Item 8.01. Other Events.

This report is being filed to update certain historical and pro forma financial information contained in the definitive proxy materials of The J. M. Smucker Company (Smucker) dated September 3, 2008 (the Proxy Materials) and relating to the Special Meeting of Shareholders to be held on October 16, 2008 (the Special Meeting). The Special Meeting will be held for the purposes of acting upon a proposal to issue Smucker common shares in a merger of the coffee business of The Procter & Gamble Company (P&G), including the Folgers brand, with a wholly owned subsidiary of Smucker and to authorize the transactions relating to the merger, and to approve a proposal to adopt amended articles of incorporation of Smucker in connection with the merger, all as described in greater detail in the Proxy Materials.

Updated pro forma information concerning the transaction and historical financial information with respect to The Folgers Coffee Company has been included in Amendment No. 3 to the Registration Statement on Form S-4 (File No. 333-152451) filed by Smucker with the Securities and Exchange Commission on October 8, 2008 (the Registration Statement). Such information is filed as Exhibit 99.1 and 99.2 to this report and is incorporated herein by reference.

This Form 8-K and the exhibits thereto contain forward-looking statements that are subject to known and unknown risks and uncertainties that could cause actual results to differ materially from any future results, performance or achievements expressed or implied by those forward-looking statements. The projected financial data included in this presentation assume the successful completion of the Folgers transaction and reflect numerous estimates and assumptions relating to, among other things, the ability of Smucker to successfully operate P&G's coffee business (the Coffee Business) outside of P&G and Smucker's existing business operations and are subject to significant economic, industry and competitive uncertainties, including those risk factors referenced below, and, accordingly, such data may not be indicative of future results. You should understand that the risks, uncertainties, factors and assumptions listed and discussed in this press release, including the following important factors and assumptions, could affect the future results of Smucker following the transactions between P&G and Smucker described in the Proxy Materials and the Registration Statement (the Transactions) and could cause actual results to differ materially from those expressed in the forward-looking statements: (i) volatility of commodity markets from which raw materials, particularly corn, wheat, peanuts, soybean oil, milk and green coffee beans, are procured and the related impact on costs; (ii) the successful integration of the Coffee Business with Smucker's business, operations and culture and the ability to realize synergies and other potential benefits of the Transactions within the time frames currently contemplated; (iii) crude oil price trends and their impact on transportation, energy, and packaging costs; (iv) the ability to successfully implement price changes; (v) the success and cost of introducing new products and the competitive response; (vi) the success and cost of marketing and sales programs and

strategies intended to promote growth in Smucker's businesses, which will include the Coffee Business after the completion of the Transactions; (vii) general competitive activity in the market, including competitors' pricing practices and promotional spending levels; (viii) the concentration of certain of Smucker's businesses, which will include the Coffee Business after the completion of the Transactions, with key customers and the ability to manage and maintain key customer relationships; (ix) the loss of significant customers or a substantial reduction in orders from these customers or the bankruptcy of any such customer; (x) changes in consumer coffee preferences, and other factors affecting the Coffee Business, which will represent a substantial portion of Smucker's business after the completion of the Transactions; (xi) the ability of Smucker and Folgers to obtain any required financing; (xii) the timing and amount of Smucker's capital expenditures, restructuring, and merger and integration costs; (xiii) the outcome of current and future tax examinations and other tax matters, and their related impact on Smucker's tax positions; (xiv) foreign currency and interest rate fluctuations; (xv) other factors affecting share prices and capital markets generally; and (xvi) the other factors described under "Risk Factors" in the Registration Statement filed by Smucker with the Securities and Exchange Commission and in the other reports and statements filed by Smucker with the Securities and Exchange Commission, including its most recent Annual Report on Form 10-K and the Proxy Materials.

You are cautioned not to unduly rely on such forward-looking statements, which speak only as of the date made, when evaluating the information presented in this Form 8-K. None of Smucker, any other person or any of their respective advisors assumes any obligation to update or revise these forward-looking statements to reflect new events or circumstances.

No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended. However, P&G, Smucker and certain of their respective directors and executive officers may be deemed to be participants in the solicitation of proxies from shareholders in connection with the proposed transaction under the rules of the SEC.
