Item 2.02. Results of Operations and Financial Condition

On November 2, 2006, BJ's Wholesale Club, Inc. announced its sales results for the fiscal month, quarter and nine months ended October 28, 2006. The full text of the press release issued in connection with the announcement is attached as Exhibit 99.1 to this Current Report on Form 8-K.

In the attached press release, comparable club sales information is presented both for total sales, and for all sales excluding the impact of gasoline sales. Comparable club sales excluding the impact of gasoline sales may be deemed to be a non-GAAP measure. We believe this measure is useful to investors because it assists in their understanding of trends in the Company's operations independent of fluctuations due to the impact of fuel price volatility on sales of gasoline. The Company's management uses this measure along with the most directly comparable GAAP financial measure in evaluating the Company's operating performance. Non-GAAP financial measures should not be considered in isolation from, or as a substitute for or superior to financial information presented in compliance with GAAP. Non-GAAP financial measures as reported by us may not be comparable to similarly titled items reported by other companies.

The information in this Form 8-K (including Exhibit 99.1) shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the Exchange Act) or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as expressly set forth by specific reference in such a filing.
