Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

LINENS 'N THINGS, INC. 401(k) Plan  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2003 and 2002

-----

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Linens 'n Things, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL: The Plan is a participant-directed, defined contribution plan established by Linens 'n Things, Inc. (the "Company" or "Plan Sponsor") as of December 1, 1996. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The general administration of the Plan and the responsibility for carrying out the provisions of the Plan are maintained by a committee (the "Plan Committee")

Edgar Filing: LINENS N THINGS INC - Form 11-K

appointed by Linens 'n Things, Inc. In accordance with the provisions of the Plan, the Plan Committee is also the Administrator. Fidelity Management Trust Company ("Fidelity") is the trustee of the Plan.

ELIGIBILITY: Prior to August 1, 2002, eligible employees became participants in the Plan at the beginning of the first payroll period of the first month following completion of a year of service with at least 1,000 hours worked and attaining age 21. Effective August 1, 2002, the Plan was amended to allow employees to become eligible to participate in the Plan at the beginning of the first payroll period of the first month following the completion of eleven months of service with no age requirement or minimum hours worked.

CONTRIBUTIONS: Each year, participants may contribute up to 60% of pretax annual eligible compensation, as defined in the Plan, not to exceed the applicable dollar limit established by the Internal Revenue Service (the "IRS") each year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. In addition, the Plan allows elective deferral contributions in excess of legal limits under Internal Revenue Code Section 414(v) for those participants who have attained age 50 by the close of the Plan year. Participants direct the investment of their contributions into various investment options offered by the Plan including common stock of the Company. Effective March 1, 2002, the Plan was amended such that employer contributions are equal to 50% of the first 4% of eligible compensation that a participant contributes to the Plan. Prior to March 1, 2002, employer matching contributions were equal to 100% of the first 6% of eligible compensation that a participant contributed to the Plan. Employer matching contributions are subject to certain limitations as specified in the plan document and the Internal Revenue Code (the "IRC").

NOTES TO FINANCIAL STATEMENTS  
December 31, 2003 and 2002

-----  
NOTE 1 - DESCRIPTION OF PLAN (Continued)

PARTICIPANT ACCOUNTS: Each participant's account is credited with the participant's contribution, employer matching contribution and allocations of investment income or loss. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

RETIREMENT, DEATH AND DISABILITY: Upon death, disability or meeting the retirement requirements, a participant's account balance will automatically become 100% vested.

VESTING: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer's matching contribution plus earnings thereon is based on years of continuous service, as defined. A participant is 100% vested after three years of credited service.

FORFEITURES: Upon a participant's termination date, and prior to the time the participant becomes vested in his or her account, the non-vested portion, if any, shall be forfeited. These accounts will be used to restore amounts

Edgar Filing: LINENS N THINGS INC - Form 11-K

previously forfeited by participants but required to be reinstated upon resumption of employment, to pay administrative expenses, or to reduce employer contributions. During the years ended December 31, 2003 and 2002, forfeited nonvested accounts of \$53,540 and \$91,364, respectively, were used to reduce employer contributions.

PAYMENT OF BENEFITS: Upon reaching normal retirement (age 65 or age 55 with 10 years of credited service, as defined) or upon permanent disability, all vested amounts credited to a participant's account become distributable. Distributions will be made as soon as administratively feasible, following a participant's request, and will be made in a lump-sum cash payment.

Upon a participant's death, the participant's beneficiary is entitled to 100% of the participant's vested account balance.

Upon termination of service, other than for normal retirement or death, the Administrator will direct the Trustee or the new Trustee to pay to the participant his or her benefit in an immediate lump sum or a deferred lump sum, if certain criteria are met.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

LOAN PROVISIONS: Under the terms of the Plan, participants may obtain loans from the Plan, utilizing funds accumulated in their accounts. The minimum amount which may be borrowed is \$1,000. Participants can borrow up to a maximum of 50% of their vested account balance but not more than \$50,000, less their highest outstanding loan balance during the previous 12 months. The Plan charges a fixed rate of interest, which is 1% above the prime rate, adjusted quarterly.

The loans are repaid through after-tax payroll deductions. The loan repayments and interest earned are allocated to each of the investment funds based upon the participant's contribution election percentages. The term of the loan is arrived at by mutual agreement between the Plan Committee and the participant, but may not exceed five years unless the loan is to be used in conjunction with the purchase of the principal residence of the participant, in which case the loan may not exceed 25 years.

RECLASSIFICATION: Certain prior year amounts have been reclassified to conform to the current year presentation.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

INVESTMENT VALUATION AND INCOME RECOGNITION: The Plan's investments are stated at fair value. Quoted market prices are used to value investments in common stock and mutual funds. Shares of common collective trust funds are valued at the net asset value of shares held by the Plan at year-end. Participant loans are reported at cost which approximates fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on

## Edgar Filing: LINENS N THINGS INC - Form 11-K

the accrual basis. Dividends are recorded on the ex-dividend date.

**BASIS OF ACCOUNTING:** The financial statements are prepared on the accrual basis of accounting and present the net assets available for plan benefits of the Plan and the changes in those net assets in conformity with U.S. generally accepted accounting principles.

**ESTIMATES:** The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

**RISKS AND UNCERTAINTIES:** The Plan offers a number of investment options including Linens 'n Things, Inc. common stock and a variety of investment funds, some of which are mutual funds and common collective trust funds. The funds include U.S. equities, international equities, and fixed income securities. Investment securities, in general, are exposed to various risks, such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments, with the exception of the Linens 'n Things Company Stock Fund, which principally invests in a single security.

**PAYMENT OF BENEFITS:** Benefits paid to participants are recorded when paid.

**ADMINISTRATIVE EXPENSES:** Most administrative expenses are paid by the Plan Sponsor.

NOTE 3 - INVESTMENTS

At December 31, 2003 and 2002, the Plan's assets were allocated among various investment funds administered by independent investment managers.

The following presents investments that represent 5% or more of the Plan's net assets:

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Company were to terminate the Plan, all participants in the Plan would become fully vested.

NOTE 5 - PARTIES-IN-INTEREST

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. Certain investments of the Plan are shares of mutual funds advised by Fidelity Investments an affiliate of Fidelity Management Trust Company. Fidelity is the Plan trustee and, therefore, these transactions and the Plan's payment of trustee fees to Fidelity qualify as party-in-interest transactions. Another investment in the Plan is an investment fund comprised primarily of shares of common stock issued by Linens 'n Things, Inc., which qualifies as a party-in-interest investment. Participant loan transactions and

Edgar Filing: LINENS N THINGS INC - Form 11-K

investments are also party-in-interest transactions.

NOTE 6 - INCOME TAX STATUS

The IRS has determined and informed the prototype plan sponsor by letter dated December 5, 2001, that the prototype Plan as then designed and related trust was in compliance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.
