Item 1. Security and Issuer.

The class of equity security to which this Statement on Schedule 13D relates is the common stock, par value \$.01 per share (the Shares), of US Unwired Inc., a Louisiana corporation (the Company). The name and address of the principal executive offices of the Company are US Unwired Inc., 901 Lakeshore Drive, Lake Charles, Louisiana 70601.

Item 2. Identity and Background.

This Statement is filed by Sprint Corporation, a Kansas corporation (Sprint), with the U.S. Securities and Exchange Commission on July 20, 2005. Sprint is a global communications company that offers an extensive range of innovative communications products and solutions, including global IP, wireless, local and multiproduct bundles. A Fortune 100 company with more than \$27 billion in annual revenues in 2004, Sprint is widely recognized for developing, engineering and deploying state-of-the-art network technologies, including the United States first nationwide all-digital, fiber-optic network; an award-winning Tier 1 Internet backbone; and one of the largest 100-percent digital, nationwide wireless networks in the United States. Sprint's principal place of business and principal office is at 6200 Sprint Parkway, Overland Park, Kansas 66251.

The name, citizenship, business address, principal occupation or employment and five-year employment history of each of the directors and executive officers of Sprint and certain other information are set forth in Schedule I hereto, which is incorporated herein by reference. Neither Sprint nor, to the best knowledge of Sprint, any of the persons listed on Schedule I during the last five years has been (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to any judicial or administrative proceeding (except for matters that were dismissed without sanction or settlement) that resulted in a judgment, decree or final order enjoining the person from future violations of, or prohibiting activities subject to, federal or state securities laws or finding any violation of such laws.

Item 3. Source and Amount of Funds or Other Consideration.

Sprint estimates that the total amount of funds required to consummate the transactions described in this Statement and to pay related fees and expenses and other obligations will be approximately \$1,130,000,000. Sprint plans to pay these obligations from available cash.

Item 4. Purpose of the Transaction.

Pursuant to an Agreement and Plan of Merger, dated as of July 10, 2005 (the Merger Agreement), by and among Sprint, UK Acquisition Corp. (Offeror), a Louisiana corporation and a wholly owned subsidiary of Sprint, and the Company, Offeror commenced an offer on July 15, 2005 (the Offer) to purchase all of the issued and outstanding Shares of the Company for \$6.25 per Share, net to the seller in cash, less any required withholding taxes and without interest (the Offer Price), upon the terms and conditions set forth in the Offer to Purchase, dated July 15, 2005 (the Offer to Purchase). The purpose of the Offer is to acquire control of, and the entire equity interest in, the Company. The Merger Agreement also provides that, following completion of the Offer, upon the terms and subject to the conditions of the Merger Agreement and in accordance with the Louisiana Business Corporation Law (the LBCL), Offeror will be merged with and into the Company (the Merger). Each Share then outstanding will be converted into the right to receive the Offer Price. Following the Merger, the Company will continue as the surviving corporation (the Surviving Corporation) and become a wholly owned subsidiary of Sprint, and the separate corporate existence of Offeror will cease.

The Offer is conditioned upon, among other things, there being validly tendered and not withdrawn prior to the expiration of the Offer a number of Shares that represents at least a majority of the then outstanding Shares on a fully diluted basis (the Minimum Condition). The Offer is also subject to the expiration or termination of all applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, receipt of required approvals from the Federal Communications Commission and other required regulatory approvals and the satisfaction or waiver of certain other terms and conditions.

If pursuant to the Offer, Offeror acquires at least 90% of the Shares then outstanding, in accordance with the Merger Agreement and the LBCL, Offeror will be able to effect the Merger without a vote of the shareholders. If, however, the Minimum Condition is met but Sprint and Offeror do not acquire 90% of the Shares then outstanding as a result of the Offer or otherwise, the vote of the shareholders will be required under the LBCL to effect the Merger.

The Merger Agreement further provides that, if requested by Sprint or Offeror and if the Minimum Condition is satisfied, promptly following the purchase of such Shares by Offeror pursuant to the Offer, and from time to time thereafter, the Company will take all actions necessary, including increasing the size of the Board of Directors of the Company or causing the resignation of members who were directors prior to the commencement of the Offer, to cause such number of persons designated by Offeror to become directors of the Company so that the percentage representation of Offeror's designees on the Board of Directors of the Company is equivalent to Offeror's percentage ownership of Shares issued and outstanding, on a fully diluted basis, as of such time. In addition, Sprint, Offeror and the Company have agreed to use their respective reasonable best efforts to ensure that at least two of the members of the Board of Directors of the Company will be continuing directors or persons designated by the continuing directors.

In connection with the Merger Agreement and for the purpose of facilitating the transactions contemplated thereby, Sprint entered into a Shareholders Agreement, dated as of July 10, 2005 (the Shareholders Agreement), with the following shareholders: William L. Henning, William L. Henning, Jr., John A. Henning Sr., Thomas G. Henning, Lena B. Henning, John A. Henning Exempt Class Trust No. 1, William L. Henning, Jr. Exempt Class Trust No. 1, Thomas G. Henning Exempt Class Trust No. 1, Cameron Communications, L.L.C. and The 1818 Fund III, L.P. (collectively, the Tendering Shareholders). Pursuant to the Shareholders Agreement, the Tendering Shareholders agreed to tender an aggregate of 45,087,920 Shares owned by the Tendering Shareholders (the Committed Shares) in the Offer and, if necessary, to vote the Committed Shares in favor of the Merger. As of June 30, 2005, the Committed Shares represented approximately 27% of the Shares issued and outstanding and approximately 25% of the Shares issued and outstanding on a fully diluted basis.

Pursuant to the Shareholders Agreement, the Tendering Shareholders irrevocably appointed Sprint as their proxy to vote their Shares in connection with the transaction in the following manner: (i) for the approval of the Merger Agreement and the Merger and (ii) against any alternative Acquisition Proposal unless Sprint determines to vote in favor of the Acquisition Proposal. If Sprint elects not to exercise its right to vote the securities pursuant to the irrevocable proxy, the Tendering Shareholders agree to vote the securities during the term of the Shareholders Agreement (A) to approve the Merger Agreement and the Merger or (B) against any other acquisition proposal unless Sprint determines to vote in favor of the Acquisition Proposal, in each case at any annual, special or other meeting or action of the shareholders of the Company in lieu of a meeting or otherwise. Acquisition Proposal means any proposal with respect to (1) a transaction pursuant to which any person (or group of persons) other than Sprint or its affiliates, directly or indirectly, acquires or would acquire more than 20% of the outstanding Shares or of the outstanding voting power of the Company, whether from the Company or pursuant to a tender offer or exchange offer or otherwise (other than the Offer), (2) a merger, share exchange, consolidation, business combination, recapitalization or any other transaction involving the Company

(other than the Merger), or any of its subsidiaries, pursuant to which any person or group of persons (other than Sprint or its affiliates) party thereto, or its shareholders, owns or would own more than 20% of the outstanding Shares or the outstanding voting power of the Company or, if applicable, the parent entity resulting from any such transaction immediately upon consummation thereof, or (3) any transaction pursuant to which any person (or group of persons) other than Sprint or its affiliates acquires or would acquire control of assets (including for this purpose the outstanding equity securities of the Company's subsidiaries and securities of the entity surviving any merger or business combination involving any of the Company's subsidiaries) of the Company or any of its subsidiaries representing more than 20% of the fair market value of all the assets of the Company and its subsidiaries, taken as a whole, immediately prior to such transaction.

In addition, during the term of the Shareholders Agreement, the Tendering Shareholders may not transfer, sell, give, assign, distribute, hypothecate, pledge, encumber, grant a security interest in, enter into any contract, option or other agreement or understanding with respect to, or otherwise dispose of (whether by operation of law or by agreement or otherwise), any Shares, or any right, title or interest in the Shares.

The Shareholders Agreement will terminate upon the earlier of the consummation of the Merger and the termination of the Merger Agreement in accordance with its terms. In addition, the Shareholders Agreement will terminate with respect to any Tendering Shareholder upon written notice by the Tendering Shareholder if the Tendering Shareholder is entitled to decline to tender or withdraw its tender. A Tendering Shareholder may decline to tender or withdraw its tender of Shares if (i) without the prior written consent of the Tendering Shareholder, Sprint or Offeror amends the Offer to reduce the price per Share to be paid to less than the Offer Price, reduce the number of Shares subject to the Offer, change the form of consideration payable in the Offer or amend or modify any term or condition of the Offer in a manner adverse to the shareholders of the Company or (ii) any governmental entity has issued a final, nonappealable order, decree or ruling or taken any other action permanently restraining, enjoining, or otherwise prohibiting the Tendering Shareholder from tendering Shares.

Depending upon the number of Shares purchased pursuant to the Offer, the Shares may no longer meet the standards for continued listing on the Nasdaq SmallCap Market (Nasdaq). According to Nasdaq's published guidelines, the Shares would not be eligible to be included for listing if, among other things, the number of Shares publicly held falls below 500,000, the number of holders of Shares falls below 300 or the market value of such publicly held Shares is not at least \$1,000,000. If, as a result of the purchase of Shares pursuant to the Offer, the Merger or otherwise, the Shares no longer meet the requirements of Nasdaq for continued listing, the listing of the Shares will be discontinued.

The foregoing description of the transactions contemplated by the Merger Agreement, the Offer to Purchase and the Shareholders Agreement is qualified in its entirety by reference to the respective documents, copies of which are filed hereto as Exhibits 1, 2 and 3, respectively, each of which is incorporated herein by reference.

Except as set forth in this Statement, the Shareholders Agreement or the Merger Agreement, neither Sprint nor, to the knowledge of Sprint, any person listed on Schedule 1 hereto, has any plans or proposals that relate to or that would result in any of the actions specified in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

As of the date hereof, Sprint owns no Shares. For purposes of Rule 13d-3 under the Securities Exchange Act of 1934, as amended, however, as a result of entering into the Shareholders Agreement, Sprint may be deemed to possess beneficial ownership of an aggregate of 45,087,920 Shares representing

approximately 27% of the issued and outstanding Shares. Sprint and the persons listed in Schedule 1 hereto, however, disclaim beneficial ownership of such securities, and this Statement shall not be construed as an admission that Sprint or any person listed on Schedule 1 hereto is the beneficial owner for any purpose of the securities covered by this Statement.

Except as described herein, neither Sprint nor, to the knowledge of Sprint, any person listed on Schedule 1 hereto, has acquired or disposed of any Shares during the past 60 days. Parts (d) and (e) of Item 5 are not applicable.

The foregoing description of the Shareholders Agreement is qualified in its entirety by reference to the Shareholders Agreement, a copy of which is filed hereto as Exhibit 3, which is incorporated herein by reference.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The information set forth, or incorporated by reference, in Items 3, 4 and 5 is incorporated herein by reference. Except as described in this Statement, there are no contracts, arrangements, understandings or relationship (legal or otherwise) between Sprint or, to the best of its knowledge, any of the persons named in Schedule 1 to this Statement or between Sprint and any other person or, to the best of its knowledge, any person named in Schedule 1 to this Statement and any other person with respect to any securities of the Company, including, but not limited to, transfer or voting of any securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or losses, or the giving or withholding of proxies
