PROXY STATEMENT

The Board of Directors of BankAtlantic Bancorp, Inc. (the Company) is soliciting proxies to be used at the Annual Meeting of Shareholders of the Company (the Annual Meeting) to be held at the BankAtlantic Support Center, 2100 West Cypress Creek Road, Fort Lauderdale, Florida 33309 on May 17, 2011, at 11:00 a.m., local time, and at any and all postponements or adjournments of the Annual Meeting, for the purposes set forth in the accompanying Notice of Meeting.

This Proxy Statement and the accompanying Notice of Meeting and proxy card are being mailed to shareholders on or about April 29, 2011.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS

AND THE ANNUAL MEETING

What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will be asked to consider and vote upon the election of three directors to the Company's Board of Directors as well as any other matters which may be properly brought before the Annual Meeting. Also, management will be available to report on the Company's performance during the last fiscal year and respond to appropriate questions from shareholders.

Who is entitled to vote at the Annual Meeting?

Record holders of the Company's Class A Common Stock and record holders of the Company's Class B Common Stock at the close of business on April 11, 2011 (sometimes referred to herein as the record date) may vote at the Annual Meeting.

As of the close of business on the record date, 61,982,971 shares of Class A Common Stock and 975,225 shares of Class B Common Stock were outstanding and eligible to be voted at the Annual Meeting.

What are the voting rights of the holders of Class A Common Stock and Class B Common Stock?

Holders of the Company's Class A Common Stock and BFC Financial Corporation (BFC), the sole holder of the Company's Class B Common Stock, will vote as one class on the election of directors and, in most cases, on any other matters properly brought before the Annual Meeting. Holders of Class A Common Stock are entitled to one vote per share, with all holders of Class A Common Stock having in the aggregate 53% of the general voting power. The number of votes represented by each share of Class B Common Stock, which represents in the aggregate 47% of the general voting power, is calculated each year in accordance with the Company's Restated Articles of Incorporation. At this year's Annual Meeting, each outstanding share of Class B Common Stock will be entitled to 56.36 votes on each matter.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of shares of the Company's Class A Common Stock and Class B Common Stock representing a majority of the aggregate voting power of such stock as of the close of business on the record date will constitute a quorum, permitting the conduct of business at the Annual Meeting.

What is the difference between a shareholder of record and a street name holder?

If your shares are registered directly in your name with American Stock Transfer & Trust Company, the Company's stock transfer agent (AST), you are considered the shareholder of record with respect to those shares. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of these shares but not the shareholder of record, and your shares are held in street name.

How do I vote my shares?

If you are a shareholder of record, you can give a proxy to be voted at the Annual Meeting by mailing in the enclosed proxy card or by transmitting your voting instructions by telephone or internet as described in further detail on the enclosed proxy card. Shareholders of record may also vote their shares at the Annual Meeting by completing a ballot at the Annual Meeting.

If you hold your shares in street name, you must vote your shares in the manner prescribed by your broker, bank or other nominee. Your broker, bank or other nominee has enclosed or provided a voting instruction card for you to use in directing how to vote your shares.

Can I vote my shares in person at the Annual Meeting?

If you are a shareholder of record, you may vote your shares at the Annual Meeting by completing a ballot at the Annual Meeting.

However, if you are a street name holder, you may vote your shares in person at the Annual Meeting only if you obtain a signed proxy from your broker, bank or other nominee giving you the right to vote the shares at the Annual Meeting.

Shareholders who wish to attend the Annual Meeting may contact the Company's Investor Relations department at (954) 940-5300 for directions. Even if you currently plan to attend the Annual Meeting, the Company recommends that you also submit your vote by proxy or by giving voting directions to your broker, bank or nominee, as described above, so that your vote will be counted if you later decide not to attend the Annual Meeting.

What are my choices when voting?

You may vote for all of the director nominees, or your vote may be withheld with respect to one or more of the director nominees. The proposal related to the election of directors is described in this Proxy Statement beginning on page 8.

What is the Board's recommendation?

The Board of Directors recommends a vote **FOR ALL** of the nominees for director.

What if I do not specify how I want my shares voted?

If you mail in your proxy card but do not specify on your proxy card how you want to vote your shares, your shares will be voted **FOR ALL** of the nominees for director. Although the Board of Directors is not aware of any other matters to be presented at the Annual Meeting, if any other matters are properly brought before the Annual Meeting, the persons named in the enclosed proxy card will vote the proxies in accordance with their best judgment on those matters.

Can I change my vote?

Yes. You can change your vote at any time before your proxy is voted at the Annual Meeting. If you are the record owner of your shares, you can do this in one of three ways. First, you can send a written notice to the Company's Secretary stating that you would like to revoke your proxy. Second, you can submit a new valid proxy bearing a later date or transmit new voting instructions by telephone or internet. Third, you can attend the Annual Meeting and vote in person. Attendance at the Annual Meeting will not in and of itself constitute revocation of a previously executed proxy.

If you are not the record owner of your shares and your shares are held in street name, you must contact your broker, bank or other nominee to find out how to change your vote.

What vote is required for a proposal to be approved?

For the election of directors, the affirmative vote of a plurality of the votes cast at the Annual Meeting is required. A properly executed proxy marked **WITHHOLD AUTHORITY** with respect to the election of one or more nominees for director will not be voted with respect to the nominee or nominees indicated, although it will be counted for purposes of determining whether there is a quorum.

If my shares are held in street name by my broker, bank or other nominee, will my broker, bank or other nominee vote my shares for me? What are broker non-votes ?

If you hold your shares in street name through a broker, bank or other nominee, whether your broker, bank or other nominee may vote your shares in its discretion depends on the proposals before the Annual Meeting. Under the rules of the New York Stock Exchange, if you do not provide your broker, bank or other nominee with voting instructions with respect to your shares, your broker, bank or other nominee may vote your shares in its discretion on routine matters. Under the rules of the New York Stock Exchange, the election of directors is not considered a routine matter. Accordingly, your broker, bank or other nominee will not have discretion to vote your shares on the election of directors if you do not provide voting directors with respect to such proposal.

Broker non-votes occur when a broker, bank or other nominee has discretion to vote on one or more proposals at a meeting but does not have discretion to vote on other matters at the meeting. Because brokers, banks and other nominees will not have discretion to vote on any items of business at the Annual Meeting if they have not received voting instructions from their clients, there will not be broker non-votes on the election of directors or any other matter which may be presented or acted upon at the Annual Meeting.

Are there any other matters to be acted upon at the Annual Meeting?

The Company does not know of any other matters to be presented or acted upon at the Annual Meeting. If any other matter is presented at the Annual Meeting on which a vote may properly be taken, the shares represented by proxies will be voted in accordance with the judgment of the person or persons voting those shares.

CORPORATE GOVERNANCE

Pursuant to the Company's Amended and Restated Bylaws and the Florida Business Corporation Act, the Company's business and affairs are managed under the direction of the Board of Directors. Directors are kept informed of the Company's business through discussions with management, including the Company's Chief Executive Officer and other senior officers, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees.

Determination of Director Independence

The full Board undertook a review of each director's independence and the facts underlying those determinations on March 1, 2011. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates as well as transactions and relationships between directors or their affiliates and members of the Company's senior management or their affiliates, including the transactions and relationships described below. The purpose of this review was to determine whether any relationship or transaction was inconsistent with a determination that the director is independent under applicable rules and regulations of the Securities and Exchange Commission (the SEC) and the listing standards of the New York Stock Exchange. Based on its review, the Board affirmatively determined that D. Keith Cobb, Steven M. Coldren, Bruno L. Di Giulian, Willis N. Holcombe, David A. Lieberman and Charlie C. Winningham, II, who together comprise a majority of the Board, are independent under applicable rules and regulations of the SEC and the listing standards of the New York Stock Exchange.

To assist the Board in making its independence determinations, the Board adopted the following categorical standards of relationships that, in the Board's opinion, do not constitute material relationships that impair a director's independence: (i) banking relationships with BankAtlantic, the Company's wholly owned bank subsidiary, in the ordinary course of BankAtlantic's business; (ii) serving on third party boards of directors with other members of the Board; (iii) payments or charitable gifts by the Company to entities with which a director is an executive officer or employee where such payments do not exceed the greater of \$1 million or 2% of such entity's consolidated gross revenues; and (iv) investments by directors in common with each other or the Company. In addition, the Board specifically discussed and considered the following relationships, each of which the Board determined did not constitute a material relationship that would impair the director's independence:

With respect to Mr. Cobb, the Board considered the fact that he serves on the Board of Directors of BFC. BFC owns shares of the Company's Class A Common Stock and Class B Common Stock representing approximately 71% of the Company's total voting power. Mr. Alan Levan serves as the Company's Chairman and Chief Executive Officer and BFC's Chairman, Chief Executive Officer and President, Mr. Abdo serves as the Company's and BFC's Vice Chairman, and Mr. Jarett Levan serves as a director and as President of the Company and as a director and Executive Vice President of BFC.

In determining that Mr. Cobb is independent, the Board also considered that Mr. Cobb is a member of the Board of Directors of the Nova Southeastern University H. Wayne Huizenga School of Business and Entrepreneurship and that, during 2008 and 2010, BankAtlantic and its affiliated entities together made donations of \$32,500 and \$1,000, respectively, to such institution. No such donations were made during 2009. In addition, Mr. Alan Levan is a Trustee of Nova Southeastern University and the Chairman of its Finance Committee. The Board also considered that Mr. Cobb is a member of the Broward Workshop with Messrs. Alan and Jarett Levan and Mr. Abdo.

With respect to Mr. Coldren, the Board considered that he is the President of Business Information Systems Digital, Inc., a company which currently leases (and, since 1985, has leased) office space from Abdo Companies, Inc. for approximately \$84,000 per year, which was reported to the Board to approximate the market rate. John E. Abdo is the President of Abdo Companies, Inc.

With respect to Mr. Di Giulian, the Board considered that he received \$9,000 during each of 2008, 2009 and 2010 for services as a member of the BankAtlantic Pension Fund Trustees.

In determining that Mr. Di Giulian is independent, the Board also considered that, during 2009, he joined the law firm of Conrad & Scherer LLP as a partner and that BFC and its affiliates paid fees to Conrad and Scherer totaling approximately \$4,000 during 2008. The Board further considered the fact that: (i) Mr. Di Giulian was an attorney with the law firm of Ruden McClosky until October 2006; (ii) since leaving Ruden McClosky, Mr. Di Giulian has received (and, through September 2011, will continue to receive) approximately \$12,000 per year in residual compensation from such law firm; and

(iii) during 2008, 2009 and 2010, the Company paid Ruden McClosky approximately \$75,000, \$55,000 and \$181,000, respectively, and BFC paid Ruden McClosky approximately \$151,000, \$169,000 and \$203,000, respectively.

With respect to Mr. Winningham, the Board considered the fact that he serves as Vice President of the Boys and Girls Club of Broward County and that BankAtlantic and its affiliated entities together made donations to the Boys and Girls Club of Broward County of approximately \$3,000, \$1,000 and \$2,500 during 2008, 2009 and 2010, respectively.

Committees of the Board of Directors and Meeting Attendance

The Company's Board of Directors has established Audit, Compensation and Nominating/Corporate Governance Committees. The Board has adopted a written charter for each of these three committees and Corporate Governance Guidelines that address the make-up and functioning of the Board. The Board has also adopted a Code of Business Conduct and Ethics that applies to all of the Company's directors, officers and employees. The committee charters, Corporate Governance Guidelines and Code of Business Conduct and Ethics are posted in the Investor Relations section of the Company's website at www.bankatlanticbancorp.com, and each is available in print without charge to any shareholder.

The Board of Directors met 23 times during 2010. Each current member of the Board attended at least 75% of the meetings of the Board and committees on which he or she served. In addition, each current member of the Board attended the Company's 2010 Annual Meeting of Shareholders, although the Company has no formal policy requiring them to do so.

The Audit Committee

The Audit Committee consists of D. Keith Cobb, Chairman, Steven M. Coldren and David A. Lieberman. The Board has determined that each member of the Audit Committee is financially literate and independent under applicable rules and regulations of the SEC and the listing standards of the New York Stock Exchange. Mr. Cobb, the Chairman of the Audit Committee, and Mr. Lieberman are each qualified as audit committee financial experts, as defined in Item 407 of Regulation S-K promulgated by the SEC, and the Board has determined that each of them has accounting and related financial management expertise within the meaning of the listing standards of the New York Stock Exchange. The Audit Committee met ten times during 2010. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the Company's independent auditor. Additionally, the Audit Committee assists Board oversight of: (i) the integrity of the Company's financial statements; (ii) the Company's compliance with legal and regulatory requirements; (iii) the qualifications, performance and independence of the Company's independent auditor; and (iv) the performance of the Company's internal audit function. In connection with these oversight functions, the Audit Committee receives reports from the Company's internal audit group, periodically meets with management and the Company's independent auditor to receive information concerning internal control over financial reporting and any deficiencies in such control, and has adopted a complaint monitoring procedure that enables confidential and anonymous reporting to the Audit Committee of concerns regarding questionable accounting or auditing matters. A report from the Audit Committee is included on page 20 of this Proxy Statement.

The Compensation Committee

The Compensation Committee consists of Steven M. Coldren, Chairman, Charlie C. Winningham, II and Willis N. Holcombe. Mary E. Ginestra also served on the Compensation Committee until her retirement from the Board on June 1, 2010, the date of the Company's 2010 Annual Meeting of Shareholders. Each member of the Compensation Committee is independent within the meaning of the listing standards of the New York Stock Exchange. The Compensation Committee met eight times during 2010. The Compensation Committee provides assistance to the Board in fulfilling its responsibilities relating to the compensation of the Company's executive

officers. It reviews and determines the compensation of the Chief Executive Officer and determines or makes recommendations with respect to the compensation of the Company's other executive officers. It also administers the Company's equity-based compensation plans. Pursuant to its charter, the Compensation Committee has the authority to retain consultants to assist the Compensation Committee in its evaluation of executive compensation as well as the sole authority to approve any such consultant's fees and retention terms.

The Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee consists of Steven M. Coldren, Chairman, D. Keith Cobb, Bruno L. Di Giulian and Charlie C. Winningham, II. Mary E. Ginestra also served on the Nominating/Corporate Governance Committee until her retirement from the Board on June 1, 2010. Each member of the Nominating/Corporate Governance Committee is independent within the meaning of the listing standards of the New York Stock Exchange. The Nominating/Corporate Governance Committee met four times during 2010. The Nominating/Corporate Governance Committee is responsible for assisting the Board of Directors in identifying individuals qualified to become directors, making recommendations of candidates for directorships, developing and recommending to the Board a set of corporate governance principles for the Company, overseeing the evaluation of the Board and management, overseeing the selection, composition and evaluation of Board committees and overseeing the management continuity and succession planning process.

The Nominating/Corporate Governance Committee reviews, following the end of the Company's fiscal year, the composition of the Board of Directors and the ability of its current members to continue effectively as directors for the upcoming fiscal year. In the ordinary course, absent special circumstances or a change in the criteria for Board membership, the Nominating/Corporate Governance Committee will re-nominate incumbent directors who continue to be qualified for Board service and are willing to continue as directors. If the Nominating/Corporate Governance Committee thinks it is in the Company's best interest to nominate a new individual for director, or fill a vacancy on the Board which may exist from time to time, the Nominating/Corporate Governance Committee will seek out potential candidates for Board appointments who meet the criteria for selection as a nominee and have the specific qualities or skills being sought as follows. Generally, the Nominating/Corporate Governance Committee will identify candidates for directorships through the business and other organization networks of the directors and management. Candidates for director will be selected on the basis of the contributions the Nominating/Corporate Governance Committee believes that those candidates can make to the Board and to management and on such other qualifications and factors as the Nominating/Corporate Governance Committee considers appropriate. Board candidates should have a reputation for honesty and integrity, strength of character, mature judgment and experience in positions with a high degree of responsibility. In addition to reviewing a candidate's background and accomplishments, candidates for director are reviewed in the context of the current composition of the Board and the evolving needs of the Company. While the Board does not have a formal diversity policy and the Nominating/Corporate Governance Committee does not follow any ratio or formula with respect to diversity in order to determine the appropriate composition of the Board, the Board prefers a mix of background and experience among its members. Accordingly, pursuant to the Company's Corporate Governance Guidelines, the Nominating/Corporate Governance Committee, when assessing potential new directors, seeks individuals from diverse professional backgrounds who provide a broad range of skills, experience and expertise relevant to the Company's business. The goal of this process is to assemble a group of Board members with deep, varied experience, sound judgment, and commitment to the Company's success. The Company also requires that its Board members be able to dedicate the time and resources sufficient to ensure the diligent performance of their duties on the Company's behalf, including attending Board and applicable committee meetings. If the Nominating/Corporate Governance Committee believes a candidate would be a valuable addition to the Board, it will recommend the candidate's election to the full Board.

Under the Company's Amended and Restated Bylaws, nominations for directors may be made only by or at the direction of the Board of Directors, or by a shareholder entitled to vote who delivers written notice (along with certain additional information specified in the Bylaws) not less than 90 nor more than 120 days prior to the first anniversary of the preceding year's annual meeting of shareholders. For the Company's 2012 Annual Meeting of Shareholders, the Company must receive this notice between January 18 and February 17, 2012.

Leadership Structure

The business of the Company is managed under the direction of the Board, which is elected by the Company's shareholders. The basic responsibility of the Board is to lead the Company by exercising its business judgment to act in what each director believes to be the best interests of the Company and its shareholders. The Company's Amended and Restated Bylaws provide for a combined position of Chairman and Chief Executive Officer, and Alan B. Levan has held this dual position since 1994. The Company believes that the combination of these two positions has been an appropriate and suitable structure for the Board's function and efficiency, as Mr. Levan serves as the direct link between senior management and the Board. Further, as the Chairman and Chief Executive Officer of the Company for over 15 years, Mr. Levan is in a position to provide critical insight to the Board and feedback to senior management through his long-term relationships and understanding of the Company's business and prospects.

Risk Oversight

The Board is responsible for overseeing management and the business and affairs of the Company, which includes the oversight of risk. In exercising its oversight, the Board has allocated some areas of focus to its committees and has retained areas of focus for itself. Pursuant to its charter and the rules of the New York Stock Exchange, the Audit Committee is responsible for assuring that the Board is provided the information and resources to assess management's handling of the Company's approach to risk management. The Audit Committee also has oversight responsibility for the Company's financial risk (such as accounting, finance, internal control and tax strategy), and the Audit Committee or the full Board receives and reviews, as appropriate, the reports of the Company's internal audit group regarding the results of its annual Company-wide risk assessment and internal audit plan. Reports of all internal audits are provided to the Audit Committee. The Compensation Committee oversees compliance with the Company's executive compensation plans and related laws and policies. The Nominating/Corporate Governance Committee oversees compliance with governance-related laws and policies, including the Company's Corporate Governance Guidelines. The Board as a whole has responsibility for overseeing management's handling of the Company's strategic and operational risks. Throughout the year, senior management reports to the Board the risks that may be material to the Company, including those disclosed in the Company's quarterly and annual reports filed with the SEC. The goal of these processes is to achieve serious and thoughtful Board-level attention to the nature of the material risks faced by the Company and the adequacy of the Company's risk management processes and systems. While the Board recognizes that the risks which the Company faces are not static, and that it is not possible to mitigate all risk and uncertainty all of the time, the Board believes that the Company's approach to managing its risks provides the Board with the proper foundation and oversight perspective with respect to management of the material risks facing the Company.

Executive Sessions of Non-Management Directors

On April 6 and September 7, 2010, the non-management directors of the Company met in executive sessions of the Board in which management directors and other members of management did not participate. D. Keith Cobb was selected to be the presiding director for these sessions. The non-management directors have scheduled future meetings to be held semi-annually, and may schedule additional meetings without management present as they determine to be necessary.

Director and Management Indebtedness

While the Company does not make loans to its executive officers or directors, BankAtlantic may make and only has made such loans in accordance with applicable law, which requires that all loans or extensions of credit by BankAtlantic to executive officers and directors of the Company be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public and must not involve more than the normal risk of repayment or present other unfavorable features.

Communications with the Board of Directors and Non-Management Directors

Interested parties who wish to communicate with the Board of Directors, any individual director or the non-management directors as a group can write to the Company's Secretary, BankAtlantic Bancorp, Inc., 2100 West Cypress Creek Road, Fort Lauderdale, Florida 33309. If the person submitting the letter is a shareholder of the Company, the letter should include a statement indicating such. Depending on the subject matter, an officer of the Company will:

forward the letter to the director or directors to whom it is addressed;

attempt to handle the inquiry directly if it relates to routine or ministerial matters, including requests for information; or

not forward the letter if it is primarily commercial in nature or if it is determined to relate to an improper or irrelevant topic.

A member of management will, at each meeting of the Board, present a summary of all letters received since the last meeting that were not forwarded to the Board and will make those letters available to the Board upon request.

Code of Business Conduct and Ethics

The Company has a Code of Business Conduct and Ethics that applies to all directors, officers and employees of the Company, including its principal executive officer, principal financial officer and principal accounting officer. The Code of Business Conduct and Ethics is available on the Company's website at www.bankatlanticbancorp.com. The Company will post amendments to or waivers from its Code of Business Conduct and Ethics (to the extent applicable to the Company's principal executive officer, principal financial officer or principal accounting officer) on its website.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely upon a review of the copies of the forms furnished to the Company and written representations that no other reports were required, the Company believes that all filing requirements under Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), applicable to its officers, directors and greater than 10% beneficial owners were complied with on a timely basis during the year ended December 31, 2010.

PROPOSAL FOR ELECTION OF DIRECTORS

Nominees for Election as Director

The Company's Amended and Restated Bylaws provide that the Board of Directors shall consist of no less than seven nor more than twelve directors. The specific number of directors is set from time to time by resolution of the Board. The Company's Board of Directors currently consists of nine directors divided into three equal classes, each of which has a three year term expiring in annual succession. Each of the three directors whose terms are expiring at the Annual Meeting — Alan B. Levan, D. Keith Cobb and Bruno L. Di Giulian — has been nominated for re-election at the Annual Meeting to serve for a term expiring at the Company's 2014 Annual Meeting of Shareholders. The three director nominees were recommended for nomination by the Nominating/Corporate Governance Committee and have consented to serve for the term indicated. If any of them should become unavailable to serve as a director, the Board may designate a substitute nominee. In that case, the persons named as proxies will vote for the substitute nominee designated by the Board. Except as otherwise indicated, the nominees and directors listed below have had no change in principal occupation or employment during the past five years.

The Directors Standing For Election Are:

He has also served as Chairman of Bluegreen Corporation (Bluegreen), a New York Stock Exchange listed company, since 2002 and as a director of Benihana, Inc. (Benihana), a Nasdaq Global Select Market listed company, since 2009. The Board also believes that Mr. Levan s insight on strategic planning and development for BankAtlantic and the Company is valuable to the Board and that his long history of service as a director and executive officer has provided him with a thorough understanding of BankAtlantic s and the Company s business, affairs and prospects, which provides important perspective to the Board. Mr. Alan Levan and Mr. Abdo may be deemed to control BFC through their collective ownership of shares of BFC's Class A Common Stock and Class B Common Stock representing approximately 72% of BFC's total voting power. BFC currently owns approximately 44% of the shares of the Company's Class A Common Stock and 100% of the shares of the Company's Class B Common Stock, representing approximately 71% of the Company's total voting power. Mr. Alan Levan and Mr. Abdo also receive compensation from BFC and Bluegreen, and Mr. Jarett Levan receives compensation from BFC.

The Company and BFC share various office premises and employee services, pursuant to the arrangements described below.

The Company and BFC have entered into a shared services arrangement, pursuant to which BFC provides the Company with various executive and administrative services. Amounts paid or owed to BFC for these services were \$2.1 million and \$1.8 million during the years ended December 31, 2010 and 2009, respectively.

As part of the shared service arrangement, BFC pays BankAtlantic for the cost of office facilities utilized by BFC. BankAtlantic received \$311,000 and \$301,000 during the years ended December 31, 2010 and 2009, respectively, under this arrangement. BankAtlantic also provides information technology support to BFC pursuant to a separate agreement. During the years ended December 31, 2010 and 2009, BankAtlantic received \$146,000 and \$165,000, respectively, from BFC for information technology support.

In June 2010, BankAtlantic and another wholly owned subsidiary of the Company entered into a real estate advisory service agreement with BFC for assistance relating to the work-out of loans and the sale of real estate owned. Under the terms of the agreement, BFC receives \$12,500 per month from each of the Company and BankAtlantic and, if BFC's efforts result in net recoveries of any nonperforming loan or the sale of real estate owned, it will receive a fee equal to 1% of the net value recovered. During the year ended December 31, 2010, BFC was paid an aggregate of \$800,000 of real estate advisory service fees under this agreement.

BFC had deposits at BankAtlantic totaling \$1.8 million and \$20.9 million as of December 31, 2010 and 2009, respectively. The Company recognized \$1,000 and \$39,000 of interest expense in connection with the above deposits during the years ended December 31, 2010 and 2009, respectively. These deposits were on the same general terms as offered to unaffiliated third parties.

In addition to the deposits described above, during 2010 and 2009, BFC had funds invested at BankAtlantic through the Certificate of Deposit Account Registry Service (CDARS) program, which facilitates the placement of funds into certificates of deposit issued by other financial institutions in increments less than the standard Federal Deposit Insurance Corporation (FDIC) insurance maximum to insure that both principal and interest are eligible for full FDIC coverage. During the year ended December 31, 2010, BFC had up to \$7.7 million deposited at BankAtlantic through the CDARS program, but BFC did not have any funds invested through this program at BankAtlantic as of December 31, 2010. In connection with the Company's then ongoing rights offering to its shareholders, on June 28, 2010, BFC loaned approximately \$8.0 million to the Company. The Company executed a promissory note in favor of BFC with a maturity date of July 30, 2010 and which provided for payment either in cash or shares of the Company's Class A Common Stock, depending on the results of the rights offering and the number of shares allocable to BFC pursuant to its exercise of subscription rights in the rights offering. During July 2010, the Company satisfied the promissory note in full through the issuance of 5,302,816 shares of the Company's Class A Common Stock to BFC. Each of Mr. Alan Levan and Mr. Abdo received 250,000 restricted shares of Class A Common Stock, and Mr. Jarett Levan received 150,000 restricted shares of Class A Common Stock. These awards, which were granted under the Company's 2005 Restricted Stock Option Plan, will vest in four equal annual installments, with the first such installment having vested on February 23, 2011. Payment of bonuses under the programs was dependent, in whole or in part, upon the achievement of quarterly and annual threshold objectives, including objectives related to reductions in core non-interest expense and targets for core earnings. The amounts for 2010 represent amounts earned during the year by the Named Executive Officers based on the achievement of the performance objectives established under the 2010 annual incentive program for the first quarter of 2010. While the annual performance objective related to core earnings established under the 2010 annual incentive program was achieved, in light of the overall financial environment, and based on the recommendation of Mr. Alan Levan and the concurrence of the other Named Executive Officers, the Compensation Committee determined not to grant any bonuses related to the achievement of that objective. The amounts for 2009 represent amounts earned during the year by the Named Executive Officers based on the achievement of the performance objectives established under the 2009 annual incentive program for the first three quarters of 2009 and for the year ended December 31, 2009.

- (1) Assumptions used in the calculation of these amounts are included in Note 20 to the Company's audited financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2010, except that retirement age was assumed to be 65, the normal retirement age as defined in the Retirement Plan.
- (2) Represents the present value of the sum of accumulated benefits under the Retirement Plan and the supplemental retirement benefit described below.
- (3) Represents the present value of accumulated benefits under the Retirement Plan. Neither Mr. Abdo nor Mr. Jarett Levan is entitled to the supplemental retirement benefit described below.

Retirement Plan

Alan B. Levan, John E. Abdo and Jarett S. Levan are participants in the Retirement Plan, which is a defined benefit plan. Effective December 31, 1998, the Company froze the benefits under the Retirement Plan. Participants who were employed at December 1, 1998 became fully vested in their benefits under the Retirement Plan. While the Retirement Plan is frozen, there will be no future benefit accruals. The Retirement Plan was designed to provide retirement income based on an employee's salary and years of active service, determined as of December 31, 1998. The cost of the Retirement Plan is paid by BankAtlantic and all contributions are actuarially determined.

In general, the Retirement Plan provides for monthly payments to or on behalf of each covered employee upon such employee's retirement (with provisions for early or postponed retirement), death or disability. As a result of the freezing of future benefit accruals, the amount of the monthly payments is based generally upon two factors: (i) the employee's average regular monthly compensation for any five consecutive years out of the ten-year period ended December 31, 1998 (or, if earlier, on the date of the employee's retirement, death or disability) that produces the highest average monthly rate of regular compensation; and (ii) the employee's years of service with BankAtlantic at December 31, 1998 (or, if earlier, the date of the employee's retirement, death or disability). Benefits are payable for the retiree's life, with ten years' worth of payments guaranteed. The benefits are not subject to any reduction for Social Security or any other external benefits.

During 1996, BankAtlantic amended the Retirement Plan and adopted a supplemental benefit for certain executives, as permitted by the Employee Retirement Income Security Act of 1974 and the Internal Revenue Code (the Code). This was done because of a change in the Code that operated to restrict the amount of the executive's compensation that may be taken into account for Retirement Plan purposes, regardless of the

executive's actual compensation. The intent of the supplemental benefit, when added to the regular Retirement Plan benefit, was to provide to certain executives the same retirement benefits that they would have received had the Code limits not been enacted, subject to other requirements of the Code. The supplemental benefit also was frozen as of December 31, 1998. Because the percentage of pre-retirement compensation payable from the Retirement Plan to Mr. Alan Levan, including the Retirement Plan's supplemental benefit, fell short of the benefit that he would have received under the Retirement Plan absent the Code limits, BankAtlantic adopted the Split-Dollar Life Insurance Plan (the BankAtlantic Split-Dollar Plan) described below.

The following table illustrates annual pension benefits at age 65 for various levels of compensation and years of service at December 31, 1998, the date on which Retirement Plan benefits were frozen.

Average Five Year Compensation at December 31, 1998	Estimated Annual Benefits				
	Years of Credited Service at December 31, 1998				
	5 Years	10 Years	20 Years	30 Years	40 Years
\$120,000	\$ 10,380	\$ 20,760	\$ 41,520	\$ 62,280	\$ 83,160
\$150,000	13,005	26,010	52,020	78,030	104,160
\$160,000 and above	13,880	27,760	55,520	83,280	111,160

Split-Dollar Plan

BankAtlantic adopted the Split-Dollar Plan in 1996 to provide additional retirement benefits to Mr. Alan Levan, whose monthly benefits under the Retirement Plan were limited by changes to the Code. Under the BankAtlantic Split-Dollar Plan and its accompanying agreement with Mr. Alan Levan, BankAtlantic arranged for the purchase of an insurance policy (the Policy) insuring the life of Mr. Alan Levan. The Policy accumulated cash value over time, which cash value is expected to supplement Mr. Alan Levan's retirement benefit payable from the Retirement Plan. Under the terms and conditions of the agreement between BankAtlantic and Mr. Alan Levan, Mr. Alan Levan owns the Policy, but BankAtlantic agreed to make premium payments for the Policy until Mr. Alan Levan reached the age of 65 (or his death if earlier), after which BankAtlantic was entitled to be reimbursed for the amount of all premiums previously paid by it for the Policy. The BankAtlantic Split-Dollar Plan was not included in the freezing of the Retirement Plan, and BankAtlantic made premium payments for the Policy from 1998 through 2009, when Mr. Alan Levan reached the age of 65. During 2010, BankAtlantic was reimbursed \$3,492,212 for premium payments previously paid by it for the Policy.

COMPENSATION OF DIRECTORS

The Compensation Committee recommends director compensation to the Board based on factors it considers appropriate and based on the recommendations of management. Each non-employee director currently receives \$70,000 annually for service on the Board of Directors, payable in cash. Members of the Audit Committee currently receive an additional \$4,000 per quarter for their service on that committee. The Chairman of the Audit Committee currently receives an additional fee of \$1,000 per quarter for service as Chairman. The Chairman of the Compensation Committee and the Nominating/Corporate Governance Committee currently receives annual cash fees of \$3,500 for his service on each such committee. Other than the Chairman, members of the Compensation Committee and the Nominating/Corporate Governance Committee do not currently receive additional compensation for their service on those committees. Director Di Giulian currently serves as a trustee of the BankAtlantic Pension Plan, for which he was compensated directly by such pension plan in the amount of \$9,000 during 2010. Director Abdo also serves as a trustee of the BankAtlantic Pension Plan; however, he did not receive any compensation for such service during 2010. Directors who are also officers of the Company or its subsidiaries did not receive additional compensation for their service as directors during 2010.

AUDIT COMMITTEE REPORT

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Exchange Act, except to the extent the Company specifically incorporates this Report by reference therein.

The Audit Committee's charter (available at www.bankatlanticbancorp.com) sets forth the Audit Committee's responsibilities, which include oversight of the Company's financial reporting on behalf of the Company's Board of Directors and shareholders. In fulfilling its responsibilities, the Audit Committee reviewed and discussed the Company's audited consolidated financial statements for the fiscal year ended December 31, 2010 with the Company's management and internal audit group as well as with the Company's independent registered certified public accounting firm for 2010, PricewaterhouseCoopers LLP (PwC). The Audit Committee also discussed with PwC the matters required to be discussed by *Statement on Auditing Standards No. 61*, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Audit Committee received from PwC the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding PwC's communications with the Audit Committee concerning independence, and the Audit Committee discussed with PwC its independence from the Company. When considering PwC's independence, the Audit Committee considered whether PwC's provision of services to the Company beyond those rendered in connection with its audit and review of the Company's consolidated financial statements was compatible with maintaining its independence. The Audit Committee also reviewed, among other things, the amount of fees paid to PwC for audit and non-audit services.

Based on these reviews, meetings, discussions and reports, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements for the fiscal year ended December 31, 2010 be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2010.

Submitted by the Members of the Audit Committee:

D. Keith Cobb, Chairman

Steven M. Coldren

David A. Lieberman

FEES TO INDEPENDENT AUDITORS FOR FISCAL 2010 AND 2009

The following table presents fees for professional services rendered by PwC for the audit of the Company's annual financial statements for fiscal 2010 and 2009 and fees billed for audit-related services, tax services and all other services rendered by PwC for fiscal 2010 and 2009. PwC also served as the independent registered certified public accounting firm for BFC for the 2010 and 2009 fiscal years. The aggregate fees for professional services rendered by PwC to BFC for the 2010 and 2009 fiscal years were approximately \$1.5 million and \$1.2 million, respectively.

	2010	2009
Audit fees (1)	\$ 1,821	\$ 1,582
Audit-related fees (2)	36	74

All other fees (3)	31	40

- (1) Includes primarily fees for services related to the annual financial statement audits, the 2010 and 2009 audit of effectiveness of internal control over financial reporting and the review of quarterly financial statements filed in the Company's Quarterly Reports on Form 10-Q.
- (2) Includes primarily fees related to registration statements filed by the Company with the SEC.
- (3) Includes primarily fees related to the Company's compliance with subpoenas for information received in connection with the SEC investigation which is described in Item 3 of the Company's Annual Report on Form 10-K for the year ended December 31, 2010, which was filed with the SEC on March 31, 2011.

All audit-related services and other services were pre-approved by the Audit Committee, which concluded that the provision of such services by PwC was compatible with the maintenance of that firm's independence in the conduct of its auditing functions. Under its charter, the Audit Committee must review and pre-approve both audit and permitted non-audit services provided by the independent auditor and shall not engage the independent auditor to perform any non-audit services prohibited by law or regulation. Each year, the independent auditor's retention to audit the Company's financial statements, including the associated fee, is approved by the Audit Committee. Under its current practices, the Audit Committee does not regularly evaluate potential engagements of the independent auditor and approve or reject such potential engagements. At each Audit Committee meeting, the Audit Committee receives updates on the services actually provided by the independent auditor, and management may present additional services for pre-approval. The Audit Committee has delegated to the Chairman of the Audit Committee the authority to evaluate and approve engagements on behalf of the Audit Committee in the event that a need arises for pre-approval between regular Audit Committee meetings. If the Chairman so approves any such engagements, he will report that approval to the full Audit Committee at the next Audit Committee meeting.

On March 1, 2011, the Audit Committee approved the continued engagement of PwC as the Company's independent registered certified public accounting firm.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF
PROXY MATERIALS FOR THE ANNUAL SHAREHOLDER MEETING**

INDEPENDENT PUBLIC ACCOUNTANTS

PricewaterhouseCoopers LLP served as the Company's independent public accounting firm for the year ended December 31, 2010. A representative of PricewaterhouseCoopers LLP is expected to be present at the Annual Meeting, will have the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions from shareholders.

ADDITIONAL INFORMATION

Householding of Proxy Material. The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for shareholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker or AST, the Company's transfer agent, that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. However, the Company will deliver promptly upon written or oral request a separate copy of this Proxy Statement to a shareholder at a shared address to which a single Proxy Statement was delivered. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple proxy statements and would like to request delivery of a single proxy statement, please notify your broker if your shares are held in a brokerage account or AST if you hold registered shares. You can notify AST by sending a written request to American Stock Transfer & Trust Company, 59 Maiden Lane Plaza Level, New York, NY 10038, attention Jennifer Donovan, Vice President.

Advance Notice Procedures. Under the Company's Amended and Restated Bylaws, no business may be brought before an annual meeting of shareholders unless it is specified in the notice of the meeting or is otherwise brought before the meeting by or at the direction of the Board or by a shareholder entitled to vote who has delivered written notice to the Company's Secretary (containing certain information specified in the Bylaws about the shareholder and the proposed action) not less than 90 or more than 120 days prior to the first anniversary of the preceding year's annual meeting of shareholders that is, with respect to the Company's 2012 Annual Meeting of Shareholders, between January 18 and February 17, 2012. In addition, any shareholder who wishes to submit a nomination to the Board must deliver written notice of the nomination within this time period and comply with the information requirements in the Bylaws relating to shareholder nominations. These requirements are separate from and in addition to the SEC's requirements that a shareholder must meet in order to have a shareholder proposal included in the Company's proxy statement.

Shareholder Proposals for the Company's 2012 Annual Meeting of Shareholders. Shareholders interested in submitting a proposal for inclusion in the proxy materials for the Company's 2012 Annual Meeting of Shareholders may do so by following the procedures prescribed in Rule 14a-8 under the Exchange Act. To be eligible for inclusion, shareholder proposals must be received by the Company's Secretary at the Company's main offices, 2100 West Cypress Creek Road, Fort Lauderdale, Florida 33309, by December 31, 2011.

Proxy Solicitation Costs. The Company will bear the expense of soliciting proxies and of reimbursing brokers, banks and other nominees for the out-of-pocket and clerical expenses of transmitting copies of the proxy materials to the beneficial owners of shares held of record by such persons. The Company does not currently intend to solicit proxies other than by use of the mail, but certain directors, officers and regular employees of the Company or BankAtlantic, without additional compensation, may solicit proxies personally or by telephone, fax, special letter or otherwise.
