Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Each of FSP and FSPQ entered into cash-settled equity-based swap agreements on July 18, 2005 (reset on August 18, 2006) with an independent bank counterparty based on the value of a specified number of notional Shares (the "Basket"). The Reporting Persons entered into the swap agreements under the market conditions existing at that time, and such decision to enter into those arrangements should not be read to reflect the Reporting Persons' current investment views with respect to the Shares.

Pursuant to the terms of each swap contract, if the per share price of the Shares is less than \$5.77 (the Price) as of the payment date, the bank counterparty must pay the respective Flagg Street Counterparty the product of (a) the number of shares in the Basket on the payment date, multiplied by (b) the current market price per share on the payment date, less the Price per share, subject to set off versus such Flagg Street Counterparty's payment obligation.

In the event that the per share price of the Shares is more than the Price as of the payment date, the respective Flagg Street Counterparty must pay the bank counterparty the product of (a) the number of shares in the Basket on the payment date, multiplied by (b) the Price per share, less the current market price per share on the payment date. Each Flagg Street Counterparty will receive from the bank counterparty during the term of the swaps an amount equal to the product of (a) the number of reference shares in the Basket, multiplied by (b) the Price, multiplied by (c) an annual rate of interest of the one month libor rate minus 125 basis points, subject to set off versus the bank counterparty's payment obligation.

Each swap is scheduled to terminate on September 20, 2007. During the term of the swaps, the respective Flagg Street Counterparty must pay any dividends or other proceeds that are otherwise payable in respect of the Shares based on the number of Shares in the Basket.

The Flagg Street Counterparties do not have the right to vote any of the Shares or dispose of any Shares pursuant to any swap agreement, and the swap counterparties are under no obligation to purchase, sell or hold any Shares.

After giving effect to the swap transactions described above, Flagg Street Partners LP is a party to swap contracts relating to an aggregate of 111,360 Shares, and Flagg Street Partners Qualified is a party to swap contracts relating to 48,640 Shares.

Except for the Agreements described above, to the best knowledge of the Reporting Persons, there are no contracts, arrangements, understandings or relationships (legal or otherwise), including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, between the persons enumerated in Item 2, and any other person, with respect to any securities of the Issuer, including any securities pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities other than standard default and similar provisions contained in loan agreements.
