If you properly cast your vote, and you do not subsequently revoke your proxy, your vote will be voted in accordance with your instructions. If you sign and return the proxy card but do not give instructions, the shares represented by that proxy will be voted **FOR** the election of each director nominee nominated by the Board of Directors, and **FOR** the ratification of the appointment of Habib, Arogeti & Wynne LLP as independent auditors.

You may revoke your proxy prior to the annual meeting by either (i) submitting to Speedemissions a properly executed proxy bearing a later date, (ii) by voting in person at the meeting, or (iii) by giving written notice of revocation to the Secretary of Speedemissions. The mailing address of Speedemissions is 1015 Tyrone Road, Suite 220, Tyrone, Georgia 30290.

Quorum and Voting Requirements

Quorum

The presence, in person or by proxy, of the holders of a majority of the shares entitled to vote at a meeting will constitute a quorum to conduct business at the annual meeting. Proxies received but marked as abstentions and broker non-votes (which generally occur when a registered broker (or other nominee) who holds securities in street name does not receive voting instructions from the beneficial owners) will be included in the calculation of the number of shares considered to be present at the meeting.

Voting Requirements

The vote required to approve the above proposals is the affirmative vote of the holders of a majority of Speedemissions voting securities. Each holder of common stock is entitled to one (1) vote for each share held. Each holder of Series A Convertible Preferred Stock is entitled to eight hundred thirty-three and one-third (833.33) votes for each share held, representing a total of 4,277,483 votes. All outstanding shares are fully paid and nonassessable. The transfer agent for the common stock is Interwest Transfer Company, 1981 4800 South, Suite 100, Salt Lake City, Utah 84117, telephone (801) 272-9294.

Expenses of Solicitation

Speedemissions will pay the expenses of the preparation of proxy materials and the solicitation of proxies for the annual meeting. Solicitation may be made by certain of our directors, officers or employees telephonically, electronically or by other means of communication and they will receive no additional compensation for such solicitation. We will reimburse brokers and other nominees for costs incurred by them in mailing proxy materials to beneficial owners in accordance with applicable rules.

Availability of Certain Documents

You may obtain copies of our 2008 Annual Report on Form 10-K without charge by contacting Michael Shanahan at 1015 Tyrone Road, Suite 220, Tyrone, Georgia 30290, telephone (770) 306-7667. Our 2008 Annual Report on Form 10-K is not a proxy soliciting material.

PROPOSAL ONE

ELECTION OF DIRECTORS

Our Bylaws provide that our Board of Directors is comprised of at least one and not more than seven directors until changed by a duly adopted amendment to our Articles of Incorporation or by an amendment to the Bylaws, adopted by the vote or written consent of a majority of our shareholders entitled to vote. Directors are elected by the shareholders at each annual meeting to hold office until their respective successors are elected and qualified, and need not be shareholders of Speedemissions or residents of the State of Florida. The majority of the remaining directors, though less than a quorum, or a sole remaining director, may appoint directors to fill any vacancies on the board of directors resulting from the death, resignation or removal of a director. A director appointed by the directors to fill a vacancy on the board of directors holds office until the next annual meeting of the shareholders and until a successor has been elected and qualified.

The affirmative vote of the holders of a majority of the shares present or represented by proxy at the 2009 annual meeting is required to elect the nominees for director. Each share of common stock is entitled to one (1) vote and, therefore, has a number of votes equal to the number of authorized directors. Each share of Series A Convertible Preferred Stock is entitled to eight hundred thirty-three and one-third (833.33) votes for each share. Broker non-votes and abstentions will be included in the number of shares present at the 2009 annual meeting and will have the same effect as a negative vote.

Edgar Filing: SPEEDEMISSIONS INC - Form DEF 14A

Although the Board of Directors of Speedemissions expects that each of the following nominees will be available to serve as a director, in the event that any of them should become unavailable prior to the shareholders meeting, a replacement will be appointed by a majority of the then-existing Board of Directors. The Board of Directors has no reason to believe that any of its nominees, if

- 2 -

elected, will be unavailable to serve. Each nominee has signed a written consent to serve as a director of Speedemissions. All nominees are expected to serve until the next annual meeting of shareholders or until their successors are duly elected and qualified.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE NOMINEES NOMINATED FOR ELECTION AS DIRECTORS BY THE BOARD OF DIRECTORS.

Board Meetings and Committees

During the fiscal year ended December 31, 2008, the Board of Directors held six meetings. Each of our directors attended at least 75% of the meetings of the Board of Directors and the committees of the board on which he served during 2008. We currently have two standing committees of the Board of Directors: the Compensation Committee and the Audit Committee, which are described below. We do not presently have a standing Nominating Committee.

Nominating Committee

During the fiscal year ended December 31, 2008, Speedemissions did not have a standing nominating committee. The NASDAQ rules do not require us to have a nominating committee since we are a controlled company in that more than 50% of our voting common stock was held by GCA Strategic Investment Fund Ltd. The Board believes that there is no material benefit to having a separate nominating committee at this time in view of the size of our company, and the fact that we are controlled by one large shareholder. Nominees for election as a director are determined by the entire Board. The Board makes all decisions regarding nominees for directors based upon the best interest of the company and its shareholders.

Compensation Committee

Our Compensation Committee consists of three directors. In 2008, Mr. Guirlinger served as chairman of the Compensation Committee and Mr. Parlontieri and Mr. Amato also served on the Compensation Committee. The primary purposes of the Compensation Committee are to assist the Board of Directors in its responsibilities relating to compensation and to determine the compensation arrangements for executive officers. The Compensation Committee is also charged with approving incentive compensation plans for management. Mr. Parlontieri, our President and Chief Executive Officer, makes recommendations to the Compensation Committee regarding the structure of compensation packages and discusses such recommendations with the committee. Mr. Parlontieri recuses himself from decisions regarding his own compensation. The Compensation Committee met two times in 2008. The Compensation Committee does not have a written charter.

Audit Committee

In 2008, we had two members on the Audit Committee: Mr. Thompson, who served as chairman, and Dr. Childs. The primary purposes of our Audit Committee are to represent and assist the Board of Directors in its responsibilities relating to the accounting, reporting and financial practices of Speedemissions and its subsidiaries, including the integrity of our financial statements and the auditor's qualifications and independence. The Audit Committee also prepared the report, included elsewhere in this proxy statement, required by the rules of the SEC to be included in our annual proxy statement. The Audit Committee met four times during 2008. The Audit Committee does not have a written charter.

Our Board of Directors has determined that Mr. Thompson, based upon his education and extensive experience in accounting, is an audit committee financial expert within the meaning of the rules of the SEC. No member of the Audit Committee is presently serving on the audit committee of another company.

Director Independence

The Company has determined that Bradley A. Thompson, Michael E. Guirlinger, Ernest Childs, Ph.D and Gerald Amato are independent directors. Because of his employment with Speedemissions, we have determined that Richard A. Parlontieri is not an independent director. The Company evaluated director independence under NASDAQ Rule 4200(a)(15).

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors has appointed Habif, Arogeti & Wynne LLP to audit the consolidated financial statements of Speedemissions for the fiscal year ending December 31, 2009, and seeks ratification of such appointment. In the event of a negative vote on such ratification, the Board of Directors will reconsider its appointment. The affirmative vote of the holders of a majority of the shares present or represented by proxy at the 2009 annual meeting is required to ratify the appointment of Habif, Arogeti & Wynne LLP as Speedemissions' independent auditors for the fiscal year ending December 31, 2009. Each share of common stock is entitled to one (1) vote and, therefore, has a number of votes equal to the number of authorized directors. Each share of Series A Convertible Preferred Stock is entitled to eight hundred thirty-three and one-third

(833.33) votes for each share. Broker non-votes and abstentions

- 4 -

will be included in the number of shares present at the 2009 annual meeting and will have the same effect as a negative vote.

Habif, Arogeti & Wynne LLP was engaged as independent public accountants of Speedemissions for 2008. Tauber & Balser, P.C., Speedemissions' auditors in 2006 and 2007, merged with Habif, Arogeti & Wynne LLP on November 1, 2008. Representatives from Habif, Arogeti & Wynne LLP will be present at the annual meeting, will have the opportunity to make a statement if they so desire, and will be available to respond to appropriate questions.

Principal Accountant Fees and Services

The table below sets forth the aggregate fees billed to Speedemissions for audit, audit-related, tax and other services provided by Habif, Arogeti & Wynne LLP and its predecessor Tauber & Balser, P.C. to Speedemissions during 2008 and 2007.

	2008	2007
Audit fees (1)	\$ 177,373	\$ 148,150
Audit-related fees		
Tax fees (2)	7,700	8,000
All other fees		
Total	\$ 185,073	\$ 156,150

(1) Fees for audit services billed in 2008 and 2007 consisted of:

Audit of Speedemissions' annual financial statements and Sarbanes-Oxley Act compliance related services;
 Review of Speedemissions' quarterly financial statements;
 Review of Speedemissions' S-1 filings;
 Review of Speedemissions' amended SEC filings; and
 Consents and other services related to Securities and Exchange Commission matters.

(2) Fees for tax services billed in 2008 and 2007 consisted of:

Federal tax return compliance assistance;
 State tax return compliance assistance.

All of the fees described above for the fiscal years ended December 31, 2008 and 2007 were either approved in advance, or subsequently ratified, by the Audit Committee. All fees paid to Habif, Arogeti & Wynne and its predecessor Tauber & Balser, P.C. in 2008 and 2007 which required the pre-approval of the Audit Committee were approved in accordance with our pre-approval policies and procedures described below.

Pre-Approval Policies and Procedures

Audit and Non-Audit Services Pre-Approval Policy. Under the Sarbanes-Oxley Act of 2002, the audit committee of the board of directors is responsible for the appointment, compensation and oversight of the work of the independent auditor. As part of this responsibility, the audit committee is required to pre-approve the audit and non-audit services performed by the independent auditor in order to assure that they do not impair the auditor's independence from Speedemissions. To implement these provisions of the Sarbanes-Oxley Act of 2002, the SEC has issued rules specifying the types of services that an independent auditor may not provide to its audit client and governing the audit committee's administration of the engagement of the independent auditor.

Audit Services. Audit services in the annual audit engagement include the annual financial statement audit (including required quarterly reviews), subsidiary audits, equity investment audits and other procedures required to be performed by the independent auditor in order for the independent auditor to form an opinion on Speedemissions' consolidated financial statements. These other procedures include information systems and procedural reviews and testing performed in order to understand and place reliance on the systems of internal control and consultations relating to the annual audit or quarterly review. In addition to the audit services included in the annual audit engagement, the Audit

Edgar Filing: SPEEDEMISONS INC - Form DEF 14A

Committee may approve other audit services. Other audit services are those services that only the independent auditor can reasonably provide and include statutory audits or financial audits for our subsidiaries or affiliates and services associated with SEC registration statements, periodic reports and other documents we file with the SEC or other documents issued in connection with a securities offering.

Audit-Related Services. Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of our financial statements or that are traditionally performed by the independent auditor. The Audit Committee may grant pre-approval to audit-related services if the provision of audit-related services does not impair the independence of the auditor and is consistent with SEC rules on auditor independence. Audit-related services include consultations relating to accounting, financial reporting or disclosure matters not classified as audit services, assistance with understanding and implementing new accounting and financial reporting guidance from rule-making authorities, financial audits of employee benefit

plans, and assistance with internal control reporting requirements.

Tax Services. Our Audit Committee believes that the independent auditor can provide tax services to Speedemissions such as tax compliance, tax planning and tax advice without impairing the auditor's independence, and the SEC has stated that the independent auditor may provide such services. The Audit Committee may grant pre-approval to those tax services that the Audit Committee believes would not impair the independence of the auditor and are consistent with SEC rules on auditor independence.

Other Non-Audit Services. Our Audit Committee believes, based on the SEC's rules prohibiting the independent auditor from providing specific non-audit services, that certain types of non-audit services are permitted. Accordingly, the Audit Committee believes it may grant pre-approval for those permissible non-audit services that it believes are routine and recurring services, would not impair the independence of the auditor, and are consistent with the SEC's rules on auditor independence. Our Audit Committee may not pre-approve any of SEC's prohibited non-audit services.

Pre-Approval Procedures.

Annual Audit Engagement. Our Audit Committee approves the appointment of the independent auditor of Speedemissions and pre-approves the services to be provided in connection with the preparation or issuance of the annual audit report or related work. The annual audit services are set forth in an engagement letter prepared by the independent auditor which is submitted to the Audit Committee for approval. The independent auditors report directly to the Audit Committee. Audit services within the scope of the engagement letter are deemed to have been pre-approved by our Audit Committee.

Pre-Approval of Other Audit and Non-Audit Services. Other audit services, audit-related services, tax services, and other non-audit services may be pre-approved by our Audit Committee either on a specific case-by-case basis as services are needed or on a pre-approval basis for services that are expected to be needed. Our management may submit requests for pre-approval of eligible services by the independent auditor from time to time to our Audit Committee. The request for approval must be sufficiently detailed as to the particular services to be provided so that the Audit Committee knows precisely what services it is being asked to pre-approve and so that it can make a well reasoned assessment of the impact of the service on the auditor's independence. Budgeted amounts or fee levels for services to be provided by the independent auditor must be submitted with the request for pre-approval. Our Audit Committee will be informed of the services rendered by the independent auditor. Management will immediately report to the chairman of the Audit Committee any services that are not in compliance with the pre-approval policy that comes to the attention of any member of management.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF HABIF, AROGETI, & WYNNE LLP AS INDEPENDENT AUDITORS OF SPEEDEMISSIONS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2009.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis, or CD&A, discusses our compensation program for our President and Chief Executive Officer, or CEO, our Chief Financial Officer, or CFO and our former Chief Operations Officer, or COO, which we collectively refer to as our named executive officers. Our COO resigned in July 2008. At this time, there are no plans to hire a replacement for the COO. There were no other highly compensated officers. Our named executive officers are:

Edgar Filing: SPEEDEMISSIONS INC - Form DEF 14A

Richard A. Parlontieri, President and CEO (63) (Mr. Parlontieri's biographical information is included elsewhere in this proxy statement in Proposal 1 Nominees for Election as Director.)

Michael S. Shanahan, CFO (40): Michael S. Shanahan joined Speedemissions in September 2005 and was engaged as our CFO in April 2006. Prior to his employment with Speedemissions, Mr. Shanahan was employed by StayOnline, Inc., a Wi-Fi ISP sold to LodgeNet Entertainment Corporation, as Vice President of Finance from November 2002 to October 2005. Mr. Shanahan's financial experience also includes a position as Manager of Tax and Financial Reporting for Scientific Games International, and positions at KPMG Peat Marwick and Deloitte & Touche. Mr. Shanahan received his Bachelor of Science in Accounting and his Master in Accountancy from the University of Florida.

Randy M. Dickerson, Former COO (52): Randy M. Dickerson was Speedemissions' COO from July 2005 until

his resignation in July 2008. Prior to his employment with Speedemissions, Mr. Dickerson was employed by DEKRA Emissions Check, Inc. an emissions testing and safety inspection company as President and CEO from August 2002 to August 2004.

Mr. Dickerson prior experience includes position as President and CEO of RM Dickerson, Inc and Dickerson's Automotive Centers, Inc. Mr. Dickerson is President of the Georgia Emissions Testing Association and he is the Chairman of the Department of Natural Resources Industry Advisory Board.

In this CD&A, the terms we, us, and our refer to Speedemissions, Inc. and not to the Compensation Committee. We describe our overall compensation philosophy, objectives and practices. Our philosophy and objectives generally apply to all of our employees and most of our employees are eligible to participate in the three main components of our compensation program: base salary, cash bonus and long-term incentives. The relative value of each of these components of our compensation program varies from year to year and for each individual employee, depending upon our financial and stock price performance and the employee's role and responsibilities.

Our compensation program is designed:

to align executive officer and shareholder financial interests;

to enable us to attract, retain and motivate key, highly talented executive officers; and

to consider competitive compensation practices and other relevant factors without establishing compensation targets based on benchmark percentiles used by specific companies or a specific peer group of companies.

Compensation objectives

Leadership and motivation of our executive officers are critical to our long-term success. We believe our executive officer compensation program enables us to attract, retain and motivate key high-quality executive officers who are primarily responsible for our long-term success. Our executive officer compensation program also seeks to align these officers' compensation with our short-and long-term operating and stock market performance.

The market for high quality executive officers is competitive. As with any company, part of attracting and keeping the executive officers we want involves offering total compensation packages that are competitive with those offered by other companies.

Compensation program design

Our compensation program is designed to reward our executive officers when they achieve our targeted annual performance goals; increase shareholder value; and maintain long-term careers with us. Accordingly, we:

provide total compensation that is competitive with other public companies that are similar in size;

link bonuses to corporate and individual performance; and

align management interests with shareholder interests by tying executive officer compensation in part to long-term shareholder returns.

In our view, a competitive pay package in our industry includes a salary that guarantees a minimum level of compensation for an executive officer, a meaningful bonus tied to achievement of both corporate and individual objectives, equity incentives that offer significant rewards if the market price of our Common Stock increases in the future, and benefits consistent with what is offered by similar companies. When targeted performance levels are not achieved and/or our stock price decreases, executive officer compensation may be substantially reduced. When targeted performance levels are exceeded and our stock price increases, executive officer compensation may be increased.

We have an employment agreement with our CEO. See Executive Compensation Employment Agreements in this proxy statement for additional details of each employment agreement.

Components of compensation

For 2008, our compensation program for named executive officers included the following three main components:

base salary;

short-term incentive compensation; and

- 9 -

long-term, equity-based incentive compensation consisting of stock options. These three components constitute what we refer to as total direct compensation with respect to each named executive officer. We also provide compensation in the form of various other employee benefits and perquisites. Each of these elements helps us achieve the objectives of the program, and we believe that, together, they have been and will continue to be effective in achieving our overall objectives. A short description of each follows:

Base Salary

We provide an annual base salary to each named executive officer based in large part on job responsibility, experience level, individual performance, and the amount and nature of the other compensation paid to the named executive officer.

Short-term incentive compensation

We have established an Executive Incentive Compensation Plan for executive officers that provides for the payment of annual cash bonuses to motivate and reward achievement or corporate objectives. The Compensation Committee generally determines the structure of the overall short-term incentive program at the beginning of the year. In setting the structure and the amount of the overall bonus target, the Committee considers our strategic goals and plan, its operational and financial budget, and other factors, all of which are designed to improve shareholder value.

We may also award discretionary bonuses outside of the Executive Incentive Compensation Plan, based on extraordinary individual performance. We may or may not award an annual cash bonus, and any amount awarded varies according to the achievement of the corporate and individual performance objectives.

Equity-based incentives

We believe that offering equity incentives to our executive officers that become more valuable if the market price of our Common Stock increases provides an appropriate additional incentive to the executive officers to work towards this goal. Therefore, we award stock to our named executive officers. We have not issued performance-based restricted stock in the past but we are evaluating their issuance as we believe they are being used increasingly by other companies as the primary equity incentives for executives and we need to offer these types of incentives to remain competitive in attracting and retaining executive officers.

Benefits and perquisites

We provide our named executive officers with benefits and perquisites consistent with what other similar companies provide. In 2008, our named executive officers were offered benefits that were substantially the same as those offered to all our employees. These benefits included a 401(k) plan and medical, dental and vision insurance. We have not matched our employee's 401(k) contributions. We also provided an enhanced life-insurance policy to our CEO. This benefit is designed to provide additional protection to our CEO's family in the event of a catastrophic illness or disability as he has personally guaranteed our operating and capital leases. We provide our CEO and CFO with health insurance at no cost to these executive officers. We also pay for miscellaneous club membership fees for our CEO. We do not provide a pension plan or other defined benefit retirement plan.

Compensation process

The Compensation Committee makes all executive officer compensation decisions. Each year, the Committee reviews and evaluates the compensation paid to our executive officers and determines the base salary, target bonus and the equity related grants for each executive officer, if any. We consider several factors when determining appropriate compensation levels for each executive officer, including:

individual leadership, expectations, expertise, skills and knowledge;

individual performance and contributions to financial goals;

labor market conditions; and

competitive compensation practices.

Our approach to evaluating these factors is not formulaic, and the Compensation Committee may place more or less weight on a particular factor when determining an executive officer's compensation. Due to financial restraints, the Committee does not use an outside consultant to provide advice on the executives' compensation at this time. We do not benchmark against specific companies or a specific peer group of companies.

- 10 -

Treatment of prior compensation

The Compensation Committee considers, in addition to the factors described above, equity awards previously granted to each individual, each individual's vested and unvested equity awards for the current year, the current value and potential value over time using stock appreciation assumptions for vested and unvested equity awards, the vesting schedule of the individual's outstanding equity awards, comparison of individual equity awards between executive officers and in relation to other compensation elements, shareholder dilution, and total accounting expense as part of its annual evaluation of executive compensation. The amount of past compensation, including annual bonus awards and amounts realized or realizable from prior equity awards, is generally not a significant factor in the Committee's evaluation because bonuses are awarded for annual performance and equity awards are granted as part of the target total direct compensation the Committee establishes each year.

Involvement of CEO and management

In determining the total compensation for each executive officer, the Compensation Committee considers the specific recommendations of our CEO and the Committee's own assessment of the executive officer's performance, the executive officer's expectations and other factors it deems relevant. Our CEO's recommendations to the Committee typically include discussion of the role and responsibilities of the executive officer within Speedemissions, the performance of the executive officer, the expected future contributions of the executive officer, the executive officer's own expectations, and competitive and market considerations. Although our CEO makes recommendations regarding the executive officers, he does not make a recommendation or participate in the discussions concerning his own compensation, which is solely the responsibility of the Compensation Committee.

Other key practices and policies

Tax considerations

The Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code when determining the compensation of executive officers. Section 162(m) limits the amount that we may deduct for compensation paid to our executive officers to \$1,000,000 per person, unless certain exemption requirements are met. We believe that compensation paid under our executive officer incentive plans is generally fully deductible for federal income tax purposes.

Equity granting practices

Our practice has been to grant equity incentives to executive officers and/or non-executive employees on an annual basis. Historically, annual equity incentives are granted during the Compensation Committee's regularly scheduled meeting after the annual shareholders meeting. Individual grant amounts and all terms of the award are approved by the Committee at the meeting, and the exercise price per share for each stock option granted is the per share closing market price of our common stock on the grant date. The Committee grants these equity incentives for all employees at its discretion, but generally cannot reduce or increase a specific award once made.

We have no program or practice to time equity incentive grants in connection with the release of material non-public information.

Committee discretion

The Compensation Committee may reduce the amount payable under the Executive Incentive Compensation Plan to an executive officer by up to 100%, based on factors that it determines warrant such a reduction, but historically has not exercised this discretion to any significant degree. The Committee also has the discretion to include or exclude any extraordinary items affecting the performance target, including any changes in accounting. Under the plan, the Committee has no discretion to increase any amount payable to an executive officer. The Committee may, however, authorize additional cash compensation outside of the plan. For example, the Committee could award additional one-time compensation for retention purposes or for an executive officer's extraordinary contributions to our company.

Analysis of 2008 executive officer compensation

General

The 2008 Target Total Direct Compensation table below summarizes the target total direct compensation levels established by the Compensation Committee. Following the table, we discuss each compensation element summarized in the table.

2008 Target Total Direct Compensation

Name	Annual Salary \$	Target Bonus (as a % of Annual Salary)	Target Total Cash Compensation (1) (\$)	Target Option Awards (2) (\$)	Target Total Direct Compensation (3) (\$)
Richard A. Parlontieri, CEO	202,591	0%	202,591	36,007	238,598
Michael S. Shanahan, CFO	126,000	0%	126,000	18,422	144,422
Randy M. Dickerson, Former COO	141,000	0%	141,000	15,073	156,073

1. The sum of annual salary plus target bonus.
2. The estimated fair value of the 2008 stock option award. Compensation expense recorded for the option awards are calculated using the Black Scholes Option Pricing Model. For a further description of the assumptions and accounting for stock options, see Note 8 Preferred and Common Stock Transactions included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 30, 2009.

3. The sum of annual salary plus target bonus plus the estimated fair value of the 2008 stock option award.
Base Salary

The Compensation Committee reviews each named executive officer's salary annually and makes adjustments when appropriate to reflect competitive market factors and the individual factors described above under Compensation process. The key factors in the Committee's evaluation of the executive officer's 2008 salary included anticipated increases in the labor market and individual performance that merited an increased salary. Based on these factors, the Committee approved an aggregate 4.0% increase to the executive officers' salaries, effective January 1, 2008. Mr. Parlontieri's salary increased 3.0%. Mr. Shanahan's salary increased 5.0%. Mr. Dickerson's salary increased 4.4%.

The Compensation Committee met in December 2008 to set base salaries for 2009 for each executive officer. Following the review of each executive officers performance, historical compensation and ranges of market compensation for each executive officer, the Compensation Committee approved base salaries for 2009 of \$208,668 for Mr. Parlontieri and \$136,000 for Mr. Shanahan.

Short-term incentive compensation

The executive officers' annual target bonus is determined as a percentage of annual salary. The Compensation Committee did not set an annual target bonus in 2008 as our net income/(loss) was not expected to generate sufficient excess positive cash flows from operations to pay a target bonus. Accordingly, the target bonus in 2008 for each executive was set at \$0.

We have not paid a bonus under the plan in prior years as our loss has exceeded expectations. The Company did not pay a target bonus in 2008, which was in accordance with the target bonus of \$0 set by the Compensation Committee. The Compensation Committee did not award discretionary bonuses in 2008. The Compensation Committee has not set an annual bonus target for the executive officers in 2009.

Equity-based incentives

The Compensation Committee granted equity awards to our executive officers on May 19, 2008. Accordingly, the estimated fair value of the 2008 stock option awards granted to our executive officers was \$69,502.

The Summary Compensation Table shows certain compensation information for services rendered by our executive officers in all capacities for the fiscal years ended December 31, 2008 and 2007. Other than as set forth herein, no executive officer's salary and bonus exceeded \$100,000 in any of the applicable years. The following information includes the dollar value of base salaries, bonus awards, the number of stock options granted and certain other compensation, if any, whether paid or deferred.

- (1) The amounts set forth in the **Option Awards** column are the dollar amounts recognized for equity awards for financial statement reporting purposes in accordance with the requirements of Statement of Financial Accounting Standard No. 123R, *Share-Based Payment* (SFAS 123R), except no assumptions for forfeitures related to vesting conditions were included. This includes amounts related to awards granted in and prior to the fiscal year covered. These amounts may not correspond to the actual value eventually realized by each executive officer, which depends on the extent to which performance conditions are ultimately met and the market value of our Common Stock in future periods. Information regarding the assumptions used in the calculation of these amounts are described in **Note 8 Preferred and Common Stock Transactions** of Speedemissions consolidated financial statements for the year ended December 31, 2008, included in the Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 30, 2009.
- (2) The amounts set forth in the **All Other Compensation** column for Mr. Parlontieri consist of the following: board member fees; automobile allowances; miscellaneous club membership fees; and life insurance (both individual and key man policies), none of which individually exceed \$10,000. Mr. Dickerson received other compensation in the form of an automobile allowance.
- (3) Management and directors of Speedemissions receive additional compensation, whether cash, stock or otherwise, in their capacity as directors. Therefore, the amounts set forth in the **All Other Compensation** column disclosed for Mr. Parlontieri, who serves also as a director, reflects compensation received by him in his capacity both as an executive officer and as a director.

Salary. Salaries paid to our executive officers are set forth in the **Salary** column in the 2008 Summary Compensation Table. For fiscal 2008, salaries paid to our executive officers accounted for the following percentages of each executive officer's total compensation, as reported in the total column of the 2008 Summary Compensation Table: Mr. Parlontieri (70%), Mr. Shanahan (87%), and Mr. Dickerson (85%).

Bonus. Bonuses earned by our executive officers are set forth in the **Bonus** column of the 2008 Summary Compensation Table. The executive officer's did not receive cash awards under our Executive Incentive Compensation Plan, as further described under the caption **Non-Equity Incentive Plan Compensation** below. The discretionary bonuses are described in further detail under the caption **Compensation Discussion and Analysis** **Short-term incentive compensation** above.

Stock Awards. The Company has not granted stock awards to its executive officers. This is reflected in the **Stock Awards** column of the 2008 Summary Compensation Table.

Option Awards. The Company granted stock options to its executive officers on May 19, 2008. The amounts included in the **Option Awards** column of the 2008 Summary Compensation Table include the total dollar amount recognized for financial statement reporting in 2008 and 2007, as applicable, pursuant to FAS 123R disregarding any estimates based on forfeitures relating to service-based vesting conditions. These numbers are not necessarily indicative of the intended cash equivalent value of each grant, which amount is represented in the **2008 Grants of Plan Based Awards Table**. For the assumptions used to determine the compensation expense, see **Note 8 Preferred and Common Stock Transactions** of Speedemissions consolidated financial statements for the year ended December 31, 2008, included in the Annual Report on

Edgar Filing: SPEEDEMISIONS INC - Form DEF 14A

Form 10-K filed with the Securities and Exchange Commission on March 30, 2009.

Non-Equity Incentive Plan Compensation. The Company did not make a payout in 2008 under its Executive Incentive Compensation Plan. This is reflected in the Non-Equity Incentive Plan Compensation column of the 2008 Summary Compensation Table. For fiscal 2008, the combined discretionary bonus and incentive bonus paid under the Executive Incentive Compensation Plan to our executive officers accounted for the following percentages of each executive officer's total compensation reported in the Total column of the 2008 Summary Compensation Table: Mr. Parlontieri (0%), Mr. Shanahan (0%), Mr. Dickerson (0%).

All Other Compensation. All other compensation of our executive officers is set forth in the 2008 Summary Compensation Table for Fiscal 2008 and described in greater detail in footnote 3 of the Table. These benefits are discussed under the caption Compensation Discussion and Analysis Benefits and perquisites above.

Additional Information. We have provided additional information regarding the compensation we pay to our executive officers under the caption Compensation Discussion and Analysis above.

Potential Payments Upon Termination and Change in Control

Mr. Parlonieri has an employment agreement with Speedemissions that provides for limited payments and benefits following termination of his employment without cause or if his employment is terminated due to a change of control. Additionally, our options plans provide for acceleration of the vesting of outstanding equity awards upon a change in control for all Company associates, including the Named Executive Officers.

Employment Agreements

Effective September 15, 2003, we entered into a rolling three-year employment agreement with Mr. Parlontieri. This employment agreement was amended on December 19, 2003. Under the terms of the agreement, Mr. Parlontieri received a salary of \$180,000 per year, plus an automobile and expense allowance, and is eligible for an annual bonus as set forth in the agreement. The Compensation Committee approved, effective January 2006, a three-year extension and a salary increase to \$190,000 pursuant to the salary adjustment term of the employment agreement. In January 2007, the Compensation Committee approved a salary increase to \$196,690 pursuant to the salary adjustment term of the employment agreement. In December 2007, the Compensation Committee approved a salary increase to \$202,591 pursuant to the salary adjustment term of the employment agreement. If Mr. Parlontieri's employment terminates due to a change of control of our company, Mr. Parlontieri is entitled to receive \$607,773, which is his base salary multiplied by three.

DIRECTOR COMPENSATION

Our director compensation program is structured to enable us to:

Attract and retain qualified non-employee directors by providing total compensation that is competitive with other companies our size; and

Align director's interests with shareholders' interests by including equity as a significant portion of each non-employee director's compensation package.

In setting director compensation, we consider compensation offered to directors by other companies our size, the amount of time that our directors spend providing services to us, our financial position, and the experience, skill and expertise that our directors have. Directors who are employees of Speedemissions receive the same director compensation for their service as the other directors.

2008 Director Compensation

During 2008, each of our directors received \$500 per month. The Company reimburses our directors for reasonable out-of-pocket expenses incurred in attending our annual shareholder meeting. Directors are eligible to receive annual equity awards as determined by the Compensation Committee. During 2008, the Company granted each director stock options to purchase 100,000 shares of common stock upon the exercise of the options at \$0.125 per share.

2008 Director Compensation Table

The following table summarizes the compensation earned by each non-employee director in 2008.

John Bradley (2)	3,000	1,861	4,861
Michael E. Guirlinger	6,000	1,861	7,861

(2) On June 30, 2008, John Bradley resigned as a director and Gerald Amato was elected by the remaining directors to fill the vacancy on the same day.

The 2008 Director Compensation Table does not include reimbursement for reasonable out-of-pocket expenses incurred in connection with meeting attendance. Cash fees paid to the directors are approved by the Compensation Committee and paid within a reasonable time after each meeting.

Certain Relationships and Related Transactions

The Company did not enter into any material related party transactions during the twelve months ended December 31, 2008.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership of, and transactions in, our equity securities with the SEC, which are called Section 16 Reports. Such directors, executive officers and 10% shareholders are also required to furnish us with copies of all Section 16 Reports they file.

Edgar Filing: SPEEDEMISSIONS INC - Form DEF 14A

We believe that all Section 16(a) filing requirements applicable to our directors, executive officers and 10% shareholders were complied with during fiscal year 2008.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is currently comprised of two directors, Ernest Childs, Ph.D. and Bradley Thompson, who serves as its chairman. The Company's management is responsible for the preparation, presentation and integrity of Speedemissions' financial statements, accounting and financial reporting principles in compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for performing an independent audit of Speedemissions' financial statements in accordance with generally acceptable auditing standards and expressing an opinion as to their conformity with generally accepted accounting principles. The Audit Committee is directly responsible in its capacity as a committee of the board for the appointment, compensation and oversight of the work of the independent auditor. The independent auditor reports directly to the Audit Committee.

In performing its oversight role, the Audit Committee has considered and discussed the audited financial statements with management and with Habif, Arogeti & Wynne, LLP, our independent auditors. The Audit Committee also has discussed with the independent auditors the matters required to be discussed by Statement on Accounting Standards (SAS) No. 61, Communications with Audit Committees, as currently in effect.

The Audit Committee has received from Habif, Arogeti & Wynne, LLP a letter providing the disclosures required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, with respect to any relationships between Habif, Arogeti & Wynne LLP and Speedemissions that in their professional judgment may reasonably be thought to bear on independence. Habif, Arogeti & Wynne LLP has discussed its independence with us, and has confirmed in such letter that, in its professional judgment, it is independent of Speedemissions within the meaning of federal securities laws. In addition to the disclosures and discussions mandated by SAS No. 61 and ISB Standards No. 1, the Audit Committee discussed with Habif, Arogeti & Wynne LLP risks of fraud and illegal acts as required by SAS No. 99 and other matters required to be communicated to the Committee by our independent auditor under the requirements of the PCAOB and SEC.

All non-audit services performed by the independent auditors must be specifically pre-approved by the Audit Committee or a member thereof. The Audit Committee approved the non-audit services rendered by our independent auditors during the most recent fiscal year as required by Section 10A(i) of the Exchange Act and Rule 2.01(c)(7) of Regulation S-X and considered whether the approved non-audit services are compatible with maintaining the independence of such auditors. Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. Therefore, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations.

Based on the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the charter, the Audit Committee recommended to the Board of Directors that the audited financial statements of Speedemissions for 2008 be included in its Annual Report on Form 10-K for the year ended December 31, 2008, prior to the filing of such report with the SEC.

OTHER MATTERS

Important Notice Regarding Delivery of Shareholder Documents

We have sent a notice to certain street name shareholders of common stock or Series A Convertible Preferred Stock who share a single address, indicating that only one copy of the Notice of Internet Availability of Proxy Materials is being sent to that address unless we received contrary instructions from any shareholder at that address. This practice, known as "householding," reduces our printing and postage costs. However, if any shareholder residing at such an address wishes to receive a separate copy of the Notice of Internet Availability of Proxy Materials, he or she may contact Michael Shanahan at 1015 Tyrone Road, Suite 220, Tyrone, Georgia 30290, telephone (770) 306-7667. Any such shareholder may also contact Mr. Shanahan at (770) 306-7667, if he or she would like to receive separate proxy statements in the future. If you are receiving multiple copies of the Notice of Internet Availability of Proxy Materials, you may request householding in the future by contacting Mr. Shanahan at (770) 306-7667.

Incorporation by Reference

To the extent that this proxy statement is incorporated by reference into any other filing by Speedemissions under the Securities Act of 1933, as amended, or the Exchange Act, the sections of this proxy statement titled "Report of the Audit Committee" (to the extent permitted by the rules of the SEC), as well as the exhibits to this proxy statement, will not be deemed incorporated, unless specifically provided otherwise in such filing.
