Item 1.01. Entry into a Material Definitive Agreement.

On February 7, 2014, Albemarle Corporation (the Company) and Albemarle Global Finance Company SCA (the Belgian Borrower), as borrowers, entered into a \$750,000,000, five-year, revolving, unsecured credit facility (the New Credit Facility) with the several banks and other financial institutions as may from time to time become parties thereto, and Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer, (collectively, the Lenders). The New Credit Facility permits certain of the Company's domestic subsidiaries (the Company Subsidiaries) to become parties to the New Credit Facility as borrowers from time to time. The New Credit Facility replaces that certain Amended and Restated Credit Agreement, dated as of September 22, 2011, among the Company and the Belgian Borrower, as borrowers, and the Lenders (the Prior Credit Facility), that was due to mature on September 22, 2016. The Prior Credit Facility was undrawn as of February 7, 2014.

The New Credit Facility matures on February 7, 2019. Twice during the term of the New Credit Facility (but not more than one time in any twelve month period), the Company can request that the maturity date of the New Credit Facility be extended for an additional one-year period, but any such extension is subject to the approval of the Lenders under the New Credit Facility. Up to five times during the term of the New Credit Facility, the Company has the right, upon prior written notice to the Administrative Agent but without the consent of the Lenders, to increase the aggregate commitments under the New Credit Facility by up to an additional \$250,000,000 in the aggregate.

The New Credit Facility allows borrowing by the Company and by the Belgian Borrower. The New Credit Facility also allows borrowings by the Belgian Borrower to be denominated in currencies other than the U.S. dollar. Borrowings under the New Credit Facility bear interest at variable rates based on an average London inter-bank offered rate (LIBOR) for deposits in the relevant currency plus an applicable margin which ranges from 0.900% to 1.500%, depending on the Company's credit rating from Standard & Poor's and Moody's Investor Services, Inc. As of the closing of the New Credit Facility, the applicable margin over LIBOR was 1.000%. The New Credit Facility also permits the issuance of letters of credit and swingline loans. In addition, the Company and each of the Company Subsidiaries guarantees to the Lenders all of the obligations of the Company, the Company Subsidiaries and the Belgian Borrower under the New Credit Facility, the notes and the other loan documents, including any obligations under hedging arrangements.

The New Credit Facility contains representations, warranties, terms and conditions customary for transactions of this type, including compliance with one financial covenant requiring that the Company's consolidated leverage ratio (funded debt to EBITDA), as defined in the New Credit Facility, be not more than 3.5:1.0 as of the end of any fiscal quarter. The New Credit Facility also contains customary default provisions, including defaults for non-payment, defaults for breach of representations and warranties, defaults for insolvency, defaults for non-performance of covenants, cross-defaults and guarantor defaults. The occurrence of an event of default under the New Credit Facility could result in all loans and other obligations becoming immediately due and payable and the facility being terminated.

This description of the New Credit Facility is not complete and is qualified in its entirety by reference to the entire New Credit Facility, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

Item 1.02. Termination of a Material Definitive Agreement.

The Prior Credit Facility was terminated as of February 7, 2014.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information required by this item is included in Item 1.01 and incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.
