Existing Board Best-Qualified to Complete Value Creation Initiatives

The Office Depot Board has demonstrated its commitment to sustained value creation

Secured investment from BC Partners in 2009 to solidify liquidity position

Ongoing input and oversight on development and execution of key operating initiatives

Negotiating merger with OfficeMax and creating opportunity for Office Depot shareholders to benefit from an estimated \$400-600 million in annual synergies

Unlocking value for shareholders by proactively monetizing Office Depot s Mexico JV

Our highly-qualified Board and management team have been instrumental in the progress made to date on the OfficeMax and Office Depot de Mexico transactions

Important relationships have been built with OfficeMax in multiple functional areas

Key leaders from both companies are actively engaged in merger integration planning for the successful integration of the two companies and realization of potential synergies

The CEO Selection Committee has launched a search process that will consider both incumbent CEOs and external candidates to lead the combined company

Inserting new parties at the table at this point is potentially disruptive and not in our shareholders

best interests
