GOVERNANCE OF THE COMPANY

Our Board of Directors has the responsibility for establishing broad corporate policies and for the overall performance of the Company. In accordance with applicable Delaware law, the business of the Company is managed under the direction of its Board of Directors. Pursuant to the Company's amended and restated bylaws, the Board of Directors is to consist of not fewer than five or more than thirteen directors. Our Board of Directors currently consists of ten directors. During 2011, the Board of Directors met eight times (not including committee meetings). Each of our directors attended not fewer than seventy five percent of the aggregate of the total number of meetings of the Board and the total number of meetings of the committees of the Board on which he or she served during fiscal 2011. The Company does not have a policy on attendance at the annual meeting of stockholders; however, all of our directors attended the annual meeting in 2011, except for Thomas Berglund and Robert Allen.

THE BOARD'S LEADERSHIP STRUCTURE

The Board recognizes that one of its key responsibilities is to evaluate and determine its leadership structure. The Board believes that there is no single, generally accepted approach to providing Board leadership and that, given the dynamic and competitive environment in which we operate, the right Board leadership structure may vary as circumstances warrant. The Board of Directors has determined that having the Company's Chief Executive Officer serve as Chairman is in the best interest of the Company's stockholders at this time because (i) the Board believes that this structure under Mr. Hanaka's leadership will serve our stockholders well through many economic cycles and business challenges, (ii) Mr. Hanaka's unique business experience and extensive knowledge of the Company and its industry makes it appropriate for him to serve in both capacities, and (iii) this structure fosters effective communication between the Company's management and the Board of Directors. Nevertheless, the Board believes that it is important to retain the organizational flexibility to determine whether the roles of the Chairman of the Board and Chief Executive Officer should be separated or combined in one individual and therefore it may periodically evaluate whether the Board leadership structure should be changed in light of specific circumstances applicable to us.

RISK MANAGEMENT OVERSIGHT

The Board of Directors does not have a separate risk oversight body, but rather has direct responsibility for the oversight of the Company's risk management policies and the key enterprise risks affecting the Company's business. The Board mitigates risk through regular discussions with management regarding the appropriate level of risk for the Company. In its review, the Board generally considers financial, competitive and operational risks and considers the input of the Company's executive officers in its assessment and analysis of the most likely areas of current and future risk for the Company. Specifically, the Board of Directors regularly reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each.

CODE OF BUSINESS CONDUCT AND ETHICS

The Company has adopted a Code of Business Conduct and Ethics which applies to all directors, officers and employees. A copy of this code is available in the Investor Relations section of the Company's website at www.golfsmith.com, under Corporate Governance. The information on the Company's website is not incorporated by reference in this Proxy Statement. We intend to post any amendments and any waivers of our Code of Business Conduct and Ethics on our website within four business days of adoption of such amendments or granting of waivers.

INDEPENDENCE OF DIRECTORS

The Company is a controlled company under the NASDAQ corporate governance rules. A controlled company is a company of which more than 50% of the voting power is held by an individual, group or another company. Based on the shares owned by Atlantic Equity Partners III L.P. (Atlantic Equity Partners) together with a voting rights and stockholders' agreement among Atlantic Equity Partners, Carl Paul and Franklin Paul, Atlantic Equity Partners holds more than 50% of our voting power. Among other things, a controlled company exemption eliminates the requirements that (1) a majority of the Board of Directors consist of independent directors, and (2) the Company establish a Nominating Committee and a Compensation Committee that are composed entirely of independent directors. Also, a written charter addressing the purpose and responsibilities of the Compensation Committee is not required, but our Compensation Committee has a written charter. The controlled company exemption does not modify the independence requirements for our Audit Committee. In addition, if the Company ceases to qualify as a controlled company in the future, the Board of Directors will be required, within one year of the date that the Company ceases to be a controlled company, to be composed of a majority of independent directors and the Compensation and Nominating Committees will be required to be composed entirely of independent directors.

The Board of Directors has determined that three of its ten members are independent directors in accordance with the requirements of NASDAQ. These requirements include a series of objective tests, including that the director is not an employee of the Company or its

Edgar Filing: GOLFSMITH INTERNATIONAL HOLDINGS INC - Form 10-K/A

controlling shareholder and has not engaged in various types of business dealings with the Company or its controlling shareholder. In addition, as further required by the rules of NASDAQ, the Board of Directors has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the Board of Directors reviewed and discussed information provided by the Board of Directors and the Company with regard to each director's business and personal activities as they may relate to the Company and its management. The Board of Directors has reviewed the independence of the current non-management directors under these standards and determined Mr. Allen, Ms. Flanagan and Mr. Lesser to be independent.

Stockholders who wish to communicate with the Board of Directors, or individual directors, may send correspondence to them at c/o James A. The Board of Directors has instructed the Secretary to review all communications so received and to determine whether the contents represent a message to the directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the Board of Directors will be forwarded promptly to the addressee. However, any director may at any time request the Secretary to forward any and all communications received by the Secretary but not forwarded to the directors pursuant to the foregoing standards.

The Company's Board of Directors has adopted a charter setting forth the responsibilities of the Audit Committee, which include:

retaining and terminating the Company's independent registered public accounting firm;

discussing the scope and results of the audit with the independent registered public accounting firm, and reviewing with management and the independent registered public accounting firm the Company's interim and year-end operating results;

During 2011, the Audit Committee met four times, and all directors serving on the Audit Committee at the relevant meetings attended not fewer than seventy five percent of the meetings. The responsibilities and activities of the Audit Committee are described in greater detail in the Audit Committee charter, a copy of which is available in the Investor Relations section of the Company's website at www.golfsmith.com, under Corporate Governance.

Compensation Committee

Mr. Hanaka's original employment agreement was entered into on June 13, 2008, was amended and restated as of December 28, 2009, and was further amended as of December 29, 2011. Subject to earlier termination, the employment agreement extends until July 1, 2013, with automatic successive one-year extensions unless terminated by either party. As provided in the employment agreement, Mr. Hanaka will receive (i) a minimum base salary of \$700,000 per year; (ii) the potential to earn a target annual bonus of at least 75 percent of his then-current base salary based on the Company's attainment of financial targets as are established by the Company's Board of Directors; (iii) the grant of a stock option to purchase 1,000,000 shares of common stock of the Company at an exercise price of \$2.33 per share (which was the closing price of the common stock on the grant date of such option) vesting in five equal annual installments; (iv) other benefits, such as participation in the 401(k) retirement savings plan, health and disability insurance, as well as four weeks paid vacation, reimbursement of business expenses and indemnification and liability insurance on the same basis as other officers of the Company.

The employment agreement further provides that, if, prior to a change of control, the Company's Board of Directors terminates Mr. Hanaka's employment without cause or cancels an automatic extension of his employment term, or Mr. Hanaka resigns for good reason, as those terms are defined in the employment agreement, Mr. Hanaka will be entitled to receive (i) his earned but unpaid base salary and earned but unpaid annual bonus for any completed fiscal year; (ii) a prorated bonus for the fiscal year in which his employment terminates, and (iii) severance payments totaling 200 percent of an amount equal to his then-current base salary, payable in equal installments in accordance with customary payroll procedures during a two-year period, commencing on the first payroll date to occur after 60 days following the date his employment is terminated. The employment agreement further provides that, if, on or after a change of control, the Company's Board of Directors terminates Mr. Hanaka's employment without cause or cancels an automatic extension of his employment term, or Mr. Hanaka resigns under any circumstances, Mr. Hanaka will be entitled to receive (i) his earned but unpaid base salary and earned but unpaid annual bonus for any completed fiscal year; (ii) a prorated bonus for the fiscal year in which his employment terminates, and (iii) severance payments totaling 200 percent of an amount equal to the sum of his then-current base salary plus his then-current target annual bonus payable in equal installments in accordance with customary payroll procedures during a two-year period, commencing on the first payroll date to occur after 60 days following the date his employment is terminated. In each such case, Mr. Hanaka is entitled to Company-paid health care continuation coverage premiums for himself and his dependents for two years following such termination of employment or, if earlier, until he is eligible to be covered under another substantially equivalent medical insurance plan. In the case of a change-of-control event, all of his stock options shall become fully exercisable. In the event of death or disability, Mr. Hanaka (or his beneficiary) will be entitled to receive a prorated annual bonus for the fiscal year in which his employment is terminated and Company-paid health care continuation coverage premiums for Mr. Hanaka and his dependents for one year following such termination of employment or, if earlier, until he or his dependents, as applicable, are eligible to be covered under another substantially equivalent medical insurance plan. To receive these severance and post-termination benefits, Mr. Hanaka or his legal representative is required to execute a general release of claims against the Company and its affiliates. In addition, in the event of Mr. Hanaka's death prior to all of his stock options becoming fully exercisable, in addition to any stock options that are otherwise exercisable, options to purchase 200,000 of the common stock will become exercisable.

Ms. Gove's original employment agreement was entered into on September 29, 2008, was amended and restated as of December 28, 2009, and was further amended as of December 29, 2011. The agreement extends for three years from September 29, 2008, with automatic successive one-year extensions unless terminated by either party. As provided in the employment agreement, Ms. Gove will receive (i) a minimum base salary of \$400,000 per year; (ii) the potential to earn a target annual bonus of 75 percent of her then-current base salary based on the Company's attainment of such financial targets as are established by the Board of Directors of the Company; (iii) the grant of a stock option to purchase 200,000 shares of common stock of the Company at an exercise price of \$2.50 (which was the closing price of the common stock on the date of the employment agreement) vesting in five equal annual installments; and (iv) other benefits, such as participation in the 401(k) retirement

savings plan, health and disability insurance, as well as four weeks paid vacation, reimbursement of business expenses and indemnification and liability insurance on the same basis as other officers of the Company. Pursuant to the agreement, on May 15, 2009, Ms. Gove received: (v) an increase of \$50,000 to annual base salary for a total of \$450,000 per year; (vi) a \$50,000 retention bonus as defined in the employment agreement; and (vii) a grant of a stock option to purchase 100,000 shares of common stock of the Company at an exercise price of \$1.13 (which was the closing price of the Company's stock on that date).

The employment agreement further provides that if the Company's chief executive officer or Board of Directors terminates Ms. Gove's employment without cause or cancels an automatic extension of her employment term, or Ms. Gove resigns for good reason, as those terms are defined in the employment agreement, Ms. Gove will be entitled to receive (i) her earned but unpaid base salary and earned but unpaid annual bonus for any completed fiscal year; (ii) her prorated annual bonus for the fiscal year in which her employment is terminated; and (iii) severance payments totaling 200 percent of an amount equal to her then-current base salary, depending on the date of termination, payable in equal installments in accordance with customary payroll procedures during a 24-month period commencing on the first payroll date to occur after 60 days following the date her employment is terminated, or until she accepts other employment, whichever is sooner. In such case, Ms. Gove is entitled to Company-paid health care continuation coverage premiums for herself and her dependents for up to two years following such termination of employment, depending on the date of termination, or, if earlier, until she is eligible to be covered under another substantially equivalent medical insurance plan. If Ms. Gove's employment is terminated following a change of control, all of her stock options shall become fully exercisable. In the event of death or disability, Ms. Gove (or her beneficiary) will be entitled to receive a prorated annual bonus for the fiscal year in which her employment is terminated and Company-paid health care continuation coverage premiums for Ms. Gove and her dependents for one year following such termination of employment or, if earlier, until she or her dependents, as applicable, are eligible to be covered under another substantially equivalent medical insurance plan. To receive these severance and post-termination benefits, Ms. Gove or her legal representative is required to execute a general release of claims against the Company and its affiliates.

Ms. Gove's employment agreement also contains restrictive covenants which generally prohibit Ms. Gove from (i) disclosing the Company's trade secrets and confidential information; or (ii) during her employment term and for the two-year period following termination of employment (a) soliciting on behalf of a competing business the Company's customers, (b) soliciting the Company's employees or (c) engaging in any competing business.

Mr. Larkin

On January 19, 2010, Mr. Larkin entered into a Confidentiality, Intellectual Property and Non-Compete Agreement (the Non-Compete Agreement) with the Company. The Non-Compete Agreement was amended as of December 29, 2011. As consideration for the promises set forth in the Non-Compete Agreement, upon termination of Mr. Larkin's employment without cause and that is not an alleged constructive discharge, he will be entitled to receive his annual base salary in effect upon termination in equal installments in accordance with customary payroll procedures during a 24-month period following the termination of his employment. To receive these severance and post-termination benefits, Mr. Larkin is required to execute a general release of claims against the Company and its affiliates.

The Non-Compete Agreement also contains restrictive covenants which generally prohibit Mr. Larkin from (i) disclosing the Company's trade secrets and confidential information; or (ii) during his employment term and for the two-year period following termination of employment (a) soliciting on behalf of a competing business the Company's customers, (b) soliciting the Company's employees or (c) engaging in any competing business.

Material Terms of Grants and Awards

2002 Incentive Stock Plan

In 2002, we adopted our 2002 Incentive Stock Plan (the 2002 Plan). Under the 2002 Plan, certain employees, members of our Board of Directors and third-party consultants may be granted options to purchase shares of our common stock, stock appreciation rights (SARs) and restricted stock grants. Options are exercisable and vest in accordance with each option agreement. Following the adoption of our Incentive Compensation Plan (the 2006 Plan), we have not and do not intend to grant any more options under our 2002 Plan, although options previously granted under the 2002 Plan will remain outstanding and subject to its terms.

Options, stock grants and SARs granted under the 2002 Plan will accelerate and become fully vested in the event we are acquired or merge with another company. In addition, our Board of Directors may, upon a change in control, cancel the options, stock grants or SARs, but only after providing the optionees or grantees with a reasonable period to exercise his or her options or SARs or take appropriate action to receive stock subject to any stock grants. Under the 2002 Plan, our Board of Directors will not be permitted, without the adversely affected optionee's or grantee's prior written consent, to amend, modify or terminate our stock plan if the amendment, modification or termination would impair the rights of optionees or grantees. The plan will terminate in 2012 unless terminated earlier by our Board of Directors.

2006 Incentive Compensation Plan

In June 2006, we adopted the 2006 Incentive Compensation Plan (the 2006 Plan) which was approved by our stockholders. On July 7, 2006, we filed a registration statement on Form S-8 (File No. 333-135654) (the 2006 Registration Statement), registering 1,800,000 shares of common

stock issuable under the 2006 Plan. Under the 2006 Plan, certain employees, members of the Board of Directors and third-party consultants may be granted options, stock appreciation rights and restricted stock grants. On March 3, 2009, our Board of Directors adopted, subject to stockholder approval, an amendment to the 2006 Plan to increase the aggregate number of shares of common stock authorized for issuance under the 2006 Plan by 1,500,000 from 1,800,000 to 3,300,000 (the "First Amendment"). On May 5, 2009 our stockholders approved the First Amendment. On May 6, 2009, we filed a registration statement on Form S-8 (File No. File No. 333-159022) (the "2009 Registration Statement"), registering the additional 1,500,000 shares of Common Stock issuable under the 2006 Plan. On November 10, 2010, our Board of Directors adopted, subject to stockholder approval, an amendment to the 2006 Plan to increase the aggregate number of shares of shares of common stock authorized for issuance under the 2006 Plan by 600,000 from 3,300,000 to 3,900,000 (the "Second Amendment"). On April 25, 2011 our stockholders approved the Second Amendment. On April 28, 2011, we filed a registration statement on Form S-8 (File No. 333-173768), registering the additional 600,000 shares of common stock issuable under the 2006 Plan. The exercise price of options granted is equal to the common stock share price on the date granted.

Table of Contents

The Compensation Committee administers the 2006 Plan and may provide for the payment of dividend equivalents with respect to shares of common stock subject to certain types of awards. The Board of Directors may, subject to any legal limitations, exercise any powers or duties of the Compensation Committee concerning the 2006 Plan. The Compensation Committee will select eligible employees, directors and/or consultants of us and our subsidiaries or affiliates to receive options or other awards under the 2006 Plan and will determine the number of shares of common stock covered by those options or other awards, the terms under which options or other awards may be exercised. The Compensation Committee is authorized to interpret the 2006 Plan and awards and to accelerate the vesting or exercisability of awards subject to the limitations of the 2006 Plan. Holders of options, SARs, unvested restricted stock and other awards may not transfer those awards, unless they die or, except in the case of incentive stock options, the Compensation Committee determines otherwise.

If we undergo a change of control, the Compensation Committee may adjust outstanding awards by substituting stock or other securities of any successor or another party to the change of control transaction, or cash out outstanding options, SARs and other awards, in any such case, generally based on the consideration received by our stockholders in the transaction.

Subject to particular limitations specified in the 2006 Plan, the Board of Directors may amend or terminate the 2006 Plan, and the Compensation Committee may amend awards outstanding under the 2006 Plan. The 2006 Plan will continue in effect until all shares of the common stock available under the 2006 Plan are delivered and all restrictions on those shares have lapsed, unless the 2006 Plan is terminated earlier by the Board of Directors.

2010 Restricted Stock Unit Grants

On May 7, 2010, the Company's Compensation Committee and Board of Directors approved grants of 30,000 and 50,000 restricted stock units (RSUs) to Ms. Gove and Mr. Hanaka, respectively. Each RSU represents the equivalent of one share of the Company's common stock and vests on the third anniversary of the grant date. On the vesting date, the Compensation Committee may, at its sole discretion, elect to deliver cash in lieu of the RSU shares in an amount equal to the fair market value of the issuable shares.

2011 Performance Share Grants

On February 16, 2011, our Compensation Committee approved grants of performance shares under the 2006 Plan, to Ms. Gove, Mr. Hanaka, Mr. Getson, Mr. Kester and Mr. Larkin. The number of performance shares that are earned by a holder are based on the Company's achievement of EBITDA (net income adjusted to exclude net interest expense, income taxes, depreciation, amortization and gain or loss on sale of capital assets) targets for 2011. Following the Compensation Committee's determination on April 4, 2012 of the extent to which the 2011 Company EBITDA targets were attained, following the issuance of the Company's 2011 audited financial statements, the number of performance shares earned were automatically converted into an equal number of shares of our common stock in the form of restricted stock under the 2006 Plan, provided that the holder continued to be employed by us on the conversion date. If the holder's employment with us were to have terminated under any circumstances prior to the conversion date, all of his or her performance shares would have been forfeited. One-third of the restricted stock vested immediately upon the Compensation Committee's determination of the extent to which the 2011 Company EBITDA targets were attained. The remaining two-thirds vest one-third each on each of the second and third anniversaries of the initial award date of the performance shares, subject to automatic forfeiture if the holder's employment with us terminates under any circumstances prior to the vesting date. Upon a change of control of the Company: (i) before the performance shares were converted to restricted stock, such conversion would have occurred as described above based on our 2011 EBITDA through the end of the month preceding the change of control date compared to a correspondingly pro-rated portion of the 2011 EBITDA targets, and the stock received by the holder would have been fully vested, or (ii) after the performance shares are converted to restricted stock, all outstanding restricted stock will fully vest. A holder of performance shares does not have any rights of a stockholder. A holder of restricted stock will have all rights of a stockholder, including dividend and voting rights.

Annual 2011 Bonus Plan

We believe the payment of cash bonuses provides meaningful incentives, rewards performance that benefits our business and is consistent with creation of stockholder value. Our annual bonuses are designed to be earned and paid to our officers at the discretion of our Compensation Committee. Any potential annual bonuses are based upon achievement of EBITDA targets. The Company's Compensation Committee may exercise full discretion to award or withhold any and all annual bonus compensation without regard to attainment or non-attainment of relevant performance goals.

On November 10, 2010, the Compensation Committee approved a cash bonus plan for our employees, including our NEOs, for fiscal 2011 (the 2011 Bonus Plan). The 2011 Bonus Plan was intended to assist us in attracting, retaining and motivating executive officers and key employees, and to reward them for assisting in achievement of our operational and strategic goals during fiscal 2011. The 2011 Bonus Plan was adopted to provide an outcome-based annual cash incentive to executive officers and key employees. Payments under the 2011 Bonus Plan, if any, were

Edgar Filing: GOLFSMITH INTERNATIONAL HOLDINGS INC - Form 10-K/A

contingent upon our achievement of certain corporate objectives, as well as the employee's continued employment with us on the date of payment.

Under the 2011 Bonus Plan, bonuses were tied to the achievement of specific targets based on EBITDA and any bonus payable for the achievement of any excess over 100% of the base EBITDA target would be paid in the form of restricted stock at a pre-established valuation of six dollars (\$6) per share. The Company achieved approximately 107% of the base EBITDA target for fiscal 2011 overall. As a result, the

officers of the Company received a cash bonus for 100% of 2011 target EBITDA, with the remainder of the 2011 bonus paid in a number of shares of restricted stock, determined as described above, that were granted on April 4, 2012. One-third of this restricted stock vests on each of the first, second and third anniversaries of the grant date, subject to automatic forfeiture if the holder's employment with us terminates under any circumstances prior to the vesting date.

The Compensation Committee retains full discretion in any given fiscal year to grant additional bonuses and may decide to award or withhold an award for an individual based upon overall Company performance or upon such individual's personal performance during the year.

Annual 2012 Bonus Plan

On February 15, 2012, the Compensation Committee approved a cash bonus plan for our employees, including our NEOs, for fiscal 2012 (the 2012 Bonus Plan). The 2012 Bonus Plan was adopted to provide an outcome-based annual cash incentive to executive officers and key employees. Payments under the 2012 Bonus Plan, if any, were contingent upon our achievement of certain corporate objectives, as well as the employee's continued employment with us on the date of payment. Under the 2012 Bonus Plan, bonuses are tied to the achievement of specific targets based on EBITDA.

The Compensation Committee retains full discretion in any given fiscal year to grant additional bonuses and may decide to award or withhold an award for an individual based upon overall Company performance or upon such individual's personal performance during the year.

Non-Employee Director Compensation Plan

In August 2006, the Company adopted the Non-Employee Director Compensation Plan (the Director Compensation Plan) under which it compensates directors that are not employees of the Company or First Atlantic Capital, Ltd. In addition to cash compensation, the Non-Employee Director Compensation Plan authorizes an annual grant of deferred stock units (DSUs) to members of our Board of Directors. Each DSU represents the equivalent of one share of the Company's common stock, vests immediately on the date of grant and is exercisable upon a director's completion of Board service. DSUs granted are issuable and included in the total number of shares reserved for issuance under the 2006 Plan. Directors who are employees of either the Company or First Atlantic Capital, Ltd. may be reimbursed for their business related expenses, but are not otherwise compensated for service as directors. On May 4, 2010, the Company's Board of Directors approved an amendment to the Non-Employee Director Compensation Plan providing changes in the annual retainer and annual grant of DSU's.

Table of Contents

Effective May 4, 2010, the Director Compensation Plan also provides a \$48,000 annual retainer for each non-employee director, as well as an annual retainer of \$15,000 for the chair of the Audit Committee, and \$5,000 annual retainers for the non-employee chairs of other standing committees. Directors are paid a fee of \$1,500 for each board meeting or equivalent time for director-related special services performed outside of board or committee meetings as approved by the Chair of the Board of Directors, and \$1,000 for each committee meeting that they attend. Additionally, directors are reimbursed for any out-of-pocket expenses incurred in connection with attending meetings and other activities.

On April 27, 2011, the Director Compensation Plan was amended to adjust the number of DSUs included in the annual grant. Effective April 27, 2011, directors who are not employees of the Company or First Atlantic Capital, Ltd. will receive an annual grant of DSUs to be issued at the Company's annual meeting of stockholders, whose number of shares is equivalent in value to \$40,000 at the time of issuance.

As a result of this arrangement, AEP III may be deemed to be the beneficial owner of the shares held by Carl and Franklin Paul. AEP III disclaims beneficial ownership of these shares except to the extent of its pecuniary interest therein. As described in footnote 6 above, Roberto Buaron, one of our directors, may be deemed to have voting and investment power over shares of our common stock owned by AEP III.

Item 13. Certain Relationships and Related Transactions, and Director Independence

During 2011 and 2010, there were no transactions to be disclosed in which the Company was a participant and the amount involved exceeded \$120,000 and in which any related person, including our executives and directors, had or will have a direct or indirect material interest.

Management Consulting Agreement

In connection with our acquisition by Atlantic Equity Partners in October 2002, we entered into a management consulting agreement with First Atlantic Capital, pursuant to which First Atlantic Capital agreed to advise us on management matters. We terminated the management consulting agreement upon the closing of our initial public offering in June 2006, but retained an obligation to reimburse First Atlantic Capital for expenses incurred in connection with meetings between representatives of First Atlantic Capital and us in connection with First Atlantic Capital's investment in us for so long as First Atlantic Capital holds at least 20% of our outstanding shares of common stock, but will not otherwise pay any fees under the Agreement. We reimbursed First Atlantic Capital in 2011 for expenses incurred in the amount of \$58,098.

Management Rights Agreement

Effective June 2006, we entered into a management rights agreement with Atlantic Equity Partners. Pursuant to the management rights agreement, in the event that we are not, or we cease to be, a controlled company because Atlantic Equity Partners does not beneficially own, on its own or as part of a group, more than 50% of our outstanding common stock, and we are required by NASDAQ regulations to have a majority of independent directors on our Board of Directors, to the extent necessary, the Board of Directors will simultaneously be reduced or increased, as the case may be, in size to nine directors. This reduction or increase would be effective immediately following the first annual or special meeting of our stockholders at which directors are to be elected (a Director Election) or effective immediately upon board action by written consent. The Board of Directors shall remain at this size until the first Director Election after the date on which Atlantic Equity Partners holds less than 15% of our outstanding common stock.

For so long as Atlantic Equity Partners continues to hold 25% or more of our outstanding common stock, it shall retain the right to designate three nominees for election to our Board of Directors, subject to compliance with NASDAQ regulations. If Atlantic Equity Partners continues to hold (1) less than 25% but at least 15% of our outstanding common stock, it will retain the right to designate two director nominees, and (2) less than 15% but at least 10% of our outstanding common stock, it will retain the right to designate one director nominee, and in each case, Atlantic Equity Partners will cause such number of directors nominated by Atlantic Equity Partners to resign as would be necessary to make the number of remaining directors correspond with Atlantic Equity Partners' designation rights unless our Board of Directors decides that any such directors should continue to serve on our Board of Directors. Once Atlantic Equity Partners holds less than 10% of our outstanding common stock, it shall have no right to designate directors. Pursuant to the management rights agreement, for so long as Atlantic Equity Partners owns any shares of our common stock, Atlantic Equity Partners shall have the right to nominate a non-voting observer to attend board or committee meetings of us and our subsidiaries, subject to such observer signing a confidentiality undertaking with us.

To the extent permitted by applicable law, the Management Rights Agreement entitles Atlantic Equity Partners to nominate one or more directors for membership on any committee of our Board of Directors, or the Board of Directors or any committee of the Board of Directors of any of our subsidiaries. The number of directors Atlantic Equity Partners is entitled to nominate shall be at least equal to the proportion of directors nominated by Atlantic Equity Partners to our Board of Directors at that time. Because the audit committee must be composed entirely of independent directors as defined by the SEC and NASDAQ, no director who does not meet those requirements can be nominated by Atlantic Equity Partners for membership of that committee.

Indemnification Agreements and Liability Insurance

We have entered into indemnification agreements with each of our directors and executive officers and have purchased directors' and officers' liability insurance appropriate for a public company. The indemnification agreements and our amended certificate of incorporation and amended and restated bylaws require us to indemnify our directors and officers to the fullest extent permitted by Delaware law.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors, executive officers and persons who own more than ten percent of the Company's common stock (Section 16 Insiders) to file reports of ownership and changes in ownership in the Company's common stock with the SEC and NASDAQ. Based on the Company's records and other information, the Company believes that all Section 16(a) filing requirements for the Section 16 Insiders have been complied with for the fiscal year ended December 31, 2011 except for an inadvertent untimely filing to report an option award made to Mr. Larkin pursuant to the Company's 2006 Plan on August 1, 2011.
