Notice on revised financial forecasts for the six months ended September 30, 2004 (non-consolidated)

Please be advised that Kubota Corporation (hereinafter the Company) has revised the non-consolidated (parent company only) financial forecasts for the six months ended September 30, 2004. Details are as follows:

1. Revised consolidated financial forecasts for the six months ended September 30, 2004

(April 1, 2004 September 30, 2004)		(¥million, %)				
		Net Sales	Ordinary Income	Net Income

Comparable Prior Period						
(Six months ended September 30, 2003)		293,363	17,860	10,109		

Interim dividends per 1 ADS remain ¥15.

2. Reasons for revision

Edgar Filing: KUBOTA CORP - Form 6-K

Sales increase by \$4.0 billion will be thanks to the favorable exports of tractors, engines and construction machinery. Increase of ordinary income by \$6.5 billion will be caused by the cost cut and depreciation of yen (In the first forecast, we expected \$-\$105) as well as the sales increase. Finally, net income will be increased by \$6.5 billion through the increase of ordinary income and \$3.8 billion of extraordinary income from the modification of pension plan of the Company.

3. Other revisions

The new forecasts for the non-consolidated financial forecasts for the six months ended September 30, 2004, and the consolidated financial forecast for the six months ended September 30, 2004, and the year ending March 31, 2005, will be released on November 8, 2004. As for the modification of pension plan mentioned above, the income from such modification will be excluded from the consolidated financial results, and be spent on the reduction for unfunded portion of pension liability at the end of this fiscal year. Accordingly the income from the modification of pension plan will not affect both the consolidated financial results and consolidated interim financial results of the Company.
