- .. Pre-commencement communication pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

## ITEM 2.03. CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

On April 29, 2015, AutoZone, Inc. (the Company) completed the sale of \$250 million aggregate principal amount of its 2.500% Notes due 2021 (the 2021 Notes) and \$400 million aggregate principal amount of its 3.250% Notes due 2025 (the 2025 Notes and, together with the 2021 Notes, the Notes). The 2021 Notes bear interest at a fixed rate equal to 2.500% per year, payable semi-annually and the 2025 Notes bear interest at a fixed rate equal to 3.250% per year, payable semi-annually.

The Notes were issued pursuant to an Indenture dated as of August 8, 2003 (the Indenture), between the Company and The Bank of New York Mellon Trust Company, N.A., as successor in interest to Bank One Trust Company, N.A., as trustee, and were offered and sold pursuant to the Company's shelf registration statement filed with the Securities and Exchange Commission (the Commission) on April 15, 2015, on Form S-3 (File No. 333-203439), as supplemented by a prospectus supplement dated April 20, 2015, filed with the Commission on April 21, 2015. Pursuant to the Indenture, the Company executed an Officers' Certificate dated April 29, 2015 setting forth the terms of the 2021 Notes (the 2021 Notes Officers' Certificate) and an Officers' Certificate dated April 29, 2015 setting forth the terms of the 2025 Notes (the 2025 Notes Officers' Certificate and, together with the 2021 Notes Officers' Certificate, the Officers' Certificates).

The Company will pay interest on the Notes on April 15 and October 15 of each year, beginning October 15, 2015. The 2021 Notes will mature on April 15, 2021 and the 2025 Notes will mature on April 15, 2025. The Notes will be senior unsecured debt obligations of the Company and will rank equally with the Company's other senior unsecured liabilities and senior to any future subordinated indebtedness of the Company. The Notes are subject to customary covenants restricting the Company's ability, subject to certain exceptions, to incur debt secured by liens, to enter into sale and leaseback transactions or to merge or consolidate with another entity or sell substantially all of its assets to another person. The Indenture provides for customary events of default and further provides that the trustee or the holders of 25% in aggregate principal amount of the outstanding series of Notes may declare such Notes immediately due and payable upon the occurrence of any event of default after expiration of any applicable grace period.

The Company may redeem the Notes at the Company's option, at any time in whole or from time to time in part, on not less than 30 nor more than 60 days' notice, at the redemption prices described in the applicable Officers' Certificate. If a change of control, as defined in the applicable Officers' Certificate, occurs, unless the Company has exercised its option to redeem the Notes, holders of the Notes may require the Company to repurchase the Notes at the prices described in the applicable Officers' Certificate.

The above description of the Officers' Certificates and the Notes is qualified in its entirety by reference to the Officers' Certificates pursuant to the Indenture setting forth the terms of the Notes, and the forms of the Notes, copies of which are attached hereto as Exhibits 4.1, 4.2, 4.3 and 4.4, respectively.

## ITEM 9.01. FINANCIAL STATEMENTS AND EXHIBITS.

(d) Exhibits.
