PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held at 2:30 PM Pacific Time, October 19, 2006

INTRODUCTION

This Proxy Statement is furnished to you in connection with the solicitation of proxies by the Board of Directors of BofI Holding, Inc., a Delaware corporation (the Company), for use at the 2006 Annual Meeting of Shareholders, which will be held on Thursday, October 19, 2006, at 2:30 PM, Pacific Time, at the Marriott Hotel - Carmel Valley/Del Mar, 11966 El Camino Real, San Diego, CA 92130, and at any adjournment or postponement thereof (the Annual Meeting). This Proxy Statement and the accompanying proxy card are first being mailed to shareholders on or about September 22, 2006.

YOUR VOTE IS IMPORTANT. PLEASE VOTE AS SOON AS POSSIBLE BY COMPLETING, SIGNING AND DATING THE PROXY CARD ENCLOSED WITH THIS PROXY STATEMENT AND RETURNING IT IN THE ENCLOSED POSTAGE-PAID ENVELOPE.

Some shareholders may have their shares registered in different names or hold shares in different capacities. For example, a shareholder may have some shares registered in his or her name, individually, and others in his or her capacity as a custodian for minor children or as a trustee of a trust. In that event, you will receive multiple copies of this Proxy Statement and multiple proxy cards. **If you want all of your votes to be counted, please be sure to sign, date and return all of those proxy cards.**

Who May Vote?

If you were a shareholder on the records of the Company at the close of business on September 8, 2006, you may vote at the 2006 Annual Meeting, either in person or by proxy. On that day, there were 8,354,325 shares of our common stock outstanding and entitled to be voted.

How Many Votes Do I Have?

Each share is entitled to one vote; except that if any shareholder in attendance at the Annual Meeting announces an intention to cumulate votes in the election of directors prior to the voting, then all shareholders will be entitled to cumulate votes in that election. In an election of directors held by cumulative voting, each shareholder is entitled to cast a number of votes that is equal to the number of directors to be elected (which at this Annual Meeting will be three) multiplied by the number of shares which the shareholder is entitled to vote at the Meeting, and to cast all of those votes for a single nominee or to distribute them among any three or more of the nominees in such proportions as the shareholder may choose.

In order to vote, you must either designate a proxy to vote on your behalf, or attend the Annual Meeting and vote your shares in person. The Board of Directors requests your proxy so that your shares will count toward a quorum and be voted at the Annual Meeting.

How Will The Board Vote My Proxy?

A properly executed proxy received by us prior to the Annual Meeting, and not revoked, will be voted as directed by the shareholder on that proxy. If a shareholder provides no specific direction, the shares will be voted **FOR** the election of the Directors nominated by the Board.

If any other matter should be presented at the Annual Meeting upon which a vote may properly be taken, the shares represented by the proxy will be voted in accordance with the judgment of the holders of the proxy. However, if your stock is held in a brokerage account or by a nominee, please read the information below under caption *Voting Shares Held by Brokers, Banks and Other Nominees* and *Vote Required* regarding how your shares may be voted.

How Do I Vote?

Voting by Proxy. Shareholders may complete, sign, date and return their proxy cards in the postage-prepaid return envelope provided. If you sign and return your proxy card without indicating how you want to vote, your proxy will be voted as recommended by the Board of Directors (except, as described below, for shares held by brokers, banks and other nominees). If you forget to sign your proxy card, your shares cannot be voted. However, if you sign your proxy card but forget to date it, your shares will still be voted as you have directed. You should, however, date your proxy card, as well as sign it.

Voting In Person at the Annual Meeting. In the alternative, you may attend the Annual Meeting and vote in person. However, if your shares are held in a brokerage account or by a nominee holder, you will need to contact the broker or the nominee holder to obtain a proxy that will enable you to vote your shares in person at the Annual Meeting.

Voting Shares Held by Brokers, Banks and Other Nominees

If you hold your shares of common stock in a broker, bank or nominee account, you are the beneficial owner of those shares, holding them in street name. In order to vote your shares, you must give voting instructions to your broker, bank, or other intermediary who is the nominee holder of your shares. We ask brokers, banks and other nominee holders to obtain voting instructions from the beneficial owners of our common stock. Proxies that are transmitted by nominee holders on your behalf will count toward a quorum and will be voted as instructed by you as beneficial holder of the shares. If you fail to provide voting instructions to your broker or other nominee, your broker or other nominee will have discretion to vote your shares at the Annual Meeting for the election of the Board's Director nominees (unless there is a counter-solicitation or your broker has knowledge of a contest, as those terms are used in the New York Stock Exchange Rules).

Vote Required

Quorum Requirement. Our Bylaws require that a quorum—that is, the holders of a majority of all of the shares of our common stock entitled to vote at the Annual Meeting—be present, in person or by proxy, before any business may be transacted at the Meeting (other than adjourning the Meeting to a later date to allow time to obtain additional proxies to satisfy the quorum requirement).

Votes Required to Elect Directors. Assuming a quorum of the shareholders is present in person or by proxy at the Annual Meeting, a plurality of the votes cast is required for the election of Directors. As a result, the three nominees who receive the highest number of votes cast will be elected. Any shares voted to *Withhold Authority* will have no effect on the outcome of the election of directors. Broker non-votes, which relate to shares for which street or nominee holders do not obtain voting instructions from the beneficial holders and cannot or do not choose to vote the shares on a discretionary basis, are not counted as votes cast. However, shares voted to *Withhold Authority* and broker non-votes are considered present at the meeting for purposes of determining whether a quorum is present.

How Can I Revoke My Proxy?

If you are a registered owner and have sent in your proxy, you may change your vote by revoking your proxy by means of any one of the following actions which, to be effective, must be taken before your proxy is voted at the Annual Meeting:

Sending a written notice to revoke your proxy to the Secretary of the Company, at 12777 High Bluff Drive, #100, San Diego, CA 92130. To be effective, the Company must receive the notice of revocation before the Annual Meeting commences.

Transmitting a proxy by mail at a later date than your prior proxy. To be effective, the Company must receive the later dated proxy before the Annual Meeting commences. If you fail to date or to sign that proxy, however, it will not be treated as a revocation of an earlier dated proxy.

Attending the Annual Meeting and voting in person or by proxy in a manner different than the instructions contained in your earlier proxy.

However, if a broker or other nominee holder holds your shares, you will need to contact your broker or the nominee holder if you wish to revoke your proxy.

Three directors will be elected at the Annual Meeting to hold office for a three-year term expiring at the 2009 Annual Shareholders Meeting or until their successors are elected and have qualified. The Board of Directors has nominated the persons named below for election to the Board. Unless otherwise instructed, the proxy holders named in the enclosed proxy intend to vote the proxies received by them for the election of three of these nominees. If, prior to the Meeting, any nominee of the Board of Directors becomes unable to serve as a director, the proxy holders will vote the proxies received by them for the election of a substitute nominee selected by the Board of Directors.

Vote Required and Recommendation of the Board of Directors

As a result, shares as to which the authority to vote is withheld, which will be counted, and broker non-votes, which will not be counted, will have no effect on the outcome of the election of directors.

If any record shareholder gives notice at the Annual Meeting of his or her intention to cumulate votes in the election of Directors, the proxy holders shall have the discretion to allocate and cast the votes represented by the proxies they hold among the nominees named below in such proportions as they deem appropriate in order to elect as many of those nominees as is possible.

In accordance with our Bylaws and Delaware law, the Board of Directors oversees the management of the business and affairs of the Company. The members of the Board also are the members of the Board of Directors of the Bank, which accounts for substantially all of the Company's consolidated operating results. The members of the Board keep informed about our business through discussions with senior management and other officers and managers of the Company and its subsidiaries, including the Bank, by reviewing analyses and reports sent to them by management and outside consultants, and by participating in Board and in Board committee meetings.

As reflected in our Corporate Governance Guidelines discussed in greater detail below, our Board members are encouraged to prepare for and attend all Board of Director and shareholder meetings and the meetings of the Board committees on which they are members. During the 2006 fiscal year, the Boards of Directors of the Company and the Bank held a total of 11 meetings and 11 meetings, respectively. All directors attended at least 75 percent of the total of those meetings and the meetings of the Board committees on which they served. Eight of our directors attended our Annual Meeting of Shareholders held in October 2005.

Board Composition

Our Board of Directors is authorized to have up to ten members and nine members are currently on the board. In accordance with the terms of our Amended and Restated Certificate of Incorporation and Bylaws, our Board of Directors was divided into three classes, class I, class II and class III, with each class serving staggered three-year terms. The members of the classes are divided as follows:

the class I directors are Messrs. Allrich, Burke and Chipman and their terms will expire at the 2008 annual meeting of stockholders;

the class II directors are Messrs. Englert, Grinberg and Evans, and their terms will expire at the 2006 annual meeting of stockholders; and

the class III directors are Messrs. Witter and Pancheri and Ms. Paulus, and their terms will expire at the 2007 annual meeting of stockholders.

The authorized number of directors may be changed only by resolution of the Board of Directors. Any additional directorships resulting from an increase in the number of directors will be distributed between the three classes so that, as nearly as possible, each class will consist of one third of the directors. This classification of our Board of Directors may have the effect of delaying or preventing changes in our control or management. Our directors will hold office until their successors have been elected and qualified or until their earlier death, resignation, disqualification or removal for cause by the affirmative vote of the holders of a majority of our outstanding stock entitled to vote on election of directors.

The Board has determined that six members of the Board are independent under the definition of independence set forth in NASDAQ's listed company rules. Mr. Evans is not independent because he is our Chief Executive Officer. Mr. Allrich and Mr. Englert are not independent because each served as a consultant to our company from February 2003 to January 2004 in connection with our capital raising efforts. In reaching these conclusions, the Board considered all relevant facts and circumstances with respect to any direct or indirect relationships between the Company and each of the non-management directors. The Board determined that any relationships that now exist, or may have existed in the past, between the Company and any of the non-management directors have no material effect on their independence.

In accordance with the Board's independence evaluation, six out of nine of the current members of the Board are independent directors. In addition, all of the members of the Audit and Compensation Committees of the Board are independent directors.

Communications with the Board

Shareholders and other parties interested in communicating with the non-management directors as a group may do so by writing to the Chairman of the Board of Directors, c/o Corporate Secretary, BofI Holding, Inc., 12777 High Bluff Drive #100, San Diego, CA 92130. The Corporate Secretary will review and forward to the appropriate members of the Board copies of all such correspondence that, in the opinion of the Corporate Secretary, deals with the functions of the Board or its committees or that he/she otherwise determines requires their attention. Concerns relating to accounting, internal controls or auditing matters will be brought promptly to the attention of the Chairman of the Audit Committee and will be handled in accordance with procedures established by the Board's Audit Committee.

Corporate Governance Principles

Our Directors are committed to having sound corporate governance principles that assist them in fulfilling their oversight duties. These principles are essential to maintaining the Company's integrity in the marketplace. In January 2005, our Board formally adopted Corporate Governance Guidelines of BofI Holding, Inc. (the "Governance Guidelines"), which include a number of the practices and policies under which our Board has operated for some time, together with concepts suggested by various authorities in corporate governance and the new requirements under the NASDAQ's listed company rules and the Sarbanes-Oxley Act of 2002. Some of the principal subjects covered by our Governance Guidelines include:

Director Qualifications, which include a Board candidate's independence, experience, knowledge, skills, expertise, integrity, ability to make independent analytical inquiries; his or her understanding of our business and the business environment in which we operate; and the candidate's ability and willingness to devote adequate time and effort to Board responsibilities, taking into account the candidate's employment and other board commitments.

Responsibilities of Directors, including acting in the best interests of all shareholders; maintaining independence; developing and maintaining a sound understanding of our business and the industry in which we operate; preparing for and attending Board and Board committee meetings; and providing active, objective and constructive participation at those meetings.

Director Access to management and, as necessary and appropriate, independent advisors, including encouraging presentations to the Board from the officers responsible for functional areas of our business.

Maintaining Adequate Funding to retain independent advisors for the Board, and also for its standing committees as the members of those committees deem to be necessary or appropriate.

Annual Performance Evaluation, including an annual self-assessment of the performance of the Compensation Committee.

Regularly Scheduled Executive Sessions, without management, will be held by the Board. In addition, the Audit Committee meets with the Company's outside auditors separately from management.

Code of Business Conduct

We have adopted a Code of Business Conduct for our directors, officers and employees and a specific Code of Ethics that applies to our Chief Executive Officer and Chief Financial Officer. A copy of

our Code of Business Conduct and Code of Ethics can be found at the Corporate Governance section of our website at www.bofiholding.com. We intend to disclose, at this location on our website, any amendments to that Code and any waivers of the requirements of that Code that may be granted to our Chief Executive Officer or Chief Financial Officer.

Other Governance Matters

In addition to the governance initiatives discussed above, our Chief Executive Officer and Chief Financial Officer have provided the certifications of our SEC filings required by Sections 302 and 906 of the Sarbanes-Oxley Act of 2002 each quarter since the certification rules became applicable to us. We also have adopted charters for our Board committees in compliance with NASDAQ listed company rules.

You can access our Board committee charters, and other corporate governance materials, news releases and SEC filings, by visiting the Investor Relations section of our website at www.bofiholding.com.

Committees of the Board of Directors

The Board has three standing committees: Audit, Compensation and Nominating. Information regarding the members of each of those Committees and their responsibilities and the number of meetings held by those Committees for the 2006 fiscal year are set forth below.

Audit Committee. The members of the Audit Committee are Paul Grinberg, its Chairman, Thomas Pancheri and Gordon Witter. All of the members of the Audit Committee are independent directors within the meaning of the NASDAQ listed company rules and meet the enhanced independence requirements for audit committee members contained in Rule 10A-3 under the Securities Exchange Act of 1934, as amended. Our Board of Directors has determined that Mr. Grinberg meets the definitions of "audit committee financial expert" adopted by the Securities and Exchange Commission (the "SEC") and included in NASDAQ's rules for listed companies. The Audit Committee has a written charter that specifies its responsibilities, which include oversight of the financial reporting process and system of internal accounting controls of the Company, and appointment and oversight of the independent public accountants engaged to audit the Company's financial statements. Our Board of Directors, upon the recommendation of the Audit Committee, approved that charter. A copy of that Audit Committee Charter, which complies with applicable NASDAQ rules, is accessible at the Investor Relations section of our website at www.bofiholding.com. The Audit Committee held four meetings during fiscal 2006. The Audit Committee also meets with our outside auditors and members of management, separately.

Compensation Committee. The Compensation Committee is comprised of the following directors, all of whom are independent (as defined in the applicable NASDAQ listed company rules): Gordon Witter, who serves as the Committee's Chairman, Paul Grinberg, and Thomas Pancheri. The Compensation Committee reviews and approves the salaries and establishes incentive compensation and other benefit plans for our executive officers. Our Board of Directors has approved a charter setting forth the role and responsibilities of the Compensation Committee. A copy of that charter, which complies with applicable NASDAQ rules, is accessible at the Investor Relations section of our website at www.bofiholding.com. The Compensation Committee held seven meetings during fiscal 2006.

Nominating Committee. The members of the Nominating Committee are C. Michelle Paulus, its Chairwoman, Paul Grinberg and Gordon Witter. The Committee will identify and screen new candidates for Board membership. All members of the Committee are an independent director within the meaning of the NASDAQ listed company rules. The Board has adopted a charter setting forth the responsibilities of the Nominating Committee. A copy of that charter, which complies with applicable NASDAQ rules, is accessible at the Investor Relations section of our website at www.bofiholding.com. The Committee met one time during fiscal 2006 in its role as Nominating Committee.

The Director Nominating Process. In identifying new Board candidates, the Nominating Committee will seek recommendations from existing board members and executive officers. The Committee also has the authority to engage an executive search firm and other advisors, as it deems appropriate to assist it identifying qualified candidates for the Board.

In considering potential new directors and officers, the Committee will review individuals from various disciplines and backgrounds. Among the qualifications to be considered in the selection of candidates are broad experience in business, finance or administration; familiarity with national and international business matters; familiarity with the Company's industry; and prominence and reputation. Since prominence and reputation in a particular profession or field of endeavor are what bring most persons to the Committee's attention, there is the further consideration of whether the individual has the time available to devote to the work of the Board and one or more of its committees.

A review is also to be made of the activities and associations of each candidate to ensure that there is no legal impediment, conflict of interest or other consideration that might hinder or prevent service on the Board. In making its selection, the Committee will bear in mind that the foremost responsibility of a director of a Company is to represent the interests of the stockholders as a whole.

Director Compensation

Our directors who are also employees of our company receive no additional compensation for their services as directors. Our non-employee directors receive \$2,000 per month for serving on our board and are reimbursed for travel expenses and other out-of-pocket costs of attending board and committee meetings. The Chairman of the Board of Directors receives an additional \$500 per month (\$2,500) for serving as Chairman. The Chairman of the Audit Committee receives \$5,000 per quarter in addition to his monthly fee. Our non-employee and employee directors are eligible to receive options and shares of restricted common stock under our 2004 Stock Incentive Plan.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (referred to as the Exchange Act), requires our directors and executive officers, and persons who own more than 10% of our equity securities, to file reports of ownership and reports of changes in ownership of common stock with the Securities and Exchange Commission. The Exchange Act requires officers, directors and greater than 10% stockholders to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of such forms and certifications furnished to us, we believe that all of our directors, executive officers and greater than 10% shareholders complied with all Section 16(a) filing requirements applicable to them during the 2006 fiscal year, except as follows. Director Pancheri filed one Form 4 late on a purchase transaction. Director Witter filed one Form 4 late for the conversion of his preferred stock into common stock. Director Englert filed two Form 4's late - one for conversion of his preferred stock into common stock and one for the transfer of securities. Directors Burke and Chipman each filed one Form 3 and one Form 4 late in connection with their election to the Board of Directors and their grants of stock options. Former executive Patrick Dunn filed one Form 4 late for the cancellation of certain stock options.

Employment Agreements

The Bank, the Company's principal subsidiary, has entered into an employment agreement with each of the named executive officers to ensure that the Bank will be able to maintain a stable and competent management base. The Bank entered into the agreements effective July 2003. The original term of the agreements is three years; however, the agreements automatically renew in one-year increments unless terminated by either party. Below is a summary of the terms of the employment agreements.

Base salary. The employment agreement provides for a base salary that was determined according to competitive pay practices, level of responsibility, prior experience and breadth of knowledge. The Bank used its discretion rather than a formal weighting system to evaluate these factors and to determine individual base salary levels. The agreement defines annual base salary increases. The Compensation Committee reviews the base salary defined in the agreement periodically.

Annual incentive bonus. Named officers are awarded annual incentive bonuses based on quantitative criteria defined in the employment agreement. The criteria are based on the Bank's profitability and asset growth. No more than one-half of the bonuses may be paid in cash and the remainder contributed to the named officer's deferred compensation plan. The employment agreement defines a three-year vesting period.

One-time deferred compensation. As provided by the employment agreement, the Bank contributed a one-time amount to the named officers' deferred compensation plan. The deferred compensation and all earnings shall vest incrementally over a five-year period.

Change of control. In the event the Bank terminates a named officer's employment for any reason other than for cause, then the Bank must (a) pay that officer normal compensation in effect through the date of termination; (b) pay that officer a severance payment equal to twelve times his then-current base monthly salary, payable at the option of our Board of Directors either in one lump sum or in twelve equal installments; and (c) continue group insurance benefits for that officer for one year from termination or until that officer commences work with a new employer providing group medical insurance benefits to that officer. In addition, if a named officer's employment is terminated for any reason other than for cause, or that officer's employment is terminated due to death or disability, then all stock options currently held by such officer will fully vest as of the termination date.

Deferred Compensation Plans

Effective January 1, 2003, we adopted the Bank of Internet USA Nonqualified Deferred Compensation Plan to provide designated key executive and management employees with an opportunity to defer additional compensation beyond the limitations imposed on our 401(k) plan by the Internal Revenue Code. Our deferred compensation plan allows eligible employees to elect to defer up to 100% of their compensation, including commissions and bonuses. Although the plan provides that we may make discretionary contributions to a participant's account, no such discretionary contributions have been made to date. Participant deferrals are fully vested at all times, and discretionary contributions, if any, will be subject to a vesting schedule specified by us. The liabilities associated with the plan are unfunded and unsecured. All three of our currently eligible employees currently participate in the plan. We also have a substantially similar deferred compensation plan for our outside directors, of whom one director currently is a participant.

Certain Transactions

In the ordinary course of its business, the Bank makes loans to and engages in other banking transactions including maintaining deposit accounts with its directors and their associates. Such loans and other banking transactions are made on the same terms, including interest rates and collateral securing the loans, as those prevailing at the time for comparable transactions with persons of comparable creditworthiness who have no affiliation with the Company or the Bank. In addition, such loans are made only if they do not involve more than the normal risk of collectibility of loans made to non-affiliated persons and do not present any other unfavorable features.

Compensation Committee Interlocks and Insider Participation

Members of the Compensation Committee. The members of the Compensation Committee in 2006 were Gordon Witter, the Committee's Chairman, Paul Grinberg and Thomas Pancheri, each of whom was determined by the Board of Directors to be independent within the meaning of that term in the NASDAQ's listed company rules.

No Interlocks. No executive officer of the Company served on the Board of Directors or compensation committee of any entity that has one or more executive officers serving as members of the Company's Board of Directors or Compensation Committee.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee is responsible for approving salaries, awarding bonuses and granting options to the named officers and other key personnel and overseeing the development and implementation of compensation and benefit programs, including the Company's incentive stock plans, that are designed to enable the Company to retain existing, and attract new, management personnel and thereby remain competitive with other financial institutions.

The following report is submitted by the Compensation Committee members, with respect to the executive compensation policies established by the Committee and the compensation of executive officers for the fiscal year ended June 30, 2006.

Compensation Policies and Objectives

In adopting, and also evaluating the effectiveness of, compensation programs for executive officers, as well as other management employees of the Company, the Committee is guided by three basic principles:

The Company must be able to attract and retain highly qualified and experienced banking professionals with proven performance records.

A substantial portion of annual executive compensation should be tied to the Bank's performance, measured in terms of profitability, asset growth and asset quality and other factors that can affect the financial performance of the Bank.

The financial interests of the Company's senior executives should be aligned with the financial interests of the shareholders, primarily through stock option grants, which reward executives for improvements in the market performance of the Company's common stock.

Attracting and Retaining Executives and Other Key Employees

There is substantial competition among banks and other financial institutions and financial service organizations for qualified banking professionals. In order to retain executives and other key employees, and to attract additional well-qualified banking professionals when the need arises, the Company strives to offer salaries and health care, retirement and other employee benefit programs to its executives and other key employees which are competitive with those offered by other banks and financial services organizations. In addition, we need skilled traditional bankers that can adapt to the Internet delivery channel that includes marketing and communications.

In establishing salaries for the named officers and other executives, the Compensation Committee reviews (i) the historical performance of those officers and other executives; and (ii) available information regarding prevailing salaries and compensation programs at banks and other financial services organizations which are comparable, in terms of asset-size, capitalization and performance to the Bank. Another factor, which is considered in establishing salaries of executive officers, is the cost of living in Southern California, which generally is higher than in other parts of the country.

Elements of the Compensation Program

With a focus on both retention and reward, the Board of Directors decided it would be in the Company's best interest to enter into a multi-year employment agreement with the named officers. Accordingly, the Bank entered into a three-year agreement with the named officers in 2004. A description of the agreements is contained above in the section of this proxy statement entitled "Executive Compensation Employment Agreement". An outside firm was utilized for assistance in the design of the program and all the employment agreements provide for a base salary, annual incentive bonus and a one-time deferred compensation entitlement. Named officers are also provided with other benefits available to all eligible employees.

Base Salary

The employment agreement provides for a base salary that was determined according to competitive pay practices, level of responsibility, prior experience and breadth of knowledge. The Company used its discretion rather than a formal weighting system to evaluate these factors and to determine individual base salary levels. The agreement defines annual base salary increases subject to meeting asset growth targets. The Compensation Committee reviews the base salary defined in the agreement periodically.

Annual Incentive Bonus

Named officers are awarded annual incentive bonuses based on quantitative criteria defined in the employment agreement. The criteria are based on Company profitability and asset growth. No more than one-half of the bonuses may be paid in cash and the remainder contributed to the named officers deferred compensation plan. The employment agreement defines a three-year vesting period. The Compensation Committee may award a discretionary bonus as well. For his contributions to the Company's successful IPO in fiscal 2005, the Compensation Committee awarded Company CFO, Andrew Micheletti, a discretionary bonus in the amount of \$30,000.

One-time Deferred Compensation

As provided by the employment agreement, the Company contributed a one-time amount to the named officers deferred compensation plan. The deferred compensation and all earnings shall vest incrementally over a five-year period.

CEO Compensation

As defined in his employment agreement, total compensation paid to Mr. Evans for fiscal 2006 was a base salary of \$199,231. Mr. Evans earned bonuses totaling \$22,275, including \$15,000 for vesting one fifth of his \$75,000 one time deferred compensation bonus. Mr. Evans also earned \$4,275 for one-year's vesting of his 2004 annual incentive bonus, and \$3,000 for his 2005 annual incentive bonus. No other compensation was awarded to Mr. Evans outside the terms of his employment agreement.

Management is responsible for the preparation, presentation and integrity of the Company's financial statements, internal controls and financial reporting process and the procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Company's independent registered public accounting firm, Crowe Chizek and Company LLP, (Crowe Chizek) is responsible for auditing the financial statements and for expressing an opinion as to whether the financial statements present fairly the consolidated financial position, results of operations, and cash flows of the Company in conformity with generally accepted accounting principles in the United States.

The Audit Committee has reviewed and discussed the 2006 financial statements with management and Crowe Chizek. In addition, the Audit Committee has discussed the matters required pursuant to Statement on Auditing Standards No. 61 (Communication with Audit Committees) with Crowe Chizek, has received written disclosures and the letter from Crowe Chizek required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed the independence disclosures and letter with Crowe Chizek and has considered the compatibility of any non-audit services performed by Crowe Chizek for the Company on its independence. Based solely on the Audit Committee's review of the matters noted above and its discussions with the Company's auditors and the Company's management, the Audit Committee recommended to the Board of Directors that the Company's financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2006 for filing with the Securities and Exchange Commission.

COMPANY STOCK PERFORMANCE

The following graph compares the stock performance of our common stock, after our initial public offering starting March 15, 2005 through June 30, 2006, with that of (i) the companies included in the U.S. NASDAQ Index, and (ii) the banks included in the American Community Bankers NASDAQ (ACBQ) Index:

The Stock Performance Graph assumes that \$100 was invested in the Company on March 15, 2005 (which was the date on which the Company's shares commenced trading on the NASDAQ National Stock Market), and in the ACBQ Index and that any dividends issued for the indicated periods were reinvested. The ACBQ Index generally includes all NASDAQ listed banks or thrifts or their holding companies, excluding the 50 largest banks or thrifts based on asset size. Shareholder returns shown in the Performance Graph are not necessarily indicative of future stock performance.

INDEPENDENT PUBLIC ACCOUNTANTS

Crowe Chizek and Company LLP (Crowe) audited the Company's consolidated financial statements for the fiscal year ended June 30, 2006. The Audit Committee's Charter provides that the Audit Committee must pre-approve services to be performed by the Company's independent registered public accounting firm. On October 5, 2005, after having reviewed several proposals from alternative auditing firms, the Audit Committee pre-approved the engagement of Crowe and dismissed its former independent registered public accounting firm. The engagement of Crowe was based upon a review of audit firms and their capabilities, qualifications and expertise relative to the Company's current and anticipated needs, and was not the result of any disagreement between the Company and Deloitte & Touche LLP, the Company's previous independent registered public accounting firm (Deloitte) on any matter of accounting principles or practices, financial statement disclosure or auditing scope and procedures on any matter.

The audit reports of Deloitte on the consolidated financial statements of the Company as of and for the years ended June 30, 2005 and 2004, did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the fiscal years ended June 30, 2005 and 2004, and from June 30, 2005 through the effective date of Deloitte's dismissal, there were no disagreements between the Company and Deloitte on any matters of accounting principle or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to their satisfaction, would have caused Deloitte to make reference to the subject matter of such disagreements in connection with its reports. Also, during the fiscal years ended June 30, 2005 and 2004, and from June 30, 2005 through the effective date of Deloitte's dismissal, there were no reportable events as described in Item 304(a)(1)(v) of Regulation S-K issued by the SEC.

The Company requested and received from Deloitte a letter addressed to the SEC stating that they agreed with the foregoing statements. A copy of the letter was filed as Exhibit 16.1 to the related Current Report on Form 8-K/A filed with the SEC on October 24, 2005. In addition, the Company provided Deloitte and Crowe a copy of this proxy statement prior to its filing with the SEC.

The Company did not consult with Crowe regarding the application of accounting principles to a specific transaction, either proposed or completed, or the type of audit opinion that might be rendered on the Company's financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

A representative of Crowe will be present at the Annual Meeting, with the opportunity to make a statement if so desired, and will be available to respond to appropriate questions submitted to the Secretary of the Company in advance of the Annual Meeting.

The following table contains information regarding the aggregate fees charged to the Company by Crowe for audit services rendered in connection with the audited consolidated financial statements and reports for the 2006 fiscal year. The aggregate fees charged by the Company's former auditors are included in audit-related fees for fiscal 2006 and all fees in fiscal 2005.

The audit committee (the Committee) of the Board of Directors (the Board) of BofI Holding, Inc., a Delaware corporation (the Company), is appointed by the Board for the purpose of overseeing the Company's accounting and financial reporting processes and the audits of the Company's financial statements. In so doing, the Committee shall endeavor to maintain free and open communication between the Company's directors, independent auditor and financial management.

The Committee shall have the authority to retain independent legal, accounting or other advisers as it determines necessary to carry out its duties and, if necessary, to institute special investigations. The Committee may request any officer or employee of the Company, or the Company's outside counsel or independent auditor, to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. Further, the Committee may request any such officer, employee, outside counsel or independent auditor to provide any pertinent information to the Committee or to any other person or entity designated by the Committee.

The Company shall provide the Committee with appropriate funding, as determined by the Committee in its capacity as a committee of the Board, for the payments of: (1) compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company; (2) compensation to any independent advisers retained by the Committee in carrying out its duties; and (3) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

- (i) each Member must be independent as defined in NASD Marketplace Rule 4200(a)(15);
- (ii) each Member must meet the criteria for independence set forth in Rule 10A-3(b)(1) promulgated under the Securities and Exchange Act of 1934, as amended (the Act), subject to the exemptions provided in Rule 10A-3(c) under the Act;

Notwithstanding subparagraph (i) above, one (1) director who (a) is not independent as defined in NASD Marketplace Rule 4200, (b) meets the criteria set forth in Section 10A(m)(3) under the Act and the rules promulgated thereunder and (c) is not a current officer or employee of the Company or Family Member (as defined in NASD Marketplace Rule 4200(a)(14)) of such an officer or employee, may be appointed to the Committee if the Board, under exceptional and limited circumstances, determines that membership on the Committee by the individual is required by the best interests of the Company and its stockholders, and the Board discloses, in the Company's next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for that determination. A Member appointed under the exception set forth in the preceding sentence must not serve longer than two (2) years and must not serve as chairperson of the Committee.

If a current Member of the Committee ceases to be independent under the requirements of subparagraphs (i) and (ii) above for reasons outside the Member's reasonable control, the affected Member may remain on the Committee until the earlier of the Company's next annual stockholders meeting or one year from the occurrence of the event that caused the failure to comply with those requirements; provided, that when relying on the exception set forth in this sentence the Committee shall cause the Company to provide notice to NASDAQ immediately upon learning of the event or circumstance that caused the non-compliance. Further, if the Committee fails to comply with the requirements set forth in this

Committee Membership section of the Charter due to one vacancy on the Committee, and the cure period set forth in the preceding sentence is not otherwise being relied upon for another Member, the Company will have until the earlier of its next annual stockholders meeting or one year from the occurrence of the event that caused the failure to comply with the requirements to rectify such non-compliance; provided, that when relying on the exception set forth in this sentence the Committee shall cause the Company to provide notice to NASDAQ immediately upon learning of the event or circumstance that caused the non-compliance.
