Information Concerning Forward-Looking Statements

This Current Report on Form 8-K includes forward-looking statements, including statements regarding the Company's expectations or beliefs regarding the Company's financial and operational guidance for the third quarter of 2009 and full year 2009. These forward-looking statements may be affected by the risks and uncertainties in the Company's business. This information is qualified in its entirety by cautionary statements and risk factor disclosures contained in the Company's Securities and Exchange Commission filings, including the Company's annual report on Form 10-K filed with the Commission on February 27, 2009 and the Company's reports filed on Form 10-Q. The Company wishes to caution readers that certain important factors may have affected and could in the future affect the Company's actual results and could cause the Company's actual results for subsequent periods to differ materially from those expressed in any forward-looking statement made by or on behalf of the Company. With respect to the Company's expectations regarding these statements, such risk factors include, but are not limited to: (1) the ability and willingness of wireless service providers to maintain or

increase their capital expenditures; (2) the Company's ability to secure and retain as many site leasing tenants as planned at anticipated lease rates; (3) the impact, if any, of consolidation among wireless service providers; (4) the Company's ability to secure and deliver anticipated services business at contemplated margins; (5) the Company's ability to maintain expenses and cash capital expenditures at appropriate levels for our business; (6) the Company's ability to acquire land underneath towers on terms that are accretive; (7) the Company's ability to realize economies of scale from its tower portfolio; (8) the Company's ability to comply with covenants and the terms of its credit instruments; (9) the economic climate for the wireless communications industry in general and the wireless communications infrastructure providers in particular and (10) the continued dependence on towers and outsourced site development services by the wireless carriers.

Non-GAAP Financial Measures

This Current Report on Form 8-K includes guidance relating to the non-GAAP financial measures of Tower Cash Flow, Adjusted EBITDA, Net Cash Interest Expense and Equity Free Cash Flow. Please refer to our press release relating to financial and operational results for the second quarter ended June 30, 2009 furnished as an exhibit to our Form 8-K filed with the SEC on July 29, 2009 for a discussion on how these non-GAAP financial measures are defined and calculated, why management uses these non-GAAP financial measures and how management compensates for their limitations. These non-GAAP financial measures for the quarter ending September 30, 2009 and the full year ending December 31, 2009 will be calculated in the same manner as presented in the above referenced press release.
