Oracle Raises PeopleSoft Bid to \$26 per Share

Oracle tender offer expires on March 12, Department of Justice decision expected by then

[Read the press release.](#)

PeopleSoft has scheduled its annual shareholder meeting for March 25, 2004, with a record date for voting of February 10, 2004. As a result of this accelerated schedule, after February 5, 2004, stockholders who make regular open market purchases of PeopleSoft shares will not be able to vote such shares at the annual meeting. Shareholders of PeopleSoft need to be sure that their shares are not out on loan by their bank or brokerage firm if they want to vote at this important meeting.

We believe this acquisition is pro-competitive, will benefit the customers of both companies, and will make Oracle an even more profitable company, said Oracle's CEO, Larry Ellison. We stand by our pledge to support the PeopleSoft customer base and provide enhanced support for PeopleSoft products.

Jeff Henley, Oracle's Chairman and CFO, said, "Given PeopleSoft's current prospects, including its recent downward revisions to earnings guidance for the first quarter, we believe our offer presents compelling value to PeopleSoft's stockholders. Oracle remains fully committed to completing this deal on terms that will benefit the stockholders of both companies. We expect this transaction to result in substantial cost savings, be accretive in the first year excluding amortization of intangibles, and involve minimal business integration risk."
