Item 1.01 Entry into a Material Definitive Agreement.

On July 1, 2014, The Hillshire Brands Company, a Maryland corporation (Hillshire), entered into an Agreement and Plan of Merger (the Merger Agreement) with Tyson Foods, Inc., a Delaware corporation (Tyson), and HMB Holdings, Inc., a Maryland corporation and wholly owned subsidiary of Tyson (Merger Sub), pursuant to which, among other things, Merger Sub will commence a tender offer (the Offer) to acquire all of the issued and outstanding shares of common stock of Hillshire, par value \$0.01 per share (Hillshire Common Stock), subject to the terms and conditions of the Merger Agreement, at a purchase price of \$63.00 per share, net to the seller thereof in cash (the Offer Price), without interest. Hillshire s board of directors has unanimously approved the transaction.

Merger Sub has agreed to commence the Offer as promptly as practicable, and in any event within 10 business days following the date of the Merger Agreement. Merger Sub s obligation to accept for payment and pay for the shares of Hillshire Common Stock validly tendered and not validly withdrawn pursuant to the Offer is subject to the satisfaction and waiver of certain conditions, including that the number of shares of Hillshire Common Stock that have been validly tendered (and not validly withdrawn), together with the shares beneficially owned by Tyson or Merger Sub, if any, represents at least two-thirds of the total number of outstanding shares of Hillshire Common Stock as of the Expiration Time (as defined below).

Subject to the terms and conditions of the Merger Agreement, the Offer will initially expire at midnight, New York time, on the 20th business day from (and including the day of) the commencement thereof (the Expiration Time). However, until such time as the applicable conditions to the Offer described in the Merger Agreement have been satisfied or waived, the Offer may be, and in certain cases must be, extended by Merger Sub, but Merger Sub will not be required to extend the Offer, except in certain cases described below, beyond December 1, 2014 (the Outside Date). The Outside Date may be extended for four months after such date if on such date all conditions to the Offer described in the Merger Agreement other than (i) the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act and (ii) those conditions that by their nature can only be satisfied as of the time and date on which Merger Sub accepts validly tendered and not validly withdrawn shares of Hillshire Common Stock for payment (the Acceptance Time) have been satisfied or waived by Merger Sub.

Subject to certain conditions and limitations, under the Merger Agreement, Hillshire has granted Tyson an option to purchase from Hillshire after the successful completion of the Offer enough additional shares of Hillshire Common Stock so that Tyson will own more than 90% of the outstanding shares of Hillshire Common Stock, in order to facilitate the completion of the Merger (as defined below) through the short-form procedures available under Maryland law. If Tyson does not own more than 90% of the outstanding shares of Hillshire Common Stock at the Acceptance Time, Merger Sub will be deemed to have exercised the Top-Up Option.

Following the consummation of the Offer and subject to the terms and conditions set forth in the Merger Agreement, Merger Sub will merge with and into Hillshire, with Hillshire surviving as a wholly owned subsidiary of Tyson (the Merger). As a result of the Merger, each

issued and outstanding share of Hillshire Common Stock (subject to certain exceptions set forth in the Merger Agreement) that is not tendered and accepted pursuant to the Offer will be cancelled and converted into the right to receive, in cash and without interest, an amount equal to the Offer Price (the Merger Consideration).

At the Acceptance Time: (i) each Hillshire stock option that is unexpired, unexercised and outstanding, whether vested or unvested, will become vested in full as of immediately before the Acceptance Time and will be cancelled in exchange for the right to receive a cash payment equal to the number of shares of Hillshire Common Stock subject to the Hillshire stock option multiplied by the excess, if any, of (a) Offer Price over (b) the per share exercise price for such option, subject to any required withholding of taxes; and (ii) each Hillshire restricted stock unit that is outstanding will become vested in full as of immediately before the Acceptance Time and will be cancelled in exchange for the right to receive a cash payment equal to the number of shares of Hillshire Common Stock subject to the Hillshire restricted stock unit multiplied by the Offer Price, subject to any required withholding of taxes.

Hillshire, Tyson and Merger Sub have made customary representations and warranties in the Merger Agreement. The Merger Agreement also contains customary covenants and agreements for a transaction of this nature, including with respect to, among other things, restrictions on the operation of Hillshire's business prior to the effective time of the Merger, certain restrictions on Hillshire's ability to solicit and respond to third-party proposals and the requirement that the parties use reasonable best efforts to take all actions necessary to obtain governmental and regulatory approvals as promptly as practicable. The Merger Agreement permits Hillshire to continue making regular quarterly dividend payments in an amount not to exceed \$0.175 per share of Hillshire Common Stock. The Offer is not subject to a financing condition.

Tyson and Merger Sub have obtained financing commitments, the proceeds of which, together with cash on hand, will be sufficient for Tyson and Merger Sub to pay, among other things, the aggregate Offer Price and Merger Consideration to Hillshire's stockholders upon the Acceptance Time and the closing of the Merger, respectively.

The Merger Agreement contains specified termination rights for both Tyson and Hillshire. Under certain circumstances, Hillshire will pay Tyson a termination fee of \$261,340,000 and will reimburse Tyson the amount of the Pinnacle Termination Fee (as defined below) previously paid by Tyson to Pinnacle (on behalf of Hillshire).

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, which is attached hereto as Exhibit 2.1 and incorporated herein by reference.

The Merger Agreement has been filed to provide security holders with information regarding its terms. It is not intended to provide any other factual information about Hillshire, Tyson or their respective subsidiaries and affiliates. The Merger Agreement contains representations and warranties by each of the parties to the Merger Agreement. These representations and warranties were made solely for the benefit of the other party to the Merger

Agreement and (i) are not intended to be treated as categorical statements of fact, but rather as a way of allocating risk to one of the parties if those statements prove to be inaccurate, (ii) may have been qualified in the Merger Agreement by confidential disclosure schedules that were delivered to the other party in connection with the signing of the Merger Agreement, which disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations, warranties and covenants set forth in the Merger Agreement, (iii) may be subject to standards of materiality applicable to the parties that differ from what might be viewed as material to stockholders and (iv) were made only as of the date or dates as may be specified in the Merger Agreement. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by Hillshire or Tyson. Accordingly, you should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Hillshire or Tyson.
