*2008 Deferred Compensation Plan.*

On December 8, 2008, the Compensation and Benefits Committee (the *Committee*) of PerkinElmer, Inc. (the *Company*) approved the 2008 Deferred Compensation Plan (the *2008 Plan*), an amendment and restatement of the Company's 1999 Restatement of its 1998 Deferred Compensation Plan (the *Prior Plan*), primarily to bring the terms of the plan into compliance with Section 409A of the Internal Revenue Code and regulations promulgated thereunder (collectively, *Section 409A*). The amendments include updates to certain definitions and to the time and form of certain benefits payable thereunder, such as in the event of a change in control of the Company. The 2008 Plan also documents the elimination of restricted stock as a deferral option, the incorporation of the Company's existing 401(k) Excess Plan into the 2008 Plan and other administrative changes. Participants of the Prior Plan who made deferrals or material modifications to their account options after January 1, 2005 are subject to the provisions of the 2008 Plan. Under the general terms of the 2008 Plan, non-employee directors and a group of management and highly compensated employees are eligible for participation. The foregoing description of the 2008 Plan does not purport to be complete and is qualified in its entirety by reference to the 2008 Plan filed as Exhibit 10.1 to this Report and incorporated herein by reference.

On December 8, 2008, the Committee approved the 2008 Supplemental Executive Retirement Plan (the *2008 SERP*), an amendment and restatement of the Company's previous supplemental executive retirement plan (the *Prior SERP*), primarily to bring the terms of the plan into compliance with Section 409A. The revised terms include updated definitions and specifications for the time and form of certain benefits payable thereunder, such as in the event of a change in control of the Company, as well as other administrative changes. Under the general terms of the 2008 SERP, designated senior executives are eligible for participation, and participants in the Prior SERP whose benefits were not fully vested as of December 31, 2004 are now subject to the provisions of the 2008 SERP. The foregoing description of the 2008 SERP does not purport to be complete and is qualified in its entirety by reference to the 2008 SERP filed as Exhibit 10.2 to this Report and incorporated herein by reference.
