Item 1.01. Entry into a Material Definitive Agreement

On April 27, 2006, we entered into a purchase agreement with Banc of America Securities LLC and Credit Suisse Securities (USA) LLC, acting as representatives of the several underwriters named in the agreement, relating to the sale by us to the underwriters of 18,500,000 shares of our common stock at the public offering price of \$37.36 per share less an underwriting discount of \$1.401 per share. In addition, Nasdaq has granted the underwriters' representatives an option, exercisable until May 27, 2006, to purchase up to an additional 2,775,000 shares of common stock under the same terms, to cover overallocments, if any. A copy of the purchase agreement is attached to this report as Exhibit 1.01 and is incorporated herein by reference. The 18,500,000 shares were sold under our shelf registration statement on Form S-3 (No. 333-131373) and yielded approximately \$665.2 million in net proceeds to Nasdaq, before expenses.

Item 2.04. Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

On May 2, 2006, The Nasdaq Stock Market, Inc. received approximately \$665.2 million in net proceeds in connection with its previously disclosed equity offering of 18,500,000 shares of common stock. The equity offering triggered a mandatory prepayment obligation under our Bank of America Tranche C term loan credit facility equal to 100% of the net proceeds from the equity offering. Consistent with Nasdaq's stated use of proceeds in its prospectus supplement previously filed in connection with the equity offering, Nasdaq made the prepayment to the lenders in accordance with the terms of the Tranche C term loan.

Item 9.01. Financial Statements and Exhibits

(c) Exhibits

1.01 Purchase Agreement
