### **PROXY STATEMENT**

The Board of Directors of Beasley Broadcast Group, Inc., a Delaware corporation (the *Company*), is soliciting your proxy on the proxy card enclosed with this Proxy Statement. Your proxy will be voted at the Annual Meeting of Stockholders (the *Annual Meeting*) to be held on Thursday, May 12, 2005, at 11:00 a.m. local time, at the corporate offices of Beasley Broadcast Group, Inc., 3033 Riviera Drive, Suite 200, Naples, Florida, and any adjournment or postponement thereof. This Proxy Statement, the accompanying proxy card and the *Company's* Annual Report to Stockholders are first being mailed to stockholders on or about April 18, 2005.

### **VOTING SECURITIES**

#### **Voting Rights and Outstanding Shares**

Only stockholders of record on the books of the *Company* as of 5:00 p.m., March 17, 2005, which is the *Record Date*, will be entitled to vote at the *Annual Meeting*. At the close of business on March 17, 2005, the *Company* had 7,444,299 shares of Class A Common Stock outstanding (the *Class A Shares*), and 16,792,743 shares of Class B Common Stock outstanding (the *Class B Shares* and together with the *Class A Shares*, the *Common Stock*).

Under the *Company's* Restated Certificate of Incorporation and Bylaws, in the election of directors, the holders of the *Class A Shares* are entitled by class vote, exclusive of all other stockholders, to elect two of the *Company's* directors, with each *Class A Share* being entitled to one vote. With respect to the election of the other six directors and all other matters submitted to the stockholders for vote, the holders of *Class A Shares* and *Class B Shares* shall vote as a single class, with each *Class A Share* being entitled to one vote and each *Class B Share* entitled to ten votes.

Votes cast by proxy or in person at the *Annual Meeting* will be tabulated by the Inspector of Elections with the assistance of the *Company's* transfer agent. Except with respect to the election of directors (which is discussed separately under *Proposal 1: Election of Directors*) and except in certain other specific circumstances, the affirmative vote of a majority of shares present in person or represented by proxy at a duly held meeting at which a quorum is present is required under Delaware law and our Bylaws for approval of proposals presented to stockholders.

The Inspector will also determine whether or not a quorum is present. Our Bylaws provide that a quorum consists of a majority of the votes entitled to be cast and present in person or represented by proxy. The Inspector will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum and therefore, abstentions will generally have the effect of a negative vote for

Edgar Filing: BEASLEY BROADCAST GROUP INC - Form DEF 14A

purposes of determining the approval of matters submitted to the stockholders for a vote. However, with respect to any matter to be decided by a plurality of the votes cast at the meeting (such as the election of a director), proxies marked withhold authority or marked abstain or which constitute broker non-votes, will not be counted for the purpose of determining the number of votes cast at the meeting and will have no effect on the voting for such matter.

The shares represented by the proxies received, properly dated and executed and not revoked will be voted at the Annual Meeting in accordance with the instructions of the stockholders. A proxy may be revoked at any time before it is exercised by:

Delivering written notice of revocation to the Company, Attention: Caroline Beasley;

Delivering a duly executed proxy bearing a later date to the Company; or

Attending the Annual Meeting and voting in person.

Any proxy that is returned using the form of proxy enclosed and that is not marked as to a particular item will be voted FOR the election of directors and as the proxy holders deem advisable on other matters that may come before the meeting. If a broker indicates on the enclosed proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present with respect to that matter. The Company believes that the tabulation procedures to be followed by the Inspector are consistent with the general statutory requirements in Delaware concerning voting of shares and determination of a quorum.

The cost of soliciting proxies will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners.

Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone or telegram.

#### **PROPOSAL NO. 1: ELECTION OF DIRECTORS**

Eight directors are to be elected at the Annual Meeting to serve until the next annual meeting of stockholders or until their respective successors are elected or appointed. Nominees for election to the Board of Directors shall be approved by the following vote:

For Nominees to be Elected by the Holders of the Class A Shares: by a plurality of the votes cast by the holders of Class A Shares present in person or by proxy at the Annual Meeting, with each share being entitled to one vote.

For Nominees to be Elected by the Holders of All Classes of Common Stock: by a plurality of the votes cast by the holders of all classes of Common Stock present in person or by proxy at the Annual Meeting, with each Class A Share being entitled to one vote and each Class B Share being entitled to ten votes.

Abstentions from voting on the election of directors, including broker non-votes, will have no effect on the outcome of the election of directors. In the event any nominee is unable or unwilling to serve as a nominee, the proxies may be voted for the balance of those nominees named and for any substitute nominee designated by the present Board of Directors or the proxy holders to fill such vacancy, or for the balance of those nominees named without nomination of a substitute, or the Board of Directors may be reduced in accordance with the Bylaws of the Company. The Board of Directors has no reason to believe that any of the persons named will be unable or unwilling to serve as a nominee or as a director if elected.

**Stockholder Communication with Board Members**

Although the Company has not to date developed formal processes by which stockholders may communicate directly to directors, it believes that the informal process, in which stockholder communications which are received by the Secretary for the Board's attention, or summaries thereof, will be forwarded to the Board has served the Board's and the stockholders' needs. In view of recently adopted SEC disclosure requirements relating to this issue, the Board of Directors may consider developing more specific procedures. Until any other procedures are developed and posted on the Company's corporate website, any communications to the Board of Directors should be sent to it in care of the Secretary.

**Board Member Attendance at Annual Meetings**

The Company encourages all of its directors to attend the annual meeting of stockholders. The Company generally holds a board meeting coincident with the annual meeting to minimize director travel obligations and facilitate their attendance at the stockholders' meeting. All of our then-current directors attended the 2004 annual meeting of stockholders.

**Controlled Company**

The Company qualifies as a controlled company, within the meaning of Rule 4350(c)(5) of the National Association of Securities Dealers. The Company currently qualifies as a controlled company because more than 50% of the Company's voting power is controlled by the Company's Chairman and Chief Executive Officer, George Beasley. As a result, the Company is not required to have a Board of Directors consisting of a majority of Directors who are independent or compensation committee or nominating committee composed solely of independent directors.

**Committees of the Board of Directors**

During 2004, the Board of Directors had a standing audit committee and a compensation committee.

Edgar Filing: BEASLEY BROADCAST GROUP INC - Form DEF 14A

The Audit Committee, established in accordance with Section 3(a)(58)(A) of the Securities Act of 1924, as amended (the Exchange Act ), consists of Messrs. Cox, Fowler and McCord, each of whom is independent as the term independence is defined in Rule 4200(a)(15) of the NASDAQ rules and Rule 10A-3 under the Exchange Act. The Board of Directors has determined that Mr. Cox is an audit committee financial expert as that term is defined in the Exchange Act. The responsibilities of the audit committee include:

Recommending to the Board of Directors independent auditors to conduct the annual audit of the Company s financial statements;

Reviewing the proposed scope of the audit and approving the audit fees to be paid;

Reviewing the Company's accounting and financial controls with the independent auditors and its financial and accounting staff; and

Reviewing and approving transactions, other than compensation matters, between the Company and its directors, officers and affiliates.

The audit committee met six times during 2004 and did not act by unanimous written consent. The charter of the audit committee, as amended by the Board of Directors in March 2005, is attached hereto as Appendix A.

#### **AUDIT COMMITTEE REPORT**

To the Board of Directors:

We have reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 31, 2004.

We have discussed with the independent auditors, KPMG LLP, the matters required to be discussed by the American Institute of Certified Public Accountants, the Securities and Exchange Commission, the National Association of Securities Dealers, and the Public Company Accounting Oversight Board, including those required by the Statement on Auditing Standards No. 61.

We have received and reviewed the written disclosures and the letter from KPMG LLP required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and have discussed with the auditors the auditors independence.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission.

Joe B. Cox, Chair

Mark S. Fowler

Herbert W. McCord

The Compensation Committee consists of Messrs. Cox, Fowler, and McCord each of whom is independent as the term independence is defined in Rule 4200(a)(14) of the NASDAQ rules. This Committee provides a general review of the Company's compensation plans to ensure that they meet corporate objectives. The responsibilities of the compensation committee also include administering and interpreting the 2000 Equity Plan of the Company. The Compensation Committee met three times during 2004 and did not act by unanimous written consent.

## Edgar Filing: BEASLEY BROADCAST GROUP INC - Form DEF 14A

The Board of Directors currently does not have a nominating committee or a committee performing the functions of a nominating committee. The Board of Directors is not required to have a nominating committee because it is a controlled company as defined in the NASDAQ rules. Although there are no formal procedures for stockholders to nominate persons to serve as directors, the Board of Directors will consider recommendations from stockholders, which should be addressed to Caroline Beasley, Secretary of Beasley Broadcast Group, Inc. at the Company's address. The Company has not adopted a formal process because it believes that the informal consideration process has been adequate to date.

### **Director Compensation**

All of the Company's non-employee directors receive \$750 per meeting for attendance at each Board of Directors meeting, \$500 per meeting for attendance at each Audit Committee or Compensation Committee meeting, \$250 for each meeting deemed to be a telephonic meeting, and are reimbursed for their out-of-pocket travel expenses for each meeting attended. In addition, Mr. Cox received \$10,000 and Mr. Fowler and Mr. McCord each received \$5,000 for their services on the Audit Committee during 2004.

### 2000 Equity Plan

The principal purpose of the Equity Plan is to attract, retain and motivate selected officers, employees, consultants and directors through the granting of stock-based compensation awards. The equity plan provides for a variety of compensation awards, including restricted stock, non-qualified stock options, incentive stock options that are within the meaning of Section 422 of the Internal Revenue Code, stock appreciation rights, deferred stock, dividend equivalents, performance awards, stock payments and other stock-related benefits. A total of 4 million shares of Class A common stock are currently reserved for issuance under the Equity Plan. As of December 31, 2004, there were 1,019,000 shares available for grant under the Equity Plan. The Equity Plan provides that the Compensation Committee has the authority to select the employees and consultants to whom awards are to be made, to determine the number of shares to be subject to those awards and their terms and conditions, and to make all other determinations and to take all other actions necessary or advisable for the administration of the Equity Plan with respect to employees or consultants.

The Equity Plan also provides that each of the Company's independent director nominees will automatically be granted options to purchase 20,000 shares of the Company's Class A common stock upon election to the Board of Directors. These options will have an exercise price per share equal to the fair market value per share of the Company's Class A common stock as of the date of grant, and will be exercisable with respect to 10,000 shares as of the date of grant and will become exercisable with respect to an additional 5,000 shares on each of the first two anniversaries of the date of grant. The board may make additional option grants to the Company's independent directors from time to time, in its discretion, on such terms as the board determines consistent with the Equity Plan.

As of March 31, 2005, approximately 2.7 million shares of the Company's Class A common stock were subject to stock options held by 41 officers, directors and employees of the Company. On that date, the closing price of the Company's Class A common stock on Nasdaq was

\$17.78.

Historically, long-term incentive compensation for our executives and certain other employees has taken the form of option grants under the Equity Plan. However, due to potential changes in the accounting rules regarding the expensing of options and in order to continue to ensure that the interests of our executives continue to be aligned with our stockholders, the Committee has determined that long term incentive compensation shall generally be made in the form of restricted stock grants.

## COMPENSATION COMMITTEE REPORT ON

### EXECUTIVE COMPENSATION

The Compensation Committee is responsible for establishing compensation policies for the Company's executive officers, including the Chief Executive Officer and the other Named Officers, and setting the compensation for these individuals.

The Compensation Committee seeks to achieve two broad goals in connection with the Company's executive compensation programs and decisions regarding individual compensation. First, the Compensation Committee structures executive compensation programs in a manner that the Committee believes will enable the Company to attract and retain key executives. Second, the Compensation Committee establishes compensation programs that are designed to reward executives for the achievement of the business objectives of the Company. In fiscal 2004, executive compensation primarily consisted of cash compensation.

Cash compensation paid to the Company's executive officers during 2004 consisted of base salaries and cash bonuses. The base salaries of each of the Company's Named Officers were raised in 2004, in each case by approximately 5% pursuant to the terms of their employment agreements. In setting base salaries for the Company's executive officers under their employment agreements, the Committee generally considered the experience of the individual, the scope and complexity of the position filled by the individual, the Company's size and growth rate and the compensation paid by the Company's competitors. Each of the Named Officers also received a cash bonus for their contributions to the Company during 2004. These bonuses were generally higher than in 2002 and 2003 in order to reward the executive's role in the Company's improved results of operation during 2004.

George G. Beasley, the Company's Chief Executive Officer, received \$603,237 in annual salary pursuant to his employment agreement and was also awarded a cash bonus of \$150,000 in 2004. This bonus represented a 50% increase over the bonus paid to Mr. Beasley in 2003. In determining the amount of Mr. Beasley's cash bonus, the Compensation Committee considered Mr. Beasley's leadership in setting and pursuing the Company's financial, operational and strategic objectives and the Company's improved results of operation during 2004.

Based on its evaluation of the performance of the executive officers, the Compensation Committee believes that the Company's executive officers are committed to achieving positive long-term financial performance and enhancing shareholder value, and that the compensation policies and programs discussed in this report have motivated the Company's executive officers to work toward these goals.

Section 162(m) of the Internal Revenue Code of 1986 (the Code) limits the Company's Federal income tax deduction for certain executive compensation in excess of \$1 million paid to the Chief Executive Officer and the four next highest paid Named Officers. The \$1 million deduction limit does not apply, however, to performance-based compensation as that term is defined in Section 162(m)(4)(C) of the Code and the

regulations promulgated thereunder. The Committee recognizes the possibility that if the amount of the base salary of a named executive officer, and other compensation not described in the preceding paragraph exceeds \$1 million, it may not be fully deductible for Federal income tax purposes. The Committee will make a determination at any such time whether to authorize the payment of such amounts without regard to deductibility or whether the terms of such payment should be modified as to preserve any deduction otherwise available.

### RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

The audit committee has reappointed KPMG LLP as the independent public accounting firm to audit the Company's financial statements for the fiscal year beginning January 1, 2005. The audit committee has adopted a policy that sets forth the manner in which the audit committee will review and approve all services to be provided by KPMG LLP before the firm is retained. The audit committee pre-approves all audit and permitted non-audit services to be performed for the Company by its independent public accountants.
