December 17, 2013

Dear Signature Group Holdings, Inc. Stockholder:

Signature Group Holdings, Inc. (the **Company**) recently mailed proxy materials to you for the upcoming special meeting of stockholders which will be held on December 30, 2013. Your vote is extremely important. At the special meeting, stockholders are being asked to vote on a proposal to approve the **Company's** reincorporation from Nevada into Delaware through creation of a new Delaware holding company, SGH Holdco, Inc. (the **Parent**). The reincorporation will occur via the merger of the **Company** with and into a newly created subsidiary of the **Parent**. Following the merger, the stockholders of the **Company** will become stockholders of the **Parent**, and the subsidiary will survive as a wholly-owned subsidiary of the **Parent**.

The Board of Directors (the **Board**) has unanimously approved the reincorporation and believes it is in the best interests of stockholders, and recommends stockholders vote **FOR** the reincorporation proposal and related adjournment proposal.

Why does the Board Want You to Vote?

The Board represents all stockholders and wants to be sure your voice is heard. Approval of the reincorporation requires that a majority of the shares of common stock outstanding vote **FOR** the merger.

Why is the Reincorporation to Delaware in Stockholders' Best Interests?

The Board believes it is highly desirable to be transformed into a Delaware holding company to protect stockholder interests and execute its business strategy, which includes acquiring and growing operating businesses with substantial taxable earnings to create stockholder value. The Board of Directors believes the following possible benefits could be realized by stockholders if they approve this proposal:

The creation of a holding company structure will facilitate growth through acquisitions as financiers should be more focused on the business being acquired rather than the Company's legacy operations.

By creating the Parent as a new holding company, we can keep new assets and liabilities of businesses acquired separate from the Company's existing assets and liabilities.

Delaware is well known for its modern and sophisticated legal and judicial systems, which facilitates corporate planning and should be advantageous for an acquisition focused company.

Institutional Shareholder Services (ISS), the leading independent institutional proxy advisory firm, recommended that stockholders vote FOR the reincorporation because it will improve shareholder rights. The recommendations of ISS are relied upon by hundreds of major institutional investment firms, mutual funds and other fiduciaries.

STOCKHOLDERS ARE ENCOURAGED TO READ THE PROXY STATEMENT IN ITS ENTIRETY AS IT PROVIDES GREATER DETAIL ON THE REASONS WHY THE BOARD RECOMMENDS STOCKHOLDERS VOTE FOR THE REINCORPORATION VIA MERGER. STOCKHOLDERS CAN OBTAIN FREE COPIES OF THE PROXY STATEMENT/PROSPECTUS THROUGH THE SEC WEBSITE AT WWW.SEC.GOV. THE PROXY STATEMENT/PROSPECTUS MAY ALSO BE OBTAINED FOR FREE BY CALLING MORROW & CO.
