(a) Non-income producing security.

(d) Non-income producing security - in default.

(e) The rate shown represents a current effective yield.

(g) The rate shown represents a weighted average coupon rate on settled positions at period end, unless otherwise indicated.

(i) Interest only security for which the fund receives interest on notional principal (Par amount). Par amount shown is the notional principal and does not reflect the cost of the security.

(k) As of July 31, 2008, the fund held securities fair valued in accordance with the policies adopted by the Board of Trustees, aggregating \$43,851,132 and 78.06% of market value. An independent pricing service provided an evaluated bid for 77.66% of the market value.

(l) All or a portion of this security is on loan.

(n) Securities exempt from registration under Rule 144A of the Securities Act of 1933. These securities may be sold in the ordinary course of business in transactions exempt from registration, normally to qualified institutional buyers. At period end, the aggregate value of these securities was \$7,144,664, representing 13.7% of net assets.

(o) All or a portion of this position has not settled. Upon settlement date, interest rates will be determined.

(p) Payment-in-kind security.

Edgar Filing: MFS SPECIAL VALUE TRUST - Form N-Q

All or a portion of this position represents an unfunded loan commitment. The rate shown represents a weighted average coupon rate on the full position, including the unfunded loan commitment which has no current coupon rate.

- (r) Remaining maturities of floating rate loans may be less than stated maturities shown as a result of contractual or optional prepayments by the borrower. Such prepayments cannot be predicted with certainty. These loans may be subject to restrictions on resale. Floating rate loans generally have rates of interest which are determined periodically by reference to a base lending rate plus a premium.
- (z) Restricted securities are not registered under the Securities Act of 1933 and are subject to legal restrictions on resale. These securities generally may be resold in transactions exempt from registration or to the public if the securities are subsequently registered. Disposal of these securities may involve time-consuming negotiations and prompt sale at an acceptable price may be difficult. The fund holds the following restricted securities:
