## **SECTION 1 Registrant's Business and Operations**

### **Item 1.01. Entry into a Material Definitive Agreement.**

The description of the Term Loan Facility (as such term is defined below) in Item 2.03 is incorporated into this item by reference.

## **SECTION 2 Financial Information**

### **Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.**

On November 17, 2015, Southwestern Energy Company (the Company) entered into a \$750,000,000 unsecured three-year Term Loan Credit Agreement with various lenders, Bank of America, N.A., as Administrative Agent, and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as Lead Arranger and Bookrunner (the Term Loan Facility). The Term Loan Facility is prepayable at any time and requires prepayment under certain circumstances from the net cash proceeds of any issuance of debt or equity securities and sales of assets, with certain exceptions.

The Term Loan Facility includes covenants that restrict the ability of the Company and its restricted subsidiaries, as that term is defined in Term Loan Facility, to incur liens or certain indebtedness or to invest in subsidiaries not restricted by the covenants in the agreement. The Term Loan Facility also contains a financial covenant that requires the Company to maintain a debt to capitalization ratio, as defined in the Term Loan Facility, that does not exceed 0.60 to 1.0 and restricts the ability of the Company to merge, consolidate or sell all or substantially all of its assets. The Term Loan Facility also includes events of default relating to customary matters, including, among other things, nonpayment of principal, interest or other amounts; violation of covenants; incorrectness of representations and warranties in any material respect; cross default and cross acceleration with respect to indebtedness in an aggregate principal amount of \$100 million or more; bankruptcy; judgments involving liability of \$100 million or more that are not paid; and ERISA events. Many terms of the Term Loan Facility are subject to customary notice and cure periods.

The Company borrowed the full amount under the Term Loan Facility on November 17, 2015.

The above description of the material terms and conditions of the Term Loan Facility does not purport to be complete and is qualified in its entirety by reference to the full text of the Term Loan Facility, which is filed as Exhibit 10.1 to this Current Report on Form 8-K.

## **SECTION 8 Other Events**

### **Item 8.01. Other Events**

Contemporaneously with the filing of this Current Report on Form 8-K, the Company has filed an automatic shelf Registration Statement on Form S-3 (the New Registration Statement). The New Registration Statement replaced the Company's former automatic shelf Registration Statement on Form S-3 dated November 9, 2012 (the Prior Registration Statement), the effectiveness of which expired on November 13, 2015, the third anniversary of its effective date, in accordance with Rule 415(a)(5) of the Securities Act of 1933, as amended.

The Company filed the New Registration Statement due to the expiration of its Prior Registration Statement and not in anticipation of any specific securities offerings to the public.
