following the closing of any transaction referred to above, neither the Issuer nor the acquiring or surviving entity has a class of common securities (or American Depositary Receipts ("ADRs") representing such securities) listed on the New York Stock Exchange ("NYSE"), the NYSE MKT ("NYSE MKT") or the NASDAQ Stock Market ("NASDAQ") or listed or quoted on an exchange or quotation system that is a successor to the NYSE, the NYSE MKT or NASDAQ.

Conversion Rights:

Upon the occurrence of a Change of Control, each holder of Series A Preferred Stock will have the right (unless, prior to the Change of Control Conversion Date (as such term is defined in Description of the Series A Preferred Stock in the Issuer's preliminary prospectus supplement relating to the offering of the Series A Preferred Stock), the Issuer has provided or provides notice of its election to redeem the Series A Preferred Stock) to convert some or all of the Series A Preferred Stock held by such holder on the Change of Control Conversion Date into a number of shares of the Issuer's common stock per share of Series A Preferred Stock to be converted equal to the lesser of:

the quotient obtained by dividing (i) the sum of the \$25.00 liquidation preference plus the amount of any accrued and unpaid distributions to, but not including, the Change of Control Conversion Date (unless the Change of Control Conversion Date is after a record date for a share of Series A Preferred Stock distribution payment and prior to the corresponding Series A Preferred Stock distribution payment date, in which case no additional amount for such accrued and unpaid distribution will be included in this sum) by (ii) the Common Stock Price, and

9.3110 (the Share Cap), subject to certain adjustments,

subject, in each case, to provisions for the receipt of alternative consideration upon conversion as described in Description of the Series A Preferred Stock in the Issuer's preliminary prospectus supplement relating to the offering of the Series A Preferred Stock.

If prior to the Change of Control Conversion Date, the Issuer has provided or provides a redemption notice, whether pursuant to its special optional redemption right in connection with a Change of Control or its optional redemption right, holders of Series A Preferred Stock will not have any right to convert the Series A Preferred Stock in connection with the change of control conversion right and any shares of Series A Preferred Stock subsequently selected for redemption that have been tendered for conversion will be redeemed on the related date of redemption instead of converted on the Change of Control Conversion Date.
