board of Directors or compensation committee established by our Board of Directors, as applicable. The Committee will have the authority, in its discretion, to establish from time to time guidelines or regulations for the administration of the 2006 Plan, to interpret the 2006 Plan, and to make all determinations it considers necessary or advisable for the administration of the 2006 Plan, in addition to the other responsibilities and powers assigned to the Committee in the 2006 Plan. All decisions, actions or interpretations of the Committee under the 2006 Plan will be final, conclusive and binding upon all parties.

Each option granted under the 2006 Plan will be either an option intended to be treated as an "incentive stock option," within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, or the Code, or an option that will be treated as a "non-qualified stock option." No incentive stock may be granted to any individual who is not an eligible employee of our company or a "subsidiary" within the meaning of the Code. No incentive stock option may be granted to an employee if, as of the date of grant of such option, such employee owns stock possessing more than ten percent of the total combined voting power of all classes of stock of our company or any affiliated company, a "10% Holder," unless (a) the exercise price per share under such option is at least 110% of the fair market value of an ordinary share determined as of the date of grant of such option, and (b) such option is not exercisable after the expiration of five years from the date of grant of such option. No incentive stock option may be granted under the 2006 Plan after the ten year anniversary of its adoption.

In no event may the term of any option exceed ten years from the date of grant of the option. However, in no event may the term of any option granted to a 10% Holder exceed five years from the date of grant of the option. No option may be exercised after its expiration.

Each option granted under the 2006 Plan will become exercisable, in whole or in part, at such time or times during its term as the instrument evidencing the grant of such option may specify.

The price at which ordinary shares may be purchased upon any exercise of an option granted under the 2006 Plan will be the price per share determined by the Committee, and specified in the instrument evidencing the grant of such option, but in no event may the exercise price per share be less than (i) the fair market value of an ordinary share determined as of the date of grant of the option, or (ii), if greater, the par value of an ordinary share. However, with respect to an option granted to a 10% Holder, in no event may the exercise price per share be less than 110% of the fair market value of our ordinary shares determined as of the date of grant of such option.

Options granted under the 2006 Plan are nontransferable, other than by will or the laws of descent and distribution, and may be exercised during the grantee's lifetime only by the grantee. However, if the instrument evidencing the grant of an option other than an incentive stock option so provides, the grantee may transfer his or her rights with respect to such option or any portion thereof, without consideration, to any "family member," as such term is

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

defined in the 2006 Plan.

The terms and conditions of an option grant may not be waived or amended without the consent of the grantee if it would adversely affect, to any material extent, any of the rights or obligations of the grantee with respect to such grant, or in the case of any option that was intended to constitute an incentive stock option, if such waiver or amendment would cause such option to fail to be treated as an incentive stock option.

Our Board of Directors may, with prospective or retroactive effect, amend, suspend or terminate the 2006 Plan or any portion of the 2006 Plan at any time. However, no amendment, suspension or termination of the 2006 Plan may adversely affect the rights of any grantee with respect to any options previously granted to the grantee without his or her written consent. Also, no amendment which constitutes a "material revision" of the 2006 Plan, within the meaning of such term under NASDAQ rules, may be effective unless approved by our shareholders in the manner required by such rules and by applicable law.

11

During 2008, no options were granted under the 2006 Plan and no options were exercised. At December 31, 2008, options to purchase 20,000 ordinary shares were outstanding under the 2006 Plan, exercisable at an average exercise price of \$1.23 per share.

CERTAIN TRANSACTIONS

Prior to May 2008, Mrs. Dora Mer, the wife of Chaim Mer, the Chairman of our Board of Directors, provided legal services to us, and we paid her a monthly retainer of \$5,000 for such services. The conditions of retaining the services of Mrs. Mer were approved by our Audit Committee and Board of Directors. In May 2008, Mrs. Mer joined the Israeli law firm of M. Firon & Co., Advocates and Notaries, and provides legal services to us through that firm since such date for a monthly retainer of \$5,000, to be paid in New Israeli Shekels, or NIS. We may cancel the agreement with M. Firon & Co. upon thirty days' prior notice. The conditions of retaining the services of M. Firon & Co. were approved by our Audit Committee and Board of Directors on April 2, 2008. As of December 1, 2008, the monthly retainer was reduced by 15% to \$4,250, to be paid in NIS.

Our subsidiaries, MTS Asia Ltd. and MTS IntegraTRAK, entered into an agreement with C. Mer Industries Ltd, or C. Mer, pursuant to which they distribute and support certain of C. Mer's products and provide certain services on behalf of C. Mer. Generally, C. Mer compensates MTS Asia Ltd. for these activities at cost plus 10% and compensates MTS IntegraTRAK at cost plus 5%. C. Mer is a publicly traded company controlled by Mr. Chaim Mer, and Mr. Mer has been the Chairman of its Board of Directors since 1988 and served as its President and Chief Executive Officer from 1988 until January 2005. Presently, the only service provided to us by C. Mer is our participation in its umbrella liability insurance coverage. We believe that the terms under which C. Mer provides such participation to us is on a basis no less favorable than could be obtained from an unaffiliated third party.

On August 10, 2005, we entered into definitive agreements with institutional and private investors, including our Chief Executive Officer, Mr. Eytan Bar, for a private placement of ordinary shares and warrants to purchase ordinary shares that raised \$2.8 million. Pursuant to the agreements, the investors, other than Mr. Eytan Bar, paid \$3.00 per share for the aggregate 937,500 ordinary shares issued in the private placement. Mr. Bar purchased 14,000 shares at \$3.88 per share, the closing price of our ordinary shares on

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

the day prior to the closing of the private placement. The private placement also involved the acquisition by the investors of warrants to purchase an aggregate 375,000 additional ordinary shares at an exercise price of \$4.00 per share (subject to anti-dilution adjustments), exercisable from February 10, 2006 until August 10, 2009. Each investor, including Mr. Eytan Bar, received warrants to purchase two ordinary shares for each five ordinary shares purchased.

On February 11, 2008, we issued in a private placement 750,000 ordinary shares to Mr. Lior Salanksy, our President and a director, at a price per share of \$1.0 and for a total consideration of \$750,000.

On September 29, 2008, we completed a private placement of 219,490 of our ordinary shares at a price of \$1.139 per share, or aggregate proceeds of \$250,000, with Mr. Lior Salansky, our President, who is also a director and a principal shareholder, Mr. Isaac Ben-Bassat, a director, and Mr. Eytan Bar, our chief executive officer.

On March 25, 2009, our Audit Committee and Board of Directors approved a transaction with Mer & Co. (1982) Ltd., or Mer & Co. According to the terms of the transaction, we will sell our products to Mer & Co, which has an Israel Defense Forces approved supplier number, and it will represent us and sell our products to the Israel Defense Forces. For its services, Mer & Co. will be entitled to 5% of the amounts to be received from the Israel Defense Forces for our software products. We may cease the arrangement by giving ten days' prior notice, and the arrangement will terminate upon our company receiving an Israel Defense Forces approved supplier number. Mer & Co. is a subsidiary of C. Mer Industries Ltd., an Israeli publicly traded company controlled by Mr. Chaim Mer. Mr. Chaim Mer has served as the Chairman of its Board of Directors since 1988. Mr. Chaim Mer is a major shareholder of our company and has served as the Chairman of our Board of Directors and a director since our inception in December 1995.

II. RATIFICATION AND APPROVAL OF EMPLOYMENT TERMS OF MR. ROGER CHALLEN, A DIRECTOR (Item 2 on the Proxy Card)

Mr. Roger Challen has served as the General Manager of our AnchorPoint telecommunications expense management solution operations since we acquired certain assets and liabilities of AnchorPoint Inc. on December 30, 2008. Mr. Roger Challen beneficially owns 2,174,615 or 24.4% of our outstanding shares, which shares are directly held by The Info Group, Inc. (formerly named AnchorPoint Inc.), a company controlled by him. On March 25, 2009, Mr. Challen was elected to serve as a director of our company by our Board of Directors. Under the Israeli Companies Law, an agreement with a director with respect to the terms of his employment in other positions must be approved by the audit committee, board of directors and general meeting of shareholders, in that order (subject to certain exceptions). Mr. Challen's employment terms were approved by our Audit Committee and Board of Directors in connection with the approval of the AnchorPoint acquisition in December 2008. Due to the proximity of the date of Mr. Challen's appointment as a director and the date of his employment in connection with the AnchorPoint acquisition, we believe it would be appropriate to seek the ratification and approval of our shareholders of his employment agreement.

Mr. Challen serves as the General Manager of our AnchorPoint operations as an "at-will" employee. Pursuant to his employment terms, we agreed to provide Mr. Challen with the following payments and benefits:

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

- o A gross annual salary of \$86,400, which amount was reduced to \$77,760 as of July 1, 2009, payable in equal semi-monthly installments.
- o Medical insurance.
- o Participation in a 401(k) Plan. We agreed to make a matching continuation of five cents per each dollar contributed by Mr. Challen.
- o Up to 8 hours per month or 12 days per year of flexible time off. However, until and including December 31, 2009, Mr. Challen will be entitled to use the number of unused hours of vacation, sick time and personal time that he was entitled to accrue during his employment with AnchorPoint. If his employment with us is terminated prior to December 31, 2009 for any reason, we will pay him for any of such hours that he accrued during his employment at AnchorPoint that were not used during his employment with us.

Mr. Challen entered into a confidentiality, proprietary rights and non-competition agreement in connection with his employment. The agreement contains customary confidentiality and proprietary rights provisions. The agreement also includes an undertaking of Mr. Challen not to compete with us for the greater of two years following the completion of the AnchorPoint acquisition and six months following the termination of his employment and a non-solicitation undertaking for the greater of two years following the completion of the AnchorPoint acquisition and 12 months following the termination of his employment.

It is therefore proposed that at the Meeting the following resolution be adopted:

"RESOLVED, that the terms of the employment of Mr. Roger Challen, the General Manager of the AnchorPoint telecommunications expense management solution business and a director, as described in the proxy statement for the 2009 annual general meeting of shareholders, be and hereby are ratified and approved effective as of Mr. Challen's employment in such position."

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting thereon, is required to approve the foregoing resolution.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE FOREGOING RESOLUTION.

13

III. APPROVAL OF COMPENSATION FOR MR. YAACOV GOLDMAN, A DIRECTOR AND AUDIT COMMITTEE CHAIRMAN (Item 3 on the Proxy Card)

Under the Israeli Companies Law, an agreement with a director regarding the terms of his or her service in such capacity, including compensation, must be approved by the audit committee, board of directors and general meeting of shareholders, in that order (subject to certain exceptions).

Mr. Yaacov Goldman has served as a director of our company since May 2004 and is the chairman of our audit committee. Mr. Goldman is an independent director and an audit committee financial expert, as such terms are defined under rules of the Securities and Exchange Commission. In consideration for the service of Mr. Goldman in such capacities, our Audit Committee and Board of

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

Directors have approved, subject to shareholder approval, the payment to him of an annual fee of \$16,800 and a per meeting attendance fee of \$400.

It is therefore proposed that at the Meeting the following resolutions be adopted:

"RESOLVED, that the fees to be paid to Mr. Yaacov Goldman, a director and chairman of the audit committee, in consideration for his service in such capacities, as described in the proxy statement for the 2009 annual general meeting of shareholders, be and hereby are approved."

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting thereon, is required to approve the foregoing resolution.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE FOREGOING RESOLUTION.

IV. RATIFICATION AND APPROVAL OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS (Item 4 on the Proxy Card)

Our Board of Directors first appointed Kost Forer Gabbay & Kasierer, registered public accountants, a Member of Ernst & Young Global, as our independent public accountants in 1996 and has reappointed the firm as our independent public accountants since such time.

At the Meeting, shareholders will be asked to ratify and approve the re-appointment of Kost Forer Gabbay & Kasierer as our independent registered public accountants for the year ending December 31, 2009, pursuant to the recommendation of our Audit Committee and Board of Directors. As a result of Kost Forer Gabbay & Kasierer's familiarity with our operations and reputation in the auditing field, our Audit Committee and Board of Directors believe that the firm has the necessary personnel, professional qualifications and independence to act as our independent registered public accountants.

At the Meeting, shareholders will also be asked to authorize our Board of Directors to delegate to our Audit Committee the authority to determine the compensation of our independent registered public accountants in accordance with the volume and nature of their services. With respect to fiscal year 2008, we paid Kost Forer Gabbay & Kasierer \$111,000 for audit services.

It is therefore proposed that at the Meeting the following resolution be adopted:

"RESOLVED, that the appointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as the independent registered public accountants of Mer Telemanagement Solutions Ltd. to conduct the annual audit of its financial statements for the year ending December 31, 2009, be and hereby is ratified and approved, and that the Board of Directors be, and it hereby is, authorized to delegate to the Audit Committee the authority to fix the remuneration of such independent registered public accountants in accordance with the volume and nature of their services."

If the appointment of Kost Forer Gabbay & Kasierer is not approved by our shareholders, or if Kost Forer Gabbay & Kasierer ceases to act as our independent registered public accountants, or if the Audit Committee removes Kost Forer Gabbay & Kasierer as our independent registered public accountants,

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

the Audit Committee will recommend another independent registered public accounting firm.

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting thereon, is required to approve the foregoing resolution.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE FOREGOING RESOLUTION.

V. REVIEW AND DISCUSSION OF AUDITOR'S REPORT AND CONSOLIDATED FINANCIAL STATEMENTS

At the Meeting, our auditor's report and the audited consolidated financial statements for the year ended December 31, 2008 will be presented. We will hold a discussion with respect to the financial statements at the Meeting. This Item will not involve a vote of the shareholders.

Our annual report on Form 20-F for the year ended December 31, 2008, including the auditor's report and consolidated financial statements for the year ended December 31, 2008, which was filed with the SEC on April 2, 2009, is available on our website at www.mtsint.com or through the EDGAR website of the SEC at www.sec.gov. None of the auditor's report, consolidated financial statements, the Form 20-F or the contents of our website form part of the proxy solicitation material.

VI. OTHER MATTERS

The Board of Directors does not intend to bring any matters before the Meeting other than those specifically set forth in the Notice of the Meeting and knows of no matters to be brought before the Meeting by others. If any other matters properly come before the Meeting, it is the intention of the persons named in the accompanying proxy to vote such proxy in accordance with the judgment of the Board of Directors.
