## ITEM 7.01. Regulation FD

As previously announced, on July 28, 2013, Perrigo Company ( Perrigo ) and Elan Corporation, plc ( Elan ) entered into a transaction agreement, pursuant to which Perrigo will acquire Elan. Pursuant to the terms of the transaction agreement, a holding company incorporated in Ireland that will be renamed Perrigo Company plc ( New Perrigo ) will acquire Elan pursuant to a scheme of arrangement under the Irish Companies Act of 1963 and Perrigo pursuant to a merger of a wholly owned subsidiary of New Perrigo with and into Perrigo (the acquisition and the merger, together, the transaction ). The transaction was announced in an announcement (the Announcement ) pursuant to Rule 2.5 of the Irish Takeover Panel Act, 1997, Takeover Rules, 2007 (as amended) (the Irish Takeover Rules ). In connection with the transaction, New Perrigo filed a registration statement on Form S-4, which was declared effective on October 9, 2013. The definitive joint proxy statement of Perrigo and Elan that also serves as a prospectus of New Perrigo, and which forms a part of the Form S-4, was filed by each of Perrigo, Elan and New Perrigo on October 15, 2013 (the joint proxy statement/prospectus ). Elan has commenced mailing to its shareholders the joint proxy statement/prospectus, together with the Profit Forecast Document (as defined below) and a merger benefit document. Perrigo has also commenced mailing to its shareholders the joint proxy statement/prospectus.

### Profit Forecast Document

In accordance with the Irish Takeover Rules, where Perrigo gives earnings guidance (known as a profit forecast under the Irish Takeover Rules), that profit forecast must be repeated in the proxy statement sent to Elan shareholders and certain attestations to that profit forecast must also be provided. As Perrigo has previously publicly disclosed a profit forecast for the financial year ending June 28, 2014, this profit forecast has been repeated in the joint proxy statement/prospectus on pages 325 through 326, and is also repeated in a letter (the Profit Forecast Document ) being mailed to Elan shareholders with the joint proxy statement/prospectus. In addition to such profit forecast for Perrigo, the Profit Forecast Document includes reports required by the Irish Takeover Rules from Perrigo's reporting accountants, Ernst & Young LLP (the Ernst & Young Report ), confirming that the Perrigo profit forecast has been properly compiled on the basis of the assumptions set forth in the profit forecast and the basis of accounting used is consistent with the accounting policies of Perrigo, and Perrigo's financial advisor, Barclays Bank PLC (acting through its investment bank) (the Barclays Report ), confirming that it considers that the Perrigo profit forecast has been prepared with due care and consideration, each prepared solely for the purpose of complying with Rule 28.3 of the Irish Takeover Rules.

In accordance with the Irish Takeover Rules, Perrigo is furnishing to Elan shareholders the Ernst & Young Report and the Barclays Report, which are attached as Exhibits 99.1 and 99.2, respectively, to this Current Report on Form 8-K and which are incorporated herein by reference.

The information contained in this Form 8-K shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except as shall be expressly set forth by specific reference in that filing.

This announcement includes certain forward looking statements within the meaning of, and subject to the safe harbor created by, Section 21E of the Securities Exchange Act of 1934, as amended, with respect to the business, strategy and plans of Perrigo, its expectations relating to the transactions contemplated by the Transaction Agreement and its future financial condition and performance, including estimated synergies. Statements that are not historical facts, including statements about Perrigo's management's beliefs and expectations, are forward looking statements. Words such as believes, anticipates, estimates, expects, intends, aims, potential, will, would, could, considered variations of these words and similar future or conditional expressions are intended to identify forward looking statements but are not the exclusive means of identifying such statements.

Examples of such forward looking statements include, but are not limited to, statements about expected benefits and risks associated with the transactions contemplated by the Transaction Agreement, projections or expectations of profit attributable to shareholders, including estimated synergies, anticipated provisions or write-downs, economic profit, dividends, capital structure or any other financial items or ratios; statements of plans, objectives or goals of Perrigo, New Perrigo, Elan or the combined business following the transactions contemplated by the Transaction Agreement; statements about the future trends in tax or interest rates, liquidity, foreign exchange rates, stock market

While Perrigo believes these expectations, assumptions, estimates and projections are reasonable, such forward-looking statements are only predictions and involve known and unknown risks and uncertainties, many of which are beyond Perrigo's control. By their nature, forward looking statements involve risk and uncertainty because they relate to events and depend upon future circumstances that may or may not occur. Actual results may differ materially from Perrigo's current expectations depending upon a number of factors affecting Perrigo's business, New Perrigo's business, Elan's business and risks associated with acquisition transactions. These factors include, among others, the inherent uncertainty associated with financial projections; restructuring in connection with, and successful close of, the transactions contemplated by the Transaction Agreement; subsequent integration of the transactions contemplated by the Transaction Agreement and the ability to recognize the anticipated synergies and benefits of the transactions contemplated by the Transaction Agreement; the receipt of required regulatory approvals for the transactions contemplated by the Transaction Agreement (including the approval of antitrust authorities necessary to complete the transactions contemplated by the Transaction Agreement); access to available financing (including financing for the transactions contemplated by the Transaction Agreement) on a timely basis and on reasonable terms; the risks and uncertainties normally incident to the pharmaceutical industry, including product liability claims and the availability of product liability insurance; market acceptance of and continued demand for Perrigo's, New Perrigo's and Elan's products; changes in tax laws or interpretations that could increase Perrigo's or the combined company's consolidated tax liabilities; and such other risks and uncertainties detailed in Perrigo's periodic public filings with the SEC, including but not limited to those discussed under "Risk Factors" in Perrigo's Form 10-K for the fiscal year ended June 29, 2013, in Perrigo's subsequent filings with the SEC and in other investor communications of Perrigo or New Perrigo from time to time.

The forward-looking statements in this announcement are made only as of the date hereof, and unless otherwise required by applicable securities laws, Perrigo disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
