Information to be included in the report

**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year**

On December 6, 2006, the Board of Directors (the "Board") of First Data Corporation (the "Company") approved amendments to Article II, Sections 5 and 6 of the Company's By-Laws to change the vote standard for the election of directors from plurality to a majority of votes cast in uncontested elections. A majority of the votes cast means that the number of shares voted "for" a director exceeds 50% of the number of votes cast with respect to that director's election. In contested elections where the number of nominees exceeds the number of directors to be elected, the vote standard will continue to be a plurality of votes cast.

In addition, if a nominee who already serves as a director is not elected and no successor has been elected at such meeting, the director shall promptly tender his or her resignation to the Board. The Corporate Governance Committee will make a recommendation to the Board on whether to accept or reject the resignation, or whether other action should be taken. The Board will act on the tendered resignation no later than the next regularly scheduled Board meeting, taking into account the Corporate Governance Committee's recommendation, and promptly disclose (by a press release, a filing with the Securities and Exchange Commission or other broadly disseminated means of communication) its decision regarding the tendered resignation and the rationale behind the decision. The Corporate Governance Committee in making its recommendation, and the Board in making its decision, may each consider any factors or other information that it considers appropriate and relevant. The director who tenders his or her resignation shall not participate in the recommendation of the Corporate Governance Committee or the decision of the Board with respect to his or her resignation. If such incumbent director's resignation is not accepted by the Board, such director shall continue to serve until the next annual meeting and until his or her successor is duly elected, or his or her earlier resignation or removal. If the Board accepts a director's resignation, or if a nominee for director is not elected and the nominee is not an incumbent director, then the Board, in its sole discretion, may fill any resulting vacancy or decrease the size of the Board.

The amended By-Laws are effective as of December 6, 2006 and are attached as Exhibit 3.1(ii) to this Current Report on Form 8-K.
